Then, Lincoln fired a beam of white energy which hit The Black Box of Epiales and destroyed it, and it freed the remaining souls of those still trapped in The Nightmare Room and sent the spirit of the witch to The Black Gates and The Nightmare Room was destroyed forever and sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: And with that, we bid a farewell and good riddance to The Nightmare Room forever. (To Carla Nightwolf) And it's so good to see you again, Carla.

Carla Nightwolf: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Regina.

Suddenly, Lincoln was pounced on by Carla Nightwolf as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Carla Nightwolf was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Carla Nightwolf: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Carla Nightwolf and he hugged her, and Carla Nightwolf is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carla Nightwolf: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Carla Nightwolf, Witch Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful witch dark angel and queen of a massive witch coven from Denver, Colorado. She's also feared for destroying a rival coven of witches who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular witches, Carla Nightwolf was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength along with the powers, abilities, and superhuman strength of the witches, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first witch queen of her massive witch coven, and she destroyed the hated rival clan of witches and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Carla for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Killjoy Huggins showed up and tried to kill us, but he was no match for us and we pulverized him and wedgied him by his undies on a tree branch in front of Superintendent Chen, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Me: And it really ended badly for Killjoy Huggins after Lincoln and Carla told Superintendent Chen all the details, and she stomped on his crotch hard with her heels!

Nico: (SHUDDERS)

Nicole: Even I was impressed by what she did to him after Lincoln and Carla told him.

Lincoln: We heard him howling in pain after that, and it was brutal.

Eli: I'm surprised she hadn't turned him into a toad.

Lincoln: Eli, she's done a lot more than that, turning him into a toad would be too easy. But, I did tell her not to use any lethal curses, so he got off easy.

Lincoln's Guardian Angels and Harem: Not!

Lincoln: Yeah, he was on permanent thin ice that day. And now that you're here, Carla.

Lincoln went up to and hugged Carla Nightwolf in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Carla Nightwolf: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carla Nightwolf with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carla Nightwolf: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carla Nightwolf, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Carla Nightwolf's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Carla Nightwolf had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Anabel Alheim, Excel Bouquet, Nanase Mikado, and Tina MacPherson from Oshikake Harem.

Lincoln: Oh wow, it's Anabel Alheim, Excel Bouquet, Nanase Mikado, and Tina MacPherson from Oshikake Harem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Anabel Alheim: Yes, we're okay, thanks to you.

Then, when Anabel Alheim and the other three girls saw who it was that saved them from The Black Box of Epiales, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Anabel Alheim: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anabel Alheim: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anabel Alheim, Excel Bouquet, Nanase Mikado, and Tina MacPherson with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we told everyone what happened, and they were shocked to find out we went out to destroy the very source of The Nightmare Room: The Black Box of Epiales which was said to have been created by a witch who wanted to trap the souls of children in a place where their darkest nightmares are brought to life, and her evil soul is also imprisoned inside The Black Box of Epiales.

But, when Lincoln showed what we all did in blasting that box of nightmares and Lincoln firing a beam of white energy that destroyed it and freed the remaining souls trapped in The Nightmare Room and banished the witch's spirit and The Nightmare Room to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Carla Nightwolf have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys destroyed the very source of The Nightmare Room?!

Lincoln: That's right.

Nico: To think a child-hating witch created that cursed box and used it to trap innocent children in The Nightmare Room.

Me: Yeah, she was such a monster. Glad she's finally gone forever.

---

After we destroyed The Black Box of Epiales for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carla Nightwolf saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Carla Nightwolf: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carla, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Carla Nightwolf: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Regina Maxwell: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a female with crazy brown hair and dressed in a red prison jumpsuit, and she was really out for blood.

Ed Cowart: Oh shit, that's Sarah Garcia! She's one of the five criminals that RD Sebastian busted out of prison!

RD Me: Should've known that bitch would be next, and you guys aren't going to like her one bit. Sarah Garcia is a well-known and super dangerous criminal, she's wanted for tons of violent crimes and destruction of property, she's a monstrous asshole even worse than the dark sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, and Chase Young.

Nico: Jeez, that bitch is bad news!

RD Lincoln: And she's among those who've helped that monstrous demon in causing destruction to our home. We had her captured and sent to a maximum security prison for the rest of her life, but Sebastian escaped and vowed revenge on us.

Lincoln: We better take care of Sarah Garcia at once.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts at Sarah Garcia, and she went ballistic when she saw us along with The Royal Defenders.

Ed Cowart: I should've known you'd show up here, Sarah. I caught the stench of your B.O. from a mile away, along with the smell of blood from that monster, Sebastian!

Sarah Garcia: SHUT THE FUCK UP! I'M GOING TO ENJOY TEARING YOUR THROAT OUT FOR THROWING ME IN PRISON, ASSHOLE!

Nico: Ain't happening, you loudmouth bitch!

?: I'm gonna hogtie that rotten varmint!

Suddenly, we saw a very beautiful and super sexy girl with long yellow hair and pink cowboy hat, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful pink angel wings, she's dressed in a pink tank top, necklace with pink gem for the pendant, yellow skirt, brown knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, cowboy hats, horses, phoenixes, and angels on the coattails and on the back are Shatter, Dropkick, Fracture, Dragstrip, Dead End, Wild Wheel, Mohawk, Sideways, Crazybolt, Clampdown, Quillfire, Springload, Auglur, Yooreek, Meebkin, Gaddzooks and Blarret and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Josie Kaios, Fusion Gene-Slammer of Shatter, Dropkick, Fracture, Dragstrip, Dead End, Wild Wheel, Mohawk, Sideways, Crazybolt, Clampdown, Quillfire, Springload, Auglur, Yooreek, Meebkin, Gaddzooks and Blarret.

Jessica Kaios: Sis?!

Josie Kaios: That's right, and it's so good to see you and Jessica again, Lincoln. But, we'll save the talk for later, we've got to get rid of this varmint.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he and Josie fired energy beams which hit Sarah Garcia hard in the face, and that drove her ballistic.

Sebastian Mendez: As if I wasn't enough of a nightmare along with my Universe 666 twin, now I find out I also have a Royal Defenders twin who's worse than my Universe 666 twin and me before I had my Dark Side removed.

Sebastian fired Divine Darkness blasts which hit Sarah Garcia and tore her apart and she was sent to The Black Gates. Then, we headed home and continued our workouts.

Ed Cowart: Well, that's another asshole down, and three to go before we get after that demonic asshole

Lincoln: But, like we did with Universe 666 Sebastian, we need to take care of those five criminals and send them to The Black Gates, and then, we can take care of RD Sebastian. And now that you're back, Josie.

Lincoln went up to Josie Kaios and he hugged her, and Josie Kaios is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Josie Kaios: Hoowee! You sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli. Everyone, this is Josie Kaios, Fusion Gene-Slammer of Shatter, Dropkick, Fracture, Dragstrip, Dead End, Wild Wheel, Mohawk, Sideways, Crazybolt, Clampdown, Quillfire, Springload, Auglur, Yooreek, Meebkin, Gaddzooks and Blarret, she's my Guardian Angel from Texas and classmate in Gym and she's also the twin sister of Jessica Kaios. She has yellow hair with a pink tank top, yellow skirt, and pink cowboy hat. She, Jessica, and I love to ride horses, and one day, a wild bull came charging right at Josie and Jessica, but I saved them by using Fluttershy's stare. To show thanks, Josie and Jessica kissed me on the lips. As a result, I promised that when I come of age, I will marry Jessica and Josie along with the rest of my harem, and she hates Luan with a blazing passion, the reason why is because she painted Josie's horse red which made that wild bull come charging at Josie and Jessica, but my Stare stopped the bull, and when Josie and Jessica found out what Luan did, Josie and Jessica beat the crap out of Luan and threw her into a pile of stinky socks.

Nico: She did what?!

Me: Yep, she painted Josie's horse red and let that bull loose to have them killed, but Lincoln used his Stare and stopped it.

Luna: But, when Josie and Jessica found out, they were furious and beat the stuffing out of her.

Lori: And she literally came home smelling like stinky socks, and needless to say, she got grounded for a month, thrown in a straitjacket, and thrown in a padded cage.

Lincoln: But, not before we hosed her down and scrubbed her down with soap, and now that you're here, Josie.

Lincoln went up to and hugged Josie Kaios in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Josie Kaios: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Relena Caskett with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Josie Kaios: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Josie Kaios.

Josie Kaios had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Josie Kaios had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

We got a shower, and then, Lincoln, Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer are heading to Koopa Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Moonracer: Wow, so this is Koopa Beach. It sure is beautiful.

Lincoln: It sure is, Moonracer, and it's perfect for our first date. Shall we?

Lincoln, Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Koopa Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer are in your harem, Linky.

Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later we were all relaxing in the park.

Shayla Arashi: Such a nice day.

Me: Yeah.

But then we felt a rumble.

Then we heard helicopter rotors and then we heard singing of the Ride of The Valkyries. But then of all people came in THE GHOSTLY TRIO!

Me: Well look who showed up uninvited.

Stretch: This is now our park so why don't you all just make like rockets and get lost!

Me: Pardon me? I didn't get that because I don't speak motherfucker!

Flare Firestar: You are NOT ruining this for us!

Me: Yeah so why don't you make like ghosts and cross over to the other side!

Stretch: Hey shut up skinbag!

Me: Piss off you motherfucker!

Stretch: Go to hell!

Me: Been there before you Shitchewing Fucksack!

Stetch: Then go back and stay there!

Me: You first you assbiting motherfucking sack of onions!

Apeface: By the way, we're looking for Mr. Snotball. First name: Eura

Me: Yeah! You're a snotball! A Big fat bunch of motherfucking shitstained snotballs!

Nico: Yeah!

Vypra then came.

Vypra: Okay you blockheads!

She sucked them into a Ghost Thermos!

Vypra: Sorry about that guys.

Poromon: It's fine.

Vypra: I'll give these dirt clods a really nasty talking to and make sure they don't get any fun.

Qin: Good. Stupid jerks.

Me: Casper I don't know why you put up with your stupid uncles like this. Why can't you just banish them to the black gates and get it over with?

Nico: Yeah all they caused to you is nothing but pain and abuse and trouble

Casper: Besides it's funny to make fun of them.

Me: You're right.

Vypra: True, Well see you round guys.

Vypra teleported back with them.

Me: Good riddance.

Nico: Stupid jerkballs.

Casper: And they are Lucy's (Cyberpunks) archenemies.

Me: Oh right.

Camie: Yeah.

Poromon: How are you enjoying us Suicune?

Suicune: It's fun and amazing,

Qin: It sure is.

Lola: Yep.

Aqua: We're glad.

?: Man those stupid jerkball ghosts,

Then we saw a figure and it was a girl with purple hair and purple eyes and she had purple angel wings and purple clothes and had a tiara with the symbol of Yamato Man on it and she had a halberd in her hand.

Yinnia Yamato: Yinnia Yamato, Embodiment of Yamato Man.

Xenia: Awesome!

Green Arrow: Awesome to see you again Yinnia.

Hawkeye: Same here.

Yinnia Yamato: You too Ollie and Clint. Its been a while

Broadside: How did you meet Hawkeye and Green Arrow?

Yinnia Yamato: I met Green Arrow while he was fighting Slade before and I punched his face in and slashed him across his face.

Qin: YIKES!

Robin: So that's how Slade was stuck wearing that mask.

Yinnia Yamato: Yep. And I met Hawkeye while he was helping the Avengers take down Loku. I slashed Loki across his chest.

Loki showed a nasty scar.

Qin: WHOA!

Me: Wow! She really left her mark on you.

Loki: (British Accent) She sure did.

Nico: Nice. Would you like to join the team?

Yinnia Yamato: I would be honored.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Skylanders Bombshell: Nico, who shines today?

Nico: Ellie Singh and Gingka

Ellie Singh: Awesome!

Gingka: Yeah!

Xenia: This is gonna be awesome.

Skylanders Bombshell: Jolly good!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Astronaut Ghost, and he's haunting NASA and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Astronaut Ghost, and he's haunting NASA and causing havoc.

We gasped.

Me: Now, we got a clone of The Astronaut Ghost?! Yeesh!

Lynn: There's no way I'm letting him get away, and I'm more than ready to take that guy down.

Suddenly, we heard a demonic roar in the distance.

Lincoln: (Smirks) And it looks like RD Sebastian's already losing it. We've already killed Caleb Roman and Sarah Garcia, now we just need to kill the final three, and on Halloween, we kill him, and I'm also going to kill all those other versions of him.

Me: Wait, there's more of him out there in different worlds?!

King Kai: (Telepathically) And in other universes, and they're just as nasty, deranged, homicidal, and extremely evil as Sebastian before his Dark Side was removed.

Nico: Yuck! It's bad enough we had to deal with the Universe 666 and Royal Defenders versions of Sebastian was bad enough, now we find out there's more of them?! Lincoln, I hope you send all of them straight to Hell forever. Alright, gang, let's head down there and kick that clone's ass.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

The previous group came.

Rich Texan: Can me, Shendu, Webstor, Angel, Red Ghost, Skalamander, Steam Smythe, Black Adam, Selene, and Larxene go with you guys?

Nico: Yes you all can go with us.

Qin: Awesome.

Needlenose: Nico which gene-slammer do you think you'll meet next?

Nico: Wheel Gator next.

Camie: Fast.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hadlar, a major villain in the Dragon Quest spin-off manga Dragon Quest: The Adventure of Dai and its anime adaptions, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to Hadlar, a major villain in the Dragon Quest spin-off manga Dragon Quest: The Adventure of Dai and its anime adaptions, and he's coming here to destroy us.

We gasped.

Me: Uh oh.

Nico: Not good.

Ariane Sanchez: There's no way I'm letting Hadlar get away with this, he's going to wind up absorbed by you after we take him down.

Lincoln: Right, Ariane.

Nico: I hope you guys tear him apart. Alright, gang, let's go, we're heading out to destroy that clone of The Astronaut Ghost.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Hadlar.

Ariane Sanchez: There's absolutely no way we're letting you run free any longer, Hadlar, The Avatar of Earthbound Immortal Chacu Challhua will claim your souls.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Astronaut Ghost so that Lincoln can absorb him, and once we got done with him, Lincoln and Ariane Sanchez are going to destroy Hadlar.

We were off to NASA

---

We arrived at NASA.

Shendu: Here we are at NASA!

Qin: Yep.

Me: Awesome being here again.

Lola: Yep.

Gluko: Always good to see brave astronauts here.

Me: Yep. Especially us too because we went into space before for NASA.

Camie: That is awesome.

Varie: Yep.

Camie: Who is the Astronaut Ghost?

Me: His real name was Simon Simonson. He was mad because Velma's experiment got chosen to go into orbit and his didn't. She he was going to make sure that hers didn't either.

Nico: What was her experiment?

Sakura Knudson: To see if Microwave Scooby Snax would cook in outer space.

Red Ghost: Is that even possible?

Me: Yes it is. The International Space Station can do that.

Camie: Yep.

Red Ghost: Wow.

Dead End: I doubt Velma's experiment actually worked.

Me: Actually it did.

Dead End: Really?

Me: Yep. It was a 100% success.

Nico: Wow.

Kaiba: I know that Velma's experiment seems farfetched. But it doesn't sound impossible. Remember when I made that contest involving launching cards into space?

Steam Smythe: Didn't Jaden participate in that contest?

Jaden: Yes I did.

Yubel: He launched me into space.

Me: It's true.

Nurzak: Hmm. Where exactly are Scooby and the rest?

Sabator: It's not a mystery without them.

Me: They must be inside.

We went into the building and got to looking for them.

Selene: Scooby? Guys? You there?

Qin: Hmm.

Then we saw something.

Me: Look.

We saw them.

Fred Jones: Hey guys!

Me: Glad we found you.

Velma: This isn't our first NASA caper.

Octane: It's not?

Me: Nope. We had many more monsters here. Like the Space Ape.

Shaggy: Like yeah.

Me: Janet Lawrence.

Qin: Oh yeah. I remember her.

Larxene: That didn't look like an ape.

Me: No it didn't.

Qin: Yeah.

Shaggy: But like yeah the Astronaut Ghost will be destroyed.

Nicole: Darn tootin!

Caitlyn: We just need to find it.

Eli: Leave that to me.

Xenia: Yep.

Fred Jones: It will be awesome facing it again.

Nico: Lets get moving then.

Shaggy: Like forget it! Scoob and me are going to hit the snack bar instead.

Laney: Oh come on guys!

Me: Yeah!

Shaggy: UH UH! NO WAY!

Scooby Doo: NOT ON YOUR LIFE! NEVER!

Erica then grabbed them.

Erica Haddock: You guys don't have a choice in this!

Shaggy: (COWARDLY WHIMPERING) I HATE THIS JOB! CROW YOUR GIRLFRIEND IS SUCH A BRUTE!

Erica Haddock: I heard that!

Black Adam: We can check out the snack bar after this.

Me: Yeah.

Erika Haddock: You better get with the program or there is gonna be no food for you for a month!

Shaggy: NO! NOT THAT! ANYTHING BUT THAT!

Erika Haddock: I'm not bluffing! I will make sure you starve!

Nico: Uh oh.

Shaggy: (Cowardly Whimpering) Okay you win!

Erica Haddock: Good.

Eli: Found him! In the shuttle hanger over there.

He pointed to it.

Deadpool: He should've been faced in What's New Scooby Doo.

Jamesdean5842: I know. But this is much more awesome and fun.

Came: It sure is.

We went to the shuttle hangar.

Skalamander: I hope he hasn't wrecked anything yet.

Nico: Me too.

Lola: Yeah.

Camie: Yeah.

Bowser: I hope you guys know that tomorrow, you finish all the Mario Galaxies

Nico: We know.

Xenia: Yeah.

Angel: Next is Super Mario Odyssey.

Me: One of my favorites.

Camie: Yeah that was fun.

Qin: It sure was.

Varie: I'll say.

Then we heard roaring coming from the hanger!

Me: He's in there all right!

Flamewar: Entrance time!

We went at it!

The Astronaut Ghost was roaring loudly and then the spirits of the Astronauts came and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we landed.

Me: Your mission has been cancelled!

Webstor: TIme to web you up!

He fired webs and wrapped him up.

Spiderman: Well done!

The Astronaut Ghost roared!

Nico: Anyone got a space sword?

Sokka: I do!

He unsheathed it and slashed the Ghost all over!

Aang: Nice, Sokka!

Me: Yeah!

We blasted the Ghost all over!

ZOOOM!

Ellie Singh ran fast and bashed the ghost all over.

Gingka: Let it rip!

ZOOM!

He unleashed his Beyblade and it smashed him all over.

Ellie and Gingka charged at him and bashed him down.

Qin: Oh yeah!

Eli: One last thing to do.

Shaggy: Yeah. Like Go Home!

Erica Haddock: Nope. (Lifts him up) Send you right at him!

She threw him right at the ghost and Shaggy smashed into him head on and the ghost was REALLY Dizzy. Shaggy had a nasty concussion

Nico: You okay?

Shaggy: Like I'm really hungry.

Nico; He's fine.

Then Mumbo Jumbo, Grizzly, Skulker, Zzzax, Golden Glider, Professor XXXL, Patty and Selma, Toad, Salami Swami, and Machinedramon came.

Nico: Mumbo Jumbo, Grizzly, Skulker, Zzzax, Golden Glider, Professor XXXL, Patty and Selma, Toad, Salami Swami, and Machinedramon.

Mumbo Jumbo: Nothing like being in NASA.

Grizzly: You said it.

Zzzax: And stopping a monster there.

Patty: (to Nico) We heard you fought a clone of the Ghost of Al Cabone.

Nico: Yep. And he was awesome.

Skulker: (to Aqua) I hope you take care of that Suicune.

Aqua: I will.

Lincoln: Take this!

Lincoln punched the clone of The Astronaut Ghost super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln swung his massive greatsword like crazy and shredded The Astronaut Ghost Clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, The Astronaut Ghost Clone was absolutely slashed and brutally beaten and we were laughing hysterically.

Nicole: Sheesh, you tore him apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Astronaut Ghost's chest, and then, Lincoln began absorbing The Astronaut Ghost clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Astronaut Ghost clone, and he banished The Astronaut Ghost Clone to The Black Gates. Lynn holstered her massive greatsword on her back and powered down, and Lynn's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve scarlet red orbs orbiting around her legs, Third Eye, eleven massive and long chestnut brown wolf tails, and massive chestnut brown angel wings are permanent.

Nico: Good riddance to that space ghoul.

Lynn: That chump deserved it.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Hadlar.

?: Soon, every last human being shall be wiped from the face of this miserable planet.

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the

backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of dark energy blasts that came from nowhere and hit the barrier, but it stood strong as the dark energy blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Hadlar, or we will force you out.

A figure came out, and it was none other than Hadlar. Suddenly, Sebastian summoned a massive collection of disembodied demonic hands to kill him, but Hadlar destroyed them easily.

Selene Arcangela: You know that wasn't going to work, Sebastian.

Ariane Sanchez: Even summoning disembodied demonic hands wouldn't work. Just leave this one to the professionals.

Suddenly, Ariane Sanchez's purple eyes turned neon purple and she was surrounded by a black and indigo energy aura with stars, darkness, indigo fire, whales, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Hadlar, she left black and indigo energy, stars, darkness, indigo fire, whales, phoenixes, and angels with every step.

Ariane Sanchez: You've got some nerve coming here, Hadlar. But, you've made a huge mistake when you came here, we're not going to let you have your way, and for that, I will drag your miserable soul straight into the blackest depths of The Netherworld and put you through something far worse than Hell!

Suddenly, Ariane Sanchez was surrounded by a massive vortex of black and purple energy with stars, darkness, and indigo fire surrounding the vortex, there are whales, phoenixes, angels, and

Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua flying around the vortex, and in the vortex is a black phoenix with the Whale Nazca Line on its stomach and red eyes glaring at Hadlar: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: He better be glad that Greiger isn't also here, but it's still going to end in a total bloodbath for her.

Then, as the vortex faded, Ariane Sanchez emerged, but she was changed forever and the wrath of The Avatar of Earthbound Immortal Chacu Challhua and Fusion Gene-Slammer of The Reactor Duel Monsters is about to be unleashed on Hadlar!

Ariane Sanchez grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large black and indigo orbs orbiting around her legs, she has the body of a goddess, she has indigo highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and indigo energy aura with stars, darkness, indigo fire, whales, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Earthbound Immortal Chacu Challhua and the Reactor Duel Monsters emblazoned on her forehead and Third Eye with indigo iris, she has on whale earrings with indigo gems for eyes and holding the Star, Dark, and Eternity Kanjis in their talons, she also has Earthbound Immortal Chacu Challhua with indigo gems for eyes and holding the Star, Dark, and Eternity Kanjis in its talons for the second pendant on the bottom of her indigo whale-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with indigo crystal links from her merged Crystal Necklace of the Buddha and indigo gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were amazed by Ariane Sanchez's Super Angel-Earthbound Immortal Chacu Challhua Avatar-Reactor Duel Monsters-God-Phoenix-Harmony United Friendship Universal Eternal Celestial

Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hadlar saw it, he went mad with rage and ran at her to kill her, but Ariane Sanchez fired a massive barrage of black and indigo energy, stars, darkness, indigo fire, whales, phoenixes, and angels which hit Hadlar and sent him flying into a tree, he got back up and he was now really enraged.

Carly Atlas: Incredible, Ariane's transformed.

Selene Arcangela: Oh shit, Ariane Sanchez's transformed?! This is going to end badly for Hadlar.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, he's about to learn that lesson the hard way.

Ariane Sanchez: (Divine Echoing Godly Voice of The Infernal Indigo Fire Darkness Earthbound Immortal Chacu Challhua Reactor Duel Monsters Goddess Phoenix God Angel and Divine Cosmic Eternal Infernal Indigo Fire Darkness Earthbound Immortal Chacu Challhua Reactor Duel Monsters Goddess Phoenix God Angel Love) You said a mouthful. You will pay for everything you've done in your desire for world domination.

Ariane Sanchez and Lincoln went after Hadlar, and they fired extremely powerful blasts of rainbow energy, black and indigo energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hadlar, and they exploded with incredible power as they hit him.

Then, Lincoln and Ariane Sanchez attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Ariane

Sanchez also did the same by firing black and indigo energy slashes from her massive greatsword, and he and Ariane Sanchez attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and thus, a smile formed on Hadlar's face.

Hadlar: At last. You two have done it, I've waited a long time for this moment, now you have the honor of facing me in my true form.

Hadlar transformed into his Superior Being form and went after Lincoln and Ariane Sanchez, and Lincoln and Ariane Sanchez clashed with Hadlar and it was really fierce. Then, they fired rainbow and black and indigo energy blasts and Cosmos blasts at Hadlar and Lincoln and Ariane Sanchez summon whales to attack Hadlar and he was really scarred by their furious attack. Then, Lincoln and Ariane Sanchez punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back, and the stomach blow was indeed a mortal blow.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the chest of Hadlar, and then, Lincoln began absorbing Hadlar into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Hadlar, and he banished Hadlar to The Black Gates. We cheered wildly for what Ariane Sanchez and Lincoln did as they holstered their massive greatswords on their backs and powered down and Ariane Sanchez's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve black and indigo orbs orbiting around her legs, and massive black and indigo angel wings are permanent.

Ariane Sanchez: Rest in peace, Hadlar. I hope you find peace in Eternal Oblivion. Thanks for helping me destroy Hadlar for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Ariane.

Suddenly, Ariane Sanchez wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ariane Sanchez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Chacu Challhua and the Reactor Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and indigo fire behind them and we cheered wildly. Then, Lincoln and Ariane Sanchez sucked in and absorbed the elemental forces and darkness and indigo fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on Hadlar.

Lincoln: He was cruel and dangerous in his first form, but when he transformed into his Superior Being form, I sensed it: he became far less cruel and honorable, and he wanted us to fight with all we got.

Nico: He sure did, and in the end, you did it, you and Ariane defeated him and you absorbed him, Lincoln, and you and all of us assimilated all of his powers, strength, and abilities.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Rosa Marrow.

Selene Arcangela: (GASPS) The Goblin Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Rosa Marrow is Lincoln's Guardian Angel from Colorado and she's an extremely powerful goblin dark angel and queen of a massive goblin tribe from Denver, Colorado. She's also feared for destroying a rival tribe of goblins who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular goblins, Rosa was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength along with the powers, abilities, and superhuman strength of the goblins, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first goblin queen of her massive goblin tribe, and she destroyed the hated rival clan of witches and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Rosa were out at Lake Huron on a moonlit night on a date to show his thanks to Rosa for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lewis Travolta showed up and tried to kill them, but he was no match for them and they pulverized him and wedgied him by his undies on a tree branch in front of the police station, and after that, Lincoln and Rosa shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of goblin justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, Witches, and Frankenstein.

Nico: Way awesome.

Golden Glider: In space, no one can hear you scream.

Toad: That applies to the clone.

Machinedramon: Now, let's check out the snack bar!

Professor XXXL: I'll make snow cones!

Salami Swami: And I'll make salami!

Shaggy: Oh boy! Like I'm hungry!

Scooby Doo: Me roo!

Nico: Great job today everyone.

Nicole: (To the viewers) This was awesome and fun.

Nico: Yep.

We went to the snack bar and had a great meal and then went back home and enjoyed the rest of the day and went to sleep.

THE END

K.O.! Let's Be Heroes!), Pimon and Tumbaa, and Evilized Screechers (Skylanders) and this time no Ghostly Trio was there to interrupt our fun

Me: Boy this is more like it. And this time those chumps of the Ghostly Trio are not going to interrupt our fun.

Camie: You got that right.

Nico: Thank goodness.

Laney: Yeah no kidding.

Varie: Yeah.

Lemon Zest: That is for sure guys.

Nico: Lemon Zest, I want to thank you, Baron Von Shellshock, and your teams for coming

Lemon Zest: It's no problem at all Nico. This will be so fun.

Baron Von Shellshock: (German Accent) Ach it sure will be fun mein friends.

Xenia: Yep.

Universe 666 Midnight Lemon Zest: I'm really looking forward to this one.

Nico: Midnight Lemon, what do you like to do in your free time?

Universe 666 Midnight Lemon Zest: Well haven't really thought about it. But if I were to pick it would be helping around in Phoenix

Land.

Me: She works really awesome and diligently at our Amusement Park and she even set up a humiliation booth for Abacus Cinch. They dunk her into a tank full of ketchup and it's funny.

Eli: (LAUGHS) Yeah that was funny. And also Sci Twi pelts her all over with Tomatoes too. Look.

Eli showed on his phone a picture of Abacus Cinch buried in a huge pile of Tomatoes and he even showed a video of Sci Twi dishing out some massive payback on her!

Nico: WHOA! She was REALLY PISSED!

Xenia: No kidding!

Me: Boy I'm not surprised! After all the pain she put you all through and the poor sportsmanship she did during the Friendship Games just to uphold the reputation of Crystal Prep, I would say payback hit her really hard!.

Nico: (LAUGHS) Yeah!

Lemon Zest: She did say that she deserves every ounce of payback coming to her.

Laney: No kidding. But that is funny.

Lana: I hope Irena Malkovich is cool with this.

Lincoln: She is and she loves it.

Nico: Nice.

Me: Yeah!

Nico: That is an awesome addition!

Universe 666 Midnight Lemon Zest: Thanks! Glad you liked it.

Me: Perfect for Sci-Twi to vent on her for everything that happened.

Twilight Sparkle: It sure is.

Sunset Shimmer: (LAUGHS) That is true.

Me: Maybe we should add more fruits and stuff to make it fun. Izzy gave me an awesome idea to use rotten fruits and food too.

Izzy Moonbow: It was a good idea.

Nico: I like it.

Maria: Yesterday was awesome.

Me: Boy it sure was! And also it was great taking down that clone of the Astronaut Ghost.

Lola: It sure was.

Camie: And I loved going to NASA.

Carly Atlas: Me too. We were called by them to help them stop an asteroid that was going to destroy the planet.

Camie: Really?

Me: Yep. It was back in December, 3 years ago. A massive 801 mile wide asteroid was on a collision course with Earth and we had to stop it or the entire planet would have been destroyed.

I went over what happened in chapter 1270 and it was awesome.

When I was done everyone that hadn't heard about it was amazed and shocked!

Camie: Wow! That was amazing!

Lola: Yeah. That was awesome.

Me: Yep.

Nico: We recruited Pinky and The Brain during that time.

Camie: Wow.

Qin: Yeah. That was awesome.

Tsuyu: That's incredible!

Lincoln: It sure was.

Varie: But that was an awesome and epic adventure for us.

Camie: Yep.

Me: But back to the matter at hand, I can't believe that Simon Simonson was the ghost and he stopped the shuttle because Velma's experiment got chosen and not his. What a sore chump.

Nico: I think it was a delicious experiment.

Me: Me too.

Camie: Microwave Scooby Snax being cooked in space is a great idea.

Xenia: Yeah.

Lana: I agree.

Eli: Yep.

Nico: We might fight the Space Ape Clone though.

Me: Don't jinx it Nico.

Nico: Oh sorry.

Qin: But yeah we just might.

Camie: Yep.

Me: But for now lets have some relaxation time.

Nico: Good idea. And no Ghostly Trio to ruin it.

Maria: I'll get some food.

Nico: We got plenty of it.

I had a Shadow Clone that was making an awesome all you can eat barbecue for all of us.

Camie: Boy nothing like an awesome barbecue too.

Nico: Yep.

We had a lot of great foods too.

May ate some food.

May: (Eating sausages) Mmm! Delicious.

Me: (Eating a burger) Mmm! Delicious.

Laney: Yeah.

She saw Lucy being sad and quiet.

Laney: Lucy are you alright?

Lucy Loud: Yawn. I don't want to talk about it Laney.

Laney: Uh oh. Did you have a really bad nightmare?

Lucy: Yes I did.

Nico: What was it about?

Me: Yeah Lucy you love nightmares. All bad dreams don't hurt you in the slightest.

Lucy Loud: Well this one did.

Natilee: I think this is one she doesn't like.

She showed a sketch and we saw that Lucy's nightmare was really a Pleasant Dream? She was dreaming about a land made of EVERYTHING that was pink, her most HATED color. She went cuckoo bonkers from the sight of it and was committed to a nut house forever because she suffered from a mental breakdown everytime she saw something pink. She even hurt herself and lots of people too.

WE GASPED!

Nico: Okay how is seeing everything pink like that bad?

Me: Nico, Lucy HATES The color Pink. She loathes and despises it. No offense Lola.

Lola: None taken J.D.

Juran: That's not a bad dream! You're overreacting!

Me: Well Juran to Lucy it is. She HATES the color pink. This dream is to show how much she hates that color.

Brittney: I feel the same way. Before I embraced the darkness of the Gothic Subculture I wore pink a lot. Then I converted to black and darkness.

Nico: Wow.

Lucy then broke down crying.

Laney comforted her.

Laney: It'll be okay Lucy.

Lincoln: It's true Juran. Lucy was born into darkness from day one.

Me: Lincoln showed us the Loud's baby books and they were awesome. Lucy looked so adorable.

Nico: Aww. That's awesome.

Gaon: Royal Defenders Sebastian wasn't even trying on that one

Me: Maybe so. But to a Goth Girl like Lucy, Pink is her mortal enemy. And it's true. I've known her for over 7 years and she loathes that color with every fiber of her being. She told me so herself.

Nico: Pink Rangers are an exception.

Lucy: (Sniffles) That's true. But I just hate the color pink.

Me: We know Lucy. We know. It's not your color.

Nico: Yeah.

Me: But at least we helped.

Lucy Loud: Thank you guys.

Nico ate some fries.

Nico: Mmm! Good fries.

Qin: Yeah.

Nico: What food do you want Lucy?

Me: I made lots of blood sausages for her.

Lucy Loud: I'll have those.

Nico: Okay then.

I gave her a plate full of Blood Sausages.

Camie: That is awesome too.

Laney: All the food we have is awesome for this.

Varie: And the best part is no Ghostly Trio to interrupt it.

Nico: Too bad the mascots didn't come.

Me: Actually all the team came.

Lori: It's literally true.

Poromon: Yep.

We had an awesome barbecue.

Nico: Ah, nothing beats an awesome relaxation in the park. Hope those three assholes don't try anything.

Me: After they rudely interrupted our relaxation at the park yesterday, I was that close to tearing them apart.

Lincoln: Don't worry, Vypra was really giving those three blockheads a nasty talking to, and she's making sure they don't try that again, or she's going to do a lot worse to them.

Eli: What a bunch of pukebags.

Me: Yeah, what a bunch of jerks.

Nora Oresdotter: (Norwegian Accent) You said it.

Qin: Yeah.

?: NORA ORESDOTTER, YOU FUCKING BITCH! I'M GONNA KILL YOU FOR EXPELLING ME AND SENDING ME TO PRISON!

Nora Oresdotter: (Norwegian Accent) Oh God, I was hoping not to hear that voice ever again!

Suddenly, we saw a girl with orange hair and dressed in tattered clothes, and she had red eyes of pure hatred and rage.

Lincoln: What the?! Stella Carrington?!

Lincoln fired a blast of rainbow energy which hit Stella Carrington and sent her crashing into a wall, she got back up, but boy, was she absolutely pissed off now!

Me: Lincoln, Nora, you guys know her?!

Lincoln: Wish we hadn't.

Nora Oresdotter: (Norwegian Accent) Same here. This rotten monster is Stella Carrington, a rotten black-hearted girl full of hatred and rage towards me, she hates me so much that she wants me dead!

We gasped.

Me: Why!?

Lincoln: Stella did a ton of horrible things to her, but Nora tried to put that aside and reason with her and be friends with her, but Stella wasn't having it. Instead, that made Stella even more angrier than ever and she escalated her violent actions towards Nora. She wrecked her model for the Science Fair, but she didn't count on there being security cameras that caught her in the act. The Principal called her in to the office, and she wound up getting expelled, and she now hates Nora's guts and wants nothing more than to kill her.

Nico: What a bitch!

Me: Yeah, she was a total monster!

Xenia: Geez!

Lori: We all literally hated her that much, she was a rampaging monster.

Luna: And even after her expulsion, she tried many times to kill Nora in her rampage again.

Anna Anyanova: That was until we beat her up and Jackie Wren sent her to a boarding school in France and we also arrested her abusive jerk parents and sent them straight to prison. We found out from Nora that her parents were a bunch of abusive jerks, and she became just like them in every way, and she now wants Nora to die and watch the entire world burn.

Nora Oresdotter: (Norwegian Accent) I tried to reach out to her, but her hate and madness had corrupted her forever, and now, all that lies before her is nothing but darkness.

Stella Carrington: I HATE YOU SO FUCKING MUCH, YOU GODDAMN BITCH! YOU RUINED MY LIFE, NOW I'M GOING TO KILL YOU AND RIP YOUR GUTS OUT AND RIP YOUR BOYFRIEND'S HEAD OFF HIS SHOULDERS!

Nora Oresdotter: (Norwegian Accent) What the Hell did you just say?!

Lincoln's Guardian Angels: UH OH!

Me: She's in for it now!

Nora fired a blast of water which hit Stella Carrington.

Selene Arcangela: Crap, she crossed the line!

Poromon: You want to see something scary?

Stella Carrington: WHAT!?

Poromon then pulled out an ugly mask and scared her.

Stella Carrington: OOOGA BOOGA BOOGA!

Stella screamed!

Courage and Francesca laughed!

Poromon: But that's not all! (SHOWS THE TRAILER FOR BLOOD AND HONEY) HERE! LOOK AT IT!

Stella Carrington: THAT IS HORRIBLE! BUT I WILL MAKE SURE YOU PAY FOR IT!

Nora punched Stella in the face!

We were amazed by Nora Oresdotter's Super Angel-Yormungarde-Snake-God-Phoenix Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Stella Carrington saw it, she went NTH-DEGREE BAT SHIT CRAZY WITH RAGE AND RAN AT NORA ORESDOTTER TO KILL HER! But, Nora Oresdotter fired a massive barrage of ocean blue energy, stars, water, ocean waves, snakes, phoenixes, and angels which hit Stella Carrington and sent her flying into another tree, she got back up, but she went out of her mind and screamed and screeched like an animal!

Nora Oresdotter: (Divine Echoing Godly Voice of The Norwegian Oceanic Maelstrom Water Yormungarde Snake Phoenix God Angel and Divine Cosmic Eternal Norwegian Oceanic Maelstrom Water Yormungarde Snake Phoenix God Angel Love) (Norwegian Accent) You've had this coming for a very very long time, Stella Carrington!

Lincoln: You said it, Nora. And there's absolutely no way I'm going to let you hurt Nora any longer, Stella Carrington.

Me: She's screwed now!

Qin: Big time!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

They punched Stella down!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing and he joined Nora Oresdotter.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Your toxic hatred and anger got you expelled for that, and now, it's about to cost you a whole lot more.

Lincoln and Nora Oresdotter went after Stella Carrington, and they fired extremely powerful blasts of rainbow energy, ocean blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Stella Carrington, and they exploded with incredible power as they hit her.

Then, Lincoln and Nora Oresdotter attacked her with powerful slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Nora

Oresdotter also did the same by firing ocean blue energy slashes from her massive greatsword, and he and Nora Oresdotter attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was more than enough to drive Stella Carrington super mad with rage.

Stella Carrington: (SUPER NTH-DEGREE FUCKED UP ENRAGED SCREAM) I'LL FUCKING KILL ALL OF YOU!

Stella Carrington went at Nora Oresdotter and Lincoln now completely consumed by rage and hatred, but Nora Oresdotter and Lincoln fired massive waves and blasts of water which hit Stella Carrington and drenched her hard. Then, Lincoln fired waves of mud at Stella Carrington and got her outfit so dirty, she screamed and screeched like a chimpanzee and she lost her mind even more!

Lola: OOH! I think the mud really brings out her eyes, and that tacky outfit of hers did need a bit of color.

Me: Yeah!

Hikari Ginga Galaxy: And I have someone I want you to meet.

Stella Carrington: WHO!?

Hikari Ginga Galaxy: MY ARCHENEMY!

Nico: You mean the Hellyfish?

Hikari Ginga Galaxy: BINGO! (WHISTLES)

THEN WE SAW A HUGE DOME RISE OUT OF THE LAKE AND THEN WE SAW A MASSIVE AND INCREDIBLY HUGE JELLYFISH APPEAR! IT ROARED FEROCIOUSLY! It was HELLYFISH!

WE GASPED!

Hellyfish was a huge 50 foot tall Jellyfish!

Me: We're going to need a bigger jellyfishing net!

Lily: WOW! I don't think SpongeBob would want to catch him!

Jenna Jellyfish: I remember seeing Hellyfish! That was scary!

Nico: Hi Hellyfish.

Hellyfish: (Waves at Nico)

The Hellyfish grabbed Stella and electrocuted her!

ZZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPP

Qin: Ouch!

Anna Anyanova: And now, he's about to deliver the finishing blow on her.

Lincoln fired six rainbow energy blasts which transform into a number of glowing peacock feather-like vines and the vines wrapped around Stella Carrington's arms, legs, neck, and stomach, and then, we saw the vines grow neon red buds as Lincoln began to suck out and absorb all of Stella Carrington's hatred and rage along with draining her life force as we saw tons of negative energy flowing out of her and into Lincoln and all of us and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) (GROWLS) Man, her hatred hasn't died down even after you got her expelled, Nora.

Then, we saw the neon red buds bloom into red roses as Stella Carrington was literally left as a drained and desiccated corpse and he sent her to The Black Gates. We cheered wildly for what Nora Oresdotter and Lincoln did as they holstered their massive greatswords on their backs and powered down and Nora Oresdotter's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve ocean blue orbs orbiting around her legs, and massive ocean blue angel wings are permanent.

Nora Oresdotter: (Norwegian Accent) Go to Hell forever, you piece of shit. Thanks for helping me destroy Stella Carrington for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Nora.

Suddenly, Nora Oresdotter wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nora Oresdotter's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Yormungarde flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Nora Oresdotter sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Nico: Man, I had no idea that Stella hated Nora that much, she really is a hate-filled spiteful monster.

Lincoln: And her parents were no better, they were just as worse as her and they were really awful.

Rita: Thank goodness you all had her parents sent to prison after you threw Stella Carrington into that boarding school in France, honey. They were a nightmare to the town for years, and they had no sense of decency.

Me: You said it. There was no way we'd forgive her.

Lori: We all hated her and her parents for everything they've done, and I was glad Lincoln, Nora, and the other Guardian Angels did something about Stella and her parents all those years ago.

Luan: You know, we should check the prison one day. What if her parents try to break out and try to cause havoc once more?

Nico: Wouldn't they come to try and avenge their daughter?

Luan: Nope, they hated everything around them and they even hated their daughter. Plus, they had caused their own share of havoc in Royal Woods for years and had really serious criminal records on their heads.

Nico: Damn.

Me: Lola did all that digging on them, and she was appalled.

Lola: Those cretins were absolute gutter trash for causing havoc and wrecking our home and there's no chance of them ever being rehabilitated.

Eli: You said a mouthful.

Me: Yep.

Nico: But it's true.

Qin: Yeah.

Lincoln: Okay, now that we took care of Stella Carrington, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Space Ape is here, and he's causing havoc.

We gasped.

Me: Oh man, a clone of the Space Ape?! Oh boy.

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that case all too well.

Qin: I also checked with the prison, and Janet Lawrence is still in prison.

Nico: Good, and since she's got Life without parole, she's never getting out.

Me: Without a doubt.

Lola: Yeah!

Lori: But that was literally amazing and funny thing is we were talking about the Space Ape yesterday.

Nico: We sure did.

Camie: Coincidental.

Nico: Is everyone here?

Me: Yeah we were all here the whole time.

Lola: Yep.

Lori: We sure were.

Camie: They were all here the whole time.

Varie: Yeah.

Jeri heard a Pokemon cry.

Jeri: Hey look guys!

We saw that it was a Male Pyroar!

Me: Cool a Pyroar!

Xenia: I knew that one would appear and he is perfect for Jeri.

She went over and he had his face hurt.

Jeri: Oh are you okay?

Pyroar: I tripped and scratched myself.

Jeri: Lets heal you up.

We did so.

Pyroar: Thank you.

Leomon: Looks like you're with me and Jeri now.

Pyroar: I sure am.

Kion: And the Lion Guard too.

Me: That is so awesome

Jeri: It sure is.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Space Ape Clone) AHA! Gotcha! I just spotted The Space Ape clone, he's 200 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange

tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Space Ape Clone.

We were flying in the air and landed and we're looking around for the Space Ape clone.

Nico: Keep an eye open.

Lincoln: Alright, now if I'm not mistaken, The Space Ape Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Space Ape clone head for us, and Lincoln created a massive indestructible diamond barrier with ice surrounding it that protected all of us and the Space Ape clone so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were frozen solid as he screamed seeing his hands frozen solid.

Eli: Jeez!

Nico: Yeesh, using ice to freeze his hands, now that was just cold.

Space Ape Clone: (ROARS)

Qin: Yeah! Back at you!

Lola: Yeah APEFACE!

Apeface: HEY! That's MY name!

Lola: Sorry.

Space Ape Clone: (ROARS) GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with ice surrounding it, and it hit The Space Ape clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Space Ape clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of

Suddenly, the colored eyes of Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager turned neon and they were surrounded by colored energy auras with stars, fire, flames, crystals, darkness, phoenixes, and angels, and as they approached the Space Ape clone, they left colored energy, stars, fire, flames, crystals, darkness, phoenixes, and angels with every step.

Isabella Infernoble: Even if you're just a clone of The Space Ape, you're still just as bad as the real one.

Penelope Phoenix: But, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes.

Yvonne Yodonheim Kiramager: Now, prepare to say goodbye to your miserable life.

Suddenly, Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager were surrounded by three massive vortexes of colored energy with stars, fire, flames, crystals, and darkness surrounding the vortexes, there are phoenixes and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at The Space Ape clone: the red eyes of death.

Me: WHOA!

Nico: Oh, this is gonna be good!

Lincoln: That Space Ape's going to get it big time!

But, The Space Ape Clone went completely mad with rage and charged at the vortexes and us as well, but he got hit hard by blasts of fire, flames, crystals, and darkness that sent him flying into a wall. Then, as the vortex faded, Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager emerged, but they were changed forever.

We were amazed by the transformations of Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager, and when I saw Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, but when the Space Ape clone saw it, he ran at them to kill them, but Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager fired massive barrages of colored energy, stars, fire, flames, darkness, crystals, demons, phoenixes, and angels which hits the Space Ape clone and sent him flying into another wall, he got back out, but now, he was enraged.

Lincoln, Isabella Infernoble, Penelope Phoenix, Yvonne Yodonheim Kiramager, Shaggy, and I went after The Space Ape Clone, and we fired extremely powerful blasts of rainbow energy, red energy, black and purple energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Space Ape Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Isabella Infernoble, Penelope Phoenix, Yvonne Yodonheim Kiramager, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Space Ape Clone even more insane and straight to the brink of insanity.

Space Ape Clone: (ENRANGED ROAR)

The Space Ape Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Lincoln fired waves of radiation at him and he got burned badly, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked the Space Ape clone and he got badly hurt. Then, he fired blue fire which hit the Space Ape clone and he got burned bad.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Space Ape Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Space Ape Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Yvonne Yodonheim Kiramager's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large black and purple orbs orbiting around her legs, and massive black angel wings are permanent, Isabella Infernoble's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red orbs orbiting around her legs, and massive light orange angel wings are permanent, and Penelope Phoenix's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red orbs orbiting around her legs, and massive light orange angel wings are permanent

Yvonne Yodonheim Kiramager: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Isabella Infernoble, Penelope Phoenix, and Yvonne Yodonheim Kiramager, and they kissed me all over the place, and when they were done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

I recovered.

Nico: That was one awesome battle.

Lincoln: We took down The Space Ape clone and I absorbed him, and we really let him have it, and since RD Sebastian just struck Lucy last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Qin: Nope.

Nico: Gingka, you and Ellie did good yesterday.

Gingka: Thanks Nico: That was fun.

Ellie Singh: It sure was.

Camie: I'll say!

Qin: Yep.

Nico: Nice job Pyroar.

Pyroar: Thanks Nico. It was fun.

Jeri: It was awesome and cool.

Nico: It sure was.

Poromon got out a beer bottle.

Pyroar: Nice try Poromon but I don't drink ever.

Jeri: Good.

Nico: Yeah.

Pyroar: And Poliwag don't even think about using the Puppy eyes trick on me. It won't work.

Nico: You heard him guys.

Timon: Do you like bugs?

Pumbaa: Yeah. But Timon not all people like bugs.

Pyroar: He's right. I don't eat bugs.

Lana: Leave that only for me, Timon and Pumbaa here.

Timon: Suit yourself.

Pumbaa: Okay. (FARTS) Oops. Sorry.

Timon: Simba liked them though!

Simba: Yeah.

Nico: Okay guys that's enough.

Pyroar: (LAUGHS) I may be a lion Pokemon but I don't eat bugs. Sorry. That is funny though.

Nico: True.

Maria: Do you like steak?

Pyroar: Steak? Oh boy!

Nico: That got to him.

Maria gave him a steak.

Marty the Zebra: Just don't go biting someone's butt!

Nico: I don't think he would do that Marty. But that's funny.

Xenia: Yeah.

Lola: Yeah.

Nico: Now comes the fun part.

Me: The Anothers.

Princess Celestia: That is incredible! So you are the gene-slammer of my dark side. Solar Flare.

Samantha Solar Flare: That's right.

Nico: Incredible!

Maria: Could you turn down the heat though?

Me: Yeah we're sweating like pigs.

Samantha Solar Flare: I would if I could but being all these anothers is making my heat go out of control.

Me: Oh man.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome! Oh mandatory question.

Samantha turned down the heat.

Me: WHEW! That's better.

Samantha Solar Flare: Sorry about that. But the Another Baron Von Shellshock is friendly but she has a really scary power.

Me: Whoa!

Xenia: This will be good.

Nico: Finally the heat's turned down.

Me: Yeah. Man the heat coming from you Samantha is intense!

Samantha Solar Flare: I know. It's one of my intensely incredible powers. It serves as a prelude to my presence.

Me: Wow!

Samantha Solar Flare: That is awesome though.

Nico: And now, we wait.

Qin: Yep.

Camie: Yeah.

Qin: This will be awesome.

Poromon: Later, we're going to make some food.

Me: Okay. Wait here she comes!

Out came ANOTHER BARON VON SHELLSHOCK!

Me: WHOA!

Baron Von Shellshock: Ach who is that good looking und handsome crab?

Me: Another you.

Another Shellshock: (In a girls voice) Minus the German Accent.

She reverted back and was a girl with blue hair and had blue eyes and had black clothes and black angel wings and she had a tiara with the Cutie Mark of Nightmare Moon on it and she had the same symbol on her skirt and she had a nightmare scythe in her hands.

Nyarla Nightmare Moon: Nyarla Nightmare Moon - Embodiment, Gene-slammer and Legacy of Nightmare Moon.

Baron Von Shellshock: Ach mein Freundin you have good taste.

Nyarla Nightmare Moon: Danke.

Kaito (gets out Megaranger gear): Did Swartz promise you anything?

Zocks (Gets out Gingaman gear): Because we can grant it instead.

Kaito got an In Space blaster and Zocks got a Lost Galaxy Sword.

Nyarla Nightmare Moon: No he didn't. I scared him out of his mind by bringing all the monsters he watched on TV to life and they attacked him and mauled him. Including one that he feared more than anyone. FLY MONSTERS!

Me: I HATE FLIES!

Nico: Geez!

Tuddrussel: Was this a giant fly that attacked the Medieval Times?

Nyarla Nightmare Moon: That's right!

Tuddrussel: I remember that!

Me: Really?

Larry 3000: Long story.

Me: Wow.

Sougo: (gets out In Space Ridewatch) You'll have to tell us about that sometime.

Geiz: (Gets out Lost Galaxy Ridewatch) It sounds interesting.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Tuddrussel: It was not interesting. It was crazy.

Qin: Wow.

Me: Lets separate her first.

Lincoln: Okay.

Lincoln separated her from the Another.

Me: Time to put this Potatofaced buttface in his place!

Nyarla Nightmare Moon: Lets make him experience eternal darkness!

Nico: (Gets out Baron Von Shellshock's Ridewatch) Someone's Feeling Crabby!

May: (Gets out Honeypuff Girls Ridewatch) This will be a sticky one!

Maria: (Gets out Pimon & Tumbaa's Ridewatch) Lets FINISH HIM!

Universe 666 Midnight Lemon Zest: (Gets out Drisella's ridewatch) Lets bring the pain!

They used the powers of Baron Von Shellshock, Drisella, Honeypuff Girls, Raymond Boxman (O.K. K.O.! Let's Be Heroes!), Pimon and Tumbaa, and Evilized Screechers (Skylanders) and blasted the Another!

Then Panther Caruso, Dean Toadblatt, Brain Aliens, Lady Venus, Venus (Mega Man) and Ternion came.

Nico: Whoa! Nice team Panther!

Panther Caruso: Thank you Nico and My dear Krystal may I say that you have just the amount of beauty as ever before. (Sniffs rose) This is for you.

Krystal: (British Accent) Flattering but your team is amazing.

Nicole: Panther has been quite the charmer ever since he replaced Pigma in Star Wolf.

Camie: I can see that.

?: Too bad flattery will get you nowhere.

A figure came and it was Wheel Gator!

Me: Wheel Gator!? Whoa!

Wheel Gator: (In a girls voice) Yep. And I'm going to smash him up!

Nico: Gina Gator!? Whoa!

Gina Gator: Yep. I got this!

She smashed him in his face and I caught the ridewatch and purified it.

Me: Awesome! Wait a second I have seen that fighting style before! You're the famous wrestler Gina Gator! You kicked Baron Scuzball's

Butt in the ring!

Gina Gator: Yep. I'm Granny Gator's granddaughter.

Me: Nice!

Nico: I didn't know that!

Sakura Knudson: Yeah that was so awesome! You became the youngest ever wrestler to do so!

Gina Gator: I know! And it's awesome to see you again J.D. and you too Sakura.

Sakura Knudson: Wow! You are looking awesome as Wheel Gator!

Gina Gator: I know. And wow Sakura you look amazing yourself. You really came a long way too.

Sakura Knudson: I know.

Me: Sorry to ask this but…

Gina Gator: I know. I'm naked.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Gina Gator: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and fired an energy fist and it hit May right in her face!

KRASMASH!

It smashed her down and knocked out many of her teeth and she spat out blood.

Gina reverted back and was a girl with green hair and had green eyes and had fanged teeth and had green angel wings and had a symbol in the middle of her forehead that looked like a Wheel with a Gator in front of it.

Gina Gator: (Groans) That hurt. (GASP) Oh my god! Sorry May!

May: I'm okay!

Gina Gator: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome green clothes and an awesome gator sword.

Gina Gator: Wow! I look awesome!

Nico: You sure do.

Manaphy: Mama! Are you okay?!

May: (SPITS OUT BLOOD) Ouch.

Sora healed her.

Gina Gator: That was crazy though.

Midnight Lemon Zest: True. What's your favorite memory of Nico?

Gina Gator: When I smashed Nico's face in a wrestling match.

Nico: Yeah she packs quite a wallop.

Me: WHOA!

Gina Gator: I know.

Nico and Gina hugged. But she crushed Nico in a bonecrushing hug!

BONES SNAPPING!

Gina Gator: I've missed you Nico.

SNAP SNAP SNAP!

Nico: (GROANS) I missed you too.

He regenerated himself.

Nico: Ouch.

We went back home.

IT'S GOING TO BE ONE NASTY CATFIGHT!

Lincoln: So, my rescue's taking place in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to meet with Clara St. Clarice's parents.

Clara St. Clarice: This is going to be so awesome.

Nicholette Torrington: We'd already met our parents after you tied up our idiotic ex-relatives on your date last year, Lincoln, after we took down Nathaniel and threw him back in prison.

Nico: You know, many of us have never met any of the other relatives of your friends, Nicholette.

Me: We have, and they're really nice people.

Lemon Zest: This is going to be awesome.

We arrived at Clara St. Clarice's home, and we knocked on the door, and when it opened, we were greeted by Clara's parents.

Mrs. St. Clarice: Clara, Lincoln, you're here. Please come on in.

Lincoln: Thanks, Mrs. St. Clarice.

We went in, and their home was really amazing.

Nico: Wow. Clara, your family home here is really amazing.

Clara St. Clarice: It sure is.

Mr. St. Clarice: We're glad you all came, especially you and Lincoln, Clara. We've got some bad news.

Eli: What's wrong?

Mrs. St. Clarice: I don't know how to say it, but. Clara, your little sister, Claire, has broken out of prison.

We gasped, including Lincoln and Clara St. Clarice.

Lincoln: What?! Clara's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Claire St. Clarice?!

Clara St. Clarice: Claire's broken out of prison?! That bitch!

Nico: Whoa, I'm sensing some really bad blood!

Selene Arcangela: You have no idea. See, we met Michelle Torrington before she got Gene-Slammed into Echo, and we met Silvia Excelsior's sister, Isabella, and they got along real well with their older sisters and parents. But, the other siblings of the other Dark World Goth Girls are really horrible and like Claire, jealousy-crazed, envy-driven, psychopathic, and monstrous.

We gasped.

Qin: That's really horrible.

Clara St. Clarice: You don't know the half of it. I never got along well with Claire, she always hated me ever since the day she was born, and as we were growing up, she always tried to make me look like a really horrible person in front of everyone, but I always foiled her at every turn. But, despite all the repeated warning from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for me escalated even more and she escalated her violence towards me into trying to kill me many times in the past. But, I also foiled her stupid murder plots as well and I kicked her ass hard as well.

Lincoln: Yep, but years ago, we foiled her biggest murder plot: she tried to kill Clara again along with me by hiring local criminals to do it. We killed them and after I found Claire's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Claire went way too far and she wound up getting sent to prison, and she swore to get revenge on Clara for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Clara.

Nico: Oh shit!

Me: Yep, she was a jealousy-crazed, envy-driven, psychopathic, and monstrous Alpha Bitch, a clone of Dark Lori in its entirety.

Lucy Loud: Now, we find out Clara's sister has broken out. But, she'll be easy to deal with because unlike Clara, Claire doesn't have any powers of darkness.

Lincoln: Yep, we just got to take Claire down, but we're not sending her to Xaikora Prison. No, we're going to send her to a place far worse than that: we're throwing her straight into our specially made Dark World Prison in Dark World.

We gasped.

Brittney: I knew you'd go with that one, Lincoln.

Nicole: I've seen the Dark World Prison for myself, and it's infinite-times worse than the nine circles of Hell, they have it all: demon guardsmen guarding the prison cells, demon warriors ready to strike down the inmates, and they're also under the eye of The Dark World Duel Monsters. (SHUDDERS) Lincoln, The Dark World Goth Girls, and Brittney created that prison, and that place is literally worse than anyone's darkest nightmares. Claire's going to be the first one to get thrown in this prison, and Lincoln, you still have those Dark World Medals?

Lincoln got out The Dark World Medals.

Lincoln: Yep. Now, let's head outside and hunt down Claire.

We headed outside to confront Claire St. Clarice.

Suddenly, we saw a very beautiful and super sexy girl with long green hair and green headband, green eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a green sleeveless crop top, necklace with green gem for the pendant, green skirt, black lace stockings, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, goblins, phoenixes, and angels on the coattails and on the back is a Goblin sigil and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the six girls.

Lincoln: (GASPS) Rosa Marrow, Goblin Queen of Colorado.

Rosa Marrow: That's right, and I got the girls away from here before Clara's ex-sister tried to go after them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same red hair as Clara St. Clarice, red eyes of hatred, and she was in an orange prison jumpsuit.

Clara St. Clarice: THAT'S IT, YOU FUCKING BITCH! I'M GONNA

TEAR YOU TO FUCKING PIECES!

Clara St. Clarice went at Claire St. Clarice, and they really began fighting each other, but Clara had the upper hand on Claire, and she was literally beating the shit out of Claire as Clara and Claire were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Clara St. Clarice: EAT BOOT, BITCH!

Then, Clara kicked Claire hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Claire was NTH-DEGREE MEGA PISSED OFF!

Sylvester: Looks like she's already forsaken surrender.

Then, Lincoln flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Claire St. Clarice, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and he inserted the Medal for Colorless, Chaos King of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire, and with one swing, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Claire St. Clarice and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Chaos King of Dark World, and I also used the medal for Colorless, Chaos King of Dark World to give the curse an extra boost, and it was meant only for Clara's evil sister.

Clara St. Clarice: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Claire's not getting out ever again. (To Rosa Marrow) And it's so good to see you again, Rosa.

Rosa Marrow: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Rosa.

Suddenly, Lincoln was pounced on by Rosa Marrow as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Carla Nightwolf was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Rosa Marrow: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Rosa Marrow and he hugged her, and Rosa Marrow is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rosa Marrow: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Rosa Marrow, Goblin Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful goblin dark angel and queen of a massive goblin tribe from Denver, Colorado. She's also feared for destroying a rival tribe of goblins who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular goblins, Rosa was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength along with the powers, abilities, and superhuman strength of the goblins, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first goblin queen of her massive goblin tribe, and she destroyed the hated rival clan of witches and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Rosa for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Lewis Travolta showed up and tried to kill us, but he was no match for us and we pulverized him and wedgied him by his undies on a tree branch in front of the police station, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Nico: Wow, she's really strong!

Me: And she's even fiercer than any goblin in the realm of fantasy, and if you get her mad, you better say your prayers because she's gonna tear you to shreds.

Lincoln: Yep, and now that you're here, Rosa.

Lincoln went up to and hugged Rosa Marrow in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rosa Marrow: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rosa Marrow with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rosa Marrow: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rosa Marrow, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Rosa Marrow's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Rosa Marrow had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Ayuka, Hadori, Hina, Miki Kagurazaka, Mimoza, and Nanami from Nangoku Sakunyuu Island.

Lincoln: Oh wow, it's Ayuka, Hadori, Hina, Miki Kagurazaka, Mimoza, and Nanami from Nangoku Sakunyuu Island.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayuka: Yes, we're okay, thanks to you.

Then, when Ayuka and the other five girls saw who it was that saved them from Clara St. Clarice's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Claire St. Clarice, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Ayuka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy

aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayuka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayuka, Hadori, Hina, Miki Kagurazaka, Mimoza, and Nanami with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Clara St. Clarice's evil jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Claire St. Clarice.

But, when Lincoln showed what Clara St. Clarice did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Chaos King of Dark World which sent Claire St. Clarice to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Rosa Marrow have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Clara's evil younger sister escaped.

Lincoln: But, if she's escaped, this also means the other evil younger sisters of the Dark World Goth Girls are also planning the same thing.

Nico: Which means we've got to be ready for them.

Me: And we'll make them pay with a send-off to The Dark World

Prison.

* * *

After we took down Claire St. Clarice and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rosa Marrow saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rosa Marrow: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank

at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Rosa, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rosa Marrow: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rosa Marrow: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a male with crazy brown hair and dressed in a red prison jumpsuit, and he was really out for blood.

Ed Cowart: Oh shit, that's Michael Abbott! He's one of the five criminals that RD Sebastian busted out of prison!

RD Me: Should've known that bastard would be next, and you guys aren't going to like him one bit. Michael Abbott is a well-known and super dangerous criminal, he's wanted for tons of violent crimes and destruction of property, he's a monstrous asshole even worse than the dark sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, and Chase Young.

Nico: Jeez, that asshole is bad news!

RD Lincoln: And he's among those who've helped that monstrous demon in causing destruction to our home. We had him captured and sent to a maximum security prison for the rest of his life, but Sebastian escaped and vowed revenge on us.

Lincoln: We better take care of Michael Abbott at once.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts at Michael Abbott, and he went ballistic when he saw us along with The Royal Defenders.

Ed Cowart: I should've known you'd show up here, Michael. I caught the stench of your B.O. from a mile away, along with the smell of blood from that monster, Sebastian!

Michael Abbott: SHUT THE FUCK UP! I'M GOING TO ENJOY TEARING YOUR THROAT OUT FOR THROWING ME IN PRISON, ASSHOLE!

Nico: Ain't happening, you loudmouth asshole!

?: I'm gonna rip that asshole to shreds!

Suddenly, we saw a very beautiful and super sexy girl with long yellow hair, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful pink angel wings, she's dressed in a green shirt, necklace with green gem for the pendant, green skirt, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, wrestling rings, phoenixes, and angels on the coattails and on the back are Optimus Prime, Bumblebee, Arcee, Ironhide, Bulkhead, Ratchet, Jazz, Sideswipe, Cliffjumper, Wheeljack, Smokescreen, Mirage, Windblade, Ultra Magnus, Warrior Sharkticon, Demolitions Sharkticon, Tech Sharkticon, Tactician Sharkticon, Brawler Sharkticon, Scout Sharkticon, and Golden Sharkticon and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Tori Nanakawa, Fusion Gene-Slammer of Optimus Prime, Bumblebee, Arcee, Ironhide, Bulkhead, Ratchet, Jazz, Sideswipe, Cliffjumper, Wheeljack, Smokescreen, Mirage, Windblade, Ultra Magnus, Warrior Sharkticon, Demolitions Sharkticon, Tech Sharkticon, Tactician Sharkticon, Brawler Sharkticon, Scout Sharkticon, and Golden Sharkticon.

R. Mika: Sis?!

Lynn: Shining Tori Nanakawa?!

Tori Nanakawa: That's right, and it's so good to see you, R. Mika, and Lynn again, Lincoln. But, we'll save the talk for later, we've got to get rid of this asshole.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he and Tori Nanakawa went at Michael Abbott and they viciously beat and slashed at Michael Abbott. This made Michael Abbott so mad, he went charging at them.

But, Lincoln grabbed him by the neck with one of his massive and long white wolf tails, and he then clenched his left fist hard, and then… !

POW! SQUELCH!

LINCOLN SPLATTERED HIM INTO A GORY MESS WITH ONE PUNCH AND HE WAS SENT TO THE BLACK GATES!

Me: Gross!

Then, we headed home and continued our workouts.

Ed Cowart: Well, that's another asshole down, and three to go before we get after that demonic asshole.

Lincoln: But, like we did with Universe 666 Sebastian, we need to take care of those five criminals and send them to The Black Gates, and then, we can take care of RD Sebastian. And now that you're back, Tori.

Lincoln went up to Tori Nanakawa and he hugged her, and Tori Nanakawa is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tori Nanakawa: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Lynn: And so do we. Everyone, this is Tori Nanakawa, Fusion Gene-Slammer of Optimus Prime, Bumblebee, Arcee, Ironhide, Bulkhead, Ratchet, Jazz, Sideswipe, Cliffjumper, Wheeljack, Smokescreen, Mirage, Windblade, Ultra Magnus, Warrior Sharkticon, Demolitions Sharkticon, Tech Sharkticon, Tactician Sharkticon, Brawler Sharkticon, Scout Sharkticon, and Golden Sharkticon, she's Lincoln's Guardian Angel from Japan and classmate in Gym, but she's also a beautiful but deadly swimmer and wrestler like her sister Mika Nanakawa A.K.A. R. Mika. Tori wears a green wrestling outfit and wears green shirt and skirt and wears a green bikini underneath her clothes. she and R. Mika trained Lynn and Lincoln in the art of wrestling even helped them refine their techniques and both Shining Tori and R. Mika fell in love with Lincoln. Shining Tori is also one of the best female wrestlers alongside R. Mika, in fact, R. Mika has Lincoln as her partner, as R. Mika and Lincoln were dubbed The Lovebirds of Devastation.

R. Mika: While Shining Tori has Lynn as her partner and Shining Tori and Lynn being dubbed Lynn Crusher were dubbed The Smashing Sisters.

Nico: Awesome wrestling duo names.

Selene Emperyous: You said it, and to show thanks, Lynn took Lincoln, R. Mika, and Shining Tori to a restaurant where R. Mika and Shining Tori kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry R. Mika and Shining Tori along with rest of his harem. She also hates Hawk and Hank with a blazing passion, the reason why is because they once tried to sabotage the ring only for Shining Tori and Lynn to jump Hawk and Hank and beat the crap out of them and left them wedgied onto a flagpole only for their underwear to rip apart dropping Hawk and Hank right into a middle of a pool party which resulted in extreme humiliation.

Nico: Those buttfaces did what?!

Me: Yep, they tried to sabotage their wrestling ring as revenge for that whole Halloween scare.

Luna: But, when Lynn and Tori found out, they jumped and beat the stuffing out of them.

Lori: And left wedgied onto a flagpole only for their underwear to rip apart dropping them right into a middle of a pool party which resulted in extreme humiliation.

Lincoln: And the cops got called and they were taken back to prison, and now that you're here, Tori.

Lincoln went up to and hugged Tori Nanakawa in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Tori Nanakawa: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tori Nanakawa with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Tori Nanakawa: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tori Nanakawa.

Tori Nanakawa had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Tori Nanakawa had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

We got a shower, and then, Lincoln, Chopscotch, Blackfire, TTG Blackfire, Simulator Princess Peach (The Super Mario Bros. Movie), Live Action Arcee, Black Rose, Ceresmon Medium, Simulator Junomon, Lana the Living Armor, Lara the Living Doll, Googie, and Sadie-Mae Scroggins are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Chopscotch: Wow, so this is Laverra Beach. It sure is beautiful.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Chopscotch, Blackfire, TTG Blackfire, Simulator Princess Peach (The Super Mario Bros. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Movie), Live Action Arcee, Black Rose, Ceresmon Medium, Simulator Junomon, Lana the Living Armor, Lara the Living Doll, Googie, and Sadie-Mae Scroggins showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Simulator G-Lo, Simulator Ash Graven, Simulator Wenda, and Moonracer, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for the last galaxy of Super Mario Galaxy 2.

Nico: This is it. The Last Galaxy.

Me: Yep. Grandmaster Galaxy.

Qin: Wow! This will be fun.

Me: We'll ALL go with this time.

Nico: Good idea.

We all went into the Simulator and it activated and we were at GRANDMASTER GALAXY!

Me: Wow! This is gonna be awesome.

Erza Scarlet: And Nico me and Ulrich will shine here.

Nico: Okay then.

Xenia: Awesome!

Ulrich: Yeah this will be good!

Me: All right lets make this one to remember.

Camie: Yeah!

Nico: So what are we waiting for then?!

Me: Lets go!

We went were off!

Me: The Embodiments will probably meet us at the end.

Xenia: I have a feeling they will.

We were flying and then numerous Koopas came! They were throwing fireballs, hammers and boomerangs at us!

Nico: So Nicole, Any tips?

Nicole: Nope. Just blast them with what we got.

Nico: Good enough for me!

We fired waves of energy and elements and blasted the Koopas all over!

Erza: REQUIP!

She donned her Heaven's Wheel Armor and slashed and cut them all over!

Ulrich fired waves of blade energy and blasted them all over.

Nico: These adventures through these Galaxies sure have been fun, haven't they?

Eli blasted numerous Hammer Koopas.

Eli: You bet they have!

I fired energy blasts at numerous Fireball Koopas and blasted them.

Me: I'll say!

We got to the end and NUMEROUS HAMMER AND BOOMERANG KOOPAS WERE THERE!

Nico: Oh boy.

Maria: I remember the first ever boss was Dino Piranha.

Nico: Yep. That was awesome.

?: Let us help!

Then out came 2 figures.

One was a girl with orange hair and orange eyes and she had orange clothes and orange angel wings and had the symbol of Forever Orange emblazoned in the middle of her forehead and she had an orange sword.

The second girl had blue hair and purple eyes and had purple clothes and blue angel wings and a tiara with the symbol of Knight Man on it and she had a sword in her hands.

Orla Takahara: Orla Takahara - Embodiment of Forever Orange.

Wendy Knight: And Wendy Knight, Embodiment of Knight Man.

Erza Scarlet: Awesome to see you again Wendy.

Ulrich: Same here.

Wendy Scarlet: You too Erza and Ulrich. Its been a while.

Nico: Lets finish this before we catch up.

Me: You got it.

We flew and blasted the Koopas all over.

Nico: (gets out Baron Von Shellshock and China White's Ridewatches) Time for crab and martial arts action!

Nico activated them and flew and bashed and pulverized the Koopa's everywhere!

Orla and Wendy slashed them all over!

Nico: YEAH!

We then saw the last star and it was at Rosalina's house.

Me: There it is!

We flew and we got to Rosalina's house.

Rosalina: Thank you all for collecting the stars.

Me: Our pleasure Rosalina.

We went and got the last star.

YOU GOT THE LAST STAR!

Nico: All right!

We all High Five!

Nico: How did you meet Erza and Ulrich?

Wendy Knight: Erza is the one that taught me all my swordmastery skills. She helped me become a great sword user and it's awesome.

Me: That is cool.

Wendy Knight: Yep. Also I helped her kill some of the Phantom Lord guild members.

Nico: Wow!

Juvia Lockser: That's awesome.

Nico: Yep.

Wendy Knight: And I met Ulrich and helped him kill some of XANA's goons. I helped him kill that jerkwad criminal that was under the influence of XANA.

Me: You must mean Peter Duncan, the Art Thief.

Wendy Knight: Yep. That's him. I killed him. And captured this.

She showed a Ghostly Entity of XANA that she caught in a special jar.

Me: Whoa! That is awesome. We'll have to take that to the lab.

Nico: Good idea.

Orla Takahara: Yep. And you know the story about me through my sisters.

Me: Yep.

Nico: Cool. Would you two like to join the team?

Wendy Knight: We would be honored.

We left the simulator and cheer wildly.

Nico put the Super Mario Galaxy and Super Mario Galaxy 2 games on the shelf in my room. Nico then turned to leave. When he was in the doorway, he glanced at the games one last time with a smile.

Nico: You two were partners to me for these mini adventures too. Thank you.

Nico then left.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later in the kitchen, the mascots were putting bread in the toaster.

Lucy Heartfilia: What are you guys making?

Poromon: Toast.

Lucy Heartfilia: Just don't burn it.

Poromon: we won't.

They were watching the toaster to make sure it doesn't burn.

Aquarius: Oh this is gonna end badly.

But then…

CLICK!

The toast came out golden brown and perfect.

Me: You were saying Aquarius?

Aquarius: Okay maybe not.

The mascots put almond butter on the toast and it was good.

Ransack: No burnt toast?

Poromon: Nope.

They ate the toast and it was perfect.

Mascots: MMM! Golden brown and delicious!

Punch: I honestly thought you guys were gonna burn it.

Poromon: No way!

Qin: It's good you didn't burn it.

Xenia: Yeah.

Horsea: You guys should have the toast with almond butter.

Me: Almond butter is awesome.

Xenia: Yep.

Camie: Anything is good on Toast.

Sweetie Belle: I tried to make toast once and it was burned and looked like applesauce.

Me: I remember that. I didn't know that was possible.

Crumplezone: Boss, who shines today?

Nico: Irena Malloy and Lin Chung.

Qin: All right!

Irena Malloy: You got that right! I'm going to love this!

Lin Chung: Me too.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Alien that haunted Colossal Toys, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Alien that haunted Colossal Toys, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Alien that haunted Colossal Toys?! Yeesh!

Lucy Loud: Gasp, there's no way I'm letting him get away, and I'm more than ready to take him down.

Suddenly, we heard a demonic roar in the distance.

Lincoln: (Smirks) And it looks like RD Sebastian's already losing it. We've already killed Caleb Roman, Sarah Garcia, and Michael Abbott, now we just need to kill the final two, and on Halloween, we kill him, and I'm also going to kill all those other versions of him.

Me: Wait, there's more of him out there in different worlds?!

King Kai: (Telepathically) And in other universes, and they're just as nasty, deranged, homicidal, and extremely evil as Sebastian before his Dark Side was removed.

Nico: Yuck! It's bad enough we had to deal with the Universe 666 and Royal Defenders versions of Sebastian was bad enough, now we find out there's more of them?! Lincoln, I hope you send all of them straight to Hell forever. Alright, gang, let's head down there and kick that clone's ass.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

The previous group came.

Salami Swami: Can me, Mumbo Jumbo, Grizzly, Skulker, Zzzax, Golden Glider, Professor XXXL, Patty and Selma, Toad, and Machinedramon go with you guys?

Patty: And nice job completing the Galaxies

Nico: Thanks and yes you all can come with.

Me: We're going to Colossal Toys to face the Alien there.

Sakura Knudson: This will be so awesome. I remember that one too.

Shade Man: Nico which gene-slammer do you think you'll meet next?

Nico: Morph Moth.

Nicole: Awesome.

Lana: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hajun from the manga/ anime series Record of Ragnarok, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to Hajun from the manga/anime series Record of Ragnarok, and he's coming here to destroy us.

We gasped.

Me: Uh oh.

Nico: Not good.

Alessa Garcia: There's no way I'm letting Hajun get away with this, he's going to wind up absorbed by you after we take him down.

Lincoln: Right, Alessa.

Nico: I hope you guys tear him apart. Alright, gang, let's go, we're heading out to destroy that clone of The Alien that haunted Colossal Toys.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Hajun.

Alessa Garcia: There's absolutely no way we're letting you run free any longer, Hajun, The Avatar of Earthbound Immortal Cusillu will claim your soul.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Alien that haunted Colossal Toys so that Lincoln can absorb him, and once we got done with him, Lincoln and Alessa Garcia are going to destroy Hajun.

We were off to Colossal Toys

---

We arrived at Colossal Toys.

Me: Here we are guys.

Nico: Wow!

Mumbo: Reminds me of Galaxy Toys.

Nico: It sure does.

Fred Jones: Hey guys!

Me: Hey Fred! Hey guys! Boy this brings back memories huh Shaggy?

Shaggy: Like it sure does. I loved coming here all the time.

Sakura Knudson: Boy this brings back a lot of memories.

Xenia: This is so cool that they have a life size Cool Cave here for this.

Me: Yep. This was the best part of the whole toy store here. Everyone loved it.

Eli: Boy it sure is awesome.

Nico: Boy all this stuff is amazing.

Qin: It sure is.

Me: This is cool guys. Here's where Commander Cool locked up Zeek, the Alien Fiend from the 7th Dimension.

Nico: Really? Wow.

Then the door opened and then out came ZEEK THE FIEND FROM THE 7TH DIMENSION! HE WAS UGLY! He was an ugly monster with 4 eyes and antennae and had an ugly mouth and the body of a gorilla!

Shaggy and Scooby did a frightful wild take!

Shaggy: LIKE IT'S ZEEK! HE'S COME BACK FOR REVENGE!

I pulled off the mask and it was RED HERRING!

Me: Nice try Red but you did that before on us.

Sakura Knudson: Yeah you can't fool us twice Red.

Red Herring: (LAUGHS) It was a good try though.

Me: Yeah it was.

Razorclaw: Where's the owner?

Shaggy: Like she's around. She's talking about new toys coming out soon.

Camie: Awesome.

Carol Colossal: That's right.

Carol Colossal came.

Skulker: You must be the owner.

Me: Long time no see Ms. Colossal. How have you been?

Carol Colossal: Been really good J.D. and wow Sakura you look really awesome.

Sakura Knudson: I know. I get that all the time.

Me: Carol Colossal is the one that put Commander Cool on the market first and it became a massively huge hit.

Nico: That is cool.

Qin: Yeah.

Me: We helped Carol solve the mysteries of the alien the first as well as the Ghost of the Hooded Heffer before.

Nico: Right! I remember hearing about that! That was awesome.

Lola: Yeah.

Commander Mars: Aren't the toys gonna come to life?

Carol Colossal: Oh goodness no. But we do have an awesome new fortress playset for Commander Cool coming out.

Shaggy: Like that is too cool! When is it coming out?

Carol Colossal: Let me see. BARBARA!

Barbara Simone came and she was in a prison stripe uniform and a guard woman was with her.

Barbara Simone: They should be ready in approximately 4.2 days.

Lola: I thought Barbara was in prison?

Me: Oh she is. But she has a special Prison Release work permit. Carol said it's hard to find a good secretary like her and good help like her these days.

Carol Colossal: Good memory. And yes it's true.

Golden Glider: Enjoying your new job?

Barbara Simone: Yes I am. I still have my same job.

Golden Glider: That's okay then.

Me: Yep. Also guys the first time we faced the alien Shaggy hit his head and got amnesia.

THEY GASPED!

Jinx: Just like Laney!

Me: Yeah and me.

Bubbles: And me too.

Me: Yeah. Shaggy and Scooby were trying to get away from the Alien and they ended up crashing into a huge pile of Toys and Shaggy thought he REALLY was Commander Cool.

Sakura Knudson: Yeah I remember that! That was crazy! Velma's uncle Dr. Elmo Dinkley helped out with that.

Nico: Whoa! That is crazy!

Qin: No kidding!

Laney: Except I had retrograde amnesia.

Me: And I had Total amnesia.

Bubbles: I went through the same thing. Except I actually thought that I was really Mojo Jojo.

Erica: In that case, you should get amnesia more often.

Selma: Okay, that was harsh.

Erica: Sorry.

Me: But Shaggy got back to his normal food loving self after one of Fred's traps backfired. Shaggy hit the wall and it knocked him back to his normal self.

Xenia: Wow!

Miranda: Anyway, we have reason to believe that your old monster alter ego is loose.

Barbara Simone: Is it the Evil Masked Figure?

Nico: The who?

Me: I think she means Jonathan Jacobo the Pterodactyl Ghost. But he is locked up in prison forever.

Fred Jones: That's right. This happened before with him.

Me: But There's another masked figure that was on the loose and that was Alecto Slytherin.

Xenia: Yeah he was responsible for the clones coming to life.

Machinedramon: And it's somewhere in the toy store.

Carol Colossal: You know I'll bet Stu-Pendous has something to do with this!

Nico: You mean the man that owns Stu-Pendous toys down the street?

Carol Colossal: He used to own it. But J.D. remembers the story.

Me: Yeah Carol's Commander Cool drove him out of the business. Stu HATES Carol with a vengeance and is always spying on her trying to steal her toy ideas.

Then the phone rang.

Me: Oh excuse me.

I answered it.

Me: Hello?

Stu Pendous was on the line.

Stu Pendous: Hello. (ENRAGED) I NEVER SPY ON HER!

Me: SHUT THE FUCK UP!

I hung up.

Me: (GROWLS) Man that guy is such a rotten tempered jerk!

Hard Nan: I assure you he can't do anything in jail.

Me: Well actually Stu-Pendous hasn't done anything illegal. Yet.

Hard Man: Oh.

Nico: Well he's bound to slip up sooner or later.

Me: Yeah and Carol he's not the only one. We have a lot of toys for us and they are very popular.

Carol Colossal: Oh I know that and many people have it out for you too.

Me: Yeah.

Nico: But we'll worry about him later. Right now we got an alien to bring down.

Eli: Yep.

Toad: How many other customers are in here right now?!

Eli: And are there any other people that have it out for you?

Carol Colossal: Well there's also Quentin Creeply.

Nico: You mean that Spooky Toymaker?

Sakura Knudson: I remember his toys. They were horrifying.

Carol Colossal: Yes. His toys were too spooky, SCARY, GRUESOME!

Brittney: Sounds like my kind of toymaker.

Lucy Loud: We'll buy all his toys.

Me: I had a feeling the Goths of Darkness would want to buy them.

Nico: Yeah.

Carol Colossal: Well lets see.

We looked around and there were no customers.

Me: No customers.

Laney: Good they won't be caught in the crossfire.

Cree Lincoln: Is he on the ceiling?!

We looked and saw a flying saucer!

Me: Oh that's just a flying saucer decoration Cree.

Cree Lincoln: Oh.

Eli: I sense he's outside. And he's heading this way.

Nico: Lets go then!

Professor XXXL: Anyone want some snow cones first?

Me: I think we all need those. All that heat from Samantha Solar Flare's power made us dry.

Samantha Solar Flare: Sorry about that guys.

We got some snow cones.

Me: (Slurping) Mmm! Blueberry.

We had good snowcones.

Me: Ahh man I needed that. Thanks Professor.

Professor XXXL: Anytime.

Snaptrap: Keep an eye out.

We went outside and then we saw a figure picking up a car and hurling it into a dumpster! It was THE ALIEN!

Alien: I MUST DESTROY COMMANDER COOL!

Nico: Target sighted!

Xenia: Ugly.

Zzzax: You said it!

Nico: Entrance time!

We went at him!

The Alien was trashing everything. But then the spirits of aliens from all over the universe came and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and then we landed.

Me: Time for some pain!

Alien: (ROARS) I MUST DESTROY COMMANDER COOL!

Buzzsaw: He's not here. Can we play instead?

Alien: He's right there!

He pointed to Shaggy and Scooby!

Alien: I've got you now Commander Cool!

Xenia: You'll have to get through us first!

Qin: YEAH!

I fired waves of energy and blasted him all over.

Grizzly: Have some of this!

He slashed the alien all over!

SLASH SLASH SLASH SLASH!

Qin: YEAH!

Eli fired Force Lightning blasts and electrocuted it.

Me: Had enough?

Alien: I WILL DESTROY COMMANDER COOL!

Varie: Not on our watch!

Lin Chung and Irena charged at him and kicked him down!

Nico: YEAH!

Lin Chung: That was awesome!

Irena Malloy: Yeah it was!

Ben turned into Four Arms!

Ben: FOUR ARMS!

He punched the Alien all over!

Qin: Take that!

Then Duskmon, Roquefort, Ssserpent, Demyx, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo came

Nico: Duskmon, Roquefort, Ssserpent, Demyx, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher, and Gizmo.

Roquefort: Are the toys okay?!

Nico: They're fine.

Ssserpent: Thank God!

Demyx: That's a relief.

Qin: We took the fight outside for safety.

Nico: Yep.

Dark Laser: We heard you fought a clone of the Space Ape.

Nico: We sure did.

Duskmon: (to Jeri) You should take care of that Pyroar.

Jeri: I will.

Me: Awesome.

Zamigo Delma came.

Me: Zamigo Delma! Wow! So it's badass buttkicking time!

Zamigo Delma: It sure is.

Nico: I still love those blasters you have! They are SUPER Badass!

Zamigo Delma: They sure are!

Lola: Yeah!

Zamigo Delma: This is probably my first battle.

Me: It sure is! And I'm ready to kick some butt!

Xenia: YEAH!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!?

We got the battles underway!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Colossal Toys Alien clone's chest, and then, Lincoln began absorbing The Colossal Toys Alien clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Colossal Toys Alien clone, and he banished The Colossal Toys Alien Clone to The Black Gates. Lucy holstered her massive greatsword on her back and powered down, and Lucy's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve midnight black and blood red orbs orbiting around her legs, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Nico: Good riddance to that slimy alien.

Lucy Loud: He deserved it.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Hajun.

?: Soon, every last human being shall be wiped from the face of this miserable planet.

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of dark energy blasts that came from nowhere and hit the barrier, but it stood strong as the dark energy blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Hajun, or we will force you out.

A massive tall and horned muscular figure came out, and it was none other than Hajun. Suddenly, Sebastian summoned a massive collection of disembodied demonic hands to kill him, but Hajun destroyed them easily.

Selene Arcangela: You know that wasn't going to work, Sebastian.

Alessa Garcia: Even summoning disembodied demonic hands wouldn't work. Just leave this one to the professionals. (Under her breath) Amateur.

Suddenly, Alessa Garcia's yellow eyes turned neon yellow and she was surrounded by a black and yellow energy aura with stars, darkness, yellow fire, monkeys, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Hajun, she left black and yellow energy, stars, darkness, yellow fire, monkeys, phoenixes, and angels with every step.

Alessa Garcia: You've got some nerve coming here, Hajun. But, you've made a huge mistake when you came here, we're not going to let you have your way, and for that, I will drag your miserable soul straight into the blackest depths of The Netherworld and put you through something far worse than Hell!

Suddenly, Alessa Garcia was surrounded by a massive vortex of black and yellow energy with stars, darkness, and yellow fire surrounding the vortex, there are monkeys, phoenixes, angels, and Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu flying around the vortex, and in the vortex is a black phoenix with the Monkey Nazca Line on its stomach and red eyes glaring at Hajun: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: He better be glad that Devack isn't also here, but it's still going to end in a total bloodbath.

Then, as the vortex faded, Alessa Garcia emerged, but she was changed forever and the wrath of The Avatar of Earthbound Immortal Cusillu and Fusion Gene-Slammer of The Monkey Duel Monsters is about to be unleashed on Hajun.

We were amazed by Alessa Garcia's Super Angel-Earthbound Immortal Cusillu Avatar-Monkey Duel Monsters-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hajun saw it, he went mad with rage and ran at her to kill her, but Alessa Garcia fired a massive barrage of black and yellow energy, stars, darkness, yellow fire, monkeys, phoenixes, and angels which hit Hajun and sent him flying into a tree, he got back up and he was now really enraged.

Carly Atlas: Incredible, Alessa's transformed.

Selene Arcangela: Oh shit, Alessa Garcia's transformed?! This is going to end badly for Hajun.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, he's about to learn that lesson the hard way.

Alessa Garcia: (Divine Echoing Godly Voice of The Infernal Yellow Fire Darkness Earthbound Immortal Cusillu Avatar Monkey Duel Monsters Goddess Phoenix God Angel and Divine Cosmic Eternal Infernal Yellow Fire Darkness Earthbound Immortal Cusillu Avatar Monkey Duel Monsters Goddess Phoenix God Angel Love) You said a mouthful. Now, let's get him, Lincoln.

You will pay for everything you've done, and you will be sent straight into Oblivion for eternity.

Alessa Garcia and Lincoln went after Hajun, and they fired extremely powerful blasts of rainbow energy, black and yellow energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hajun, and they exploded with incredible power as they hit him.

Then, Lincoln and Alessa Garcia attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Alessa Garcia also did the same by firing black and yellow energy slashes from her massive greatsword, and he and Alessa Garcia attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off Hajun badly

Hajun: YOU! YOU! I WILL KILL YOU ALL!

Hajun went after Lincoln and Alessa Garcia in a fit of rage, but Lincoln and Alessa Garcia clashed with Hajun and it was really fierce and they pushed him back. Then, they fired rainbow and black and yellow energy blasts and Cosmos blasts at Hajun and Lincoln and Alessa Garcia summon monkeys to attack Hajun and he was really scarred by their furious attack. Then, Lincoln and Alessa Garcia punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back, and the stomach blow was indeed a mortal blow.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the right side of Hajun's chest, and then, Lincoln began absorbing Hajun into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Hajun, and he banished Hajun to The Black Gates. We cheered wildly for what Alessa Garcia and Lincoln did as they holstered their massive greatswords on their backs and powered down and Alessa Garcia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve black and yellow orbs orbiting around her legs, and massive black and yellow angel wings are permanent.

Alessa Garcia: Burn in Hell forever, you sadist. Thanks for helping me destroy Hajun for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Alessa.

Suddenly, Alessa Garcia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alessa Garcia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Cusillu and the Monkey Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and yellow fire behind them and we cheered wildly. Then, Lincoln and Alessa Garcia sucked in and absorbed the elemental forces and darkness and yellow fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on Hajun.

Lincoln: He was just as cruel, sadistic, and dangerous as we'd seen.

Nico: He sure was, and in the end, you did it, you and Alessa Garcia defeated him and you absorbed him, Lincoln, and you and all of us assimilated all of his powers, strength, and abilities.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Helena Augustine.

Selene Arcangela: (GASPS) The Frankenstein Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Helena Augustine is Lincoln's Guardian Angel from Colorado and she's an extremely powerful Frankenstein dark angel and queen of a massive group from Denver, Colorado. She's also feared for destroying a gang of criminals who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike Frankenstein, Helena was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength, superhuman intelligence, and mastery over lightning, along with the powers, abilities, and superhuman strength of Frankenstein, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first Frankenstein queen of her massive group, and she destroyed the crooks who made a deal with Sebastian and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Helena were out at Lake Huron on a moonlit night on a date to show his thanks to Helena for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lynn and Lola showed up and tried to kill them, but they were no match for them and they pulverized them and wedgied them by their panties on a tree branch in front of The Loud House, and after that, Lincoln and Helena shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of Frankenstein justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, Witches, and Frankenstein.

Nico: Way awesome.

Roman Goodwin: He got destroyed thinking Shaggy was Commander Cool.

Abomination: Too bad he wasn't!

Me: Yeah.

Blizzard: Either way, another job well done.

Scorcher: So, what now?

Poromon: I'm gonna buy some of the toys!

Gizmo: I hope you got your wallet

Poromon pulled out his wallet.

Brittney: And I just bought out all of Quentin Creeply's toys.

Brittney showed the toys and Shaggy and Scooby did a FRIGHTFUL REACTION!

Nico: It's okay guys.

Brittney: I did say I was going to buy his toys earlier.

Shaggy: Oh right. Like sorry. But man like this brings back lots of memories.

Sakura Knudson: Boy no kidding! It was like I was reliving my childhood with you guys.

Fred Jones: Good times huh?

Nico: Yeah. Great job guys.

Applejack: YEEHAW! (To the viewers) Boy howdy this was a great adventure y'all.

Me: It sure was.

We went and bought a bunch of toys and even preordered the fortress playset and then went back home and enjoyed the rest of the day and went to sleep.

Xenia: Good old Paris, France.

Marinette: Always good to be home.

Chloe Bourgeois: It sure is.

Lola: Yeah I love Paris.

Camie: Me too.

Varie: So pretty.

Lana: I'll say!

Eli: I think it's fun too.

Sugarcoat: It is a logically fun place for everyone.

Xenia: It sure is.

Nico: Sugarcoat, I want to thank you, Panther, and your teams for coming.

Sugarcoat: My pleasure Nico. It'll be awesome helping out.

Maya Kona: I'm ready for this too.

Nico: Maya, what do you like to do in your free time?

Maya Kona: I'm a fashion model and I love showing off fashions.

Rarity: Oh and she shows off the most glamourous and most beautiful fashions I make.

Nico: That's cool.

Me: You should see some of the dresses she shows off in and they are absolutely beautiful.

Maya Kona: Yep.

Maria: It's true.

Nico: That is cool.

Qin: Yeah. It sure is.

Leni: The clothes she models in are totes amazing.

Nico: Awesome.

Me: Yep.

Eli: Yeah!

Sakura Knudson: Yeah. Wow! These missions were all awesome trips down memory lane.

Me: They sure were sis. We had a lot of fun. Especially with dealing with the Alien that haunted Carol Colossal's factory.

Nico: Too bad the toys there didn't come to life.

Me: Not EVERY kind of toy comes to life Nico.

Nico: True. But that was still fun though.

Xenia: It sure was.

Lola: I'll say.

Nico: But the clone kept calling Shaggy Commander Cool.

Sakura Knudson: He sure did. But it was still fun. Just like back in the old days.

Me: I know. The Original did the same thing back then too.

Varie: Wow.

Nico: That is crazy.

Eli: It sure : But the clone kept calling Shaggy Commander Cool.

Sakura Knudson: He sure did. But it was still fun. Just like back in the old days.

Me: I know. The Original did the same thing back then too.

Varie: Wow.

Nico: That is crazy.

Eli: It sure is.

Nico: All because of Amnesia.

Me: I know. But back then, Shaggy and Scooby were dressed up in Commander Cool costumes. I forgot to mention that before.

Nico: Oh. No worries. But that is crazy.

Qin: Yep.

Nico: Still it was fun to go through all those fun mysteries.

Me: Glad you all liked them.

Nico: Now what to do first?

Me: Well… Huh?

I saw Laney looking REALLY tired.

Me: Uh oh. Laney are you okay? You look really tired.

Laney: (YAWNS) I'll be okay.

Nico: You know I'm allergic to bullshit, right?

Me: Really? Does it make you break out in huge hives?

Nico: Very funny. But seriously.

Laney: Okay I had a terrible bad dream.

Leni: Are you really allergic to that?

Nico: Leni, that means a I know a lie when I see one.

Leni: Oh right. I see what you're saying. I think.

We went to a table and sat down.

Laney: I had a really horrible dream guys. I didn't sleep at all last night.

Nico: What was it about?

Natilee: Well see for yourself.

She showed a sketch and it was about Laney locked up in an insane asylum to see what it was like and they subjected her to TERRIBLE TREATMENTS! The worst one of them all was where they REMOVED HER BRAIN and cooked it and transplanted a new brain into her that was that of an evil monster! And she went on a rampage and hurt all kinds of people!

WE GASPED!

Me: That is crazy!

Nico: NO WAY is that real!

Me: That first part reminds me of what famous reporter Nellie Blie did over 100 years ago and that was daring for her.

Poromon: Oh, Laney!

Laney then broke down crying and Varie and Poromon comforted her.

Rita too.

Rita: Oh sweetie it'll be okay. It's just a dream.

Laney: (CRYING) That was horrible mom!

Rita: Oh sweetie I know.

Poromon went onto her head.

Poromon: It'll be okay Laney.

Me: Laney seems to be having problems with what she remembers from Alice: Madness Returns.

Camie: Really?

Me: Yeah I got her into that game when she said she wanted to be a psychologist.

Nico: I remember that.

Maria: We remember that game all too well.

Varie: Yeah.

Laney: (Sniffles) That was awful.

Nico: I know. But it wasn't real Laney.

Rita: That's right sweetie.

Me: Damn that Royal Defenders version of Sebastian.

Alice Liddel: (British Accent) Now you know my pain.

Me: Minus the brain removal part. They can't do that. That's murder. But we can only to those that had it coming like Crocker.

Camie: Yep.

Nico: Now there's only 3 Loud Kids left for him to target.

Lily: HEY! What am I chopped liver!?

?: No that's what I am.

We saw a jar of chopped Liver and a rimshot was heard.

Nico: Oh. 4 kids left! Sorry!

Lily: It's okay.

Nico: Good.

Qin: Awesome.

Nico: You said we're getting rid of him on Halloween, right?

Brittney: That's right.

Lincoln: Yep.

Nico: Perfect,

Poromon comforted Laney.

Xenia: Aww.

Laney: (Sniffles) Thanks guys, I'll be okay thoughh.

Nico: You sure?

Laney nodded.

Poromon kissed her forehead.

Laney: Thanks guys.

Me: You're welcome.

Poliwag cuddled up to her.

Laney: Thank you guys. I'm fine now.

Nico: Good.

Maria: What to do now?

Me: I think that's Lincoln's cue.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of Zombizou is here, and she's causing havoc.

We gasped.

Me: Oh man, a clone of Zombizou?! Oh boy.

Nico: How was that possible?!

Lincoln: Only one person could be responsible for that one: Alecto Slytherin.

We gasped.

Me: That shithead!

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take that clone of Zombizou down.

Me: Without a doubt.

Rainbow Dash heard a Pokemon cry.

Rainbow Dash: Hey guys look!

We saw a Ho-Oh!

Me: WHOA! The Legendary Ho-Oh! That is perfect for you R.D.

Xenia: Yeah the legendary Rainbow Pokemon.

Rainbow Dash: Yeah! Oh and it hurt its wing.

Me: Poor thing.

Ho-Oh: I was fiying and turbulence hit me.

Me: Ouch.

We got to healing it up.

Ho-Oh: Thank you.

Me: You're welcome. Want to come wih us?

Rainbow Dash: I was just about to ask that.

Ho-Oh: Sure.

Rhino: I remember facing Zombizou long ago. That was fun.

Camie: Wow!

Lola: Yeah that was intense.

We saw Zoe with her back to us.

Nico: Hey, Zoe!

Zoe turned around to face us. But something was off.

Me: Zoe are you okay?

Zoe: Kissou!

I stopped her and put my fingers on her head and stopped her and chanted an incantation.

She snapped out of it.

Zoe: What? What happened?

Me: You looked like a zombie.

Zoe: (GASP) That Zombizou Clone!

Nico: Oh man!

Marinette: No. She was a kissing zombie. If one kisses you, you turn into one of them!

Me: Oh boy!

Static Shock: Madeline Spaulding did the exact same thing with her powers and made everyone zombies. I stopped her.

Me: I remember hearing about that Virgil! That was crazy!

Francis: No kidding! That girl has some serious issues.

Xenia: Yeah.

Static Shock: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Zombizou Clone) AHA! Gotcha! I just spotted The Space

Ape clone, she's 20 yards away, and she's already causing havoc.

Nico: That just saved us the trouble. Let's get her and tear her in two!

Lincoln: She's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Zombizou Clone.

We were flying in the air and landed and we saw the Zombizou clone causing havoc and she's turning people into zombies with her kisses.

Lincoln: There she is.

Me: Let's get her. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I transformed into Wolf Moon! 🌙

Lincoln: And I've got a surprise in store. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into a white and red version of Wolf Moon as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and grew a brown wolf snout, his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Nico: WHOA! WHAT ON EARTH?!

Lincoln: Surprised? In this form, I'm known as Fire Moon 🔥🌙.

Me: Of course, Werewolves born under this moon in May are called Flame Wolves, and they are immune to fire. They're considered independent, kind-hearted, wise, over-confident, mystical, mysterious and stubborn. In human form, flame wolves may be redheads or have reddish-brown hair with affinity to fire, and their wolf form is of brown with brown or red eyes, and their unique ability allows them to cast a ball of fire at times necessary.

Eli: That's incredible, and Lincoln was also born in May, that's incredible.

Nico: Very fitting too!

Suddenly, several kissing zombies swarmed Rolf and started kissing him.

Kissing zombies: Kissou!

Rolf: Everyone, save yourselves! Rolf is a goner!

With that, the kissing zombies completely overwhelmed Rolf.

Ed Edd N Eddy Kevin: ROLF, NO!

Marinette: We have to keep going. There's nothing we can do for him!

But when they kissed him nothing happened!

Me: WHOA! Our powers make us immune to that.

Rolf: That is good news. NO ONE KISSES THE SON OF A SHEPHERD BUT MAMA!

WHOOSH!

He blew out of them!

Me: YEAH!

I blasted the Kissing Zombies with magic and cured them.

Me: There!

We went to find the clone.

Suddenly, we saw the Zombizou clone heading right for us, and Lincoln created a massive indestructible diamond barrier with red wolf fire surrounding it that protected all of us and the Zombizou clone got so riled up, she banged her fists hard at it, but the barrier was still standing and her fists were burning as she screamed seeing her hands burning and covered in red fire.

Eli: Jeez!

Nico: Yeesh, using red fire to burn her hands, now that was just hot!

Zombizou Clone: GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on her, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with red wolf fire surrounding it, and it hit The Zombizou clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Zombizou clone.

Me: Time for you to get burned.

Lincoln and I fired blasts of blue and red wolf fire with swings of my scythe and his massive greatsword, and the Zombizou clone got burned badly, and Lincoln sent a wave of red wolf fire that cured the Zombizou clone's victims.

Saya Sun: I've had it up to hear with you to last an eternity.

Me: Me too! You wanted a kiss you could have just asked from me.

Ho-Oh charged at her and fired a blast of rainbow fire and blasted her down.

Me: YEAH!

Zombizou then grabbed me.

Zombizou: Give me a kiss.

Me: Well if you insist…

I then kissed her full on the mouth and she loved it but then she felt something painful and then broke away and was coughing and gagging and then she was choking.

Nico: WHOA! What was that?

Me: The Kiss of The Phoenix! My kisses are poisonous to all bad guys. They will burn them up in hours

Nico: WHOA! Poison Ivy's kiss made infernal!

Nico: Really?

Me: Yep. I experimented on it with Dark Amy and it turns out that if attacks hit the one afflicted by it, it will speed up the curse.

Nico: DEADLY!

Qin: Yeah!

Nico: What happens when they die from it?

Me: Their powers and their souls become mine permanently.

She flicked the switches for Yodo and Dharmok and channeled Ocean Style Chakra into her sword!

He popped out of their hands.

Poromon: Nice try! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted them and knocked them out and then I fired a blast of magic and freed them!

Poromon: Good thing we're immune to their kisses.

A swarm of kissing zombies swarmed Poliwag and started kissing him.

Poliwag: MOMMY!

Nico: I think the swarming and kissing part is more terrifying then the kissing zombification part.

Me: Like a bunch of fangirls trying to get into your pants!

May then punched the girls away and knocked them down!

Poliwag: NO ONE DOES THAT TO ME!

He fired a Bubblebeam blast and knocked them down!

Saya Sun: All right THAT DOES IT!

Suddenly, Saya Sun's orange eyes turned neon orange, and she was surrounded by an orange and yellow energy aura with stars, fire, flames, suns, phoenixes, and angels, and as she approached the Zombizou clone, she left orange and yellow energy, stars, fire, flames, suns, phoenixes, and angels with every step.

Saya Sun: Even if you're just a clone of The Space Ape, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes. Now, prepare to say goodbye to your miserable life.

Suddenly, Saya Sun was surrounded by a massive vortex of orange and yellow energy with stars, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortexes, and in the vortex is a yellow phoenix with red eyes glaring at The Zombizou clone: the red eyes of eternal death.

Me: WHOA!

Nico: Oh, this is gonna be good!

Lincoln: That Zombizou clone's going to get it big time!

But, The Zombizou Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of fire and flames that sent her flying into a wall. Then, as the vortex faded, Saya Sun emerged, but she was changed forever.

Saya Sun grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve orange and yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and yellow energy aura with stars, suns, fire, flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has The Sun with her tiara emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Star, Sun, Fire, and Eternity Kanjis in its claws, she also has a phoenix with orange gems for eyes and holding the Star, Sun, Fire, and Eternity Kanjis in its claws for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Phoenix Choker Necklace of Eternal Love. We were amazed by Saya Sun's Super Angel-Sun Dopant Embodiment-God-Phoenix-Harmony transformation, and when I saw Saya, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, but when the Zombizou clone saw it, she ran at her to kill her, but Saya Sun fired a massive barrage of orange and yellow energy, stars, suns, fire, flames, phoenixes, and angels which hits the Zombizou clone and sent her flying into another wall, she got back out, but now, she was enraged.

Saya Sun: (Divine Echoing Godly Voice of The Inferno Firestorm Solar Light Fury Sun Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Inferno Firestorm Solar Light Fury Sun Dopant Embodiment Phoenix God Angel Love) We've absolutely had it up to hear with you, you miserable clone. Now, face the consequences of your crimes.

A swarm of kissing zombies swarmed Manaphy and started kissing

her.

Manaphy: HELP ME!

Saya kicked the zombies off Manaphy and fired a beam of sunlight and it freed them!

Manaphy: Thanks Saya!

Saya Sun: No problem.

Saya fired a wave of sunlight and blasts the Zombizou clone all over!

A swarm of kissing zombies swarmed Horsea and started kissing her.

Horsea: WHY?!

Maria blasted them away with water!

Maria: NO ONE DOES THAT TO HORSEA!

Manaphy: YEAH!

Horsea: YOU MONSTERS!

They fired energy blasts and blasted the Kissing Zombies!

Me: I've had enough! RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

I released a massive vortex of blue fire and I was ready for some serious pain!

Zombizou Clone: UH OH!

I ran fast and punched and kicked and thrashed the clone with extreme savagery!

She was blasted down in a massive explosion of fire!

Me: WHOA! That was powerful!

Eddy fired his blaster and blasted the clone all over!

Poromon flew at her and pecked her!

POINK POINK POINK POINK POINK POINK POINK!

Poromon: That was therapeutic!

Nico: YEAH!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

And I unholstered my massive J.D. Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even though we already know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, you're going to join Alecto Slytherin in death forever!

Lincoln, Saya Sun, and I went after The Zombizou Clone, and we fired extremely powerful blasts of rainbow energy, orange and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Zombizou Clone, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Saya Sun, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Zombizou Clone even more insane and straight to the brink of insanity.

Zombizou Clone: (ENRANGED ROAR)

The Zombizou Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Lincoln fired waves of radiation at him and he got burned badly, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked the Zombizou clone and she got badly hurt. Then, he fired red and blue wolf fire which hit the Zombizou clone and she got burned bad.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Zombizou Clone, and then, Lincoln began absorbing her into his body as he and all of us assimilated all of Zombizou's powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Zombizou Clone, and my curse kiss sealed her soul into the darkest reaches of my subconscious for all eternity. Everyone cheered wildly as we holstered our weapons and powered down, and Saya Sun's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange and yellow orbs orbiting around her legs, and massive light orange angel wings are permanent.

Nico: That was awesome!

Qin: YEAH IT WAS!

Me: YEAH!

Saya Sun: Now, that was so awesome!

Lincoln: That's another clone of Marinette's enemies down and more to go.

Me: You got that right!

Suddenly, I got jumped on by Saya Sun, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

I recovered.

Nico: That was one awesome battle.

Lincoln: We took down The Zombizou clone and I absorbed her, and J.D. absorbed her soul with that new curse. So cool! And we really let her have it, and since RD Sebastian just struck Laney last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Me: You got that right.

Nico: And Irena? You and Lin Chung did good yesterday.

Irena Malloy: Thanks Nico. It was fun.

Lin Chung: It sure was.

Xenia: Yep.

We went to the mascots.

Me: You guys okay?

Poromon: I was kissed a lot!

Poliwag: ME TOO!

Manaphy: THE HORROR! THE HORROR!

Horsea: IT WAS AWFUL!

Me: Guys you're acting like drama queens. Your powers made you immune to that.

Nico: Look on the bright side at least it wasn't flesh eating zombies.

Poromon: True. BUT IT WAS STILL HORRIBLE!

Nico: Nice job Ho-Oh.

Ho-Oh: Thanks. That was awesome.

Me: Yep. Ash told us that you were the first ever Johto Pokemon that he ever saw in his region, Kanto.

Ho-Oh: Really?

Ash: It's true and it was amazing.

Me: Yeah.

Poromon got out a beer bottle.

Poromon: Want a beer?

Ho-Oh: Oh no thanks. But you guys got any skittles candy?

Me: More than enough.

I gave him some and he had some.

Me: That is too awesome. The Rainbow Pokemon tasting the rainbow.

We laughed!

Nico: That is awesome.

Ho-Oh: Yea It's awesome.

Poliwag: That is cool. (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Ho-Oh: Where did you get all those skittles?

Me: We did something out of those Skittles Candy commercials. We planted skittles and it grew a huge rainbow and had baskets filled up with them.

Camie: Its true. But that was cool.

Maria: Besides we should wash those kisses off.

Me: Yeah the last thing we want is for the mascots to be made fun of by Harold.

Xenia: Yeah.

Me: If he does so I'm going to bean him on the head with a baseball REALLY HARD.

Nico: I'll help you! But still good idea.

Maria fired a wave of water and washed them off.

Manaphy: Ahh thanks.

Horsea: Much better.

Nico: Good.

Lola: Yeah.

Maria kissed Horsea on the forehead.

Horsea: Thanks Maria.

Maria: Anytime.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Maria: (Turns dial) CRABS OF EVIL 6!

She summoned Baron Von Shellshock, Drisella, Honeypuff Girls, Raymond Boxman (O.K. K.O.! Let's Be Heroes!), Pimon and Tumbaa, and Evilized Screechers (Skylanders)!

Me: YEAH!

Maria: And now, we wait.

Me: Yep

Mariah Midnight Sparkle: And do you guys know where Abacus Cinch is?

Me: Well yeah she's over in Phoenix Land being splattered all over with tomatoes as humiliation fodder. Do you have some kind of history with her?

Mariah Midnight Sparkle: You could say that. When I got word about what she did during the Friendship Games, I made it my mission to hunt her down and to kill her.

We gasped!

Qin: Geez!

Girl Jordan went over to Mariah.

Girl Jordan: I feel the same way. When Carnage ruined my life I want nothing more than to hunt down all versions of Carnage and kill EVERY SINGLE version of them. I vowed TERRIBLE Vengeance on all versions of Carnage and want nothing more than to kill EVERY SINGLE one of them without a single shred of mercy.

Mariah Midnight Sparkle: Boy you and I are in the same boat. We want nothing more than to destroy the very monsters that hurt lots of people we know.

Girl Jordan: I know.

Irena Malkovich: (Canadian Accent) That is true eh. I have Abacus Cinch as my archenemy and she is really interesting to get along with. She is now in our frenemies in the M.O.E. Under the watch of Vypra. But she is not that bad for me.

Mariah Midnight Sparkle: I still want to let her have it. But at least she is being punished.

Me: Yep.

Nico: Well, not EVERY version.

Me: Like the SHS version and Lego version. Including the Universe 666 versions as well as the UA Version.

Mariah Midnight Sparkle: The Super Hero Squad and LEGO Versions always make me laugh! (LAUGHS) That is funny.

Girl Jordan: (LAUGHS) They sure do. Those I can handle.

Me: Yeah.

Nico: We were busy fighting kissing zombies to notice the Anothers

Celeste Star Swirl: Yeah we noticed.

Me: They were all over us like pigeons pecking bird seed off us.

Qin: Yeah.

Miyuki Mistmane: That is crazy there isn't it.

Squit: Yeah they were all over us. But we did it together like the Three Musketeers.

Pesto: Musketeers. What do you mean by that?

Squit: I just said we're like the Three Musketeers. You know All for one and one for all.

Pesto: Are you saying that I'm Annette Funacello here to wear mouse ears for you? That I am some kind of Hey there, Hi there, ho there come and join night jamboree punk on a kids TV Show? Is that what you're saying!?

Squit: No I'm not saying that!

Pesto: I am a musketeer?

Squit: Yeah yeah that's what I'm saying. (Laughs)

Pesto: DA'S IT!

He JUMPED SQUIT AND PULVERIZED HIM ALL OVER IN A FIGHT CLOUD!

Bobby laughed hysterically!

Qin: (LAUGHS) Those rants always crack me up!

Poliwag: We were kissed a lot!

Nico: Okay okay guys.

Me: Uh look!

We saw ANOTHER PANTHER CARUSO!

Nico: WHOA! Another Panther Caruso!

Panther Caruso: (Purs) Who is that good looking gentleman?

Me: Another you Panther.

Panther Caruso: NOw, Leon just needs a team of his own.

Me: Yep.

Another Panther: (In a girls voice) And it will be beautiful.

In a massive swirling vortex of fire she reverted back and out came a girl with orange hair and she had orange eyes, fire angel wings and had orange clothes and had a tiara with the symbol of Daybreaker's cutie mark on it and had the same symbol on her skirt and she had Daybreaker's fire tail and had a volcanic flame sword.

Dahlia Daybreaker: Dahlia Daybreaker - Embodiment, Gene-slammer and Legacy of Daybreaker.

Me: WHOA! Infernal as the Sun!

Princess Celestia: Another Legacy of me but for my dark side Daybreaker.

Me: Yeah!

Dahlia Daybreaker: And just as beautiful and powerful as the sun.

Panther Caruso: And she acts like me too. Just as awesome and beautiful.

Dahlia Daybreaker: That's for sure!

Panther Caruso: NOw, Leon just needs a team of his own.

Me: Yep.

Another Panther: (In a girls voice) And it will be beautiful.

In a massive swirling vortex of fire she reverted back and out came a girl with orange hair and she had orange eyes, fire angel wings and had orange clothes and had a tiara with the symbol of Daybreaker's cutie mark on it and had the same symbol on her skirt and she had Daybreaker's fire tail and had a volcanic flame sword.

Dahlia Daybreaker: Dahlia Daybreaker - Embodiment, Gene-slammer and Legacy of Daybreaker.

WE GASPED!

Me: WHOA! Infernal as the Sun!

Princess Celestia: Another Legacy of me but for my dark side Daybreaker.

Me: Yeah!

Dahlia Daybreaker: And just as beautiful and powerful as the sun.

Panther Caruso: And she acts like me too. Just as awesome and beautiful.

Dahlia Daybreaker: That's for sure!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jetman Sword.

Dahlia Daybreaker: No he didn't. I threatened him. I threatened to send him to the sun if he didn't let me go.

Me: WHOA! The sun would have obliterated him in an instant.

Dahlia Daybreaker: Yep.

Sougo: (gets out Mighty Morphin Ridewatch) Do you have a rose too?

Geiz: (gets out Jetman Ridewatch) Because Panther has one as well.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Dahlia pulled out a rose.

Dahlia Daybreaker: I sure do.

Nico: Cool!

Lincoln: Lets separate you first.

We did so.

Me: Lets make this one that shines as bright as the sun.

Nico: (Gets out Panther's Ridewatch) You're about to be struck by a Panther!

May: (Gets out Brain Alien's Ridewatch) These Aliens will eat you!

Maria: (Gets out Venus (Mega Man's Ridewatch) I'm your Venus! I'm Your Fire!

Maya Kona: (Gets out Dean Toadblatt's ridewatch) YUM! Frogs Legs!

They used the powers of Panther Caruso, Dean Toadblatt, Brain Aliens, Lady Venus, Venus (Mega Man) and Ternion and blasted the Another.

Then Universe 666 Lila Rossi, Universe 666 Lich, Kaufmo, Bad End Sunny, Balrog and Lego Bleez came.

Nico: Nice team Universe 666 Lila!

Universe 666 Lila Rossi: Thanks Nico!

Me: At least they know it's you from universe 666.

Nico: Yep.

Then we heard MOTHRA'S SCREECH!

We then saw Mothra from 1961 come!

Me: WHOA! Mothra!

Nico: What's she doing here?

Eli: Wait I sense something.

She then landed and turned into MORPH MOTH!

Me: Wow! Morph Moth!

Xenia: COOL!

Morph Moth: (In a girls voice) This is gonna be fun!

Nico: Melanie Mothra! Wow!

Mothra 2019: Wow! That is awesome!

Melanie Mothra: It sure will be.

She fired a lightning blast and smashed down the Another and I caught the ridewatch and purified it.

Me: YEAH!

Qin: Wow! That is cool!

Me: Yeah!

Melanie Mothra: Not only am I the gene-slammer of Morph Moth but I'm also the gene-slammer of Mothra.

Me: Wow! From 1961 to 2019.

Melanie Mothra: I know. All the powers of Mothra from those generations are inside me.

Nico: I actually thought you were Mothra!

Melanie Mothra: I know! And being the gene-slammer of Mothra is a dream come true for me too. She's my favorite monster.

Mothra 2019: I'm truly honored.

Me: Wow! You have 58 years of Mothra inside you. Since 1961 she has been part of the Godzilla universe.

Melanie Mothra: I know.

Poromon: Were you kissed by zombies too?

Melanie Mothra: No I was flying high above the city and I saw your battle from a distance.

Me: Wow! You dodged a huge bullet.

Melanie Mothra: I know. Anyway I'm naked just so you know.

Me: Uh oh.

I put on my blind man glasses.

Me: It's going to hurt.

Melanie Mothra: I know.

The boys covered their eyes.

Me: Here we go.

I snapped my fingers and she doubled over in pain and she threw up and reverted back. She had black hair and blue eyes and had Eternal Mothra's wings and they were beautiful and she had Mothra's antennae coming out of her head. And she had a swirl with a moth in front of it in the middle of her forehead.

Melanie Mothra: (GROANS) Oh man that hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

She was given an amazing purple outfit and she had the symbol of Infant Island tattooed on her arm and had a butterfly sword.

Melanie Mothra: Wow! I look awesome.

Lola: Yeah you sure do and your wings are amazing!

Mothra 2019: They sure are awesome.

May: I didn't get hit!

Nico: Nope.

Melanie Mothra: She sure got hit a lot didn't she?

Me: No shit there.

Maya Kona: Do you have any favorite memories of Nico?

Melanie Mothra: When me and Nico went after a gang of Mafia Men in Russia and brought them to justice.

Me: That is awesome.

Nico: It was.

Melanie Mothra: Yep.

Nico and Melanie hugged.

Nico: I've missed you.

Melanie Mothra: I've missed you too.

We went back home.

IT'S GOING TO BE ONE NASTY CATFIGHT!

Lincoln: So, my rescue's taking place in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to meet with Celine Wendova's parents and her sister, Emily.

Celine Wendova: I hope Emily, Mom, and Dad are doing okay.

Kit: What happened?

Lincoln told everyone who hadn't joined before that Celine's younger sister got murdered by that Total Drama sore loser asswipe, Scott, and they were pissed.

Me: Yeah, he crossed a nasty line.

Nico: And last year, he paid with his life along with his manifestation that lurked in Lincoln.

Nicholette Torrington: That's right.

Sugarcoat: This is going to be really amazing.

We arrived at Celine Wendova's home, and we knocked on the door, and when it opened, we were greeted by Celine's parents and her youngest sister, Emily.

Mrs. Wendova: Celine, Lincoln, you're here. Please come on in.

Lincoln: Thanks, Mrs. Wendova.

We went in, and their home was really amazing.

Nico: Wow. Celine, your family home here is really amazing.

Celine Wendova: It sure is, and just like Clara, we're also rich.

Qin: Wow.

Mr. Wendova: We're glad you all came, especially you and Lincoln, Celine. We've got some bad news.

Eli: What's wrong?

Emily Wendova: We've got bad news: Celine, Carla's broken out of prison.

We gasped, including Lincoln and Celine Wendova.

Lincoln: What?! Yours and Celine's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carla Wendova?!

Celine Wendova: Carla's broken out of prison?! That bitch!

Nico: Whoa, I'm sensing some really bad blood!

Selene Arcangela: You have no idea.

Qin: And she's like the other siblings of the other Dark World Goth Girls: really horrible, mega jealousy-crazed, envy-driven, psychopathic, and monstrous.

Celine Wendova: You don't know the half of it. Emily and I never got along well with Carla, she always hated us ever since the day she was born, and as we were growing up, she always tried to make us look like really horrible people in front of everyone, but I always foiled her at every turn. But, despite all the repeated warning from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for us escalated even more and she'd escalated her violence towards me into trying to kill me and Emily many times in the past. But, I always foiled her stupid murder plots as well and I kicked her ass hard as well.

Lincoln: Yep, but years ago, we foiled her biggest murder plot: she tried to kill Celine and Emily again along with me by hiring local criminals to do it. We killed them and after I found Carla's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Carla went way too far and she wound up getting sent to prison, and she swore to get revenge on Celine and Emily for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Celine.

Nico: Oh shit!

Me: Yep, she was a jealousy-crazed, envy-driven, psychopathic, and monstrous Alpha Bitch, a clone of Dark Lori in its entirety.

Lucy Loud: Now, we find out Celine and Emily's sister has broken out. But, she'll be easy to deal with because unlike Celine, Carla doesn't have any powers of darkness.

Emily Wendova: I also have the same powers of darkness and dark magic as Celine and I'm a martial artist and I've more than once kicked Carla's ass.

Lincoln: I've seen her in action before, she's really skilled and strong, but Celine's gonna wind up beating Carla to a bloody pulp just like what Clara did to Claire yesterday. Now we just got to take Carla down and send her to The Dark World Prison in Dark World.

Lincoln got out the Medal for Celri, Monk of Dark World.

Me: Uh oh, and I've got the feeling the next Dark World Curse you got is Celri-themed, and I forgot to ask: is Emily also your Guardian Angel?

Lincoln: Yep. Now, let's head outside and hunt Carla down.

We headed outside to confront Carla St. Clarice.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair and pink headband, green eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a dark purple frilly short-sleeved shirt, necklace with pink gem for the pendant, purple skirt, black lace stockings, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, Frankenstein, phoenixes, and angels on the coattails and on the back is Castle Frankenstein and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the six girls.

Lincoln: (GASPS) Helena Augustine, The Frankenstein Queen of Colorado.

Helena Augustine: That's right, and I got the girls away from here before Celine and Emily's ex-sister tried to go after them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same dark blue hair as Celine Wendova, red eyes of hatred, and she was in an orange prison jumpsuit: it was Carla Wendova.

Celine Wendova: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES!

Emily Wendova: LET'S GET HER, BIG SIS!

Celine Wendova and Emily Wendova went at Carla Wendova, and they really began fighting each other, but Celine and Emily had the upper hand on Carla, and they were literally beating the shit out of Carla Wendova and Celine, Emily, and Carla were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA! CRACOW!

BLAM SMASH!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Celine Wendova and Emily Wendova: EAT BOOT, BITCH!

Then, Celine Wendova and Emily Wendova kicked Carla hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Carla was NTH-DEGREE MEGA PISSED OFF!

Then, Lincoln inserted the medal for Celri, Monk of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Carla Wendova, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Carla Wendova and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Monk of Dark World, and I also used the medal for Celri, Monk of Dark World to give the curse an extra boost, and it was meant only for Celine and Emily's evil sister.

Celine Wendova: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Carla's not getting out ever again. (To Helena Augustine) And it's so good to see you again, Helena.

Helena Augustine: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Helena.

Suddenly, Lincoln was pounced on by Helena Augustine as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Helena Augustine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Helena Augustine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Helena Augustine and he hugged her, and Helena Augustine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Augustine: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Helena Augustine, The Frankenstein Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful Frankenstein dark angel and queen of a massive group from Denver, Colorado. She's also feared for destroying a gang of criminals who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike Frankenstein, Helena was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength, superhuman intelligence, and mastery over lightning, along with the powers, abilities, and superhuman strength of Frankenstein, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first Frankenstein queen of her massive group, and she destroyed the crooks who made a deal with Sebastian and drove him back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Helena for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Lynn and Lola showed up and tried to kill us, but they were no match for us and we pulverized them and wedgied them by their panties on a tree branch in front of The Loud House, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Me: And she's both brains and brawn with an IQ of 900 and she's also a champion athlete

Nico: Whoa!

TLPS Mr. Wolf: No wonder Lynn and Lisa got their butts handed to them.

Lincoln: Even I was stunned, but that's what makes her the strongest and smartest of The Legendary Monster Monarchs, and now that you're here, Helena.

Lincoln went up to and hugged Helena Augustine in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Augustine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helena Augustine with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Augustine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Augustine, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Helena Augustine's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Helena Augustine had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Isa, Leila, Takamine Kyouka, and Kikyou from Prison Queen and Universe 666 Holli Would and Simulator Lonette from Cool World.

Lincoln: Oh wow, it's Isa, Leila, Takamine Kyouka, and Kikyou from Prison Queen and Universe 666 Holli Would, and Simulator Lonette from Cool World.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Isa: Yes, we're okay, thanks to you.

Isa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Leila: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Isa, Leila, Takamine Kyouka, Kikyou, Universe 666 Holli Would, and Simulator Lonette with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Celine Wendova's evil jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carla Wendova.

But, when Lincoln showed what Celine and Emily Wendova did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Monk of Dark World which sent Carla Wendova to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Helena Augustine have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Celine's evil younger sister escaped.

Lincoln: But, if she's escaped, this also means the other evil younger sisters of the Dark World Goth Girls are also planning the same thing.

Nico: Which means we've got to be ready for them.

Me: And we'll make them pay with a send-off to The Dark World Prison.

---

After we took down Carla Wendova and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Augustine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Helena Augustine: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Helena Augustine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Helena Augustine: I knew it was only a matter of time before he told

everyone that story.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was two males with crazy brown hair and dressed in red prison jumpsuits, and they were really out for blood.

Ed Cowart: Oh shit, that's James and Henry Allen! They're the last two of the five criminals that RD Sebastian busted out of prison!

RD Me: Should've known those bastards would be next, and you guys aren't going to like them one bit. James and Henry Allen are well-known and super dangerous criminal brothers, the brothers are wanted for tons of violent crimes and destruction of property, they're two prime Grade A monstrous assholes even worse than the dark sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, and Chase Young.

Nico: Jeez, those assholes are bad news!

RD Lincoln: And they're among those who've helped that monstrous demon in causing destruction to our home. We had them captured and sent to separate maximum security prisons for the rest of his lives, but Sebastian escaped and vowed revenge on us.

Lincoln: We better take care of James and Henry Allen at once.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts at James and Henry Allen, and he went ballistic when he saw us along with The Royal Defenders.

Ed Cowart: I should've known you and Henry show up here, James. I caught the stench of your B.O. from a mile away, along with the smell of blood from that monster, Sebastian!

James Allen: SHUT THE FUCK UP! I'M GOING TO ENJOY TEARING YOUR THROAT OUT FOR THROWING US IN PRISON, ASSHOLE!

Henry Allen: WE'LL TEAR YOU ALL APART!

Nico: Ain't happening, you loudmouth assholes!

?: I'm gonna rip that asshole to shreds!

Suddenly, we saw a very beautiful and super sexy girl with long pink hair in the same style as Marinette, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a green shirt, necklace with green gem for the pendant, orange skirt, orange knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, ladybugs, phoenixes, and angels on the coattails and on the back are Megatron, Soundwave, Shockwave, Starscream, Thundercracker, Skywarp, Slipstream, Knock Out, barricade, Blackout, Shadow Striker, Blitzwing, Lugnut, Lockdown, Stinger, Laserbeak, Rumble, Frenzy, Ravage, Ratbat, and Buzzsaw and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Serena Dupain-Cheng, Fusion Gene-Slammer of Megatron, Soundwave, Shockwave, Starscream, Thundercracker, Skywarp, Slipstream, Knock Out, barricade, Blackout, Shadow Striker, Blitzwing, Lugnut, Lockdown, Stinger, Laserbeak, Rumble, Frenzy, Ravage, Ratbat, and Buzzsaw.

Marinette: Sis?!

Serena Dupain-Cheng: That's right, and it's so good to see you and Marinette again, Lincoln. But, we'll save the talk for later, we've got to get rid of these assholes.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he and Serena Dupain-Cheng went at James and Henry Allen and they viciously beat and slashed at James and Henry Allen. This made James and Henry Allen so mad, Henry Allen opened his big fat mouth.

Henry Allen: YOU MOTHERFUCKING ASSHOLES! YOU WON'T

BE LAUGHING FOR MUCH LONGER WHEN SEBASTIAN BRINGS BACK RITA REPULSA!

We gasped.

Nico: So, RD Sebastian has a plan set on bringing Rita Repulsa back from the dead, huh?

James Allen: HENRY, YOU IDIOTIC ASSHAT! YOU BLABBED!

?: YOU GODDAMN ROACHES!

Suddenly, we saw RD Sebastian appear, and he looked just like Sebastian, but he has the bramble vine tattoos wrapped around his arms and he was beyond pissed off.

RD Sebastian: YOU STUPID LOUDMOUTHED ASSHOLE ROACHES! YOU BLABBED OUT MY PLAN! DAMN YOU BOTH! I should've never busted you both out, now you've left me no other choice!

Suddenly, RD Sebastian summoned the last remaining armies of Flip's musclebound thugs and he made vacuum tubes fire out of James and Henry Allen's chest and they latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive armies of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into James and Henry Allen and their muscles suddenly began growing twelve times their size and they also grew up to 12'0" in height, and they now abnormally massive and powerful upper and lower body muscles with eight-pack abs and veins formed on their bodies, and they let out bellowing roars as they ripped the tops of their jumpsuits and Flip's last remaining armies of musclebound thugs were dead.

RD Sebastian: YOU BETTER KILL THEM AT ONCE! THE PLAN MUST NOT BE RUINED!

The newly muscled James and Henry Allen went charging at Lincoln, but he fired blasts of earth which hit them on the head and knocked them down. Then, Lincoln turned the tips of his tails into

Cell's Stingers, and he stabbed them into James Allen's chest, and then, Lincoln began absorbing James Allen into his body as he and all of the males on the team assimilated all of his massive muscle mass, virility, and physical strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of James Allen except for his tattered jumpsuit pants, and he banished James Allen to The Black Gates. Then, he stabbed the Cell Stingers into Henry Allen's chest, and then, Lincoln began absorbing Henry Allen into his body as he and all of the males on the team assimilated all of his massive muscle mass, virility, and physical strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Henry Allen except for his tattered jumpsuit pants, and he banished Henry Allen to The Black Gates, and THAT MADE RD SEBASTIAN INFINITE TIMES PISSED OFF AND HE BECAME SUPER NTH-DEGREE INFINITE-TIMES FUCKED UP INSANE!

RD Sebastian: (SUPER NTH-DEGREE INFINITE-TIMES FUCKED UP INSANE SCREAM OF PURE FUCKED-UP RAGE) NO! GODDAMN YOU ALL! FUCK YOU! THIS WILL NOT STOP ME NOR STOP THE RESURRECTION OF RITA REPULSA! YOU'RE ALL FUCKING DEAD! LORD ZEDD AND RITA REPULSA WILL HAVE HORRIBLE VENGEANCE UPON YOU ALL! (CACKLING LIKE A SUPER NTH-DEGREE FUCKED UP MADMAN)

Me: We'll see about that!

Then, he disappeared in a tornado of pure darkness and hellfire, and we headed home and continued our workouts.

Ed Cowart: Well, we finally got rid of those assholes, but now we find out RD Sebastian is planning on resurrecting Rita Repulsa, that shithead!

Me: That was all a rouse. I know it was. But thank goodness it's not going to happen from him.

Eli: Yeah I sense that RD Sebastian is up to something else.

Lincoln: But, we'll take down Rita Repulsa and Lord Zedd in November, RD Sebastian will face death on Halloween. And now that you're back, Serena.

Lincoln went up to Serena Dupain-Cheng and he hugged her, and Serena Dupain-Cheng is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serena Dupain-Cheng: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we. Everyone, this is Serena Dupain-Cheng, Fusion Gene-Slammer of Megatron, Soundwave, Shockwave, Starscream, Thundercracker, Skywarp, Slipstream, Knock Out, barricade, Blackout, Shadow Striker, Blitzwing, Lugnut, Lockdown, Stinger, Laserbeak, Rumble, Frenzy, Ravage, Ratbat, and Buzzsaw, she's Lincoln's Guardian Angel from France and classmate in English, and she's also the twin sister of Marinette Dupain-Cheng. She has pink hair in the same style as Marinette with green shirt and orange skirt. She and Lincoln would cook different recipes as well as try out different outfits and even cosplay. While they cosplaying with Serena as Ladybug and Lincoln as Cat Noir, Serena kissed Lincoln on the lips, as a result, Lincoln promised that when he comes of age, he will marry Serena along with the rest of his harem, and like her sister, she hates Lila Rossi with a blazing passion, the reason why is because that psychopathic murderous bitch once tried to humiliate Lincoln's family as revenge for stopping her when we took down Hawk Moth which Lincoln and Serena did not take kindly to, so they jumped Lila Rossi and beat the crap out of that monster bitch and threw her into a massive party with only her underwear which ultimately spell total humiliation for Lila Rossi.

Nico: Hey, I remember that incident all too well! I can't believe that bitch tried to humiliate Lincoln's family as revenge!

Lincoln: Yeah, but Serena and I didn't take kindly to it, so we beat her down bad and threw her into a massive party with only her underwear and she wound up getting humiliated big time and sent back to prison, and now that you're here, Serena.

Lincoln went up to and hugged Tori Nanakawa in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Serena Dupain-Cheng: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Dupain-Cheng with pink gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Serena Dupain-Cheng: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Serena Dupain-Cheng.

Serena Dupain-Cheng had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Serena Dupain-Cheng had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

We got a shower, and then, Lincoln, Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black swim briefs with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Ix Chel: Wow, so this is Wave Ocean. It sure is beautiful.

Lincoln: It sure is, Ix Chel, and it's perfect for our first date. Shall we?

Lincoln, Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel and they hugged the girls in their abnormally massive and powerful muscular arms and Chopscotch, Blackfire, TTG Blackfire, Simulator Princess Peach (The Super Mario Bros. Movie), Live Action Arcee, Black Rose, Ceresmon Medium, Simulator Junomon, Lana the Living Armor, Lara the Living Doll, Googie, and Sadie-Mae Scroggins placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel are in your harem, Linky.

Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady

Dimitrescu, Simulator Chel, Awilix, and Ix Chel showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Moppet Girl / Molly, Katie (PAW Patrol), Universe 666 Lady Dimitrescu, Simulator Chel, Awilix, and Ix Chel, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico: Sunny, I've been wondering something.

Sunny Starscout: What is it Nico?

Nico: How did you and your friends get your cutie marks?

Me: That's right we were never told your stories about how you got your cutie marks.

Eli: Twilight and her friends told us theirs so can you tell us yours?

Sunny Starscout: Sure. I'll tell you mine first.

Sunny's Flashback.

A few years ago before magic return and ponykind united, a Filly Sunny was setting up a lemonade stand.

Sunny Starscout: "Back when I was a little filly, I didn't have many friends. But, my dad always said…"

Her father was next to her and was drinking a lemonade as he gave his daughter a smile.

Argyle Starshine: "When life gives you lemons, make lemonade and sell it to raise money for the library."

Then ponies around are coming up to Filly Sunny's stand.

Sunny Starscout: "So I did! My lemonade was a hit!"

The ponies are buying smoothies as her lemonade cups are going by fast as Argyle smiled at his daughter proudly.

Sunny Starscout: "I sold almost every cup right away. But two ponies wanted the last one."

Filly Sunny was down to the last up as the two ponies started arguing as Filly Sunny looked scared of what to do as her father saw his daughter's expression.

Sunny Starscout: "They started arguing, but then I stepped in to help."

Filly Sunny then grabbed another cup as she poured half ot the smoothie from one cup into the other and offered it to the two ponies with a smile.

Sunny Starscout: "They realized they were fighting for no reason!"

Argyle watched the two ponies go as he looked at his daughter proudly as Filly Sunny felt a sensation as she looked at her flank.

Sunny Starscout: "That's when my Cutie Mark appeared!"

She announced as Filly Sunny's Cutie Mark appeared on her flank.

Sunny Starscout: "My dad told me it's because I helped those ponies put aside their differences."

Filly Sunny looked at her father as Argyle looked proud as the two gave each other warm hugs.

Sunny Starscout: "He was so proud."

And then the next scene showed Filly Sunny walking on a stage with a flag of her Cutie Mark strapped on her as she smiled proudly while Argyle looked at his daughter with a proud heartfelt smile.

Sunny Starscout: "The spring, I got to drop the stage in our Cutie Blossom Bash."

She giggled at the memory.

Sunny Starscout: "Ah, it's one of my favorite memories."

End of Sunny's Flashback.

Twilight Sparkle: Wow! That is amazing that you did that Sunny.

Me: That is awesome!

Camie: Yeah!

Zipp Storm: "Me next! My story-"

She was cut off when her sister came next to her.

Pipp Petals: "Well, technically our story."

Zipp Storm: "… starts back home in Z.H."

Zipp's Flashback.

Back when Zipp was a filly, Filly Zipp was doing some calculation with puppy Cloudpuff next to her as she look at the statue of the Pegasi wing formations.

Zipp Storm: "Before we had magic, I was always crunching numbers trying to figure out exactly how Pegasi could fly again. But one day, I had this epic breakthrough moment!"

Filly Zipp had a thought before she smiled widely and started climbing onto the statues.

Zipp Storm: "I could tell that I was so close to flying. It felt amazing. And sure it was scare, but no other Pegasus had tried it before me."

Filly Zipp made it to the top of the statue as she took a breath and she did some stunts as she hopped around the pillars before she jumped and flipped in the air as she landed on the head of the statue again as she started gliding and did a loop as the crowd watching started cheering and exclaiming in awe as Filly Zipp landed on her hooves as the crowd cheered her own as she felt a sensation coming as she looked at her flank as her Cutie Mark appeared.

End of Zipp's Flashback.

Zipp Storm: "It was awesome! That's the day I got this lil' wonder-bolt!"

She looked at her Cutie Mark pridefully.

Sunset gave a chuckle.

Sunset Shimmer: "Heh, not surprising since you have a nack for stunts and flying, Zipp."

Twilight Sparkle: "Not to mention Rainbow had done something similar with a stunt when she got hers.

Rainbow Dash: You and I have so much in common Zipp.

Me: That is for sure.

Piper: Who's next?

Me: Pipp next.

Pipp Petals: And don't leave out what happened next.

Pipp's Flashback.

After Filly Zipp was doing her stunt, Filly Pipp saw her sister doing the tricks as she looked in awed.

Pipp Petals: "Watching my sister soar, I'd never seen anything like it!"

Filly Pipp looked at her sister once she landed.

Pipp Petals: "She was so courageous! And that gave me the confidence to perform, for the first time, ever."

Filly Pipp then stomped her hoof as she started singing.

Filly Pipp: "-Make your mark. It's your spark. Your Cutie Maaark. Oooh yeeaaahh!-"

Filly Zipp then saw her sister as she looked in surprise.

Filly Zipp: "Pipp?"

Mare: "Pipp!"

Crowd: "Hurray!"

The whole crowd except for Filly Zipp cheered as the latter smiled at her sister.

Filly Pipp: "Hey, that's cute! I'm using it."

She felt a sensation on her flank as she looked at her flank as her Cutie Mark appeared as well.

A little bit later at the spring, the two sisters are on a stage with flags of their respective Cutie Marks strapped on them as they walked on stage while Queen Haven watched her daughters from above.

Queen Haven: "Oh yay!"

Haven cheered as tears of joy started forming in her eyes as she grabbed Puppy Cloudpuff and blew her nose on him in joy as the two sisters chuckled at each other.

End of Pipp's Flashback.

Zipp gave an amusing smile at her sister.

Zipp Storm: "Kinda stole the spotlight there, sis."

Pipp Petals: "It's not my fault! You were the one who was so inspired!"

Sunset gave a chuckle.

Sunset Shimmer: "Heh, it's rare for two ponies to get a Cutie Mark at the same time. Heh, sisters."

Twilight Sparkle: "It happened twice but this is still amazing to hear."

Me: It sure was!

Rarity: Pipp darling you and I have more in common than you know.

Me: That is too true.

Nico: Yep.

Eli: Hitch do you want to tell your story?

Hitch Trailblazer: Do I!

Sunset Shimmer: Somehow I have a feeling we know how he got it."

Sunset whispered to Misty as the two chuckled, having the same feeling as well.

Hitch's Flashback.

Foal Hitch was at the beach with Foal Sprout and a colt as they were playing beach ball with each other.

Hitch Trailblazer: "I was playing hoofball on the beach with some colts when this filly asked to join us."

The filly Clearly asking if she would join them to play, but Foal Sprout threw the ball to Foal Hitch as the two colts shook their heads.

Hitch Trailblazer: "But they wouldn't let her play! They just kept shouting… "No fillies allowed!"

Hitch intimated what Sprout just said as the two colts walked up to Foal Hitch as the filly teared up and ran off crying.

MAN SPROUT WAS SURE A NASTY JERK!

Foal Hitch gave the filly a sympathetic look as he gave a determined look.

Hitch Trailblazer: "So I did what any decent pony would do. I ditched the meanies and played with her!"

Foal Hitch abandoned Foal Sprout and the colt as he and the filly played together.

Hitch Trailblazer: "And then… I got my mark!"

Hitch cheered as Foal Hitch felt a sensation as he look as his flank as his Cutie Mark appeared.

Sometime later, Foal Hitch was on stage with flag of his mark strapped in as he did a pose and wink to the crowd.

Hitch Trailblazer: "Because the only peace of mind is to be kind."

Foal Sprout and their colt friend watched on as Foal Sprout looked away in jealous as the colt looked down in sadness.

End of Hitch's Flashback.

Sunset gave a chuckle.

Sunset Shimmer: "Yeah, we figure it would be something like that. You are always a kind and purehearted stallion, Hitch. So it make sense on how you got yours.

Hitch Trailblazer: "Yeah, I guess I always do.

Sunset Shimmer: "And Sprout was also a jerk even back then, not surprising.

Sprout Cloverleaf: I can't believe I was like that back then.

Me: I know. But Hitch you have so much in common with Fluttershy. She is kind and gentle and loves all her animal friends and you love all your critters and have a huge love for upholding the law.

Nico: That is too true.

Octane: You're right about that.

Izzy Moonbow: My turn! So it all begins back in Bridlewood, during the days of Yore, on the eves of the Translucent Moonstone Moon…"

Izzy's Flashback.

Izzy Moonbow: "Doodle-oodle-loodle-oodle-loo… Flashback!"

Filly Izzy was walking around Bridlewood as she she saw a bunch of junk pile up.

Izzy Moonbow: "There was this really sad-looking junk pile in the middle of our forest that just kept growing and growing. But I didn't see it as 'junk'. I saw the stuff that just needed some love!"

Filly Izzy looked at the jump while having some idea.

A little bit later, Filly Izzy is putting together with a teapot statue.

Izzy Moonbow: "I remade everything into a big teapot statue!"

The teapot statue started flowing as the crowd saw it in interest.

Izzy Moonbow: "Then, everypony saw that maybe they'd judge the junk a little too harshly."

Filly Izzy: "Hey, thanks! I'm just a Unicorn that loves recycling! Uni… cycling. Unicycling!"

Izzy Moonbow: "And then, bam!"

Filly Izzy look at her flank as she felt a sensation as she saw her Cutie Mark appeared.

Izzy Moonbow: "I got my mark!"

Filly Izzy is now on stage with a flag strap on her back as she giggled.

Izzy Moonbow: "Yay!"

End of Izzy's Flashback.

Me: Wow! That was cool! It's true what they say. One man's trash is another man's treasure.

Nico: That is true.

Misty Brightdawn: "Wow, great stories!"

Nico: Yeah!

Maria: They were really enjoyable.

Me: Yep. Wait Misty how did you get your cutie mark?

Misty Brightdawn: Well that's something I don't like to talk about but you have a right to know.

Me: Was it before we went into war with Opaline?

Misty Brightdawn: Yes.

She went over what happened.

In "Missing the Mark", Misty finally caught her hooves on Sparky and begins taking him to Opaline's Dark Castle. While at the castle, Misty starts to have regrets on her task, due to seeing Sparky's cuteness. She then decides to return him back to the Main Five, only for Opaline to intrude and witness Sparky on Misty's back. Opaline takes Sparky up to her lair, where she uses the dragon stone to absorb Sparky's dragon fire magic. Misty begins to see that once the Dragon Stone is finished draining Sparky of his power, Opaline's bubble would drop him into an abyss. Fearful for Sparky's life, Misty heads over to the Crystal Brighthouse to warn the Main Five about Opaline and what'll happen to Sparky. Within the Marestream, they head over to Opaline's Dark Castle, but before they could save Sparky, Opaline traps the Main Five within a forcefield and revealing, to their surprise, that Misty was working with Opaline the whole entire time. Feeling regretful for what happened, Misty tries to apologize, but none of her 'friends' want to hear it. All the while, Sparky was almost drained of his power completely, seeing that Opaline will drop him into the abyss and with her having no remorse for her action, Misty chose to forget about getting a cutie mark and help break her new friends out and save Sparky. This results in her getting her actual cutie mark, with a matching butterfly in a similar pattern to the one she usually draws on her flank. Hatching out a plan, she pretends to be trapped by the Main Five, while Hitch and Zipp save Sparky and Sunny distracts Opaline by using her temporal Alicorn ability. Misty believes in her new friends, which strengthens Sunny's Temporal Alicorn ability and overpowers Opaline, encasing her in a bubble. As the Main Five leave with Sparky, Misty helps an enraged Opaline to clean up the foyer. Secretly, she sneaks off back to the Crystal Brighthouse to apologize for her actions and vows to aid them in defeating Opaline once and for all.

---

When she was done we were shocked!

Me: WHOA!

Sunset Shimmer: You and I have so much in common than we let on Misty.

Starlight Glimmer: Yeah. Me, you and Sunset all redeemed ourselves.

Nico: Boy no kidding!

Poromon: I know!

Me: That is amazing! And we really made the right call making you our double agent. But the important thing is that you redeemed yourself.

Trixie Lulamoon: That's right and I wasn't always a nice girl myself.

Me: Yeah lots of our friends in Equestria and in our world have not been nice people.

Misty Brightdawn: I remember but I'm glad that I am free from Opaline and back with my dad.

Me: So are we. And we destroyed the last of Equestria's MAJOR enemies. It was the ultimate enemy that started it all.

Xenia: Yeah.

?: Boy that was awesome!

A girl came and she had black hair and purple eyes and had black bat wings and black clothes and had vampire fanged teeth and she had a tiara with the symbol of Shade Man on it.

Selma Shade: (Transylvanian Accent) Selma Shade, Embodiment of Shade Man.

Me: Whoa! Awesome to meet you.

Poromon: I know!

Me: That is amazing! And we really made the right call making you our double agent. But the important thing is that you redeemed yourself.

Trixie Lulamoon: That's right and I wasn't always a nice girl myself.

Me: Yeah lots of our friends in Equestria and in our world have not been nice people.

Misty Brightdawn: I remember but I'm glad that I am free from Opaline and back with my dad.

Me: So are we. And we destroyed the last of Equestria's MAJOR enemies. It was the ultimate enemy that started it all.

Xenia: Yeah.

?: Boy that was awesome!

A girl came and she had black hair and purple eyes and had black bat wings and black clothes and had vampire fanged teeth and she had a tiara with the symbol of Shade Man on it.

Selma Shade: (Transylvanian Accent) Selma Shade, Embodiment of Shade Man.

Me: Whoa! Awesome to meet you.

TD Gwen: Wow! Awesome to see you Selma!

Ingrid Third: Same here Selma.

Selma Shade: Been a while Gwen and Ingrid.

Sandstorm: How did you meet Gwen and Ingrid?

Selma Shade: I met Gwen when she was about to go over Niagara Falls and I saved her from that. It was at the end of Total Drama All Stars.

Nico: WHOA!

Me: I remember seeing that happen to her.

TD Gwen: She really saved my life and I'm grateful to her.

Courtney: She saved all of our lives from going into the sun in those fart filled balloons.

Nico: YUCK!

Owen: (LAUGHS) Sorry. (FARTS) (LAUGHS AGAIN)

Selma Shade: Yeah and I met Ingrid when she and Fillmore were solving the mystery of a vandalism spree in the city and we busted a thug that was doing it.

Me: Yikes. But that is cool.

Selma Shade: It sure is.

Nico: Would you like to join the team?

Selma Shade: I would be Scourge: Nico, who shines today?

Nico: Erica and Zixx.

Erica Haddock: All right!

Zixx: Yeah! This will be cool!

Courtney: This will be fun for you guys!

Lola: YEAH!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Sharknado, and it's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a Sharknado, and it's causing havoc.

We gasped.

Me: A SHARKNADO?! From the movie of the same name?! Somebody better get out some chainsaws!

Nico: Just what I was about to say.

I got out a massive array of chainsaws.

Qin: Why would you have a massive collection of chainsaws?!

Me: Just in case we have a mission in the movie Sharknado.

Nico: That's not only smart thinking, but way to be prepared. Alright, gang, let's go, we're heading to war against the Sharknado.

Lincoln: This is going to be one wild and crazy mission today.

Me: Boy we're going to have one helluva fish feast for dinner! And we'll give some of the sharks to the local fish market.

Isaribi: Good idea. I can use the money for this.

Xenia: Cool.

Suddenly, we heard a demonic roar in the distance.

Lincoln: (Smirks) And it looks like RD Sebastian's already losing it. We've finally killed Caleb Roman, Sarah Garcia, Michael Abbott, James Allen, and Henry Allen.

King Kai: (Telepathically) And I checked out Angel Grove and what that loudmouth said was indeed true, RD Sebastian is indeed planning the resurrection of Rita Repulsa. So, on November, you guys show her and Lord Zedd no mercy, and when Halloween comes, chop that madman's head off with a chainsaw and throw his headless body in a wood chipper!

Nico: Now, that's an awesome idea, I like it, and on Halloween, Lincoln's also going to kill all those other versions of him.

Me: I like it!

The previous group came.

Blizzard: Can me, Duskmon, Roquefort, Ssserpent, Demyx, Dark Laser, Roman Goodwin, Abomination, Scorcher, and Gizmo go with you guys?

Nico: Yes you sure can. And we got ourselves a huge emergency.

Duskmon: I know! A Sharknade! I saw those movies and they were brutal!

Xenia: Yeah!

Lola: We're going to have an amazing seafood buffet when this is done.

Xenia: Yeah.

Nico: But something about this is familiar.

Eli: What do you mean?

Nico: I've seen this before. But where?

Eli: Hmm.

Harley Quinn: Nico, which Gene-slammer do you think you'll meet next?

Nico: Wire Sponge next.

Me: Cool!

Qin: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow

fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Kronos from the manga/anime series Record of Ragnarok, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to Kronos from the manga/anime series Record of Ragnarok, and he's coming here to destroy us.

We gasped.

Me: Uh oh.

Nico: Not good.

Elena Rōzuenjeru: There's no way I'm letting Kronos get away with this, he's going to wind up absorbed by you after we take him down.

Lincoln: Right, Elena.

Nico: I hope you guys tear him apart. Alright, gang, let's go, we're heading out to destroy the Sharknado.

Lincoln: This is one freak of nature that we're going to destroy for good, and once we get done with destroying the Sharknado, you're next, Kronos.

Elena Rōzuenjeru: There's absolutely no way we're letting you run free any longer, Kronos. The Rose Angel of Death is coming for you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down The Sharknado, and once we got done with him, Lincoln and Elena Rōzuenjeru are going to destroy Kronos.

We were off.

---

We landed on the southern perimeter of the city.

Roquefort: Here we are!

Me: Better take defensive messures.

Xenia: Right!

I had the force field dome put up so we can face the Sharknado without the citizens getting hurt.

Camie: There.

Storm clouds came in.

Me: Storm coming in.

Nico: It's moving fast.

Barbossa: What are those landlubbers doing?

We saw some civilians ready to take pictures.

Me: Uh guys! LOOK!

We saw THE SHARKNADO! But it wasn't alone! There was a FIRE TORNADO, LIGHTNING TORNADO, METAL TORNADO, ATOMIC ENERGY TORNADO, an ICE TORNADO, an OIL TORNADO and a BOULDER TORNADO! And they had NUMEROUS KINDS OF SHARKS IN THEM!

Me: Holy fucking shit!

THERE WERE SHARKS SWIRLING IN THEM IN THE TENS OF BILLIONS!

Nico: HOLY SHIT! THAT'S A LOT OF SHARKS!

Me: And in tornadoes of different elements!? That is fucking crazy!

Like something out of a fucking nightmare!

Demyx: Folks! You need to get outta here!

The civilians ran into the city and were protected!

Then NUMEROUS SHARKS came at us!

Nico: HERE THEY COME!

Lincoln: RAINBOW CHAINSAW TIME!

He revved it up and Lincoln then slashed them all over and cut them up good!

SPLAT SPLAT SPLAT!

Nico: Get the Atomic Sharks into space! Now!

The Atomic Sharks came and Megan opened portals that lead into space and they detonated safely out there.

I slashed numerous sharks all over the place!

SLASH SLASH SLASH!

Me: YEAH!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted numerous sharks all over!

Lola and Lana fired waves of fire at the Ice Tornado and the Fire Tornado and the tornadoes disintegrated!

Me: YEAH!

Nico: Nice one!

Then Numerous sharks came onto the land and they roared as they were crawling to us!

Me: These sharks are amphibious too!? WHOA!

Energon Scorponok: Keep it up with the Rainbow Chainsaw!

Lincoln: With pleasure!

Me: This has to be the work of a terrible mad scientist!

Nico: Mad scientist? (GASPS IN REALIZATION) OH DEAR GOD! NOT HIM!

Qin: Uh oh!

Roman Goodwin: My Earthbound Immortal will handle these!

He summoned Uru and blasted the sharks all over!

Lola: Nico? Do you know something about this!

Lola fired waves of fire and blasted the sharks!

Nico: This is a scientist that REALLY HAS it out for me and if you thought Crocker was fucked up, this guy is 100,000 times worse than him!

Eli: Who is it?

Nico: His name is Semyon Revoninski and he was a mad scientist that I brought to justice 17 years ago and he was a scientist from the Cold War in Russia that was building the ultimate weapon of mass destruction. It was to make Shark Infested Tornadoes. After the Russian Federation cut his funding he vowed terrible revenge on the world and continued his project in secret and was going to use his project to wipe out the entire human race! I stopped him back then and locked him up in prison for numerous counts of murder. All his research and experiments were destroyed.

WE GASPED IN SHOCK!

Me: Semyon Revoninski?! I've heard of him!

Nico: You have?

Me: Yeah! He was responsible for everything you said and 3 years ago he busted out of prison!

Nico: And I think I know what he's up to! He's out for revenge on ME!

Grenade Man: Eat grenade, motherfuckers!

BANG BANG BANG BANG!

He fired 4 grenades and they went into 4 sharks and they exploded!

BOOM BOOM BOOM BOOM!

Billy: 15 Points! (LAUGHS)

Gizmo: This isn't a game you know!

Nico: Less talking more blasting and slashing!

Me: DESTRUCTO DISK!

I threw numerous Destructo Disk's and slashed NUMEROUS SHARKS INTO PIECES!

Nico: KIEN ZAN DISKS!

Nico used Frieza's Disks and threw them and slashed numerous sharks into a million pieces!

Blaster Tron: Locking on target!

He locked on.

Blaster Tron: Fire!

He fired laser blasts and blasted the sharks!

Me: Time for some serious chainsaw power! (SPINS MAGISWORD BRACELET!)

CHAINSAW MAGISWORD!

I flew and slashed NUMEROUS SHARKS INTO PIECES!

Nico: Take that!

Scorcher: BURN BABY BURN!

He fired numerous blasts of fire and blasted the sharks all over!

Xenia fired numerous arrows and blasted the sharks!

Rainbow Dash: Yep I will.

?: Cool!

A figure came and it was HEXCURIO from episode 16 of Season 2 of Dino Fury!

Over 65 million years ago, Hexcurio and the other Sporix Beasts were created on Rafkon by military leaders hoping to use them as weapons against an approaching evil. Aiyon believed they are dangerous and as he predicted, they eventually turned against their creators and desired to destroy all life in the universe. Though Zayto and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and thier dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs.

Dino Fury

When the other Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, Hexcurio is amongst the Sporix Beasts that escape.

Hexcurio's Sporix Cell is amongst those gathered by Occulo and is placed into the Sporix Machine although it still isn't enough to revive Santaura.

Hexcurio's Sporix is later able to be used alongside the other captured Sporix to revive Santaura.

Void Queen introduces Hexcurio to Mucus as her "new brother", much to the latter's joy. As she comments on his hat, the monster then gives her one of his charms, for which she wishes for a hat "as fantastic as his". Although the wish came true, the charm turns

Mucus into a human after Hexcurio cursed it when given a warning to the latter, much to the general's shock and horror as Void Queen assigns her a task to trick the Dino Fury Power Rangers.

Later on, Hexcurio approaches the Red, Pink, Blue, Green, Gold Rangers and Lani Akana when they confront Mucus (still in her human form) about the Pink Ranger's Wish Charm being faulty and not coming true. After Mucus teleports away in embarrassment and the Red Ranger tries to call in the Black Ranger but to no avail, Hexcurio removes the Rangers' charms and transforms them, turning the Green Ranger into a smaller version of the T-Rex Champion Zord, the Pink Ranger into a twelve-year-old and the Blue Ranger into a miniature action figure of himself. Right before the Gold Ranger could use the Light Key to reverse the spell, the Void Queen appears along with Void King to destroy the key with her beam and they teleported away. Back at the base, Hexcurio, Slyther and Mucus laugh at Wreakmate's defeat from Solon. Slyther then suggest that he takes on the Rangers, though Hexcurio says that he would like to come along, Void Queen told him he can't join due to him being "too important". Mucus (after realizing that after Hexcurio is defeated, she will revert back to normal), encourages Slyther to let the wish-granting monster help out, which the formal agrees.

Hexcurio and Slyther then cause havoc at a garage, for which the Red, Black, Green and Gold Ranger approaches the duo, after the Rangers (minus the Green Ranger due to her still being cursed) morph and Slyther summons an army of Hengemen. The Gold and Black Rangers do battle against Hexcurio and easily overpower the monster, though the Beast did try to stall the Black Ranger by warning him of the outcome after his defeat. The Black Ranger transforms into Dino Master Mode and unleashes the Stego Master Strike to deal high damage, but Hexcurio then grows into giant size, for which the Rangers then summons the T-Rex Champion Zord, Tricera Blade Zord, Ankylo Hammer Zord, Tiger Claw Zord and Stego Spike Zord to form the Dino Fury Megazord Warrior Spike Formation and summons the Mosa Razor Zord which transforms into the Mosa Razor Zord Battle mode to fight the monster. Their combined power was able to overwhelm Hexcurio with ease, and with the Twin Dino Slash, the beast was then defeated and reverted back to a Sporix Egg. Mucus (after transforming back to normal) was able to catch Hexcurio as it falls and teleports away.

Zayto: Hexcurio!

Hexcurio: Been a while rangers!

Me: I remember you! You were sent to trick the Dino Fury Rangers with those charms.

Hexcurio: That's right. Good memory.

Me: Yep.

Hexcurio: And J.D. you did great killing the Void Queen last year.

Me: That was awesome. We all did a great job back then.

William: You know, your scheme carried a hint on who Void Queen and Tarruck were.

Hexacurio: Really?

William: Amelia wished to see her parents. And you ended up bringing Tarrick and Void Queen

Maria: Yep.

Me: That turned out to be a blessing in disguise for her.

Qin: It sure did.

Me: Yep.

Maria: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!

Laney: Okay, I think it's high-time we put an end to this storm for good.

Suddenly, Laney's green eyes turned neon green and she was surrounded by a rainbow energy aura with stars, leaves, animals, fairies, rainbow fire, plants, phoenixes, and angels, she unholstered her massive Laney Loud's Almighty Gaia Fiery Mother Nature Jungle Plant Greatsword of Mother Nature Jungle Fiery Justice and Jungle Plant Love from her back, and as she approached The Sharknado, she left rainbow energy, stars, leaves, animals, fairies, rainbow fire, plants, phoenixes, and angels with every step.

Laney: We've seen a lot of natural disasters before, but a tornado that also has an army of sharks as well, now that really is crazy. But, be that as it may, there is no way any of us are letting this out of control weather menace get away any longer, this ends here and now.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LANEY WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT, AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE FAIRY, THE ANIMALS OF THE ANIMAL KINGDOM, PHOENIX, AND ANGEL! IT CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE FAIRY, THE ANIMALS OF THE ANIMAL KINGDOM, PHOENIX, AND ANGEL WENT BACK TO EARTH AND LANEY GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Laney was surrounded by a massive vortex of rainbow energy with stars, leaves, and rainbow fire surrounding the vortex, there are animals, fairies, plants, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at The Sharknado: the red eyes of eternal death.

EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HER AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Lincoln, The Loud Siblings, and The Loud Parents: INCREDIBLE!

The Sharknado sent another shark at the vortex to kill Laney, but blasts of rainbow fire, leaves, and plants were fired from the vortex, and they hit the shark and it got burned.

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LANEY! THEN, AS SOON AS THE VORTEX FADED, LANEY EMERGED FOREVER CHANGED!

They fired a massive barrage of chainsaws!

Lincoln: Take this!

Lincoln fired waves of water which transformed into sawblades at the remaining sharks and they slit their stomachs open and sent them flying into a wall that cracked and fell apart and they fell flat on their backs. Then, Lincoln swung his massive greatsword like crazy and shredded more sharks like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, Lincoln was literally covered in shark's blood and more tons of blood and guts were all over the place.

Nicole: Sheesh, you tore them apart, Lincoln!

Then, Lincoln forced all of the spilled shark blood to come to him and he began absorbing all of the spilled shark blood into his body and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, the place was literally clean and spotless except for the dead sharks all over the place. Laney holstered her massive greatsword on her back and powered down, and Laney's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve midnight brown and green orbs orbiting around her legs, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Nico: WHEW! Man, did we make a mess!

Laney: I know, right.

Lincoln: We're gonna be needing a huge bath when we get back. Now, there's one last thing to do and one last loose end to tie up: Kronos.

?: Soon, every last human being shall be wiped from the face of this miserable planet.

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of dark energy blasts that came from nowhere and hit the barrier, but it stood strong as the dark energy blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Kronos, or we will force you out.

A massive imposing and gigantic muscular figure came out, and it was none other than Kronos from the manga/anime series Record of Ragnarok. Suddenly, Sebastian summoned a massive collection of disembodied demonic hands to kill him, but Kronos destroyed them easily with his titanic strength.

Selene Arcangela: You know that wasn't going to work, Sebastian.

Elena Rōzuenjeru: Even summoning disembodied demonic hands wouldn't work. Just leave this one to the professionals. (Under her breath) Amateur.

Suddenly, Elena Rōzuenjeru's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, roses, rose petals, earth, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Kronos, she left black and red energy, stars, roses, rose petals, earth, phoenixes, and angels with every step.

Elena Rōzuenjeru: You've got some nerve coming here, Kronos. But, you've made a huge mistake when you came here, we're not going to let you have your way, and for that, I'm going to put you down for good and put you through something far worse than Hell!

Suddenly, Elena Rōzuenjeru was surrounded by a massive vortex of black and red energy with stars, earth, roses, and rose petals surrounding the vortex, there are monkeys, phoenixes, angels, and Rosaria, The Stately Fallen Angel flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Kronos: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: You got that right, this is gonna get ugly.

Then, as the vortex faded, Elena Rōzuenjeru emerged, but she was changed forever and the wrath of The Gene-Slammer of Rosaria, The Stately Fallen Angel is about to be unleashed on Kronos from the manga/anime series Record of Ragnarok.

Elena Rōzuenjeru grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large black and red orbs orbiting around her legs, she has the body of a goddess, she has black highlights in the bangs of her long rose red hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a black and red energy aura with stars, roses, rose petals, earth, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Rosaria, The Stately Fallen Angel emblazoned on her forehead and Third Eye with red iris, she has on angel earrings with red gems for eyes and holding the Star, Earth, and Eternity Kanjis in their hands, she also has Rosaria, The Stately Fallen Angel with yellow gems for eyes and holding the Star, Earth, and Eternity Kanjis in its hands for the second pendant on the bottom of her rose red angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rose red crystal links from her merged Crystal Necklace of the Buddha and rose red gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. ANGEL LOVE!

We were amazed by Elena Rōzuenjeru's Super Angel-Rosaria the Stately Fallen Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kronos saw it, he went mad with rage and ran at her to kill her, but Lincoln snapped his fingers and we were on Glaren and Elena Rōzuenjeru fired a massive barrage of black and red energy, stars, roses, rose petals, earth, phoenixes, and angels which hit Kronos and sent him crashing onto the ground, he got back up and he was now really enraged.

Selene Arcangela: Oh man, Elena Rōzuenjeru's transformed, this is gonna end badly for Kronos.

Lincoln: We've seen what she's done to Lola after that little incident at our garden, but what we're going to do to Kronos will make that little incident with Lola is gonna be much much worse than that.

You will pay for everything you've done, and you will be sent straight into Oblivion for eternity.

Elena Rōzuenjeru and Lincoln went after Kronos, and they fired extremely powerful blasts of rainbow energy, black and red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kronos, and they exploded with incredible power as they hit him.

Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Elena Rōzuenjeru also did the same by firing black and red energy slashes from her massive greatsword, and he and Elena Rōzuenjeru attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off Kronos badly.

Kronos: YOU! YOU! I WILL KILL YOU ALL!

Kronos went after Lincoln and Elena Rōzuenjeru in a fit of rage, but Lincoln and Elena Rōzuenjeru clashed with Kronos and it was really fierce and they pushed him back. Then, they fired rainbow and black and red energy blasts and Cosmos blasts at Kronos and Lincoln and Elena Rōzuenjeru summon fallen angels to attack Kronos and he was really scarred by their furious attack. Then, Lincoln and Elena Rōzuenjeru punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back, and the stomach blow was indeed a mortal blow.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the right side of Kronos's chest, and then, Lincoln began absorbing Kronos into his body as he and all of us assimilated all of his Combat Expertise, Enhanced Charisma, Supernatural Strength, Supernatural Speed, Supernatural Durability, Supernatural Agility, Supernatural Endurance, Supernatural reflexes, Supernatural Stamina, Supernatural Senses, Biological Immortality, Invulnerability, Space Survivability, and Time Manipulation and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Kronos except for his tunic and knee-guards, and he banished Kronos to The Black Gates. We cheered wildly for what Elena Rōzuenjeru and Lincoln did as they holstered their massive greatswords on their backs and powered down and Elena

Rōzuenjeru's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rose red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve black and red orbs orbiting around her legs, and massive two sets of black and red angel wings are permanent.

Elena Rōzuenjeru: Burn in Hell forever, you bastard. Thanks for helping me destroy Kronos for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Elena.

Suddenly, Elena Rōzuenjeru wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elena Rōzuenjeru's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Rosaria the Stately Fallen Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and earth and roses behind them and we cheered wildly. Then, Lincoln and Elena Rōzuenjeru sucked in and absorbed the elemental forces and darkness and roses and earth and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on Kronos.

Lincoln: He was just as dangerous as we'd seen.

Nico: He sure was, and in the end, you did it, you and Elena Rōzuenjeru defeated him and you absorbed him, Lincoln, and you and all of us assimilated all of his powers, strength, and abilities.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Relena

Sharimara.

Selene Arcangela: (GASPS) The Troll Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Relena Sharimara is Lincoln's Guardian Angel from Colorado and she's an extremely powerful troll dark angel and queen of a massive troll clan from Denver, Colorado. She's also feared for destroying a rival clan of trolls who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular trolls, Relena was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength, along with the powers, abilities, and superhuman strength of the trolls, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first troll queen of her massive group, and she destroyed the rival clan of trolls who made a deal with Sebastian and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Relena were out at Lake Huron on a moonlit night on a date to show his thanks to Helena for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lynn and Lola showed up and tried to kill them, but they were no match for them and they pulverized them and wedgied them by their panties on a tree branch in front of The Loud House, and after that, Lincoln and Relena shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of troll justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster

Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, Witches, and Frankenstein.

Abis Mal: A lot of sharks are dead now.

Octagon: As Boid would say, we blew them up real good!

Cargill: We should have them for dinner.

Krusty: I should make a new product with them.

Batroc: Some should go to the fish market.

Me: That's what we're going to do. Man we're a mess.

Nico: Just one last thing to do.

Nico then unsheathed his sword and stomped on Semyon.

Nico: You don't deserve to live for one more second!

Nico then channeled black gates energy into the sword and then stabbed him right in his heart and then banished him to the black gates!

Me: There!

Nico: Yep. Great job today everyone.

Applejack: (To the viewers) This was a really amazing one.

Nico: Yes it was.

We gathered up all the sharks and carcasses and took them to the fish market after cleaning them up and we got a lot of good money. Then we went back home and made a great meal. Later we enjoyed the rest of the day and went to sleep after a nice shower.

# TLPS VS SET

This chapter is based on the movie Gods of Egypt

---

At Fluttershy's cottage, Fluttershy was feeding her animal friends. She was feeding the birds and otters and checking on Angel Bunny who was eating a carrot.

Fluttershy: [spits] Not too fast now, Angel Bunny. You don't wanna get a tummy ache. [chuckles] You really should eat more than that, don't you think? It's not play time yet. (Angel was running) I know you want to run, but… just three more bites. Two more bites? One more bite? Pretty please? [sighs]

Angel: [coughs]

Fluttershy: Oh, goodness. Are you okay?

Angel: [coughs]

Fluttershy: Are you coughing because there's a carrot stuck in your throat?

Angel: [coughs]

Fluttershy: Because you need some water?

Angel: [coughs loudly]

SHE SAW A REALLY SCARY BLACK CLOUD OF SMOKE COMING FROM A MOUNTAIN! UH OH! THAT CAN'T BE GOOD!

Fluttershy: [gasp] Because of that giant cloud of scary black smoke? I'll take that as a… yes.

She went to get help.

[ponies conversing in the background]

Fluttershy went to get help.

Fluttershy: Help. Help! Please? Help? There's- there's a horrible cloud of smoke. It's headed this way and- [shrieks]

Rainbow Dash: Don't be such a scaredy-pony. It's just me, future Equestria ball-bouncing record holder. Three forty six, three forty seven…

Pinkie Pie: This calls for a celebration!

Fluttershy: Oh, no, Pinkie Pie, this is no time for celebration. This is a time for panic, for-

Pinkie Pie: Ooo! I'm going to need balloons! One for every pony in Ponyville!

Fluttershy: There's- there's smoke. And- and where there's smoke, there's fire. And-

Pinkie Pie: Let's see, that's one, two, three, four…

Rainbow Dash: Three hundred fifty four…

Pinkie Pie: Five, six…

Rainbow Dash: Three hundred fifty five, no, wait…

Pinkie Pie: Seven.

Rainbow Dash: Pinkie Pie! Now I have to start over.

Fluttershy: We're all going to have to start over, in a new village. 'Cause ours is gonna be-

Pinkie Pie: Hey, Rainbow Dash, wait up!

Fluttershy: Oh, please, this is an emergency. I-I need everypony to-

Twilight Sparkle: Listen up! Smoke is spreading over all of Equestria.

Ponies: What? Oh no! That's awful!

Fluttershy: That's what I've been trying to-

Twilight Sparkle: But don't worry, I've just received a letter from Princess Celestia informing me that it is not coming from a fire.

Fluttershy: Oh, thank goodness.

Twilight Sparkle: It's coming from a dragon.

Ponies: [gasp]

Fluttershy: A… d-dragon?

Twilight Sparkle: I'm gonna call the team in to help us.

Later at the estate was us and we were having breakfast and watching TV.

Then the purple alert alarm came on.

Me: Uh oh! The Purple Alert Alarm! Twilight needs us!

Nico: We better get over there! RESCUE TEAM LETS MOVE OUT!

Me: So a dragon is spewing smoke. That's not good.

Applejack: What in the name of all things cinnamon swirled is a full-grown dragon doing here in Equestria?

Twilight Sparkle: Sleeping.

Applejack, Rainbow Dash, Rarity, Fluttershy, and Pinkie Pie: Huh?

Twilight Sparkle: According to Princess Celestia, he's taking a nap. His snoring is what's causing all this smoke.

Pinkie Pie: He should really see a doctor. That doesn't sound healthy at all.

Me: No it's not. And Dragons from what I remember can sleep for a very long time.

Rainbow Dash: That's true.

Rarity: Well, at least he's not snoring fire. What are we meant to do about it?

Rainbow Dash: I'll tell you what we're meant to do: give him the boot! Take that. (Kicks a statue) And that!

[crash]

She crashed into a wall.

Twilight Sparkle: We need to encourage him to take a nap somewhere else.

Me: Easier said than done. When dragons get woken up from their naps they get really cranky.

Twilight Sparkle: Maybe so but Princess Celestia has given us this mission, and we must not fail. If we do, Equestria will be covered in smoke for the next one hundred years.

Fluttershy: [gasp]

Rarity: Hmph. Talk about getting your beauty sleep.

Lola: No kidding!

Me: Nobody wants to see that happen.

Twilight Sparkle: All right everypony, I need you to gather supplies quickly. We've got a long journey ahead of us. Let's meet back here in less than an hour.

Me: Roger that!

Rainbow Dash: Okay, everyone, you heard her. The fate of Equestria is in our hooves. Do we have what it takes?

Xenia: YEAH!

Me: You can count on us!

Applejack, Pinkie Pie, and Rarity: [affirmations]

Fluttershy: Um, actually…

Lincoln: (Comforts Fluttershy) It'll be all right Flutters.

Nico: Sunny Flare, I want to thank you, Universe 666 Lila Rossi, and your teams for coming

Sunny Flare: It's no problem Nico. It'll be so fun and cool.

Xenia: It sure will.

Twilight Sparkle: All right everyone, listen up. I'm mapping out the fastest route, but we've all got to keep a good pace if we expect to make it up the mountain by nightfall.

Fluttershy: M-m-mountain?

Twilight Sparkle: The dragon is in that cave at the very top.

I looked through my binoculars and saw smoke coming out of a cave on top of it.

Me: I see it. Boy this reminds me of the time we had to deal with a dragon that had REALLY NASTY gas.

Varie: That was during our time as the Brave 12.

Xenia: Wow.

Applejack: Looks pretty cold up there.

Rainbow Dash: You bet it is. The higher you go, the chillier it gets.

Rarity: Good thing I brought my scarf.

Pinkie Pie: Ooo! Pretty!

Rainbow Dash: [sarcastically] Heh, oh yeah. That'll keep you nice and cozy.

Me: We've been on Cold Mountains many times before and it was

awesome.

Nico: Midnight Sunny, what do you like to do in your free time?

Midnight Sunny Flare: I help train people at the Olympics training yards and get them into shape.

Me: That's a cool job.

Xenia: It sure is.

Nico: Who do you train?

Midnight Sunny: Everyone. They are learning really fast.

Xenia: Cool.

Lola: Yeah!

Me: (BURPS) Man that was a really awesome fish buffet we had.

Camie: (BURPS) Yeah I'm still full.

Nico: But seeing all those sharks rain down!? That was nuts! But at least I'm rid of Semyon forever.

Qin: Yeah.

Lincoln: It'll be okay Flutters. I'll be here with you.

Sunset Shimmer: Lincoln you are so kind to her.

Twilight Sparkle: Lets move out!

We were off to the mountain!

We arrived and then…

[dragon snore]

LOUD DRAGON SNORE!

Fluttershy: [gasp]

Me: SWEET FUCKSACKS! WHAT THE FUCK WAS THAT!?

Rainbow Dash: Whoa. What was that?

Twilight Sparkle: That is what it sounds like when a dragon snores.

Me: Geez and I thought my dad snores that loudly!

Fluttershy: It- it's so… high!

Rainbow Dash: Well, it is a mountain. I'm going to fly up there and check it out!

She was about to fly up when Applejack grabbed her tail.

Rainbow Dash: Wah!

Applejack: Hold on, now. I think we should all go up together. Safety in numbers and all.

Rainbow Dash: Oh, all right.

May: Honey, I realize that you and Semyon had bad history. But when we had to deal with Crocker, J.D. let us help him.

Nico: You're right. Sorry about that guys.

Me: It might have been a personal vendetta for Nico but it was still our fight too.

Nico: Indeed.

Rarity: I hear the only thing that sparkles more than a dragon's scales are the jewels they use to build their nests. Ooo, if I play my cards right, I might be able to convince him to part with a few!

Pinkie Pie: [imitating a dragon] Welcome to my cave, Rarity. Care for a diamond? [roar]

We laughed!

[laughter]

Twilight Sparkle: Girls! This is no laughing matter!

Me: Oh come on Twilight, Pinkie is just being silly.

Izzy Moonbow: Yeah she is like me after all.

Twilight Sparkle: True. Fluttershy, you're the expert on wild creatures. What do you think the dragon will be like? Fluttershy?

Fluttershy: I don't know.

LOUD DRAGON SNORING!

Fluttershy hugged Lincoln in fright!

Lincoln: It's okay Flutters.

Me: SWEET CHEESE WHEELS ON RYE BREAD! He really needs to see a doctor about that.

Maria: You know Horsea got eaten by a shark right?

Me: Yeah but she blasted her way out of it.

Xenia: That was awesome.

Nico: Horsea, I hope you're not traumatized.

Horsea: Nah. I'm okay.

Qin: Good.

Nico: That's a relief.

Camie: Good.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that Nocturne the Ghost of Sleep has returned and he's here in Equestria.

We gasped.

Me: Nocturne has returned?!

Nico: Oh man, it's been years since we took down Nocturne!

Laney: It sure has, but we're more than ready for Nocturne now.

Lincoln: You bet, we've evolved a lot since the last time we fought him, and we'll be sending him to The Masters of Evil.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready for Nocturne once again.

Me: Without a doubt.

Luan heard a Pokemon cry.

Luan: Hey look!

We saw a Mr. Mime!

Me: A Mr. Mime! Wow!

Nico: Awesome!

Mr. Mime: And I hurt my hand too.

Me: Oh you poor thing.

Luan: No need to lose your Hand over that! (LAUGHS) Get it? But seriously we'll heal you up.

We got to healing him.

Mr. Mime: Thank you.

Nico: Want to come with us?

Mr. Mime: Sure.

Nico: You're perfect for Luan.

Mr. Mime: Thanks.

Nico: You're welcome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more

stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Nocturne) AHA! Gotcha! I just spotted Nocturne, he's 20 yards away, and he's already causing havoc.

Nico: That just saved us the trouble. Let's get him!

Lincoln: We're ready for Round 2 against Nocturne. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Nocturne.

We arrived at the lair of the dragon!

Twilight Sparkle: We're here.

Fluttershy was shaking like a leaf.

We were pushing her.

Twilight Sparkle: Come on! [grunt] We have to do this! [grunt] Now! Every [grunts] second longer that dragon [grunts] sleeps is another [grunts] acre of Equestria that is covered in [grunts] smoke. Ooh!

Pinkie Pie: [laugh]

Fluttershy: I- I- I can't go in the cave.

Ponies: Ugh. [crash]

Me: How come?

Rainbow Dash: Oh, great. She's scared of caves now, too.

Fluttershy: I'm not scared of caves, I'm scared of [mumble].

Me: Huh?

Applejack: What's that, sugarcube?

Fluttershy: I'm scared of [mumble].

Twilight Sparkle: What?

Fluttershy: I'm scared of dragons!

LOUD DRAGON SNORING!

Fluttershy: [squeal]

[coughing]

We were coughing!

Me: Oh bad breath!

Twilight Sparkle: But Fluttershy. You have a wonderful talent dealing with all kinds of animals.

Fluttershy: Yes, because they're not dragons.

Rainbow Dash: Oh come on! We've seen you walk right up to a horrible manticore like it was nothing.

Fluttershy: Yes, because he wasn't a dragon.

Pinkie Pie: Spike is a dragon. You're not scared of him.

Xenia: Yeah.

Fluttershy: Yes, because he's not a huge, gigantic, terrifying, enormous, teeth-gnashing, sharp-scale having, horn-wearing, smoke-snoring, could eat a pony in one bite, totally all grown-up dragon!

LOUD DRAGON SNORING!

Fluttershy: [whimper]

Nico: But Fluttershy you ride our dragons all the time and you're not scared of them.

Lola: Yeah.

Fluttershy: That's because we have friendly dragons. This is a scary dragon.

Lincoln: But you're with us Fluttershy. We can help you.

Danny's ghost sense went off.

Me: Uh oh!

We saw NOCTURNE!

Me: There he is.

Me: Let's get him. KIBAL, LET'S HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I transformed into Wolf Moon! 🌙!

Lincoln: And I've got a surprise in store. I'M GOING GHOST!

Lincoln transformed into Lincoln Phantom.

Nico: Alright!

We then saw Sleepwalkers appear.

Danny Phantom: Sleepwalkers!

Just then, we saw Sleepwalkers heading for us. Lincoln blasted them and he absorbed their energy and they faded away.

Eli: What the?!

Me: It looks like your ghost powers have also evolved as well, Lincoln. Any ghost you hit with any of your ghost energy attacks and you wind up absorbing their energy and they fade away.

Lincoln: Awesome!

Nico: Ghost energy absorption attacks, that really is awesome. Now, let's find Nocturne.

Lincoln's Ghost Sense went off.

Lincoln: We don't have to look far, Nico. Here he comes.

Suddenly, we saw Nocturne heading right for us, and Lincoln created a massive indestructible Ectoranium-infused diamond barrier with green ghost fire and absorption energy surrounding it that protected all of us and Nocturne fired blasts of ghost energy at the barrier, but the ghost energy was absorbed and it flowed into all of us and it made us even stronger than ever.

Eli: Wow.

Nico: That was really awesome, Lincoln! Nice going.

Nocturne: So, you've learned some new tricks. But, it won't save you from me.

Qin: That arrogance of yours is about to be your downfall.

Lincoln: We defeated you once, Nocturne, we'll do so again.

Lincoln fired a massive diamond ball with green ghost fire surrounding it, and it hit Nocturne and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront Nocturne. Suddenly, we saw energy flowing from the dragon and into Nocturne and he'd suddenly grown stronger.

Eli: Hey, he's growing stronger.

Nico: The sleep energy produced by those affected by Nocturne's power winds up flowing into him and it causes him to grow stronger than ever.

Lincoln: In other words, that's basically parasitism of the dream kind.

Lincoln fired a green energy blast that destroyed the helmet on the dragon and cut off Nocturne's power supply.

Dahlia Dragon: Nice shot, and now, you've lost your source of power, which means you're not going to get out of this unscathed.

Qin: So he's Nocturne!

Me: Yep the Ghost of Sleep.

Natilee: I really must thank you Nocturne. If you hadn't put everyone into their sleep we wouldn't have been able to help them out in their dreams. Which were awesome by the way.

Nocturne: Shh. The dragon's sleeping. You don't want to wake him up, do you? Because if he joins in, he'll flatten you easily.

Me: And how do you expect him to do that? He's got one of your helmets on his head, dragon sized.

We saw a BIG RED DRAGON INSIDE THE CAVE and he was really out cold like a light and was sleeping on a pile of gold coins and jewels and he had a huge helmet on his head.

Nocturne: Good point.

Qin: That's a big helmet.

Nocturne: Do you know how hard it was to make a helmet that big?

Nico: I can only speculate.

Me: Same here.

Mr. Mime charged at him and fired a Psybeam blast at Nocturne and it hit him and blasted him down.

Nico: Danny, Lincoln get into the dragon and get that helmet off him! We'll hold him off!

Lincoln and Danny: Right!

They went intangible and flew into the dragon!

Nico: What IS he dreaming right now?

Nocturne:… Phantom and Lincoln are about to find out the hard way.

In the Dragon's dream Danny Phantom and Lincoln saw the Dragon being an awesome emperor of the dragons of Equestria.

Danny Phantom: Wow! The dragon sure knows out to lead his people!

Lincoln: He sure does.

Danny Phantom: Too bad it's only a dream.

They fired ecto rays and blasted the dragon and then he roared and then the helmet shattered and the dragon woke up!

Danny and Lincoln came back!

Razer: What happened?

Nico: You were put to sleep by him!

He pointed to Nocturne!

Danny: Sorry to foil your plans. Again!

Nocturne: And in the process, you pretty much destroyed the only thing keeping a giant dragon from killing us!

Me: He's only going to be after you Nocturne!

The dragon roared and fired a massive blast of fire from his mouth and it hit him and burned him all over!

Razer: Thank you guys for saving me from that ghost.

Me: We'll take care of him for you!

Lola: Yeah! Lets get him!

Penny got out the Diamond Sword of the Devil's Eye!

Penny: Taste diamonds! DIAMOND STYLE: DIAMOND SHARD FURY BARRAGE!

She swung the sword and fired NUMEROUS DIAMONDS at Nocturne and slashed him all over.

Me: The dreams you showed us have been amazing Nocturne! You showed me Danny and Sam dating and they fought the Fright Knight!

POW WHAM SMASH BLAM!

He was knocked down!

Me: And we saw Tucker filthy rich and what was a big insult was Danny being the janitor!

Tucker: Yeah that was not a smart move in my dream!

Nocturne: Hey it was YOUR dream!

Me: But it was still HURTFUL of Danny's pride!

Nico: YEAH! What kind of person makes them a janitor in their dreams.

Me: Even though it wasn't real it still hurt his feelings somewhat.

Eli: Uh excuse me guys but we have a battle to finish.

Danny: Oh right.

Morpheus got out the Blue Flame Sword of Ccapac Apu.

Morpheus: Take this! BLUE FLAME STYLE: CCAPAC APU FLAME STORM!

He fired a massive blast of blue fire and blasted Nocturne all over.

Me: Also Sam was having the same dream as Danny was.

Xenia: Wow.

Me: Yep and Jazz was an Yale University Professor which was cool.

Nico: Neat. Wait till you hear the story about the Loud kids.

Emerald Sustrai got out the Emerald Sword of Colombia Illusions.

Emerald Sustrai: This will make you green with envy! EMERALD STYLE: COLOMBIA EMERALD BOMB STORM!

She swung the sword and fired Colombian Emerald Bombs and they smashed hiim and exploded!

Natilee: You should have seen Lori's dream. It was awesome.

Lori's kids: Yeah!

Rhonda: Nobody makes fun of Lori's dreams and lives to literally tell about it!

Lori had tears in her eyes.

Lori: I'm literally so proud of my children. Lets go free the others first!

We were amazed by Dahlia Dragon's Super Angel-Dragon Dopant Embodiment-God-Phoenix-Harmony transformation, and when I saw Dahlia, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, but when Nocturne saw it, he ran at her to kill her, but Dahlia Dragon fired a massive barrage of green energy, stars, fire, water, ice, earth, light, darkness, acid, poison, dragons, phoenixes, and angels which hits Nocturne and sent him flying into another wall, he got back out, but now, he was enraged.

Dahlia Dragon: (Divine Echoing Godly Voice of The Elemental Firestorm Dragon Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Elemental Firestorm Dragon Dopant Embodiment Phoenix God Angel Love) We've absolutely had it up to hear with you, Nocturne. Now, face the consequences of your

crimes.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming back from the dead, Nocturne.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, either way, we're so going to enjoy kicking your butt once again.

Lincoln, Dahlia Dragon, and I went after Nocturne, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Nocturne, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive

greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Dahlia Dragon, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Nocturne even more insane and straight to the brink of insanity.

Nocturne: (ENRANGED ROAR)

Nocturne charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Lincoln fired waves of radiation at him and he got burned badly, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked Nocturne and he got badly hurt. Then, he fired red and blue wolf fire which hit Nocturne and he got burned bad.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to send you on your way.

Lincoln fired a massive green ecto-energy blast which hit Nocturne and Lincoln also assimilated his powers as well. Everyone cheered wildly as we holstered our weapons and powered down, and Dahlia Dragon's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green orbs orbiting around her legs, and massive green dragon wings are permanent.

Dahlia Dragon: Now, that was so awesome!

Lincoln: And Nocturne's now in The Masters of Evil.

Suddenly, I got jumped on by Dahlia Dragon, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

I recovered.

Nico: That was one awesome battle.

Lincoln: We took down Nocturne, and we really let him have it, and since RD Sebastian just struck Laney last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and

Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Me: Yeah.

Nico: Nocturne you put up a good fight.

Me: Just like before.

Qin: Yep.

Nico: Would you like to join the Masters of Evil?

Nocturne: I would be honored.

Xenia: Awesome!

Camie: Yeah!

Varie: Yeah this was cool.

Nico: And Zixx? You and Erica did good yesterday.

Zixx: Thanks Nico.

Erica: Yeah that was awesome.

Qin: That was fun!

Luan: Yeah it sure was!

Camie: Yep.

Poromon got out a beer bottle.

Poromon: Beer?

Mr. Mime: No thanks. Cream soda only for me.

Nico: Cool.

I pulled out a cooler and gave him a cream soda.

Mr. Mime: Thanks.

He opened it and drank it.

Mr. Mime: (LOUD BELCH)

Luan: Pardon you. But that's one way to belch it up! (LAUGHS)

WE LAUGHED!

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: All right.

Maria: Good thing you're not a real mime.

Mr. Mime: No way.

Me: Also Mr. Krabs hates mimes.

Lily: Yeah they scare him. And Plankton don't get any ideas on how to torture Mr. Krabs.

Plankton: What no! Those days are over for me.

Nico: Good.

Maria: And lets not forget Trent.

Trent: Yeah I'm terrified of mimes.

Me: I forgot about that.

Nico: Me too.

Me: Boy I did find out about Billy McLean's fear.

Nico: What's that?

Me: Leprechauns.

POW WHAM BIFF SMASH BLAM KROW!

Billy McLean: (OFFSCREEN) I HATE LEPRECHAUNS!

Fighting Leprechaun: (GIBBERISH)

Homer: That is the leprechaun that hates me!

Nico: Yeah he's in the M.O.E.

Bart: Hope you don't do anything to piss him off, Homer.

Homer: I know.

Juran: How exactly did he start hating you?

Homer: Don't ask.

Me: Ugly story.

Qin: Oh boy.

Me: Now we got the Anothers to face.

They merged and she reverted back and it was a girl with purple hair, blue eyes and purple angel wings burning with intense purple fire and she had purple clothes and had a tiara with the cutie mark of Opaline on it and the same symbol on her skirt and had Opaline's tail and she had a fire sword.

Odalia Opaline Arcana: Odalia Opaline Arcana - Embodiment, Gene-slammer and Legacy of Opaline and the Emissary of her destruction and Avenger of the Guardians of Harmony.

Nico: WHOA!

Me: Awesome to meet you Odalia. And I think I know the reason why you are the Avenger of them. You are going to kill Opaline because She killed Twilight Sparkle and friends in Sunny's World. Right?

Odalia Opaline Arcana: That's right! Opaline killed them all.

WE GASPED!

Me: You're a little too late for that. But now we can officially add Murder to her long list of crimes.

Nico: But we killed Opaline. You're welcome by the way.

Me: Yeah. Last year on the 20th of November.

Xenia: Long and epic battle.

Me: But I'll tell you what, we'll do a simulator battle where you can exact your revenge on Opaline.

Odalia Opaline Arcana: I would like that. And Twilight, I'm so happy that you and everyone were spared a terrible fate here in this world.

Twilight Sparkle: Me too Odalia and we are forever grateful that you are willing to uphold the legacy of me and my friends.

Odalia Opaline Arcana: Your legacy will always live on in my heart and forever in my watch.

Me: Wow! Odalia you are the polar opposite of Opaline. You have a strong light in you where as Opaline was pure evil incarnate.

Odalia Opaline Arcana: I sure do. And yes that's right.

Nico: Wow.

Me: By the way is the Another Universe 666 Lila Rossi friendly or hostile?

Odalia Opaline Arcana: Friendly and she is a really interesting and amazing one.

Nico: Wow.

Qin: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Maria: And now we wait.

Nico: Yep.

Me: We don't have to wait long!

We saw ANOTHER UNIVERSE 666 LILA ROSSI!

Another Universe 666 Lila Rossi: It sure will.

Me: (GASP) That voice!

She reverted back and it was a girl with blond hair and yellow eyes and had yellow clothes and she had red angel wings and had a tiara with the symbol for the Alchemy Dopant on it and she had the same symbol on her skirt and had a sword with the 4 elemental triangles of Alchemy on the blade.

Me: (GASP) Aria Alchemy! Wow!

Aria Alchemy: Awesome to see you again J.D.

Me: Same here. Aria is the embodiment of the Alchemy Dopant and she has all the powers of Alchemy and she can do it all with fire, water, earth and wind and even make useless scrap metal into gold.

Nico: Really?

Me: Yep.

I pulled out a bin full of spare nuts and bolts.

Me: Watch.

She fired a beam of yellow light and it hit the bolts and nuts and turned them all into a huge pile of gold bricks.

Nico: Very awesome.

Aria Alchemy: And also I'm as sly and cunning as a fox and use my powers to make evil bad guys writhe in agony.

Nico: Nice.

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear as well) Because we can grant it instead.

Kaito and Zocks got King OhGers swords.

Aria Alchemy: No he didn't because I used my wind powers and spun him around in a tornado and it made him so sick that he hurled all over the place.

Sakura Knudson: I remember that! There was vomit all over the place.

Nico: YUCK!

Me: Getting dizzy will do that to you but that was clever.

Aria Alchemy: Yep.

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear as well) Because we can grant it instead.

Kaito and Zocks got King OhGers swords.

Aria Alchemy: No he didn't because I used my wind powers and spun him around in a tornado and it made him so sick that he hurled all over the place.

Sakura Knudson: I remember that! There was vomit all over the place.

Nico: YUCK!

Me: Getting dizzy will do that to you but that was clever.

Aria Alchemy: Yep.

Sougo: (gets out King Ohger Ridewatch) You'd get along with Chemistro.

Geiz: (gets out King Ohger Ridewatch too) He uses an alchemy gun.

Sougo and Geiz both got KuwagataOhgerArmor

Aria Alchemy: That is too true. But I don't use a gun. It's fun though.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: Awesome!

Aria Alchemy: Time to show this lair bitch what for!

She fired a blast of fire and burned her all over!

Me: I've been wanting to do this to her! WOLF MOON STYLE: FLAMES OF THE JANUARY MOON!

I swung my scythe and fired waves of blue fire and it formed into a blue wolf pack and they mauled and burned her all over!

Nico: (gets out Universe 666 Lila Rossi'a Ridewatch) What does the Fox say?

Me: It says to PUT A SOCK IN IT YOU BIG FAT LIAR!

Nico: YEP!

May: (Gets out Kaufmo's Ridewatch) This is an abstracted nightmare!

Maria: (Gets out Balrog's ridewatch) I'm going to smash your ugly face in!

Midnight Sunny Flare: (Gets out Universe 666 Lich's Ridewatch) (ECHOING VOICE) Lila! Lila! Come! Aren't you cold Lila? Walk into the Well Lila!

They used the powers of Universe 666 Lila Rossi, Universe 666 Lich, Kaufmo, Bad End Sunny, Balrog and Lego Bleez.

Leon Powalsky, Denjiki 2, Evil Robin Food, Shadow (Super Mario RPG: Legend of the Seven Stars), Itsuki Kawasumi and Shado then came.

Me: Whoa!

Wire Sponge: (In a girls voice) This will be fun! (LAUGHS LIKE SPONGEBOB)

SpongeBob: Hey! She laughs just like me! (LAUGHS)

Nico: Winona Sponge!? Whoa!

Winona Sponge: (LAUGHS) Yep. I got this!

She then sucked in the another and then filtered out her skeleton and the Ridewwatch and I got it and purified it.

Me: Whoa! Like a true filter feeder.

Maria: Nice!

Winona Sponge: And I love good Krabby Patties too.

Lily: I'll gladly cook some for you soon.

Me: Lets revert you back first.

I put on my glasses but I put on Lisa's glasses.

Me: Oops Lisa I these are your spare glasses.

Lisa Loud: Silly me. Must've put them in your pocket. Much appreciated.

She took them.

I put on my blind my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Winona Sponge: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and it was BLOOD! And splattered blood all over May! YUCK! Then Winona reverted back and was a girl with blond hair and blue eyes and she had blue angel wings and had a symbol in the middle of her forehead and it looked like Sponge with wires on it.

She groaned.

Winona Sponge: (GROANS) That hurt. (GASP) Oh my god sorry May!

May: Blood came out of you?!

Winona Sponge: Sorry! Filter feeding makes me do that.

May: Oh.

Winona Sponge: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome yellow and brown clothes.

Winona Sponge: Awesome and a Spatula Sword is perfect for me!

SpongeBob: I use that too!

Winona Sponge: (LAUGHS) We sure do!

They laughed!

Me: Do you have a neighbor like Squidward too?

Winona Sponge: (LAUGHS) Yes. She's a Volt Kraken Gene-slammer. And my best friend is a Crown of Thorns Starfish Gene-slammer. All my friends are gene-slammers of animals like SpongeBob and friends.

Nico: Wow! The SpongeBob gang on Land.

Nico: Very coincidental.

Horsea: I can't wait to meet them!

Nico: Yep.

Midnight Sunny: Do you have any favorite memories of Nico?

Winona Sponge: I sure do. When me and Nico made TONS of burgers for everyone while dancing to Tiny Tim's Living in The Sunlight, Lovin In The Moonlight.

Qin: (LAUGHS) That is awesome!

Nico: It sure was.

Xenia: Yep.

Nico and Winona hugged.

Nico: I've missed you.

Winona Sponge: Same here.

We later went back home.

Lincoln told everyone who hadn't joined before that Connie's younger sister, Emily, got murdered by that Total Drama sore loser asswipe, Scott, and they were pissed.

Nico: Wow. Connie, your family home here is really amazing.

Connie Jackelstein: It sure is, and just like Clara, we're also rich.

Qin: Wow.

Me: It's beautifuk Mrs. Jackelstein.

Mr. Jackelstein: We're glad you all came, especially you and Lincoln, Connie. We've got some bad news.

Eli: What's wrong?

Emily Jackelstein: We've got bad news: Connie, Carly's broken out of prison.

We gasped, including Lincoln and Connie Jackelstein.

Lincoln: What?! Yours and Connie's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carly Jackelstein?!

Connie Jackelstein: Carly's broken out of prison?! That bitch!

Nico: Whoa, I'm sensing some really bad blood!

Selene Arcangela: You have no idea.

Qin: And she's like the other siblings of the other Dark World Goth Girls: really horrible, mega jealousy-crazed, envy-driven, psychopathic, and monstrous.

Connie Jackelstein: You don't know the half of it. Emily and I never got along well with Carly, she always hated us ever since the day she was born, and as we were growing up, she always tried to make us look like really horrible people in front of everyone, but I always foiled her at every turn. But, despite all the repeated warnings from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for us escalated even more and she'd escalated her violence towards me into trying to kill me and Emily many times in the past. But, I always foiled her stupid murder plots as well and I kicked her ass hard as well.

Lincoln: Yep, but years ago, we foiled her biggest murder plot: she tried to kill Connie again along with me by hiring local criminals to do it. We killed them and after I found Carly's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Carly went way too far and she wound up getting sent to prison, and she swore to get revenge on Connie for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Connie.

Emily Jackelstein: And there's something I need to tell you all. Connie, do you remember the night of when I was murdered?

Connie Jackelstein: Yes?

Emily Jackelstein: Well, it turns out Scott wasn't the only one who was there that night.

Lincoln put his hand on Emily's head and her eyes glowed and formed a projection, and we then saw the night of Emily's murder: Scott was the one who murdered Emily, but then, we saw another one at the scene, and once Lincoln zoomed in, we saw the second person there: it was Carly Jackelstein and she was cackling and laughing derangedly as she continued plunging the knife into Emily's body. The projection ended and we were all pissed including Lincoln, Connie, and her parents.

Lincoln: I can't… believe it! So, Carly was also responsible for…?!

Connie Jackelstein: When I find that bitch, I'm gonna tear her limb from limb for this! She also had Emily's blood on her hands as well?! That heartless slut!

Lincoln: I hope you pummel her into a pulp for this and break her bones before I send her straight to The Dark World Prison.

Lincoln got out the Medal for Cobal, Excavator of Dark World.

Me: Uh oh, and I've got the feeling the next Dark World Curse you got is Cobal-themed.

Lincoln: Yep. Now, let's head outside and hunt Carly down.

Suddenly, we saw a very beautiful and super sexy girl with long mint green hair and green headband, green eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a light blue green frilly short-sleeved shirt, necklace with green gem for the pendant, sea foam green skirt, black lace stockings, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, trolls, phoenixes, and angels on the coattails and on the back is a Troll sigil and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the three girls.

Lincoln: (GASPS) Relena Sharimara, Troll Queen of Colorado.

Relena Sharimara: That's right, and I got the girls away from here before Connie and Emily's ex-sister tried to go after them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same dark blue hair as Connie Jackelstein, red eyes of hatred, and she was in an orange prison jumpsuit: it was Carly Jackelstein.

Connie Jackelstein: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES! ESPECIALLY FOR WHAT YOU AND THAT PIT-STAINED SMELLY ASSWIPE DID IN MURDERING EMILY ALL THOSE YEARS AGO!

Emily Jackelstein: LET'S GET HER, BIG SIS!

Connie Jackelstein and Emily Jackelstein went at Carly Jackelstein, and they really began fighting each other, but Connie and Emily had the upper hand on Carly, and they were literally beating the shit out of Carly Jackelstein and Connie, Emily, and Carly were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! SEAL BARKS! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Connie Jackelstein and Emily Jackelstein: EAT BOOT, BITCH!

Then, Connie Jackelstein and Emily Jackelstein kicked Carly Jackelstein hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Carly Jackelstein was NTH-DEGREE MEGA PISSED OFF!

Then, Lincoln inserted the medal for Cobal, Excavator of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE

SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Carly Jackelstein, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Carly Jackelstein and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Excavator of Dark World, and I also used the medal for Cobal, Excavator of Dark World to give the curse an extra boost, and it was meant only for Connie and Emily's evil sister.

Connie Jackelstein: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Carly's not getting out ever again. (To Relena Sharimara) And it's so good to see you again, Relena.

Relena Sharimara: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Relena.

Suddenly, Lincoln was pounced on by Relena Sharimara as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Relena Sharimara was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Relena Sharimara: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Relena Sharimara and he hugged her, and Relena Sharimara is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Relena Sharimara: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Relena Sharimara, Troll Queen of Colorado, she's Lincoln's Guardian Angel from Colorado and she's an extremely powerful troll dark angel and queen of a massive troll clan from Denver, Colorado. She's also feared for destroying a rival clan of trolls who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular trolls, Relena was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength, along with the powers, abilities, and superhuman strength of the trolls, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first troll queen of her massive group, and she destroyed the rival clan of trolls who made a deal with Sebastian and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Relena were out at Lake Huron on a moonlit night on a date to show his thanks to Helena for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lynn and Lola showed up and tried to kill them, but they were no match for them and they pulverized them and wedgied them by their panties on a tree branch in front of The Loud House, and after that, Lincoln and Relena shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: Whoa!

Lincoln: Yep, and like Rosa Marrow, you get her mad, she will tear you apart limb from limb and leave nothing left, and now that you're here, Relena.

Lincoln went up to and hugged Relena Sharimara in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Relena Sharimara: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Relena Sharimara with mint green gems on the gold lightning bolts and mint green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her

neck.

Relena Sharimara: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Relena Sharimara, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Relena Sharimara's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Relena Sharimara had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the three girls, and when Lincoln saw them, he immediately recognized them. The three girls are Alyssa, Giriko, and Luna from The Family Circumstances of the Mismatched Witches.

Lincoln: Oh wow, it's Alyssa, Giriko, and Luna from The Family Circumstances of the Mismatched Witches.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Alyssa: Yes, we're okay, thanks to you.

Then, when Alyssa and the other two girls saw who it was that saved them from Connie and Emily Jackalstein's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carly Jackelstein, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True

Alyssa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper

and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alyssa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alyssa, Giriko, and Luna with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Connie Jackelstein's evil jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carly Jackelstein.

But, when Lincoln showed what Connie and Emily Jackelstein did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Excavator of Dark World which sent Carly Jackelstein to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Relena Sharimara have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Connie's evil younger sister escaped.

Lincoln: And from what we found out from Emily, she was also a conspirator with Scott in killing Emily that night, and we both tore her apart for that.

Nico: Honestly, I would've wanted you guys to send her to The Black Gates.

Me: But, Lincoln made the right move sending her to The Dark World Prison.

Lincoln: I sure did, and she's in for far worse torment there, and once she dies, she's going to get sent right to The Black Gates, along with Carla Wendova and Claire St. Clarice, and the rest of the monstrous jealous sisters of the other Dark World Goth Girls.

---

After we took down Carly Jackelstein and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Relena Sharimara saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Relena Sharimara: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of

hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Relena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Relena Sharimara: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Relena Sharimara: I knew it was only a matter of time before he told everyone that story.

Suddenly, a blinding flash of light descended on the city and The World Tree Estate, and the World Tree Estate activated a shield that blocked the blinding light and protected us. Then, the flash of light faded and the shield dropped.

Nico: We hadn't that happen in a long while.

Then, Lincoln checked the computer, and he saw what world had merged with ours: it was Mekkan, the world of the web comic Twokinds.

Lincoln: Whoa, so the world that just merged with ours is Mekkan, the world of the web comics, Twokinds. We got to head there at once, if RD Sebastian's causing trouble, we'll drive him out.

Me: Good idea.

We headed out there at once, and there we were met by Flora, Keith Keiser, Natani, Trace Legacy, Karen Taverndatter, Maren Taverndatter, Raine Silverlock, Red, Sythe, and Zen.

Trace Legacy: You're… Team Loud Phoenix Storm?

Lincoln: That's right.

Keith Keiser: This is quite an honor, but we've got some news.

Flora: The bad news is some vile person is causing havoc here, and he's burning the lands.

Everyone: (GASPS) RD SEBASTIAN!

Nico: That madman!

Me: Let's drive him out of Mekkan at once.

Natani: He's gonna regret this.

Lincoln: That he will, and we're going to fix that spell that Clovis put on you, Natani, the one that made you go from female to male for his guild.

Zen: You found that out that quickly?

Me: We're no strangers to magic, Zen.

We headed out and there we saw RD Sebastian killing and murdering soldiers, and when he saw us, he was outright pissed.

Me: You've got some nerve coming here, RD Sebastian!

Lincoln: Shouldn't you be cowering at Angel Grove waiting for death to come for you?

RD Sebastian: DIE!

RD Sebastian ran at us, but he was hit by a blast of red energy and it hurt him bad.

Then, we saw a motorcycle fast approaching and rammed into RD Sebastian sending him flying into a tree.

Lincoln: Whoa! That was some awesome motorcycle action.

Then, the figure parked his motorcycle and took off his helmet, and we saw who it was that did that to RD Sebastian: it was a male who was tall at 7'9" in height, he had long brown hair going down to his neck and tied in a low ponytail, he had massive and powerful upper and lower body muscles and eight-pack abs, sapphire blue eyes, he was dressed in a white shirt with a red brooch jewel brooch, long white long-sleeved jacket with silver embroideries in the shape of arrows pointing left and right and red buttons, black gloves with silver-plated claws on the fingers, long black pants with red flames on the legs, black knee-high boots, and long long-sleeved white coat with red embroideries on the long sleeves and red fur cuffs and red fur lining on the coattails and red wolf draped around his neck for the collar.

In his right hand is a Mage's Staff called Zackary Nightingale's Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Mage's Staff of Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Justice, a Mage's Staff measuring at 8'7" in length with a massive red orb mounted on top of four large silver raven heads with red gems for eyes and below them is a large red gem surrounded by a silver ring with small chain made of three red gems and raven for the pendant and silver dragon coiled around one end of the long midnight black handle and on the other end of the long midnight black handle is another silver dragon coiled around with a white wolf head with its wings spread out and red heart and on the bottom of the wolf head are four smaller silver raven heads with red gems for the eyes and on top of a large silver ring and on the bottom of the raven heads is a large midnight black crescent moon weight with red gem on it and levitating large red magic orb with silver designs on it.

Valencia Nightingale: Brother?

Eli: You know him, Valencia?

Valencia Nightingale: Yes, I do. That's my older brother, Zackary Nightingale. Like Mathias Ravenclaw, he's a very powerful wizard and an extremely powerful master of all forms of magic of light and dark, Light Magic and Dark Magic spells, The Light Arts, and The Dark Arts, along with a master of defense against the Dark Magic Arts.

Me: Is he like you in defending Acme Acres?

Valencia Nightingale: Actually, this guy is known as a lone wolf, and he's beaten up tons of thugs and criminals in many crime infested cities, and between you and me, he's a total hard-ass and shows no mercy whatsoever.

Zackary Nightingale: I heard that, Valencia. But, let's save the chit-chat for later, we need to send that asshole flying.

?: But, not before he gets a total asskicking!

Suddenly, we saw a very beautiful and super sexy girl with long purple hair, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a red shirt, necklace with blue gem for the pendant, blue skirt, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, spiders, phoenixes, and angels on the coattails and on the back are Apelinq, Rattrap, Dinobot, Tigatron, Depth Charge, Tigerhawk, Piranha Plant, Koopa Troopa, Goomba, Boo, Shy Guy, Dry Bones, Bob-omb, Blooper, Lakitu, Spike, Wiggler, Cheep Cheep, Chain Chomp, Hammer Bro, and Whomp and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Elena Parker, Fusion-Gene-Slammer of Apelinq, Rattrap, Dinobot, Tigatron, Depth Charge, Tigerhawk, Piranha Plant, Koopa Troopa, Goomba, Boo, Shy Guy, Dry Bones, Bob-omb, Blooper, Lakitu, Spike, Wiggler, Cheep Cheep, Chain Chomp, Hammer Bro, and Whomp.

Peni Parker: Sis?!

Elena Parker: That's right, and it's so good to see you and Peni again, Lincoln. But, we'll save the talk for later, let's get this guy.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he and Peni Parker went at RD Sebastian and they viciously beat and slashed at him. Then, they webbed him up in gold and red spider silk and Lincoln lifted him up and tossed him into the air, and he had his eleven massive and long white wolf tails out like baseball bats, and then…

CRACK!

Lincoln sent RD Sebastian flying right back to his hideout in Angel Grove.

Me: And he is outta here!

Nico: See you on Halloween, shit head!

Lincoln: That'll teach him. Now, to take care of Clovis' spell on Natani.

Lincoln chanted an incantation and fired a beam of light which enveloped Natani, and the spell that was put on her was broken and she was now back to being a female.

Natani: It… it worked. But, how? This takes very powerful magic to do that.

Lincoln: We're all experts on magic and we know very powerful magic that far exceeds the villains who use magic. But, what about Clovis?

Zen: About him, Lincoln, don't worry. Zackary roughed him and his gang up, and he even turned them into the authorities.

Valencia Nightingale: Oh God. Knowing the kind of damage he's capable of inflicting, I can guess that it was ugly.

We welcomed Flora, Keith Keiser, Natani, Trace Legacy, Karen Taverndatter, Maren Taverndatter, Raine Silverlock, Red, Sythe, Zen, and Zackary Nightingale into the team and we headed home and continued our workouts.

Ed Cowart: That'll take care of that shithead for now, and it won't be long until he meets his end on Halloween.

Lincoln: You said it, and now that you're back, Elena.

Lincoln went up to Elena Parker and he hugged her, and Elena Parker is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elena Parker: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we. Everyone, this is Elena Parker, Fusion-Gene-Slammer of Apelinq, Rattrap, Dinobot, Tigatron, Depth Charge, Tigerhawk, Piranha Plant, Koopa Troopa, Goomba, Boo, Shy Guy, Dry Bones, Bob-omb, Blooper, Lakitu, Spike, Wiggler, Cheep Cheep, Chain Chomp, Hammer Bro, and Whomp, she's Lincoln's Guardian Angel from New York but and she's also Peni Parker's sister. She has purple hair with red shirt and blue skirt. She and Lincoln made replicas of spiders all over the world using wax and paint, and Lincoln made Elena a spider-themed necklace. To show thanks, she kissed Lincoln on the lips, and she hates Bubble Bass with a blazing passion, the reason why is because he tried to smash the spiders Lincoln and Elena made which they did not take kindly to so they beat the crap out of bubble bass and wedgied onto a flagpole in only his underwear.

Nico: Why, that rotten bloated sack of fish paste for brains!

Lincoln: Yeah, we didn't like that one bit, and now that you're here, Elena.

Lincoln went up to and hugged Elena Parker in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elena Parker: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elena Parker with red gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Elena Parker: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elena Parker.

Elena Parker had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Elena Parker had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

We got a shower, and then, Lincoln, Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black swim briefs with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Princess Mira Nova: Wow, so this is Emerald Coast. It sure is beautiful.

Lincoln: It sure is, Mira, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff are in your harem, Linky.

Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Universe 666 Ayano Aishi, Princess Mira Nova, and Simulator Charlotte La Bouff, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for part one of Super Mario Odyssey.

Nico: Now we star Super Mario Odyssey!

Nicole: Awesome!

Laney: YEAH!

Zarya Moonwolf: Me and Eli will go first for this.

Nico: Okay then.

Georgina: Me and Kendra will go too.

Nico: Cool!

Cody Burns: And me and Charlie brown will go too.

Nico: Aw yeah!

They went into the Simulator and it activated and they were in CAP KINGDOM!

---

The Cap Kingdom is the first kingdom visited in Super Mario Odyssey. It is a gloomy, monochromatic kingdom filled with thick fog inhabited by hat-like beings called Bonneters, including Cappy and his sister, Tiara. The resident Bonneters excel at ship-building and can even attach sails to their homes to convert them into airships. This kingdom also serves as the tutorial stage of the game, and is the greater location of Bonneton. Bonneton is possibly the joining of "Bonnet" (a type of headgear) and the city-name suffix "-ton". The Cap Kingdom island is located west of the Cascade Kingdom and northeast of the Mushroom Kingdom. Geographically, the kingdom is a top hat-shaped island covered in black vegetation, soil and ground. As the name Cap Kingdom implies, hat-shaped buildings and reliefs are everywhere in this land of tradition and formality.

As shown in The Art of Super Mario Odyssey, this kingdom is based on the real-world location of London, England, particularly the Victorian era, due to the architecture visible in the background, the misty environment, and the clothing worn by the residents of the town. The residents also use many stock British expressions and hat-themed parodies thereof.

Eli: Wow! So this is Cap Kingdom!

Zarya: Beautiful! And the view of the full moon is awesome! (HOWLS)

Nico: Any tips Nicole?

Nicole: (On the radio) Well the boss you're going to face is Topper of the Broodals. So you may want to get to that big hat tower over there.

Nico: Yep. I see it.

Cody Burns: There might be enemies though.

Charlie Brown: Goombas.

Nico: Yep. But we're ready for them. I have a feeling the next embodiments will be appearing in the boss battle. Lets go!

They were off!

Nico: Here they come!

Eli: I got this!

Eli fired a wave of Force Lightning and blasted the Goombas.

Nico: Take that!

They got to the top of the tower and there was Topper!

Topper: Well lookie who we have here y'all! A bunch of stupid goodie goodie two shoes!

Nico: That is a fine way to greet someone.

Zarya: What's the matter bunny head? Can't talk as fast as you can hurl those ugly hats of yours?

Topper: Y'all might have done good in those Galaxies. But here? It's another story!

Nico: And we're ready for the challenges that lay ahead!

Cody Burns: Yeah!

Bonneton: Then come and prove it y'all!

Nico: Gladly!

Cody Burns: Lets roll to the rescue!

Cody fired his blaster and blasted the hats Topper had on his head off.

Nico: YEAH!

Charlie kicked him down.

Georgina and Kendra blasted him all over with rock and fire and blasted him all over.

Zarya: Take this!

She fired arrows and Eli fired Force Lightning Blasts.

Nico: (gets out Panther and Universe 666 Lila Rossi's Ridewatches) Time for the Panther and Fox to strike!

Me: And the Fox and panther are the Rabbits natural enemies!

Nico: Yep!

Nico activated them and fired waves of energy and blasted him all over!

But then toxic slime drenched Topper all over and then energy blasts hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Nico: WHOA!

Eli: That was intense!

Nico: Where did that come from!?

?: From us!

2 figures came! 1 was a girl with green hair and red eyes and she had green clothes and had green dragon wings and she had the kanji for Haze in the middle of her forehead and she had a necklace with the Blue 2-Star Dragonball on it and she had a sword of poison.

The 2nd figure was a girl with pink hair and pink eyes and she had pink clothes and pink wings and she had a tiara with the symbol of Spring Man on it.

Shanan Haze Shenron: Shanan Haze Shenron - Embodiment of Haze Shenron the Dragon of Pollution.

Shanna Spring: And Shanna Spring - Embodiment of Spring Man.

Georgina: Wow! Shanna awesome to see you again.

Kendra: Same here.

Shanna Spring: You too Georgina and Kendra. Its been a while.

Nico: Awesome and wait Embodiments of the Shadow Dragons!? That is cool!

Eli: It sure is!

Nico: I swear, me using those Ridewatches was coincidence!

Shanan Haze Shenron: I know. We just like to make an entrance.

Topper got up.

Shanan Haze Shenron: Allow me to finish this.

She charged up a rainbow energy blast and fired it and it hit Topper and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent him flying and he was far out of sight!

Nico: Nice one! Do we get anything after completing a level?

Nicole: Actually yes you do.

The moons of Cap Kingdom came and there were 31 of them! They were yellow!

YOU GOT 31 POWER MOONS!

Nico: Oh yeah!

They high five!

Nico: How did you meet Kendra and Georgina?

Shanna Spring: I met Kendra while she was fishing to get some fresh air and I helped her bring in an awesome salmon and we had it for dinner and got to know each other really well too.

Nico: That's awesome.

Kendra: It was a great fishing trip.

Shanna Spring: Yep and I met Georgina as she was trying to get some stuff down in the warehouse because the Forklift was on the fritz.

Georgina: She was a big help for me.

Nico: Cool. Would you two like to join the team?

Shanan Haze Shenron: We would be honored. And there are also 7 more like me. So be ready for them.

Nico: Will do.

They left and we cheered wildly for them

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with

ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Ms. Chameleon: Now, you're probably wondering what the mascots are doing. Well, look no further!

Poromon: (Offscreen) Behold! THE GREAT MASCOTINIS!

POOF!

Out of a puff of smoke and confetti came the mascots, Trixie Lulamoon, Starlight Glimmer and Lincoln dressed in awesome Magician Clothes!

Me: Ooh! Magic acts!

Xenia: Cool!

Lana: (YAWNS) This will be fun.

Nico: Magic is awesome!

Lincoln: Nothing up my sleeve!

Then…

POOF!

He poofed up numerous balloons and then with a wave of his fingers he turned them all into beautiful doves!

Fluttershy: Oh wow! That is magnificent!

Me: Awesome!

Maggie the Unwashed:… I'm gonna prepare the infirmary.

LOUD FART!

Me: (COUGHS) You need to see a doctor about those farts. They smell worse than Lori's.

Lori: I HEARD THAT!

Trixie Lulamoon: Now I, the Great and Powerful Trixie, would like a volunteer from the audience.

Laney: I'll go.

Laney went over and she got put into a box.

Me: Whoa the old Saw the man In Half Trick.

Fluttershy: (GASP) I can't look!

Laney: You're not really going to cut me in half are you Trixie?

Trixie Lulamoon: You'll be okay.

She then cut the box with a saw and then split the box and used her magic and Laney came out unscatched in one side and then out came Lola too on the other side!

We were amazed!

Me: Wow!

Nico: Awesome!

Blitzwing: Nice!

Poromon: Watch this one folks! Will you help me with this J.D.?

Me: Sure.

I went over.

I held a red cape for him and Poromon waved his wing and then he dropped it and out came a Baby Giraffe.

Me: Awww.

Nico: So cool!

But then out of the Giraffe came a Roaring tiger!

Nico: WHOA!

Courage looked in shock and his eyes popped out and rolled onto the floor.

Nico: Wow! That was cool!

Poromon then covered the tiger and then waved his wings and the tiger disappeared and then he lifted the cloth and out came a dove!

Camie: Wow!

Me: That was awesome!

Muriel: That was really amazing!

Francesca: It sure was! Grandpa Eustace thinks all magic is done with mirrors.

Me: But this is the real thing.

Twilight Sparkle: It sure is.

Sky Lynx: This is real nice. Right Lana?

Lana: (YAWNS) Yeah.

Me: Uh oh. Lana did you have a bad dream?

Lana: (YAWNS) Yeah I did. I didn't sleep at all.

Nico: Tell us about it.

Lana: (YAWNS)

Natilee: I'll show you.

Natilee showed us the sketch of it. Lana was abducted by aliens and THEY WERE HORRIFYING ALIENS! THEY WERE THE GRUESOME ALIENS OF THE 1951 VERSION OF THE THING AND THEY MUTILATED HER AND USED HER AS FERTILIZER!

WE GASPED IN SHOCK!

Nico: That is horrible!

Kate Lloyd: Oh man!

Me: Yeah! Wait those were the aliens from the 1951 version of The Thing. That version was made of Plant Matter whereas the one that Kate knew was made of blood, guts and gore.

Lana broke down crying.

Lana: (CRYING) It was horrible! I was used as planting soil!

Nico: Jesus!

Qin: Yeah!

Me: The 1951 version wasn't NEARLY as scary as the one that haunted Kate and Mac.

Xenia: Yeah that one was freaky.

Nico: Reminds me more of the plant clonoe of Dr. Brewer.

Nicole: Yeah that's right.

Nico: Lana that was only a nightmare.

Me: Yeah it wasn't real.

Lola: Yeah.

Me: I think Lana was thinking about all the times she rolled around in Poison Ivy and came out itching like heck.

Lola: Yeah.

Lana: You're right.

Me: Lana you got to watch out for poison ivy. It makes you itchy like you wouldn't believe.

Rita: You wouldn't believe how many bottles of calamine lotion we went through because of that.

Xenia: Geez.

Shego: Nico, who shines today?

Nico: Evelyn and Kazuma.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Set from Gods of Egypt, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Set from Gods of Egypt, and he's causing havoc.

We gasped.

TLPS Mr. Wolf: Set?!

Me: The Egyptian God of Desert Sands, Foreign Lands, Thunderstorms, Eclipses, and Earthquakes.

Cody (OC): I remember him all too well. He's a powerhungry deity who murdered his own brother, Osiris, to become ruler of Egypt, but Osiris and Isis's son, Horus, defeated Set in combat.

Nico: And now, we're going to face him in battle and destroy him. Let's head there at once and teach Set a lesson.

Lincoln: He won't get away with this, he'll pay for his crimes with his immortal life.

Suddenly, we heard a demonic roar in the distance.

Lincoln: (Smirks) And it looks like RD Sebastian's already losing it, which means the last person to get attacked by him on Halloween is going to be me.

Me: Second he does, you end him for good, Lincoln.

Lincoln: Nice!

Qin: Yeah!

The previous group came

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Tchang Zu: Can me, Pete, Kalin, Private HIVE, Control Freak, Abis Mal, Vreedle Brothers, Cargill, Krusty, and Batroc go with you guys?

Octagon: And that was a nice magic show.

Poromon: Thanks!

Starlight Glimmer: Glad you all liked it.

Me: We sure did.

Nico: Also yes you all can come with us.

Varie: This is gonna be brutal. We're going up against Set the God of Chaos.

Xenia: Yep.

Juandissimo Magnifico: (Spanish Accent) Señor Nico, which Gene Slammer do you think you'll meet next?

Nico: Magna Centipede.

Qin: Awesome.

Lola: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Metal Beak, who's come back from the dead in search of vengeance against us for destroying him years ago. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to our old enemy, Metal Beak, who's come back from the dead in search of vengeance against us for destroying him years ago.

We gasped.

Me: Metal Beak's back?!

Nico: That bastard!

Reggie Kenzaki: Leave him to me and Lincoln, we'll be using the Rouse Cards and we'll make him pay for everything he's done.

Lincoln: You said it, Reggie.

Kazuma Kenzaki: My sister's going to transform, this is going to be amazing.

Nico: You said it, Kazuma. Alright, gang, let's go, we're heading to Egypt, and we're going to take down Set.

Lincoln: His reign over Egypt ends here and now, and once we're done with him, you're next, Metal Beak.

Reggie Kenzaki: There's absolutely no way we're letting you run free any longer, Metal Beak. The Embodiment of Blade King is coming for you, and there will be no escape.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Set, and once we got done with him, Lincoln and Reggie Kenzaki are going to destroy Metal Beak.

We were off to Egypt

---

We arrived in Cairo, Egypt.

Pete: We're here!

Nico: Egypt. So awesome.

Lola: Always love coming here.

Varie: Yeah.

Me: And it's home to over 9,000 years of history dating back to the Biblical times.

Camie: So awesome.

Ty Lee: Is anyone else helping us here?

Nico: Hmm.

We looked around.

Nico: I don't see anyone

Private HIVE: Well, we'll just have to search around.

Nico: Right.

We walked around and then NEPHYTHYS came!

Cody (OC): Lady Nephthys!

Nico: Lady Nephthys is everything okay?

Babs Seed: Are you hurt?!

Nephthys: I barely got away from Set. He wants my wings.

Me: Well as long as we're around he won't get them.

Camie; Yeah!

Nephthys: He is going to be brutal for you all to face. You need to hit him with everything you got.

Me: That we can do. I think the world has officially had enough of Set and his evil.

Abis Mal: He's more nutso then Jafar was!

Nephthys: (giggles) Indeed he is.

Nico: Yeah. Lady Nephthys I promise you that Set is going to pay the ultimate price for everything he did.

Xenia: And it's not going to be pretty.

Me: We may have been named as the Champions of the Gods but we are going to show Set what the champions can do to the evil gods themselves.

Camie: And that is the only way we know how and that is with shear power and brute force.

Roscoe: Did you also find anyone else who can help us?

Desoto: Anyone at all?

Nephthys: Yes.

Hathor, Tefnut, Isis, Sekhmet, Sobek, Ma'at, Wadjet, Sokar, Anubis, Horus and Ra came.

Nico: Whoa! Most of the Gods of Egypt.

Tefnut: Indeed and Maria glad to finally meet you.

Maria: It's an honor Lady Tefnut.

Cody: We are truly honored to meet you all.

Sokar: Indeed Cody.

Horsea: Hello, Lady Tefnut!

Cargill: It's only fair Horsea introduces herself to you.

Tefnut: I understand and it's good to meet you too Horsea.

Horsea: Thanks.

Anubis: You must know about Set.

Cody: Yes we do Lord Anubis. We're not going to let him get away with the atrocities he has done.

Eli: Especially to Lord Horus and Lord Osiris. As the son of Pharaoh Atem you have my word that he will pay for it all.

Shockwave: J.D. and the others' power are calculated to be 100 times greater then Set's.

Me: Well I don't know the exact number myself but yeah our power is about that.

Xenia: That is true.

Lola: Yeah!

Anubis: Impressive.

Ra: Very impressive.

Batroc: Are there any civilians here?

Batroc: Are there any civilians here?

Ra: We got the civilians out safely.

Me: Great. Set is going to be in for a surprise when we face.

Camie: Yeah!

Lola: This is gonna be good.

Future Maria: You might also know me as Maria's future self.

Tefnut: That is interesting and I'm glad to meet you too.

Future Maria: Awesome.

Camie: Yeah.

Krusty: Also, is there any info we're missing about Set?

Anubis: I can tell you everything.

We found out his history

---

Set is the main antagonist of the 2016 live-action fantasy film Gods of Egypt. He is the god of desert, storms, disorder, and violence. He takes over the throne of the Egyptian Empire after murdering his brother Osiris and defeating his nephew Horus in a battle. He then gouged out Horus's eyes and forced him into exile.

He was portrayed by Gerard Butler, who also played Dracula in

Dracula 2000, The Phantom of the Opera in the 2004 film with the same name and Clyde Shelton in Law Abiding Citizen.

Brother to Osiris, Set ruled Egypt with him. Set ruled the barren desert of Egypt, finding strength, but also bitterness in his isolation, while his brother ruled the bountiful lands near the Nile. Eventually, Osiris crowned his son Horus as his successor, a decision that did not go well with Set.

During the ceremony, Set arrived just as Horus was about to be crowned. Apologizing for his lateness, claiming that he needed three days to pass the desert and one more just to pass through the crowd of Horus's and Osiris's admirers, Set was embraced by his brother who told Set that there was always a place for him in the city. Set then embraces Horus before gifting him with a special hunting horn which Horus immediately tested.

However, the horn acted as a sign for Set's soldiers, who stormed the palace and placed themselves in front of the gathered crowd. When Osiris asked what the meaning of this gathering of soldiers was, Set presented him with the spear their father Ra gave Set, claiming that it kept him alive during his time in the desert.

He then challenged Osiris to fight him, claiming that Osiris had accomplished nothing during his thousand year reign. Osiris refused to fight Set as he loved his brother and tried to embrace him, but was fatally stabbed by Set. While Horus and his mother rushed to the aid of the dying Osiris, Set addressed the masses and told them that he was king of all of Egypt, using Osiris's fate as an example for what would happen to those who would stand in his way. He told both gods of Egypt and the mortals in the crowd that those who would not bow to him would be enslaved or killed. He also informed the mortals that while his brother thought that everyone would be to the afterlife, they now would have to buy their way in with riches.

He then addressed Horus, telling him that Osiris's spear was now rightfully his. Horus grabbed the spear and attacked Set, and the two battled in front of the crowd. Set provoked Horus, who was said to never miss, prompting him to throw the spear at Set. Set evaded the spear however, sarcastically remarking that he thought Horus's sight was perfect. Although Horus managed to get back the spear and shatter his uncle's shield, he was ultimately defeated by Set after a brutal fistfight in their true forms that destroyed much of the temple and the nearby plaza. Set's men used their shields to reflect the sun and blind Horus, allowing Set to get the upper hand. While approaching his fallen nephew, Set claimed that he was doing Egypt a favor as Horus was not fit to be king. He then gouged out Horus's eyes and was about to impale his nephew, but was stopped by Hathor, Horus's love who begged for Horus's life.

In the year after Set's power-taking, many gods of Egypt stood against him but were all defeated and paid for their rebellion with their lives. Most mortals were enslaved and, denied even a penny for their work, prevented from buying their way into afterlife. Blinded and defeated, Horus went into exile. Set also butchered Osiris's body into fourteen pieces, while the heart was never found. This drove Horus's mother Isis into suicide. Bek, a mortal thief, devised a plan to break into Set's vault to steal Horus's eyes, which Set was rumored to keep there.

After returning victorious from war against the rebel gods, Set met with Hathor, who had become his mistress and queen of Egypt. However, Hathor saw herself as more of a prisoner than a queen and told Set so. They were then disturbed by chief architect Urshu, who had built the gargantuan tribute to Set's father Ra on Set's orders during Set's absence from the capitol. However, upon seeing the monument, Set seemed to be disappointed and asked whether it could be made taller, but when Urshu began to stammer that that would be difficult, Set revealed that he was merely joking. Set then asked Urshu why Urshu's father decided that he would follow into his footsteps as master architect and not one of his brothers. Urshu replied that his father must have seen that Urshu was the best, causing Set to absently state that he too will prove this to his father when the latter saw the monument. Urshu replied that Set's satisfaction was worth more than gold, but was nonetheless glad when Set stated that Urshu would have tons of gold for the afterlife. Both Set and Urshu then drank to Set's legacy.

After breaking into Set's vault and stealing the eye of Horus stored there, Bek returned to Urshu's mansion where his girlfriend, Zaya, one of Urshu's slaves, was waiting. However, once he arrived, he was cornered by Urshu, who had found out about the heist and was awaiting Bek. Bek managed to escape, but Zaya was killed. With the eye, Bek returned to Horus and convinced him to fight Set.

After having being told that his vault was breached, Set had Urshu brought before him, who had designed the traps and security measures of the vault. After being told by Urshu that it was a mortal who stole the eye and finding Zaya's body, Set told Urshu that it seemed that not Urshu, but the thief was the cleverest mortal.

Having sent his lieutenant to find Bek, Set resumed his war against the rebel gods. With his legions of the desert, he attacked the last rebel stronghold, the fortress of his former wife Nephthys. Riding a chariot drawn by scarabs, Set flew over the battlefield, entering the fortress after slaying some of the guards. After a short conversation in which the goddess revealed that Ra made sure that Set would never have a child, she tried to fly off, but Set grabbed her by the wing, dragged her back inside the room and killed her, also cutting off her wings for himself. Back at his camp, Set was surprised to see that his lieutenant had returned empty-handed. The hunter revealed that all his men were slaughtered by Horus, to whom Bek had returned the eye. The hunter also revealed that he overheard the deal of Horus and Bek in which Horus promised to return his girlfriend. Set then beheaded the hunter for his failure and sent his two mistresses, Astarte and Anat, to take down Horus. He revealed to Hathor that he intended to conquer the realm of death to finally rule all kingdoms. At night, Hathor used her powers to find out where Horus was, but Set followed her. After finding out that Horus's was located near Osiris's first temple, he intended to kill Hathor, but she escaped him with her powers and arrived near Horus's location just in time to save both from Set's mistresses.

When Horus, Bek, Hathor and Thoth traveled to the Pyramid of Sand, Seth's source of power, they were unaware that Set was expecting them. After defeating the Sphinx, Horus and Hathor approached Set's shrine of eternal fire, but were trapped in a cage. Set then appeared, approaching Thoth and ripping out the god's brain. He thanked Horus for bringing Thoth to him. Bek tried to destroy the shrine, but was stopped when Set showed him the bracelet of Bek's girlfriend. Set revealed to Bek that Horus lied to him, and was in fact, unable to resurrect the dead. While Bek was distracted, Set took the vial of divine water from Bek and poured it on the ground. Stating that it was fitting that both Bek and Horus died in his house, Set left the pyramid, which started crumbling moments later. Hathor and Bek were only saved by Horus, who managed to escape his cage.

After returning to the capitol, Set absorbed the powers he stole from the rebel gods to strengthen himself, including the heart of Osiris, brain of Thoth, Eye of Horus and wings of Nephthys. He then visited his father Ra on the latter's divine vessel above the Earth's sky. Ra stated that he saw Set's impressive monument. Set claimed that he built it for Ra, but Ra merely answered that, had Set built it any higher, it would be in his way. Set demanded of Ra that Ra honor him, but Ra answered that if honor was what Set really wanted, he would not have killed his brother Osiris.

Set asked whether Ra cared, and Ra admitted that he cared more than Set would expect. Set then accused his father, asking why he was forced to walk the desert alone, unable to have a son while Osiris had everything handed to him. Ra claimed that this was Set's test, but Set responded that Ra did not test Osiris. Ra told Set that Osiris's test was ruling Egypt without clinging to his power. Ra also stated that he prevented Set from casting heirs so that Set would not miss them when he took Ra's place, revealing that he intended for Set to become his successor.

However, Set refused, claiming that he wanted immortality, living forever in his kingdom instead of fighting Apophis night after night. Ra was shocked, claiming that the only way to become immortal was to absorb the afterlife itself. Set revealed that that was exactly his plan. A battle between Ra and Set ensued which resulted in Set's victory, able to withstand Ra's force with the powers of all the gods he defeated. He then took Ra's spear and blasted him off the divine vessel. Ra's fall unleashed Apophis, whom Set called to the Nile, intending for the beast to drink the river which was the source of all creation.

To stop Set, Horus and Bek kidnapped Urshu and forced him to bring them to the top of the obelisk monument, where Set watched the chaos he created. Horus climbed the obelisk, where he faced

Set. The two battled, with Set easily overpowering Horus. Despite Horus's attempts to save creation, Set once again defeated him and attempted to impale him with Ra's spear. However, when Set proclaimed that Horus was no match for him after all, Horus revealed that he was only baiting.

At that moment, Bek attacked Set from behind and managed to pry Horus's eye out of Set, who had taken his true form to defend himself. Although Horus failed to catch the eye when Bek threw it, he was able to take his true form again and lunged into the air to fight Set. Set pursued Horus and attempted to blast him out of the air with energy bolts shot from Ra's spear, but Horus evaded the blasts and managed to rip off Set's wings, causing him to fall to the ground beyond him.

Although severely wounded, Set survived, and was found by Horus in the ruins of his monument. When Horus was about to impale Set with Ra's spear, Set reminded him that he spared Horus's life and showed him mercy when he could have killed Horus. However, Horus only claimed that he wouldn't make that mistake and stabbed Set, causing his body to violently explode. With Set's death, his reign of terror was over and the deaths of Osiris and the other gods Set had killed were avenged.

When it was done we were shocked and horrified!

Me: What a monster!

Lola: Yeah!

Nico: Pure evil! He's worse than anyone could have imagined!

Overbite: Us Cybertronians can still possibly hurt Set.

Nico: Yes you can.

Lola: Awesome.

Me: Now that we know what kind of monster we're up against we can end his reign of terror before it even starts.

Laney: That's right.

Rhomboid: We're going to blow him up real good!

Me: You got that right!

Camie: Yeah!

Eli: Look!

We saw a figure on top of a spire and it was SET THE GOD OF CHAOS!

Nico: There he is.

Agitos: Does he see us?

Nico: No but we will face him before that.

Set: I KNOW YOU'RE HERE NEPHTHYS! YOUR WINGS WILL BE MINE!

Me: We'll see about that.

Control Freak: I'll summon some video game monsters to distrsct him!

Nicole: Good idea.

He summoned Royal Griffin, The King of Wolves, Nithral, Caleb Menge and Ice Giant from The Witcher 3.

Nico: Wow Royal Griffin, The King of Wolves, Nithral, Caleb Menge and Ice Giant from The Witcher 3. Good choices.

Control Freak: Thanks.

They went to go distract him.

Thundercracker: Let's hit him with an entrance while he's distracted!

Nico: Lets go.

We went at him!

The monsters were going at him.

But then the spirits of Egypt came and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from above him and a phoenix cry was heard and fireballs blasted him all over! Then we came out and we were facing Set!

Luan: Oh I will.

?: That is awesome.

A figure came and it was MANEKI-NEKO JAMEN from episode 41 of Kiramagers!

---

Maneki-neko Jamen is a minor antagonist in Mashin Sentai Kiramager, appearing as one of the two main antagonists (the being Cat Can Ligany) of Episode 41. The Maneki-neko Jamen is a Maneki-neko-themed Jamenshi and a servant of Dark Empire Yodonheim, whose dark energy was used to release Cat Can Ligany.

He was voiced by Taiten Kusunoki, who also voiced Mujina in Shuriken Sentai Ninninger.

The Maneki-neko Jamen made his first appearance when Carantula came down to Earth because he was in an artist slump, so he sent him to cause mayhem after the intro.

Later that day, the Maneki-neko Jamen has caused some mayhem, as he made most of the civilians act and behave like cats, which surprised the team, as they thought they got injured during an accident. He revealed himself to the team as he tells them all about the cats both in behavior, curiosity, and the way that they sleep. They thought Carantula was in an artist slump, but Carantula came from behind the team as he tells them that the Maneki-neko Jamen is one of his latest creations (which leads up to a three part endgame making this guy and his pet Ligany the last one the team has to deal with), and with that, he summoned a couple of Bechats to aid him in the fight. While the team were preoccupied with the Bechats, the Maneki-neko Jamen used one of his abilities at the team, hitting Sena, Juru, and Sayo, falling under his effect. With that done, Maneki-neko Jamen decided to take a nap for goods day work, but Carantula forbade it since he needs to do more mayhem. However, the Maneki-neko Jamen simply insulted his master by passing gas in its face and leaving anyway, leaving its creator in utter disappointment.

A while later, he was then spotted by Yodonna as he was napping on the bridge, so with a good whack at the rear end, he gains an arsenal, which is a bell that allows him to control the human-turned cats which he did. With all of the human cats now going mad, he appeared in the midst of the chaos as he spotted the two boys trying to deal with their feline teammates, so he sent the bechats to further cause the problem onto them. Thankfully, Carantula removed the spell on Juru by clapping his hands, but he still retained cat ears until the Maneki-neko Jamen is defeated.

Following this, the heroes have a hard time during the fight as they both try to keep their teammates from the incoming attacks by the Bechats and the Maneki-neko Jamen. Thankfully, de-spelled Juru came to save the day as he clapped his hands to break the spell on both Sayo and Sena as the real battle commences.

After being soaked by the water that GigantDriller has dug up, the Maneki-neko Jamen was then destroyed by the Sparkling Phoenix technique, thus reverting all of cat-like attitude on the humans.

---

Juru: Maneki-Neko Jamen!

Maneki-neko Jamen: Been a while rangers!

We were really amazed by Lana's Super Angel-Owl-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Skippy saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Set saw it, he went mad with rage and before Set could attack, Lana fired a massive barrage of rainbow energy, stars, snow, ice, snowflakes, ice crystals, owls, phoenixes, and angels which hit Set and sent him flying into a wall, Set got back up, but now, he was even angrier than ever.

Lincoln fired waves of fire at Set and they sent him flying into a wall that cracked and fell apart and they fell flat on their backs. Then, Lincoln swung his massive greatsword like crazy and shredded Set like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, Set was badly scarred and torn.

Nicole: Sheesh, you tore them apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Set's chest, and then, Lincoln began absorbing Set into his body as he and all of us assimilated all of his godly divine powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Set, and he banished Set to The Black Gates. Lana holstered her massive greatsword on her back and powered down, and Lana's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve marine blue orbs orbiting around her legs, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Nico: WHEW! That was one epic fight!

Lana: I know, right.

Lincoln: But, Set finally paid the price for his misdeeds. Now, there's only one last thing to do and one last loose end to tie up: Metal Beak.

that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier that protected all of us from a barrage of metal blades that came from nowhere and hit the barrier, but it stood strong as the blades hit and bounced off.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Metal Beak, or we will force you out.

Then, a figure came out, and it was none other than Metal Beak.

Suddenly, Sebastian summoned a massive collection of disembodied demonic hands to kill him, but they only succeeded in leaving slash marks on his chest.

Selene Arcangela: Jeez, not again, Sebastian.

Reggie Kenzaki: If we find out your bloodlust is rising again, remind us to hit you on the head with a mallet, right now, I better take care of this bastard.

Suddenly, Reggie Kenzaki's dark blue eyes turned neon dark blue and she was surrounded by a dark blue and gold energy aura with stars, cards, card suits, elemental forces, phoenixes, and angels, she unholsters her King Rouser sword, and as she approached Metal Beak, she left dark blue and gold energy, stars, cards, card suits, elemental forces, phoenixes, and angels with every step.

Reggie Kenzaki: If there's one thing that I can't stand, it's a xenophobic monster like you who enjoys terrorizing innocent humans and owls and wants to destroy humanity. You're even worse than Hiroshi Tennoji, and just like that asshole, you're going to suffer his fate.

Suddenly, Reggie Kenzaki was surrounded by a massive vortex of dark blue and gold energy, stars, cards, card suits, and elemental forces surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a gold phoenix with red eyes glaring at Metal Beak: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: You got that right, this is gonna get ugly.

Then, as the vortex faded, Reggie Kenzaki emerged, but she was changed forever and the wrath of The Embodiment of Blade King is about to be unleashed on Metal Beak.

Reggie Kenzaki grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large dark blue and gold orbs orbiting around her legs, she has the body of a goddess, she has gold highlights in the bangs of her long dark blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a dark blue and gold energy aura with stars, cards, card suits, elemental forces, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the symbol of Kamen Rider Blade King emblazoned on her forehead and her tiara and Third Eye with dark blue iris, she has on angel earrings with dark blue gems for eyes and holding the Star, Element, and Eternity Kanjis in their hands, she also has an angel with dark blue gems for eyes and holding the Star, Element, and Eternity Kanjis in its hands for the second pendant on the bottom of her dark blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were amazed by Reggie Kenzaki's Super Angel-Kamen Rider Blade King Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Metal Beak saw it, he went mad with rage and ran at her to kill her, but Lincoln snapped his fingers and we were on Glaren and Reggie Kenzaki fired a massive barrage of dark blue and gold energy, stars, cards, card suits, elemental forces, phoenixes, and angels which hit Metal Beak and sent him crashing onto the ground, he got back up and he was now really enraged.

Kazuma: Incredible!

Selene Arcangela: Incredible is right, Kazuma, your sister's transformed, and we already knew of the kind of damage you were capable of doing in your Kamen Rider Blade King form.

Lincoln: Now, Metal Beak is about to suffer the same kind of damage from Reggie, and she knows how to take down bad guys with no problem.

Reggie Kenzaki: (Divine Echoing Godly Voice of The Elemental Rouse Card Kamen Rider Blade King Embodiment Phoenix God Angel and Divine Cosmic Eternal Elemental Rouse Card Kamen Rider Blade King Embodiment Phoenix God Angel Love) You said a mouthful. Now, let's get him, Lincoln.

But, knowing the fact that you refuse to stay dead just proves that you're nothing more than a monster, now it's time for you to die once more, and this time, you will never come back, and we mean it!

Reggie Kenzaki and Lincoln went after Metal Beak, and they fired extremely powerful blasts of rainbow energy, dark blue and gold energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Metal Beak, and they exploded with incredible power as they hit him.

Then, Lincoln and Reggie Kenzaki attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Reggie Kenzaki also did the same by firing dark blue and gold energy slashes from her massive greatsword, and he and Reggie Kenzaki attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off Metal Beak badly.

Metal Beak: YOU! YOU! I WILL KILL YOU ALL!

Metal Beak went after Lincoln and Reggie Kenzaki in a fit of rage, but Lincoln and Reggie Kenzaki clashed with Metal Beak and it was really fierce and they pushed him back. Then, they fired rainbow and dark blue and gold energy blasts and Cosmos blasts at Metal Beak and Lincoln and Reggie Kenzaki summon angels to attack Metal Beak and he was really scarred by their furious attack. Then, Lincoln and Reggie Kenzaki punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back, and the stomach blow was indeed a mortal blow.

Lincoln and Reggie Kenzaki then got out the Time Scarab, Fusion Eagle, Absorb Capricorn, Evolution Caucasus, and Change Beetle Rouse Cards and placed them on their massive greatswords.

Reggie Kenzaki: (Divine Echoing Godly Voice of The Elemental Rouse Card Kamen Rider Blade King Embodiment Phoenix God Angel and Divine Cosmic Eternal Elemental Rouse Card Kamen

Evelyn: I'd recognize that Rouse Combo from anywhere!

Kazuma: Me too.

Reggie Kenzaki and Lincoln: ROYAL FLUSH!

Reggie Kenzaki and Lincoln used their Royal Flush Rouse Combo and they slashed at Metal Beak with incredible strength and speed, and he exploded in a fiery explosion and was sent to The Black Gates. We cheered wildly for what Reggie Kenzaki and Lincoln did as they holstered their massive greatswords on their backs and powered down and Reggie Kenzaki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve dark blue and gold orbs orbiting around her legs, and massive gold angel wings are permanent.

Reggie Kenzaki: Burn in Hell forever, you bastard. Thanks for helping me destroy Metal Beak for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Reggie.

Suddenly, Reggie Kenzaki wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reggie Kenzaki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Kamen Rider Blade King flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and cards and card suits behind them and we cheered wildly. Then, Lincoln and Reggie Kenzaki sucked in and absorbed the elemental forces and cards and card suits and they came back to us as the display vanished.

Me: That was one awesome battle, you guys!

Lincoln: And we used the Rouse Cards for a Rouse Combo attack on him.

Nico: That was really awesome, and you really impressed Kazuma and the others.

Kazuma: You said it, that's my sister!

Me: If we'd met her when we went after Hiroshi, it would've been epic. So, Lincoln, who are we meeting on your rescue tomorrow?

Suddenly, we saw the Cutie Marks of The Daydream 16 glowing.

Selene Arcangela: (GASPS) Lincoln, you know what this means?

Lincoln: I do, and I know who we're meeting in the days to come: The Daydream Crusaders of Royal Woods.

Nico: Who are they?

Selene Arcangela: They are a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, they are a group of nefarious girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders.

We gasped.

Lincoln: Yeah, but we drove them out, but if the cutie marks of The Daydream 16 are glowing, then, this means, The Daydream Crusaders have returned.

Eli: Wow. So, who's the first one we're meeting tomorrow?

Lincoln: The first one we're meeting tomorrow is Maria Nightingale, Daydream Empathy Princess of The Undead.

Selene Arcangela: Awesome, and you guys will love meeting her. Maria Nightingale is The Daydream Empathy Princess of The Undead and she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Starlight Glimmer combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders.

Selene Emperyous: Lincoln helped Maria Nightingale and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Maria trained Lincoln a lot with using the powers of Empathy and The Undead, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lola with a blazing passion because Lola when she had her Dark Side in her was an apathetic sociopathic rampaging monster, and Maria Nightingale has put her in her place more than once: tying her up and throwing her in a cage like the animal that she was.

We gasped.

Starlight Glimmer: I remember her all too well, and she hates apathetic and cruel villains who show that kind of apathetic behavior and cruelty towards innocent people, and she knows all sorts of magic spells to punish them.

Lincoln: We've seen it for ourselves, and it is crazy.

Zs'Skayr: And so ends the false God.

Biowulf: One that didn't deserve his title.

Scorpion: No kidding.

Bizarro: This was a very bad day.

Katnappe: Let's celebrate here

Nico: Good idea. Great job today everyone!

Nephthys: You all have come a long way and we all made the right choices making you our champions.

Maria: And we are forever honored.

Xenia: We sure are.

Twilight Sparkle: (To the viewers) This was an amazing adventure.

Me: It sure was.

We had a great party and an awesome meal and later went back home and then enjoyed the rest of the day and went to sleep.

Nico: The Wiener planet. It's so awesome here.

Camie: It sure is.

Lola: (YAWNS) Yeah it sure is.

Xenia: I agree there. Man it's cool here.

Sour Sweet: It sure is awesome.

Nico: Sour Sweet, I want to thank you, Leon, and your teams for coming.

Sour Sweet: No problem Nico. This will be cool.

Varie: It sure will be.

Archer Bodkin: You got that right guys!

Apple Bloom: That is for sure!

Nico: Archer Bodkin, What do you like to do in your free time?

Archer Bodkin: I like to practice archery.

Nico: Nice.

Archer Bodkin: Thanks. It's my talent. It's fun.

Qin: Archer's a great shot too. It's cool.

Nico: Where do you practice?

Archer Bodkin: In the archery fields in the School Archery Club. It's fun. Also I'm still in school. I have to study too.

Nico: True.

Lola: (YAWNS) That's cool.

Nico: Yeah. Man yesterday was fun and awesome! We took down Set!

Me: We sure did! Set was totally helpless against our power.

Camie: Boy no kidding!

Nico: He didn't deserve to call himself a god.

Nicole: That is too true!

Camie: Yeah!

Eli: Set was pure evil.

Me: Yep. But he had it coming. Our power was too much for him to handle.

Maria: But I will tell you this. It was awesome meeting Tefnut. She did choose me as her champion after all.

Xenia: That is true and that was cool.

Nico: And her power cured you.

Maria: It sure did.

Carol: Boy no kidding and that was so cool.

Qin: Yeah. And thank goodness we stopped Set from stealing the powers of the other gods.

Xenia: Or who knows what would have happened.

Camie: Thank goodness we made sure he didn't.

Nico: Thank goodness.

Eli: Yeah no kidding.

Nico: He got what he desered.

Me: Yep.

Lincoln: Good riddance.

Lola: (YAWNS) Yeah.

Lana: Lola are you okay?

Me: Uh oh. I think I know what's coming.

Maria: Wanna talk about it?

Then Lola broke down crying and Laney comforted her.

Natilee: This is her dream here.

She showed a sketch of it and what w saw WAS HORRIFYING! She lost a pagaent and Lindsey Sweetwater reported her and Lola was permanently banned and blacklisted from all pagaents for life and then she went ballistic! She burned her entire family into ashes and then burned the CITY AND THE WORLD INTO ASHES AND ROARED FEROCIOUSLY!

WE GASPED IN SHOCK!

Xenia: Oh man!

Camie: That is terrible!

Me: That is a terrible nightmare!

Anna Anyanova: With what we Guardian Angels experienced from Lola that dream doesn't surprise me because of her Dark Side.

Nico: It wasn't real.

Me: No it wasn't. But I think I know what happened. She was letting her demons about her pagaents haunt her.

Nico: You're right.

Lincoln: Yeah.

Lola: (CRYING) IT'S TRUE! IT'S TRUE!

Rita: Oh sweetie you're going to be okay. That was just a bad dream.

Nico: That's right.

Me: I got an idea. (SNAPS FINGERS)

I brought Icky Vicky tied to her pole.

Me: Hey Icky Vicky! Are you saying that I'm an ugly overdone piece of meat! Is that what you're saying!? What am I A BIG OVERGROWN PIECE OF STINKBUTT MEAT HERE TO AMUSE YOU!?

Icky Vicky: Um Yes?

Me: DAT'S IT!

I jumped Icky Vicky and Lola laughed hysterically as she saw me beat her up!

Me: I GOT YOUR MEAT! HERE'S YOUR MEAT! I'LL MAKE GRAVY OUT OF YOUR HEAD! YOU UGLY FLAT-CHESTED SACK OF HOT AIR!

EVERYONE LAUGHED HYSTERICALLY!

Lola laughed and so did us!

Nico: I think that's enough.

Then a massive shower of gold and jewels came out of her and I teleported her back.

Nico: Feel better Lola?

Lola: I sure do! Thanks J.D. That really made me laugh.

Me: I agree. That was funny.

Qin: Those always crack me up.

Varie: Yeah.

Nico: Now lets eat some wieners!

I ate some.

Me: Mmm! (Eating)

Lola: (eating) Mmm! Delicious.

Maria ate some.

Maria: (Eating) Mmm! Juicy and delicious.

Nico: You said it.

Lincoln: It's quiet out here. But, too quiet, everyone keep your eyes peeled for the next emergency.

Suddenly, Lincoln and all of us heard a very loud scream.

Me: What was that?

Lincoln: Let's head over there at once!

We rushed on over, and we saw a girl beaten up badly. When Cadenza Cthugha and Lincoln saw her, they were shocked.

Lincoln: (GASPS) Cadenza, it's Emily!

Cadenza Cthugha: Emily?! Oh my God!

Varie was busy healing Emily Cthugha.

Nico: Holy crap! Someone did a number on her!

Me: You guys know her?

Lincoln: We do, that's Cadenza's younger sister, Emily. Oh man, what kind of savage monstrous jerk would do that to her?!

Cadenza Cthugha: (Growls) There's only one fucker who would do that to her! (YELLING RIGHT AT THE TOP OF HER LUNGS) VENN VEXOS!

Nico: Oh God, she's pissed!

Lincoln: She has every right to be, and I should've known Venn did this to Emily, and you guys aren't going to like hearing about him. Venn Vexos is a rotten disgusting heartless narcissistic misogynistic asshole who enjoys beating women up and treating them like dirt, and he's beaten up a ton of men as well, but he went way too far as many of his victims also wound up getting murdered by him.

Cadenza Cthugha: And if that's not worse, he's also Emily's evil abusive boyfriend who treated her like garbage. So, in the end, I put a stop to Venn and got him arrested for his crimes, and after his trial, he was found guilty and sentenced to death for murder.

NOW, WE WERE ABSOLUTELY PISSED!

Lincoln: So, that was the emergency: Venn Vexos has broken out to get revenge on Cadenza, and he's not going to stop until he kills Emily.

Me: (SUPER NTH-DEGREE PISSED OFF) THAT MOTHERFUCKING PISSANT! I'M GONNA TEAR HIM TO FUCKING SHREDS!

Lincoln: Easy, J.D., you'll get that chance to go apeshit ballistic on him. Varie, take Emily home and get her to the infirmary.

Cadenza Cthugha: I'm sorry Emily!

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, I can't believe that moron broke out, he's gonna pay for this.

Nico: Yeah he will!

Tara heard a Pokemon cry.

Taro: Look here!

We saw a Galarian Moltres!

Me: Whoa a Galarian Moltres!

Galar Moltres: (Groans) And I hurt my leg.

Tara: Oh you poor thing.

We got to healing it.

Tara: Are you okay now?

Galar Moltres: Thanks to you.

Tara: Want to come with us?

Galar Moltres: Sure.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their

feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped

glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Venn Vexos) AHA! Gotcha! I just spotted Venn Vexos, he's 20 yards away and he's closing in on Cadenza, let's get him… !

I let out a roar of rage and was about to charge out until Lincoln bashed me on the head.

BONK!

Nico: Before J.D. tries to end the fun early before you and Cadenza could tear him to fucking pieces, and I hope you tear his heart out and eat it in front of him, Lincoln.

Lincoln: You know I will. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: What?! I thought RD Sebastian… !

Lincoln: Turns out Flip had more of them. (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Venn Vexos.

Qin: Lets go get that jerk.

We were flying in the air and landed and we were looking for that asshole, Venn Vexos.

Lincoln: Alright, now that asshole's got to be here somewhere.

Nico: Keep your eyes peeled.

Winona Sponge: Whatever you say, cap'n. [peels eyes]

Mr. Krabs: Now that's an employee who follows orders.

Lily: Literally.

SpongeBob: (LAUGHS) She is just like me.

Squidward: Do you have a pet snail?

Winona Sponge: No I have a cat.

Nico: Snails are cats in the ocean.

Lola: Yeah they meow like them.

Camie: Yep.

Qin: Lets focus everyone!

Cadenza Cthugha: He's not getting out of this alive, what he just did to my sister, he's gonna get his ass handed to him!

?: (SUPER ENRAGED SCREAM) YOU FUCKING BITCH! I'M GONNA KILL YOU FOR THROWING ME IN PRISON!

Cadenza Cthugha: YEAH! FUCK YOU TOO, BITCH!

We saw our target: a male with long wild black hair, red eyes full of pure hatred, and he has on a red prison jumpsuit and he had a knife in his hand and blood on his hands too, it was Venn Vexos, and he was out for blood. But, before he could try and stab Cadenza Cthugha, Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us and when that asshole drove his knife in, the barrier stood strong and the fire melted the knife into molten metal, and that made him even more pissed off than ever.

Me: YOU FUCKING ASSHOLE! I'M GONNA KILL YOU!

I charged and went at Venn Vexos and I PROCEEDED TO GO APESHIT BALLISTIC ON THAT ASSHOLE! I PROCEEDED TO SMASH HIS FACE AND SMASHED HIS TEETH OUT OF HIS MOUTH WITH SUPER HARD PUNCHES, I BROKE EVERY LAST BONE IN HIS BODY, I GOT OUT MY GREATSWORD AND THEN!

SLASH!

I SLASHED OFF HIS CROTCH, AND GAVE HIM TWO BLACK EYES!

Nico: OH DAMN! NICE ONE, J.D., AND FUCK YOU, ASSHOLE!

Lincoln fired a massive diamond ball with fire surrounding it, and it hit Venn Vexos and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront Venn Vexos.

Venn Vexos: I'LL FUCKING KILL YOU, BITCH! (SCREAMS IN AGONY)

Lincoln: You won't be laying one hand on my Guardian Angel or her sister again, Venn.

Cadenza Cthugha: You said it, and I've had it up to hear with this asshole to last an eternity, get ready to pay for what you did to my sister!

Me: Yeah! You fucking make me sick!

Galarian Moltres charged at him and fired a blade of darkness fire and it hit him and blasted him all over!

Venn: NEVER! Not until you are all dead!

Cadenza Cthugha: Then you will suffer the worst!

Suddenly, Cadenza Cthugha's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels, she unholstered her massive Cthugha's Cosmic Eternal Great Old One Fire Vampire Greatsword of Dark Great Old One

Eldritch Justice from her back, and as she approached Venn Vexos, she left black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels with every step.

Cadenza Cthugha: Even after I sent you to prison all those years ago, you still make me sick to no end, Venn Vexos. You are and always will be a narcissistic misogynistic piece of garbage who beats up women and degrades them and has absolutely no respect for women whatsoever and you even beat up any man who gets in your way. I've had it up to hear with you to last a fucking eternity, bitch, now I'm going to end you once and for all, and this time, I'm gonna make absolutely sure you never ever show your ugly mug here again!

Suddenly, Cadenza Cthugha was surrounded by a massive vortex of black and red energy with stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, and Eldritch Runes surrounding the vortex, there are the Great Old Ones, fire vampires, phoenixes, angels, and Cthugha flying around the vortex, and in the vortex is a blood red phoenix and above it is Cthugha with red eyes glaring at Venn Vexos: the eyes of death.

Me: WHOA!

Nico: Oh, this is gonna be good!

Lincoln: That pile of garbage is finally going to get his death sentence, and we'll finally be rid of him for good.

Venn Vexos saw the vortex in fear, but he became absolutely pissed off and charged at the vortex to kill Cadenza Cthugha again, but Lincoln fired a blast of rainbow fire that hit Venn Vexos in the chest and he screamed in agonizing pain.

Me: Nice shot, Lincoln.

Nico: And fuck you, you pile of human garbage!

Then, as the vortex faded, Cadenza Cthugha emerged, but she was changed forever.

Cadenza Cthugha grew from 7'4" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve orange and yellow orbs orbiting around her legs, she has the body of a goddess, she has blood red highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon red eyes and a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the Sigil of Cthugha emblazoned on her forehead and Third Eye with blood red iris, she has on demon earrings with blood red gems for eyes and holding the Dark, Fire, Satanic, and Eternity Kanjis in its hands, she also has Cthugha with blood red gems for eyes and holding the Dark, Fire, Satanic, and Eternity Kanjis in its hands on the bottom of her blood red Cthugha-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Cadenza Cthugha has on a sleeveless black crop top, black pants, black sneakers, and long sleeveless white trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels on the coattails, and on the back is Cthugha surrounded by fire and darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding orange gem with neon glowing orange lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Cadenza Cthugha felt a sharp pain on her back, and then, her massive orange angel wings with red tips on the large orange feathers grew much bigger for her new body and her eleven massive and long orange wolf tails with red tips and red markings grew much larger and longer for her new body. Cadenza Cthugha has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Cadenza Cthugha's massive Cthugha's Cosmic Eternal Great Old One Fire Vampire Greatsword of Dark Great Old One Eldritch Justice and all of the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels, and when it emerged, it was transformed into Cadenza Cthugha's Cosmic Eternal Infernal Darkness Satanic Great Old One Cthugha Fire Vampire Phoenix God Angel Greatsword of Cosmic Eternal Infernal Darkness Satanic Great Old One Cthugha Fire Vampire Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and Eldritch Runes and Cthugha etched on the 7'9" massive, wide, double-edged red blade, large black demon heads and orange tentacles for the crossguard, large white angelic faces built into both sides of the hilt and blood red gems embedded on their foreheads, longer midnight black handle, four large black demon heads and tentacles with red gems for eyes and on the bottom of the black demon heads is a large black demon head with red gems for eyes and red gem in its mouth with black tentacles for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Cthugha with blood red gems for eyes and large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji with flames in between the kanji below Cthugha that said, "Cadenza Cthugha, Incarnation of Cthugha, Most Powerful of The Cthulhu Mythos Incarnations, Master of The Lovecraftian Curse Cthugha's Fire Vampire Curse, Master of The Dark Omnipotent Powers of Cthugha, Friend of Adriana Azathoth, Arabella Yog-Sothoth, Selena Shub-Niggurath, Callista Cthulhu, Helena Hastur, and Adrienne Nyarlathotep, Master of Darkness, Black Magic, Dark Magic, Fire, and Satanic Magic, Loving Guardian Angel and Future Wife of

Cadenza Cthugha has transformed into SUPER ANGEL-CTHUGHA-DEMON-GREAT OLD ONE-FIRE VAMPIRE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA GREAT OLD ONE MADNESS CTHUGHA DEMONIC SATANIC GREAT OLD ONE FIRE VAMPIRE PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL GREAT OLD ONE MADNESS CTHUGHA DEMONIC SATANIC GREAT OLD ONE FIRE VAMPIRE PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL GREAT OLD ONE MADNESS CTHUGHA DEMONIC SATANIC GREAT OLD ONE FIRE VAMPIRE PHOENIX GOD ANGEL LOVE!

We were amazed by Cadenza Cthugha's Super Angel-Cthugha-Demon-Great Old One-Fire Vampire-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Venn Vexos saw it, he fucking lost it big time and ran at her to kill her in a fit of rage, but Lincoln snapped his fingers and we were on an abandoned dead planet and Cadenza Cthugha fired a massive barrage of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, fire, flames, Eldritch Runes, Great Old Ones, fire vampires, phoenixes, and angels which hit Venn Vexos and sent him flying into a wall, he got back up, but now, NOW, HE WAS SEVERELY AT NTH-DEGREE FUCKED UP TO THE INFINITE POWER!

Cadenza Cthugha: (Divine Echoing Godly Voice of The Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel and Divine Cosmic Eternal Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel Love) We've absolutely had it up to hear with you, Venn! Now, I'm gonna tear you to pieces for what you've done!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve breaking out of prison, Venn. You can consider yourself getting an early death sentence!

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I'm gonna enjoy tearing you apart limb from limb, bitch! You deserve to be killed in a horrendous way!

Lincoln, Cadenza Cthugha, and I went after Venn Vexos, and we fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Venn Vexos, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Cadenza Cthugha also did the same by firing black and red energy slashes from her massive greatsword, and he, Cadenza Cthugha, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Venn Vexos even more insane and straight to the brink of insanity.

Venn Vexos: (SUPER NTH-DEGREE FUCKED UP ENRAGED SCREAM) I'LL FUCKING KILL YOU, BITCH!

Venn Vexos charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Lincoln fired waves of radiation at him and he got burned badly, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked Nocturne and he got badly hurt. Then, he fired red and blue wolf fire which hit Venn Vexos and he got burned bad.

Cadenza Cthugha kicked him in the face and then stabbed him right in his black heart with a fire sword she formed in her left hand!

Cadenza Cthugha: (Divine Echoing Godly Voice of The Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel and Divine Cosmic Eternal Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel Love) PURE FIRE! Right through your twisted black heart! TAKE IT! TAKE IT STRAIGHT TO THE BLACK GATES YOU SICKENING PIECE OF MOTHERFUCKING SHIT!

Venn looked at Cadenza.

Venn: (Weakly) THEN IF I GO DOWN! I'M TAKING YOU WITH ME!

He revealed a NUKE STRAPPED TO HIMSELF!

Nico: YOU FUCKING SORE LOSER ASSHOLE! HE HAD A NUKE STRAPPED TO HIS CHEST!

Cadenza Cthugha: (Divine Echoing Godly Voice of The Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel and Divine Cosmic Eternal Great Old One Madness Cthugha Demonic Firestorm Satanic Great Old One Fire Vampire Phoenix God Angel Love): A NUKE! LETS GET OUT OF HERE!

We ran fast and teleported out of there and then he laughed and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED WITH INCREDIBLE FORCE AND POWER WITH THE POWER OF 500 GIGATONS!

Eli: I didn't think we'd get out of there quick!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That sore loser had a nuke strapped to himself especially if he was going to die.

Then, Lincoln banished Venn Vexos' wretched soul to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Cadenza Cthugha's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange orbs orbiting around her legs, and massive orange angel wings are permanent.

Cadenza Cthugha: I never ever want to see your fucking face again, you bastard.

Suddenly, Cadenza Cthugha wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cadenza Cthugha's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Cthugha flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Cadenza Cthugha sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: I can't believe that fucker also had a nuke strapped to himself, he was that crazed enough to get rid of us!

Lincoln: Either way, Venn Vexos is now nothing more than a forgotten memory, and since RD Sebastian just struck Lola last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Me: Yeah.

Nico: And Kazuma? You and Evelyn did good yesterday.

Kazuma: Thanks Nico.

Xenia: That was awesome.

Camie: It sure was.

Nico: Nice job Galarian Moltres.

Galar Moltres: Thanks Nico. It was cool.

Nico: We kicked that monsters ass.

Poromon: Want a beer?

Galar Moltres: Oh no thanks. I only drink Wine.

Nico: Wine is still good.

Camie: Yep.

Poromon: Good enough for me.

Poliwag: (Does puppy eyes) Pwetty pwease?

Galar Moltres: Nice try.

Nico: Poliwag that's enough

Poromon ate a wiener.

Poromon: Mmm! Delicious.

Qin: They sure are.

Me: The wieners are still awesome.

Nico: Yeah the sure are.

Nico then felt a draft.

Nico: Whoa is there a draft.

Lola: No but J.D.'s tail pulled down your pants!

Me: (LAUGHS) GOTCHA!

Nico: HEY!

Rainbow Dash: (LAUGHS HYSTERICALLY) THAT WAS AWESOME!

Me: (LAUGHS)

Nico: PULL MY PANTS DOWN WILL YA!

Poliwag: Why did you do that?

Me: Oh just wanted to get a good laugh.

Nico: YEAH? WELL HERE COMES SOME PAYBACK!

He jumped at me and I teleported away and he ended up on top of may with his hand on her breast.

Me: Missed me!

May: Nico if you want to get it on just ask.

Nico blushed in total embarrassment.

May kissed Nico.

Qin: (LAUGHS)

Rainbow Dash: (LAUGHS HYSTERICALLY) OH THAT IS TOO FUNNY!

Me: Mission accomplished.

Sakura Knudson: (LAUGHS) That was funny bro! Well done!

Xenia: (LAUGHS) Yeah! That tail of yours is amazing!

Me: Wow!

Veronica Centipede: Yep. I got this.

She fired a wave of fire and energy blasted down the Another and I caught the Ridewatch and purified it!

Qin: YEAH!

Me: Oh yeah!

Maria: It sure will be cool.

Me: Yep.

Qin: Awesome.

Veronica Centipede: Yep. Oh I'm naked but there is something you should know. I'm an Omukade.

Me: The Giant Centipede of Japanese Myth.

Veronica Centipede: That's right.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Veronica Centipede: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and she reverted back and was an orange hair girl and had red eyes and had orange angel wings and had her lower body as a long centipede body and she had a centipede in the middle of her forehead.

Veronica Centipede: (Groans) That hurt. But it's good to be back to normal. I need a shirt though.

Rarity: Don't worry darling we can fix this.

They gave her orange clothes and she looked awesome.

Veronica Centipede: Wow! I look awesome!

May; I didn't get hit!

Veronica Centipede: You don't want to May. I spit acid that is strong enough to kill you in seconds.

We saw a huge hole in the ground that was made from that acid she threw up.

Me: WHOA! That is strong acid!

Nico: That's as strong and potent as Xenomorph Blood!

Xenia: Yikes! Boy if you sprayed that on Blood and Honey Pooh he would be dissolved in seconds!

Veronica Centipede: I know. I sure would.

Nico: Yeah.

Archer Botkin: Do you have a favorite memory of Nico?

Veronica Centipede: I sure do. When me and Nico caught a massive drug operation. Arrested over 532 members in that group. It was awesome.

Nico: Yep.

Qin: Wow! That was cool.

Lola: Yeah!

Nico and Veronica hugged.

Nico: I've missed you.

Veronica Centipede: Same here.

We later went back home.

IT'S GOING TO BE ONE NASTY CATFIGHT!

Lincoln: So, my rescue's taking place in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to meet with Rhonda Jekyll's parents.

Rhonda Jekyll: I hope Mom and Dad are doing well.

Nico: You hadn't seen them ever since you came back.

Lincoln: Oh no, she's been to her parents' house to tell them of how she's doing, so she's been keeping them up to date.

Me: That's good.

Sour Sweet: This is going to be really amazing.

We arrived at Rhonda Jekyll's home, and we knocked on the door, and when it opened, we were greeted by Rhonda Jekyll's parents.

Mrs. Jekyll: Rhonda, Lincoln, you're here. Please come on in.

Lincoln: Thanks, Mrs. Jekyll.

We went in, and their home was really amazing.

Nico: Wow. Rhonda, your family home here is really amazing.

Rhonda Jekynn: It sure is, and just like Clara, we're also rich.

Qin: Wow.

Mr. Jekyll: We're glad you all came, especially you and Lincoln, Rhonda. We've got some bad news.

Eli: What's wrong?

Mrs. Jekyll: Rhonda, your sister's escaped.

We gasped, including Lincoln and Rhonda Jekyll.

Lincoln: What?! Your jealousy-crazed, envy-driven, psychopathic, monstrous, and split-personality crazed younger sister, Renata Jekyll?!

Rhonda Jekyll: Renata's broken out of prison?! That bitch!

Nico: Whoa, I'm sensing some really bad blood!

Selene Arcangela: You have no idea.

Qin: And she's like the other siblings of the other Dark World Goth Girls: really horrible, mega jealousy-crazed, envy-driven, psychopathic, and monstrous.

Rhonda Jekyll: You don't know the half of it. I never got along well with Renata, she always hated me ever since the day she was born, and as we were growing up, she always tried to make me look like really horrible people in front of everyone, but I always foiled her at every turn. But, despite all the repeated warning from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for me escalated even more and she'd escalated her violence towards me into trying to kill me many times in the past. But, I always foiled her stupid murder plots as well and I kicked her ass hard as well. Oh, and she's definitely like Dr. Henry Jekyll, but she's permanently Mr. Hyde.

Lincoln: Yep, and years ago, we foiled her biggest murder plot: she tried to kill Rhonda again along with me by hiring local criminals to do it. We killed them and after I found Renata's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Renata went way too far and she wound up getting sent to prison, and she swore to get revenge on Rhonda for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Rhonda.

Robin Hood (Disney): Did any of you disown your rotten siblings before they got taken to prison?

Clara St. Clarice: Yep.

Lincoln got out the medal for Reign-Beaux, Overlord of Dark World.

Me: Uh oh, and I've got the feeling the next Dark World Curse you got is Reign-Beaux-themed.

Lincoln: Yep. Now, let's head outside and hunt Renata down.

We headed outside to confront Renata Jekyll. Then, we saw Starlight Glimmer's cutie mark glowing.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair with cyan streaks and cyan blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Undead Skylanders and Starlight Glimmer's cutie mark on her right arm she has massive and beautiful black angel wings, she's dressed in a light blue sleeveless blouse, necklace with purple gem for the pendant, white bridal gloves, pink fancy skirt with cyan blue bow, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, magic, skulls, phoenixes, and angels on the coattails and on the back is the symbol of The Undead Skylanders and Starlight Glimmer's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and a spooky scythe in her right hand, and with her are the four girls.

Lincoln: (GASPS) Maria Nightingale, Daydream Empathy Princess of The Undead.

Maria Nightingale: That's right, and I got the girls away from here before Rhonda's ex-sister tried to go after them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR

THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same orange hair as Rhonda Jekyll, red eyes of hatred, and she was in an orange prison jumpsuit: it was Renata Jekyll.

Rhonda Jekyll: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES!

Rhonda Jekyll went at Renata Jekyll, and they really began fighting each other, but Rhonda had the upper hand on Renata, and she was literally beating the shit out of Renata Jekyll and Rhonda and Renata were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Rhonda Jekyll: EAT BOOT, BITCH!

Then, Rhonda Jekyll kicked Renata Jekyll hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Renata Jekyll was NTH-DEGREE MEGA PISSED OFF!

Sylvester: Looks like she's already forsaken surrender.

Then, Lincoln inserted the medal for Reign-Beaux, Overlord of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Renata Jekyll, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Renata Jekyll and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Overlord of Dark World, and I also used the medal for Reign-Beaux, Overlord of Dark World to give the curse an extra boost, and it was meant only for Rhonda's evil sister.

Rhonda Jekyll: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Renata's not getting out ever again. (To Maria Nightingale) And it's so good to see you again, Maria.

Maria Nightingale: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Maria Nightingale as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Maria Nightingale was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Maria Nightingale: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Maria Nightingale and he hugged her, and Maria Nightingale is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Nightingale: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Maria Nightingale, Daydream Empathy Princess of The Undead, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Starlight Glimmer combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Maria Nightingale and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Maria trained Lincoln a lot with using the powers of Empathy and The Undead, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lola with a blazing passion because Lola when she had her Dark Side in her was an apathetic sociopathic rampaging monster, and Maria Nightingale has put her in her place more than once: tying her up and throwing her in a cage like the animal that she was.

Nico: Whoa!

Lincoln: Yep, she hates apathetic and cruel villains who show that kind of apathetic behavior and cruelty towards innocent people, and she knows all sorts of magic spells to punish them, and now that you're here, Maria.

Lincoln went up to and hugged Maria Nightingale in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Nightingale: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Maria Nightingale with indigo gems on the gold lightning bolts and indigo crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Nightingale: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Nightingale, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Maria Nightingale's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Relena Sharimara had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Otowa Tsukishima, Kaguya Tsukishima, Momone Tsukishima, and Nora Freeman Misora from Ane Tea!? AneTeacher.

Lincoln: Oh wow, it's Otowa Tsukishima, Kaguya Tsukishima, Momone Tsukishima, and Nora Freeman Misora from Ane Tea!? AneTeacher.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Otowa Tsukishima: Yes, we're okay, thanks to you.

Then, when Otowa Tsukishima and the other three girls saw who it was that saved them from Rhonda Jekyll's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Renata Jekyll, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of

Otowa Tsukishima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln

and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Otawa Tsukishima: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Otawa Tsukishima, Kaguya Tsukishima, Momone Tsukishima, and Nora Freeman Misora with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Rhonda Jekyll's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Renata Jekyll.

But, when Lincoln showed what Rhonda Jekyll did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Overlord of Dark World which sent Renata Jekyll to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Maria Nightingale have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Rhonda's evil younger sister escaped.

Lincoln: She seriously didn't know when to give up.

Nico: Honestly, I would've wanted you guys to send her to The Black Gates.

Me: But, Lincoln made the right move sending her to The Dark World Prison.

Lincoln: I sure did, and she's in for far worse torment there, and once she dies, she's going to get sent right to The Black Gates, along with the rest of the monstrous jealous sisters of the other Dark World Goth Girls.

* * *

After we took down Renata Jekyll and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Nightingale saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Nightingale: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maria Nightingale: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Maria Nightingale: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and then, when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a male with long wild brown hair, red eyes full of pure hatred, and he has on a red prison jumpsuit and he had a knife in his hand, it was Morgan Richards.

Selene Arcangela: Morgan Richards?!

Nico: You know him?

Lincoln: Unfortunately, we do. Morgan Richards is a well-known criminal and thug who caused havoc in Royal Woods for years, and even more bad news, he was once a thug loyal to Sebastian when he was still the venomous and extremely malevolent monster whom everyone despised in the past.

We charged out and Lincoln fired rainbow energy blasts that hit Morgan Richards, and he was pissed off even more when he saw us.

Dana Orichalcum: We defeated him and sent him to prison for life. You know what, I wouldn't be surprised if RD Sebastian let him out.

Suddenly, RD Sebastian appeared in a tornado of pure darkness and hellfire.

RD Sebastian Mendez: (ENRAGED) WHAT THE FUCK DID YOU JUST SAY?! YOU GODDAMN LITTLE BITCH!

Nico: What a loud mouth he has on him!

RD Sebastian Mendez ran at Dana Orichalcum with murder in his eyes and madness in his heart, but Dana having a sly grin on her face opened a portal that sent RD Sebastian at Morgan Richards and he slashed at his chest with his claws and sword. Then, we charged out and Lincoln fired a straitjacket that tied RD Sebastian up, and when Morgan Richards got up, he was mega pissed off now.

Nico: Wait, so that was your plan, Dana. Get RD Sebastian riled up like that?

Dana Orichalcum: Yep, just enough so that Morgan Richards would be blinded by rage, and of course, get payback on RD Sebastian.

Me: And you girls had a grudge against Sebastian in the past, so this is compensation.

RD Sebastian slashed at the straitjacket and got out, but now, he was pissed off beyond measure.

RD Sebastian Mendez: (DEMONIC VOICE) YOU! YOU!

Buster Bunny: Yeah, yeah, you're now miffed, what else is new?

Morgan Richards suddenly got out a container full of green liquid and he drank the liquid. Suddenly, Morgan Richards felt something rush into him as he felt his muscles suddenly began growing larger and even more powerful and he also grew up to 9'0" in height, and he now abnormally massive and powerful upper and lower body muscles with eight-pack abs and veins formed on his body, and he let out a bellowing roar as he ripped the top of his jumpsuit.

Me: UH OH!

Morgan Richards went charging at Lincoln, but he fired blasts of earth which hit them on the head and knocked them down. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Morgan Richard's chest, and then, Lincoln began absorbing Morgan Richards into his body as he and all of the males on the team assimilated all of his massive muscle mass, virility, and physical strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Morgan Richards except for his tattered jumpsuit pants, and he banished Morgan Richards to The Black Gates, and THAT MADE RD SEBASTIAN INFINITE TIMES PISSED OFF AND HE BECAME SUPER NTH-DEGREE INFINITE-TIMES FUCKED UP INSANE!

RD Sebastian: (SUPER NTH-DEGREE INFINITE-TIMES FUCKED UP INSANE SCREAM OF PURE FUCKED-UP RAGE) NO! GODDAMN YOU ALL! FUCK YOU! THIS WILL NOT STOP ME NOR STOP THE RESURRECTION OF RITA REPULSA! YOU'RE ALL FUCKING DEAD! LORD ZEDD AND RITA REPULSA WILL HAVE HORRIBLE VENGEANCE UPON YOU ALL! (CACKLING LIKE A SUPER NTH-DEGREE FUCKED UP MADMAN)

Me: Yeah right. That's all a ruse.

RD Sebastian: WHAT?!

Lincoln: Give it up, we already knew it was a ruse, you basket case. So, scurry back to the shadows where you belong.

Then, he let out another enraged fucked-up scream of rage and he disappeared in a tornado of pure darkness and hellfire, and we headed home and continued our workouts.

Ed Cowart: That's another plot foiled, but he's already starting to piss us off even more.

Nico: Come Halloween, he won't be getting out of this alive.

We got a shower, and then, Clyde, Elsa, Kaguya, and the rest of his harem are heading to Gelato Beach.

Clyde snapped his fingers, and he had on his new large silver and black swim briefs with a Phoenix and a lightning bolt surrounded by elemental forces and stars on it with silver flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Elsa, Kaguya, and the rest of his harem are dressed in two-piece colored bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Elsa and Kaguya all had feelings for Clyde, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln came and sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that stupid mutant has sent more muscle-bound thugs to kill them.

Kaguya: Wow, so this is Gelato Beach. It sure is beautiful.

Clyde: It sure is, Kaguya, and it's perfect for our first date. Shall we?

Clyde, Elsa, Kaguya, and the rest of his harem dived into the waters and they had fun swimming and they even saw the marine life there.

Then, they went back to the beach and they had an awesome volleyball game, and Elsa, Kaguya, and the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Clyde lift thirteen massive 900,000,000,000,000-lb barbells Clyde summoned in his large and strong hands and thirteen massive and long black wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln appeared and fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Clyde: Nice save, buddy.

Then, Lincoln teleported back, and they had some lunch, and then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Clyde, Elsa, Kaguya, and the rest of his harem and they hugged the girls in their abnormally massive and powerful muscular arms and Clyde, Elsa, Kaguya, and the rest of his harem placed their hands on the massive pecs of Clyde and his clones, and then, they shared a passionate and romantic kiss.

They came back home to The World Tree Estate, and Nico, Lincoln, and I saw Clyde covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Clyde?

Clyde: (In Heaven) It… was… so… AWESOME!

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Elsa and Kaguya, now that repulsive ape is really going to get it.

Lincoln: And they also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill them yet again, but I showed up and sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder Clyde and the girls in his harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

---

Later, Pan, Valese and the Mascots were walking around the city.

Pan: Such a nice day.

Valese: You said it Pan.

Pan: How have things been with you and Uncle Goten, Valese?

Valese: Really amazing Pan and he has been teaching me so much and mastering the same moves and skills you all have.

Pan: That is cool.

---

Back at the estate were were watching TV and reading the newspaper.

Me: Master Goku it was really thoughtful of Pan to look after the Mascots for us.

Goku: It sure is. I know they are going to be in good hands under Pan and Valese.

Nico: That is for sure Kakarot.

---

Pan, Valese and the Mascots were walking.

Valese: We're coming up to Arnold's school.

Pan: I wonder how he's doing?

Poliwag: We'll find out.

Poromon: Is that Harold?

Valese: Oh no.

They saw him throw water balloons at Arnold and Lila!

SPLAT SPLAT SPLAT! SPLAT!

Harold: (Taunting) ARNOLD AND LILA SITTING IN A TREE! K-I-S-S-I-N-G!

OH GROW UP YOU CHUBBY HEAD!

Valese: That is not nice at all! Lets get him!

Pan: Yeah!

Valese: Come here!

Pan and Valese fired purple and green energy blasts and they hit the ground by Harold and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent him flying and he crashed into a pile of garbage!

NICE SHOT!

Harold: OW! WHO DID THAT!? I'M GOING TO POUND THEM!

Mascots: CUTIE ATTACK!

The mascots jumped onto Harold and pulverized and smashed him in a brutal and terrible fight cloud!

Arnold and Lila cheered for them!

All the kids did too!

Poromon pecked him!

POINK POINK POINK POINK POINK!

Poliwag slapped him!

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Manaphy gave him a really nasty wedgie!

Horsea squirted ink in his face!

Harold: (SCREAMING) MOMMY! MOMMY!

Poromon then farted in Harold's face!

LOUD FART!

ALL THE KIDS LAUGHED AT HAROLD!

* * *

Back at the estate we were watching TV.

Animated Lugnut: Shall we check on them?

Nico: I think that's a good idea.

Qin: Yeah!

We went and did so.

* * *

The mascots finished mangling up Harold.

Poliwag: Please don't do that again!

Pan: Or the next punishment will be 10 times worse!

Arnold: You tell him guys!

Lila: Yeah! Thanks for defending us.

Valese: It was our pleasure guys.

Poromon: At least it was just water and not ketchup or blood.

Arnold: Yeah.

?: Man that jerkwad just can't take a hint.

A girl with purple hair, purple eyes, Purple angel wings surging with intense lightning and she had purple clothes and had a necklace with the Blue 5-Star Dragonball on it and in the middle of her forehead was the kanji for Thunder and she had a lightning sword.

Rachel Rage Shenron: Sorry I'm Rachel Rage Shenron - Embodiment of Rage Shenron the Dragon of Lightning.

Valese: Awesome to meet you.

Poromon: Same here.

Poliwag: Anyone else with you?

Rachel Rage Shenron: Well yes but she told me that she will meet you all on the main mission.

Poliwag: Oh. Must be that important.

Nico and everyone came.

Nico: Hey guys. Whoa! Was Harold causing trouble?

Valese: He sure was. He was picking on Arnold and Lila and throwing water balloons at them.

Me: Aw man.

Elita One: Where's the next Robot Master Embodiment?

Rachel Rage Shenron: She'll meet you guys over at the main mission sight.

Nico: Oh. Oh sorry I don't think we met.

Rachel Rage Shenron: Oh I apologize. I'm Rachel Rage Shenron, Embodiment of Rage Shenron the 5-Star Dragon, the Dragon of Lightning.

Nico: Awesome to meet you.

Me: Same here.

Arnold: But thanks to Pan and Valese and the Mascots we were saved from embarrassment.

Me: Awesome.

Misfire: Boss, who shines today?

Nico: Halinor and Ultrox.

Qin: Sweet!

Lola: Yeah!

Later we were back at the estate.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Elijah from The Forever Purge, and he's planning on making The Purge eternal. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Elijah from The Forever Purge, and he's planning on making The Purge eternal.

We gasped in horror.

Me: Oh God, I remember the Purge movies all too well, and they're literally a nightmare.

Nico: We need to head down there at once and get rid of Elijah at once.

Lincoln: Elijah isn't getting away with this.

Tyler Arc: No, he isn't.

Suddenly, we saw Tyler Arc come in and he has a sword holstered on his back along with weapons galore.

Tyler Arc: This asshole's just as bad as my former dad and my former older brothers, all his talks about leading America into a new future are nothing but bullshit, he's going to die here and now.

Lincoln: Along with The NFFA for good.

Camie: Oh man! We're going to be in for a really horrible battle!

Lola: Yeah we sure are!

Camie: Who is Elijah?

Nico: A murderous racist and an absolute motherfucking asshole.

Nico went over his history.

Elijah Hardin, also known as Alpha, is the main antagonist of the 2021 action horror film The Forever Purge, the fifth installment of The Purge franchise. He is the psychopathic and racist leader of The Purge Purification Force, a paramilitary terrorist organization trying to save America through purging, even when it's over by law.

He was portrayed by Jeffrey Doornbos.

After the NFFA were removed from power, the Purge was disbanded. However, Elijah was the one who is responsible for creating the "Forever Purge" program, which caused people continue to purge. When they continued to purge, things start fall apart. The law enforcement was paralyzed, the streets were in chaos, and the buildings were on fire. The protagonist, Adela witnessed people being slaughtered in the vans of Purification, after arriving at the safehouse.

At El Paso, the border checkpoint to Mexico was opened for the next six hours, however, it was under martial law due to the purgers wreaking havoc, and the NFFA sends the military to suppress the riots. When Adela and her husband with other friends trying to get through the border, the group were being confronted by Elijah and his second-in-command Mother, Elijah convinced Dylan to kill Adela and Juan, to prove he's real American. When he refused, he killed T.T., one of his friends, before Elijah can kill Juan, NFFA soldiers arrived and told them to drop the weapons, which ended up starting a gunfight and the death of Mother by Dylan.

After Mother's death, Elijah grows more obsessed with the group's death. At the border, Elijah and his group fought Juan, Dylan and

Adela, also with native chieftain Chiago. After all of his men were killed, Elijah held Adela captive, before being killed by Juan.

When he was done we were shocked and horrified!

Qin: What a monster!

Lola: Yeah!

Nico: Now we're going to kill him.

Me: And we're going to make sure is horribly and excruciatingly painful!

Maria: Should we watch the movie first?

Nico: No. It would take too long. And every second we waste makes more victims of the Forever Purge get destroyed. We can't let this go on. We're going to need all the weapons we can muster for this one.

Xenia: Yeah!

The previous group came.

Vypra: Can me, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Zs'Skayr, Biowulf, Scorpion, Bizarro, and Katnappe go with you guys?

Nico: Yes you all can. We're going to need all the help we can get on this one. We're going up against the Forever Purge.

THEY GASPED!

Mirror Master: Oh man! This is not good!

Nico: Yeah.

Me: We're going to need some massively serious firepower for this one!

Nico: Yeah. Lets deploy the London Mortal Engine and man battlestations.

Xenia: Right!

Nico: Load up your weapons everyone and meet in the hanger for the Mortal Engine in 20 minutes.

We went and did so and we were arming ourselves with everything.

Guns, knives, bazookas, missile launchers, bombs, laser blasters, grenades and more.

We were ready for action. We even loaded up tanks and missiles and laser cannons on the Mortal Engine too.

Carnivac: Boss, which Gene Slammer do you think you'll meet next?

Nico: Overdrive Ostrich next.

Xenia: Oooh fast.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Lord Farquaad, who's come back from the dead in search of vengeance against us for destroying him years ago. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to our old enemy, Lord Farquaad, who's come back from the dead in search of vengeance against us for destroying him years ago.

We gasped.

Eli: That fairy-tale despising xenophobic piece of shit! I'M GONNA… !

Gloria Tokiwa: Wait, Eli. We're going to take him down and send him to prison for good.

Nico: Awesome idea, besides he's not really a threat. Plus, it's going to be an awesome way for you two to use some Ridewatches on him.

Sougo: That's right, and she's a master of the Ridewatches.

Me: Now, that's going to be an awesome sight to see.

Lincoln: You're right about that.

Nico: Alright, gang, let's go, we're heading off to slay Elijah and end the NFFA and The Forever Purge forever.

Lincoln: Genocidal monsters like them deserve only to die for their crimes, and once we get done with them, you're next, Farquaad the Shrimp!

Nico: You got that right! Lets roll!

Gloria Tokiwa: There's absolutely no way we're letting you run free any longer, Farquaad the Shrimp. The Embodiment of Kamen Rider Grand Zi-O is coming for you, and there will be no escape.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to kill Elijah and end the NFFA and The Forever Purge, and once we got done with him, Lincoln and Gloria Tokiwa are going to take down Lord Farquaad.

Jared started up the Mortal Engine and the garage door opened and then we were off. We were off to the world of The Forever Purge in the year 2049.

We arrived.

Me: Here we are.

Nico: Steady as she goes Jared.

Jared: Aye aye sir!

Aquaduct: Maybe it's not too bad.

Me: Hmm.

Aqueduct: Wait look!

We stopped and up ahead we saw an entire town completely on fire! EVERYTHING was destroyed and there were thousands of people dead!

WE GASPED!

Sid Arkale: No, it's not that bad.

Rubanoid: It's worse!

Me: Yep.

Nico: This is horrible!

Laney: Nico! I got radar signatures 900 klicks ahead!

Nico: What is it?

He saw a massive NUMBER of blips on the radar.

Nico: They are heading this way. Really fast. Looks like it's time for an early entrance. Lock and load everyone! It's time to spill some blood!

We drove on.

Mirror Master: We need to check for survivors!

Nico: No time! We won't get a chance to do so!

We saw a massive dust cloud and saw NUMEROUS CARS and they were the Forever Purge!

Nico: Targets sighted!

We drove up.

The Forever Purge was riding on and then the spirits of the people they killed appeared and then they swirled around them and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of them and then a phoenix cry was heard and then a rumble was felt and out came Our Mortal Engine!

Me: Okay you Purge motherfuckers! Taste this!

I fired a missile and blasted one of their vans!

Biowulf: TIME TO TEAR THEM APART!

We went at them and then punched, clashed and slashed and smashed them all over! THE BATTLE WAS GRUESOMELY SAVAGE!

I slashed a Purger's head clear off and stabbed a purger and then disemboweled him and grabbed his intestines and strangled him with them and threw him into a bunch of purgers and it snapped his head off! A purger came at me with a machete and I ran and slid under him and cleaved him in half down the middle!

SLASH!

Lincoln swung his sword and slashed NUMEROUS PURGERS down the middle and massive explosions of blood splattered everywhere! Lincoln was using numerous Cell Stinger tails to absorb them all over and it was making him stronger.

Me: Take this! KLENDATHU STYLE: BUG SWARM CARNAGE!

I fired a wave of energy and it formed into the bugs of Klendathu and they slashed and massacred thousands of Purgers in an instant! Splattering their blood and limbs and organs EVERYWHERE!

Sinnertwin: We should probably find the next Robot Master Embodiment too!

Nico: Ooh a little snack.

Qin: KLENDATHU FIRE STYLE: TANKER PLASMA STREAM!

She fired a wave of plasma and it hit numerous Purgers and MELTED THEM with extreme fire power!

Sirius and Tsuyu fired energy waves and blasted numerous purgers into a million pieces!

Bizarro: Bizarro here to save the day!

He threw rocks and we ducked and they smashed numerous purgers faces in.

Me: Hit us! Don't hit them!

Bizarro hit the Purgers!

Volt Luster: You picked here to meet us?

Brontes: And not, I don't know, somewhere where it's safe?!

Gali: It's true. She helped us big time.

Nico: Wow! Would you like to join the team?

Farah Freeze: I would be honored!

She fired ice blasts and froze some of the Purgers!

Me: Taste this!

I fired machine guns and blasted Purgers left and right and splattered their blood all over!

Eli then fired shuriken and slashed numerous Purgers into a million pieces!

She fired grenades and they hit the Purgers and exploded!

I teleported and punvhed him in the face and kicked him in the face and teleported and punched him in the back of his head.

Winter Soldier: Wait. I remember the protagonists here. Weren't their names Adela and Juan?

Nico: That's right! But I don't see them.

Then, when Lincoln was done, Elijah was badly scarred and torn.

Nicole: Sheesh, you tore him apart, Lincoln!

Lincoln: And now, this is the end! NFFA EXTINCTION ATTACK!

Lincoln fired a lethal barrage of rainbow energy blasts which hits Elijah and every last member of the NFFA and killed every last one of them and all of their souls were sent to The Black Gates forever. Lincoln formed a massive indestructible diamond barrier that protected all of us from a barrage of metal blades that came from nowhere and hit the barrier, but it stood strong as the blades hit and bounced off.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Farquaad, or else we're forcing you out!

Then, a figure came out, and it was none other than Lord Farquaad.

Suddenly, Sebastian summoned a massive collection of disembodied demonic hands to kill him, but they only succeeded in leaving slash marks on his chest.

Selene Arcangela: Jeez, not again, Sebastian.

Gloria Tokiwa: If we find out your bloodlust is rising again, remind us to hit you on the head with a mallet, right now, I better take care of this bastard.

Suddenly, Gloria Tokiwa's pink eyes turned neon pink and she was surrounded by a yellow energy aura with stars, elemental forces, time, Ridewatches, phoenixes, and angels, she unholstered her massive gold greatsword from her back, and as she approached Lord Farquaad, she left yellow energy, stars, elemental forces, time, Ridewatches, phoenixes, and angels with every step.

Gloria Tokiwa: If there's one thing that I can't stand, it's a xenophobic conniving monster like you who enjoys terrorizing innocent humans and fairy tale creatures and all for your "perfection". You're even worse than Swartz, but unlike that asshole, you're going straight to prison for the rest of your miserable life.

Suddenly, Gloria Tokiwa was surrounded by a massive vortex of yellow energy with stars, elemental forces, and time surrounding the vortex, there are Ridewatches, phoenixes, and angels flying around the vortex, and in the vortex is a rainbow phoenix with red eyes glaring at Lord Farquaad: the red eyes of death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: You got that right, this is gonna get ugly.

Then, as the vortex faded, Gloria Tokiwa emerged, but she was changed forever and the wrath of The Embodiment of Grand Zi-O is about to be unleashed on Lord Farquaad.

Farquaad and sent him crashing onto the ground, he got back up and he was now really enraged.

Sougo: Incredible!

Selene Arcangela: Incredible is right, Sougo, your sister's transformed, and we already knew of the kind of damage you were capable of doing in your Kamen Rider Grand Zi-O form.

Lincoln: Now, Lord Farquaad is about to suffer the same kind of damage from Gloria.

Gloria Tokiwa: (Divine Echoing Godly Voice of The Elemental Ridewatch Kamen Rider Grand Zi-O Embodiment Phoenix God Angel and Divine Cosmic Eternal Elemental Ridewatch Kamen Rider Grand Zi-O Embodiment Phoenix God Angel Love) You said a mouthful. Now, let's get him, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Gloria Tokiwa.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I honestly thought we were done with you for good, Lord Farquaad. But, knowing the fact that you refuse to stay dead just proves that you're nothing more than a monster, well, it's time we stop you for good and throw you in prison for good.

Gloria Tokiwa and Lincoln went after Lord Farquaad, and they fired extremely powerful blasts of rainbow energy, yellow energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lord Farquaad, and they exploded with incredible power as they hit him.

Then, Lincoln and Gloria Tokiwa attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Gloria Tokiwa also did the same by firing yellow energy slashes from her massive greatsword, and he and Gloria Tokiwa attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off Lord Farquaad badly.

Lord Farquaad: YOU! YOU! I WILL KILL YOU ALL!

Lord Farquaad went after Lincoln and Gloria Tokiwa in a fit of rage, but Lincoln and Gloria Tokiwa clashed with Lord Farquaad and it was really fierce and they pushed him back. Then, they fired rainbow and yellow energy blasts and Cosmos blasts at Lord Farquaad and Lincoln and Gloria Tokiwa summon angels to attack Lord Farquaad and he was really scarred by their furious attack. Then, Lincoln and Gloria Tokiwa punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back.

Lincoln and Gloria Tokiwa used the Ridewatches of Electro and Moonface the Silver and activated them and they fired blasts of silver and lightning which transformed into silver lightning and they electrocuted Lord Farquaad and he was really shocked. Then, they got out Ridewatches for Universe 666 Organization XIII and activated them.

Gloria Tokiwa: (Divine Echoing Godly Voice of The Elemental Ridewatch Kamen Rider Grand Zi-O Embodiment Phoenix God Angel and Divine Cosmic Eternal Elemental Ridewatch Kamen Rider Grand Zi-O Embodiment Phoenix God Angel Love) This is the end for you, asshole!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, say goodbye.

Me: UH OH! THIS IS GONNA GET UGLY!

Nico: GET EM, GUYS!

Lincoln and Gloria Tokiwa: ORGANIZATION XIII ELEMENTAL BLADE STORM OF DARKNESS!

Lincoln and Gloria Tokiwa swung their massive greatswords and fired energy blades that had all the powers of Universe 666 Organization XIII which hit Lord Farquaad and he was hit hard and put in a rainbow energy straitjacket and he was thrown into The Masters of Evil's prison forever never to be free again. We cheered wildly for what Reggie Kenzaki and Lincoln did as they holstered their massive greatswords on their backs and powered down and Gloria Tokiwa's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve yellow orbs orbiting around her legs, and massive rainbow angel wings are permanent.

Gloria Tokiwa: Burn in Hell forever, you bastard. Thanks for helping me take down Lord Farquaad and throwing him in prison for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Gloria.

Suddenly, Gloria Tokiwa wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gloria Tokiwa's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Kamen Rider Grand Zi-O flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and Ridewatches behind them and we cheered wildly. Then, Lincoln and Gloria Tokiwa sucked in and absorbed the elemental forces and Ridewatches and they came back to us as the display vanished.

Me: That was one awesome battle, you guys!

Lincoln: And we used the Ridewatches on him, and he really got brutalized by our attacks.

Nico: That was really awesome.

Sougo: You said it, that's my sister!

Me: If we'd met her when we went after Swartz, it would've been epic. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Anna Medina, Daydream Kindness Princess of Life.

Selene Arcangela: Awesome, and you guys will love meeting her. Anna Medina is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Fluttershy combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Maria Nightingale and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Maria trained Lincoln a lot with using the powers of Kindness and Life, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lori with a blazing passion because Lori when she had her Dark Side in her was a heartless unkind ruthless Control Freak witch, and Anna Medina has put her in her place more than once: tying her up and throwing her in a cage like the animal that she was.

Me: I remember her all too well. She's literally a kind and awesome person and has an awesome gift of speaking to animals like Fluttershy.

Leni: And she totes couldn't stand it when Lori was acting like the monster we had major problems with thanks to her Dark Side.

Luna: And she even used The Stare to put Lori in her place: and that's in a cage like the gorilla that she is.

Lincoln: Luna. The person who acted like that was Lynn when she had that monster inside her. But, I get what you're saying, Lori was on the same level as Lynn. So, she had to be taken down like the animal she was.

Onyx: Are you sure there's nothing else we can do for this world?

Jet: Doesn't look that way.

Rojo: At least Elijah is gone.

Carmen Dillo: That's something.

Box Ghost: Let's celebrate at home.

Me: Good idea.

Nico: I agree. Great job everyone.

Starlight Glimmer: (To the viewers) This was awesome and crazy. But at least it was good we got justice for all the people here.

Nico: Yeah. Lets go home.

We went back home. The NFFA and the Purgers were destroyed but the damage was done. We gave the people in the world of The Purge a new life. We went back home and showered and got all blood off and then went to sleep.

THE END

The next chapter is one that really puts our code to the test and we're going to save the kids from Tainted Chicken Nuggets from the movie Cooties. We're going to cure them and bring the company that made them down.

See you next time.

Me: I have a feeling we're going to be in for an explosive adventure.

Camie: Yep we sure will be.

Lola: Yeah this will be awesome.

Varie: And we're going to kick some butt!

Daring Do: It sure will be awesome.

Nico: Daring Do, I want to thank you, Dr. Cabelleron, and your teams for coming.

Daring do: No problem Nico. It's going to be fun and cool.

Nico: It sure will be.

Xenia: I'm looking forward to this.

Nico: Dr. Jones, I just realized we haven't gone after much of your enemies.

Indiana Jones: I know. Many of them are still at large.

Me: Lets see. We faced the Temple of Doom and Raiders of the Lost Ark and I think that's it.

Xenia: Yeah.

Nico: But all the adventures of Indiana Jones are great.

Daring Do. They sure are.

Lola: They sure are awesome and amazing.

Nico: We should cover more of them in the future.

Nicole: Good idea. And we'll bring them all down to Hell.

Camie: Yeah!

Daring Do. Awesome!

Xenia: Yep. Man yesterday was SO BLOODY!

Lola: No kidding!

Nico: So many people died.

Me: At least it happened in that time and not ours.

Nico: True. That took place in 2049.

Qin: Yeah.

Me: Thank goodness it happened there.

Nico: At least we saved the survivors.

Qin: We sure did.

Me: Yeah. But at least we got rid of the Purge and the NFFA.

Xenia: Yeah.

Nico: Good thing we all made sure that thing never happens here!

Me: No fucking lie there. What happened there was horrible.

Lola: Yeah.

Lisa was sleeping and she was snoring.

She had bags under her eyes and was really sleeping.

Nico: Anyway lets get ready.

Me: Right. Lisa it's time for our adventure.

Lisa: Huh? Oh apologies.

The Simulator activated and we were heading for Queen Opaline's castle.

Lincoln: Okay, guys, we're in for one awesome battle: we're going to battle Queen Opaline again, and Odalia is going to transform and avenge the legacy of Twilight Sparkle and friends.

We gasped.

Me: Oh man, this is gonna be so awesome!

Nico: The Avenger of Twilight Sparkle is about to be unleashed on that powerhungry bitch!

Luz: Just like when Twilight transformed against her. Lincoln, I hope you steal her powers again.

Gus: Are you giving him some ideas?

Hunter: We'll need the rest of the team here if we're going to unleash Hell on her!

Suddenly, the rest of the team arrived.

Amity: That was quick!

Lincoln: Hunter said the magic words. Now, let's head for her castle and end that bitch for good.

Odalia Opaline Arcana: Right. And Opaline is going to pay for everything she did to Twilight and her friends. I will never forgive her for everything she did.

Nico: What are we waiting for then?

Xenia: Time to dish out ultimate payback.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large

orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and

our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Queen Opaline) AHA! Gotcha! I just spotted Queen Opaline, she's in her castle plotting once more. Let's sneak in and take her by surprise.

Nico: Just like in the past Simulator battle against her.

Lincoln: Yep. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Queen Opaline

We were approaching from the ground and Lincoln had turned us invisible to avoid being spotted by her guards.

Eli: There's her guards.

Lincoln: Leave them to me.

Lincoln's deep sapphire eyes and Third Eye glowed as he glared at Opaline's guards, and then, he began sucking out and absorbing the magic and energy of her guards and when he was done, the guards were reduced to withered husks. Then, it was time for the final showdown with Queen Opaline.

We were walking through the castle.

Me: Stay close guys.

Nico: Right. Opaline doesn't have 24 jerkwads with her this time.

Sunny Starscout: That is true. But she is still dangerous.

Maggie heard a Pokemon cry.

Maggie: Look here.

We saw a Murkrow.

Me: A Murkrow. Oh and the poor thing hurt its head.

Nico: Uh oh.

Poromon growled.

Manaphy: Babe, this isn't the same one that you fought back in 2021.

Poliwag: Those fights should've lasted longer!

Nico: Enough guys.

Murkrow: You guys had fights with my kind?

Nico: Ugly story.

Maggie: We'll heal you up.

They did so.

Murkrow: Thank you.

Poromon: Okay. I don't want to keep my bad reputation in the Murkrow community. As long as you don't give me a fake lottery ticket, you and I won't have problems. Okay?

Murkrow: Don't worry. I don't have any lotto tickets on me.

Nico: Good.

Lola: Yeah.

It was healed up.

Maggie: Want to come with us?

Murkrow: I would be honored.

Xenia: Awesome.

Poromon: But after Opaline is killed, I'll tell you all about my Murkrow fights.

Murkrow: Okay.

Nico: Lets do it!

Queen Opaline: Soon, all of Equestria's Magic will be mine, MINE! MINE! AND I WILL WIPE ALL TRACES OF FRIENDSHIP FROM THE FACE OF THE EARTH! (LAUGHING INSANELY)

?: NOT ON YOUR FUCKING LIFE, BITCH!

Suddenly, massive energy waves appeared from nowhere and they took on the form of Twilight Sparkle and her friends along with all of the ponies of Equestria and Maretime Bay, and they attacked Opaline with waves of magic and elements and they hurt her badly. Then, they converged, and a MASSIVE EXPLOSION SUDDENLY ERUPTED IN THE CASTLE AND A THUNDERBIRD SCREECH AND PHOENIX CRY WAS HEARD AND WE APPEARED!

Queen Opaline: WHO DARES TO STAND IN MY WAY?!

Nico: A group of people who are sick and tired of seeing your face.

Amethyst Arcana: Hello, "Sister".

Queen Opaline went pale.

Queen Opaline: (GASPS) YOU! But, I thought… !

Amethyst Arcana: Wrong, I'm alive and well, but you won't be for much longer. Oh, and here's a little something to remember me by.

Amethyst Arcana fired a powerful purple fire blast which hit Queen Opaline in the face and she screamed in anger and pain.

Me: OH! Now, that's what I call Third-Degree Burn!

Nico: She deserved it though, but you pissed off your sister in a huge way!

Odalia Opaline Arcana: That's right, because of what you did, you destroyed Twilight Sparkle and her friends' legacy of Friendship and all for your twisted hunger for power, and now, you are about to pay a great price for your madness, you insane bitch!

Twilight Sparkle: That's right! You killed everything I worked so hard fo! Including me and my friends! You took away everything I worked so hard for!

Nico: And you recruited 24 of our enemies!

Me: Many of which I wanted to have another crack at!

Queen Opaline: I knew those fools wouldn't kill you!

Me: Because you totally underestimated our power!

Xenia: Yeah!

Twilight Sparkle: You will never understand that friendship and love are both powerful!

Queen Opaline: You ruined everything for me Twilight Sparkle! I HATE YOU SO MUCH! YOU MAKE ME SICK LOOKING AT YOU! YOUR FRIENDSHIP IS A DISEASE! I HATE ALL THIS UNITY AND PEACE! Queen Opaline Arcana: WHAT?! NO, THIS IS IMPOSSIBLE! THAT POWER SHOULD BE MINE, MINE! MIIIIIIIIIINNNNNNNNNNNNNNNNNNNNNEEEEEEEEEEEEEEEEEE!

Nico: Gimme gimme never gets!

But, before Queen Opaline could attack again, Odalia Opaline Arcana fired a massive barrage of violet and purple energy, stars, magic, purple fire, Alicorns, phoenixes, and angels which hit Queen Opaline and sent her flying into a wall, she got back out, but now, she was beyond pissed off and now she has gone completely insane with anger, hatred, and insanity!

Lincoln, Odalia Opaline Arcana, Amethyst Arcana, and I went after Queen Opaline, and we and we fired extremely powerful blasts of rainbow energy, violet and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Queen Opaline, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Odalia Opaline Arcana, Amethyst Arcana, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Queen Opaline even more insane and even more madder than ever!

Queen Opaline: (SUPER NTH-DEGREE FUCKED UP EXTREMELY INSANE SCREAM OF RAGE) YOU! YOU! I WILL KILL EVERY LAST ONE OF YOU DISGUSTING GNATS!

Queen Opaline ran at us completely blind with extreme rage and extreme insanity, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Odalia Opaline Arcana, Amethyst Arcana, and I fired powerful blasts of rainbow fire and magic at Queen Opaline and she got burned badly, and Lincoln summoned the spirits of Twilight Sparkle and her friends who were killed by Queen Opaline and they brutally mauled and attacked Queen Opaline and she got badly hurt. Then, he fired blasts that turned into The Elements of Harmony which hit Queen Opaline and she got burned bad.

Qin: Take that you fiend!

Xenia: YEAH!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your reign ends here!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into Queen Opaline, and then, Lincoln began absorbing her into his body as he and all of us assimilated all of her magic, powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Queen Opaline except for her black bracers, and he sent her to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Odalia Opaline Arcana's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long violet wolf tails and longer Opaline tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large violet and purple orbs orbiting around her legs, and massive purple angel wings are permanent.

Odalia Opaline Arcana: Now, that was so awesome!

Lincoln: And Opaline's reign of madness ends here and now. What she did destroying the legacy Twilight Sparkle created was beyond unforgivable, she deserves to die horribly!

Suddenly, I got jumped on by Odalia Opaline Arcana, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

I recovered.

Nico: That was one awesome battle.

Lincoln: We took down Queen Opaline and I absorbed her, and we really let her have it, and since RD Sebastian just struck Lisa last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings

orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Me: Yep.

Qin: But Odalia has gotten her revenge on Opaline and avenged Twilight and friends.

Odalia Opaline Arcana: I sure did. Thank you guys.

Me: Anytime.

Nico: And Ultrox? You and Halinor did good yesterday.

Ultrox: Thanks Nico. It was fun.

Halinor: It sure was.

Lisa Loud: (Yawns) It sure was.

Me: Lisa did you have a bad dream?

Lisa Loud: (Yawn) Yes I did.

Nico: Wanna talk about it?

Lisa Loud: I think Natilee can show you.

Natilee: Yeah.

She showed us a sketch of her dream. We saw a horrible sight! LISA WENT OFF THE DEEP END AND SHE WENT FULL FLEDGE DR. WOODRUE TIMES 100 AND WAS EXPERIMENTING ON MONSTERS AND CHEMICALS AND SHE UNLEASHED THEM ALL OVER THE WORLD AND WREAKED HAVOC! SHE WAS BUSTED AND SENT TO THE GAS CHAMBER AND SENT TO THE FIRES OF HELL TO BURN! IT WAS HORRIBLE!

WE GASPED!

Me: Oh man!

Lisa Loud: Normally I don't express emotions like this but (BURSTS OUT INTO TEARS AND CRYING LOUDLY)

Jets of tears erupted from her eyes as she was crying!

Anna Anyanova: That's like what me and my fellow Guardian Angels were trying to prevent from her.

Xenia: Oh man!

Nico: It wasn't real!

Me: Yeah! Hmm. I think Lisa is having fears of Mad Scientist like experiments.

Camie: That could be it.

Lisa Loud: (Sniffles) You're right. That is right.

Eli: Yeah. Thank goodness we stopped that from happening.

Nico: Nice job Murkrow.

Murkrow: Thanks. Now that Opaline is done can I hear the story?

Poromon: Sure. You're not going to like it though. Want some beer though?

Murkrow: Oh no thank you. I drink wine.

Me: Wine is good.

Poromon: Yeah.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough. Let Poromon talk about what happened back then.

Poliwag: Oh right.

Poromon: It all started when we went after Brightburn.

He went down what happened before we went after Brightburn in chapter 1491

---

Later we went to watch TV and eat pizza and burgers at the park.

Poromon: Hey, guys. Look at this lottery ticket that nice Murkrow gave me!

We saw a Murkrow nearby.

Me: Is that a Murkrow?

Nico: Without a trainer? Then again that's not uncommon.

Bowser Jr.: (checks the lottery ticket) Sorry, Poromon. This lottery ticket's expired.

Poromon: (glares at the Murkrow) YOU SON OF A BITCH!

UH OH!

Poromon flew at the Murkrow, grabbed him and took him into the air as the two started fighting each other.

POW POW BIFF BIFF BIFF!

Lola: Should we help him?

Ernie: No. This is just like my fights with Peter. It's best to leave them alone.

Me: Your fights with Peter destroyed much of Quahog, Ernie.

Ernie: That is a good point.

Hagurumon: Look at him go! (to Poromon) BEAT THE CRAP OUT OF THAT MURKROW, POROMON!

Poromon and Murkrow were kicking the living fucking shit out of each other with incredible brutality.

Lola: Whoa! Ernie is this how brutal your fights with Peter were?

Ernie: They sure were brutal. Here's what happened.

He told us everything that happened.

In Da Boom Peter no longer accepts coupons from any chickens after "the incident" with Ernie. During a flashback, the Chicken gave him a coupon, but the coupon was expired. Peter was therefore provoked to attack him. A prolonged fistfight ensued, taking the two combatants all over a downtown metropolis. It appeared that Peter had ultimately defeated the Chicken by slamming his head into a photocopier repeatedly, though the Chicken then did a sneak attack on Peter, putting him in a half-nelson/chokehold, thus resulting in the both of them falling off the office building with Peter landing on him. He was not actually dead, though, as he opens his eye.

In Blind Ambition He returned to assault Peter when he was defending Quagmire. The fight took place at a train station, a cruise ship, and finally an airport. But again, he was not actually dead, despite his head being chopped up by an airplane's propeller, spoofing the scene from Raiders of the Lost Ark; his leg is shown moving into a fist. This fight also had the introduction of the chicken scream.

In No Chris Left Behind After they spy each other, their fight took place from the Griffin house, the sewers, a subway, a building site, an airplane and the Ferris wheel. After this, the two have forgotten what they are fighting about. Ernie takes Peter out for dinner to make up for the fights over a silly little expired coupon. And he brings his wife, another chicken named Nicole and Ernie's name is given by his wife over their dinner. Just as Peter and Ernie seemed to have resolved their differences, another fight ensues when both of them insist on footing the bill. Despite having his brains bashed in by a frying pot he was not actually dead, as he again opens his eye.

In Something, Something, Something, Dark Side Ernie portrays Boba Fett opposite Han Solo, played by Peter. They do not fight.

In It's A Trap! Ernie reprised his role as Boba Fett. Like his character, he fell off the ship into the Sarlacc, played by Meg Griffin. Prior to that, Luke Skywalker, played by Chris Griffin got a lightsaber swipe on him, the closest any character in either special to be even close to fighting him. Solo was about to fight Fett, but Fett had already fallen off when Solo turned around.

In Internal Affairs Peter has another run-in with Ernie leading to another epic fight, this time because Peter accidentally backs into Ernie's car. During their struggles they land on Stewie's time pad and fight their way across time itself, eventually ending up in a genetic research lab and in space. Crashing back to earth on an oil rig, they continue to fight. Their struggles destroy the oil rig and Ernie is seemingly roasted by the rocket engines. But as Peter struggles to shore, Ernie shows he continues to live.

In Yug Ylimaf We get to see a chicken fight played in reverse due to the effects of Stewie's broken time machine. Among other ramifications, Ernie fires a flamethrower at Peter caused in the aftermath of their creating a plane crash that destroys a military surplus store. They crash back into the plane which flies backwards from the crash. Their fight causes a bus on its way to the airport to careen through the streets. At the bus stop, they fight their way back to the surplus store and a grenade is accidentally chucked into a coffee shop window interrupting Seamus as he is about to ask a barista on a date. They continue their fight back through the surplus store window to where Peter hits Ernie on a bicycle by opening his car door in traffic, setting off another chicken fight.

In Fecal Matters When Peter volunteers to work at the hospital as a nurse, he ends up with Ernie as a patient. He refuses to care for him, but finds out that he's dying, declares himself the victor in their long-running feud. Lois convinces him that he needs the chicken, which leads to a flashback of their fights during some soul-searching. When Ernie actually does die, Peter rushes in and violently administers CPR which brings him back, admitting that the he actually enjoys their battles but also doesn't want to be solely responsible financially for the damages that have accumulated.

When he was finished we were shocked!

Me: WHOA MAN! I guess brutal is a total understatement.

Brian: Yeah Peter and Ernie's fights were incredibly destructive. They caused so much death and destruction and property damages.

Me: That's crazy! Lets break them up.

We grabbed Poromon.

Lori: Are you literally proud of yourself, Poromon?

Poromon: That Murkrow started it!

Lynn: And you could've waited for us to bring you two to another planet. What if your fight got into the city?!

Me: Yeah Poromon. Ernie and Peter had a big number of brutal fights.

Poromon: Really?

Ernie: It's true Poromon. Before Quahog was destroyed, we both had brutal fights like you wouldn't believe and it was all because of an expired coupon.

Me: Man that is pathetic.

Laney: No kidding.

FLASHBACK ENDS

When he was done the Murkrow was shocked!

Murkrow: Whoa man! I didn't know what my kind were talking about before. But I hold no grudge against you Poromon.

Poromon: It started a series of epic battles between the 2 of us.

Me: Like how Peter Griffin and Ernie the Giant Chicken were duking it out all because they were fighting over an expired coupon.

Murkrow: Geez!

Nico: I know.

Qin: Yeah.

Nico: Poromon, it was only a few fights.

Me: But Poromon and Murkrow's fights weren't NEARLY as brutal as Peter and Ernie's.

Murkrow: That is true.

Lola: Yeah.

Poliwag: I wanted there to be at least 10 fights!

Nico: Poliwag!

Poliwag: Sorry.

Murkrow: I'm glad there weren't.

Me: Me too.

Poromon: But there are no hard feelings between you and I.

Murkrow: No. I hold no grudge against you.

Nico: Great.

Lola: That's a relief.

Camie: Yeah.

Maria: If there had been 10 fights, there would be lots of property damage.

Nico: Yeah.

Homer: Peter and Ernie destroyed a lot of stuff that was private, government and public. Ugly stories.

Camie: Yeah.

Lola: Poromon and the Murkrow he fought before had fights that weren't nearly that bad thank goodness.

Murkrow: Wow.

Nico: The Murkrow in question was caught by Brittney.

Brittney: It's true.

Murkrow: Wow that is awesome.

Lola: Yeah it sure was.

Me: Yep. That was a fun talk.

Me: Whoa!

Nico: Nice team Agent 47.

Agent 47: Thanks Nico.

Lola: Awesome!

But then…

SPLAT!

A huge egg hit Nico right in the back of his head!

Then numerous eggs splattered al over the Another and knocked him down and I caught the ridewatch and purified it!

Nico: HEY!

Poromon: EGGS! (Licks Nico)

Nico: Poromon!

Poromon: Sorry.

Nico: OKAY WHO'S THE WISEASS!?

?: SORRY!

Overdrive Ostrich came!

Me: Overdrive Ostrich! Whoa!

Overdrive Ostrich: (In a girls voice) That was funny.

Nico: Orla Ostrich! Wow!

Me: You sure hit Nico good.

Orla Ostrich: I know.

Poliwag licked Nico.

Maria washed off Nico.

Me: You guys don't know where those eggs have been.

Orla Ostrich: I know.

Me: You're naked right?

Orla Ostrich: Yep.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Orla Ostrich: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and fired eggs and they hit May and splattered all over her. She reverted back and was a girl with black hair and orange eyes and she had ostrich legs which explains why she lays eggs and she had orange angel wings. She also had an ostrich symbol in the middle of her forehead.

Orla Ostrich: (GROANS) That hurt. (GASP) Oh man sorry May!

Maria: You have ostrich legs!?

Orla Ostrich: Freak accident.

Horsea: We need to revert you back further!

Orla Ostrich: Actually it was a machine accident. I was hybridized with an ostrich and it gave me Ostrich legs and I can lay eggs.

Maria: Wow. Or man eggs in this case.

Orla Ostrich: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome orange clothes.

Orla Ostrich: Awesome outfit.

May: YUCK! These Man eggs smell worse than Mr. Turner's man eggs!

Nico: Funny.

Indiana Jones: Do you have a favorite memory of Nico?

Orla Ostrich: When me and Nico had an awesome egg buffet together made from me.

Lola: Thhat is awesome.

Nico: Yep.

Nico and Orla hugged.

Nico: I've missed you.

Orla Ostrich: Same here.

We later left the simulator.

IT'S GOING TO BE ONE NASTY CATFIGHT!

Lincoln: So, my rescue's taking place in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to meet with Chloe Terryington's parents.

Chloe Terryington: I hope Mom and Dad are doing well.

Nico: You hadn't seen them ever since you came back.

Lincoln: Oh no, she's been to her parents' house to tell them of how she's doing, so she's been keeping them up to date.

Me: That's good.

Daring Do: This should be interesting.

We arrived at Chloe Terryington's home, and we knocked on the door, and when it opened, we were greeted by Chloe Terryington's parents.

Mrs. Terryington: Chloe, Lincoln, you're here. Please come on in.

Lincoln: Thanks, Mrs. Terryington.

We went in, and their home was really amazing.

Nico: Wow, Chloe, your family home here is really amazing.

Chloe Terryington: It sure is, and just like Clara, we're also rich.

Qin: Wow.

Mr. Terryington: We're glad you all came, especially you and Lincoln, Chloe. We've got some bad news.

Eli: What's wrong?

Mrs. Terryington: Chloe, your sister's escaped.

We gasped, including Lincoln and Chloe Terryington.

Lincoln: What?! Your jealousy-crazed, envy-driven, psychopathic, monstrous, and split-personality crazed younger sister, Carrie Terryington?!

Chloe Terryington: Carrie's broken out of prison?! That bitch!

Nico: Whoa, I'm sensing some really bad blood!

Selene Arcangela: You have no idea.

Qin: And she's like the other siblings of the other Dark World Goth Girls: really horrible, mega jealousy-crazed, envy-driven, psychopathic, and monstrous.

Chloe Terryington: You don't know the half of it. I never got along well with Carrie, she always hated me ever since the day she was born, and as we were growing up, she always tried to make me look like really horrible people in front of everyone, but I always foiled her at every turn. But, despite all the repeated warning from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for me escalated even more and she'd escalated her violence towards me into trying to kill me many times in the past. But, I always foiled her stupid murder plots as well and I kicked her ass hard as well.

Lincoln: Yep, and years ago, we foiled her biggest murder plot: she tried to kill Chloe again along with me by hiring local criminals to do it. We killed them and after I found Carrie's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Carrie went way too far and she wound up getting sent to prison, and she swore to get revenge on Chloe for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Chloe.

Nicholette Torrington: And unlike The Dark World Goth Girls, they have no sort of organization or any skills, and they rely on brute force and intimidation tactics, they're just a bunch of brutes.

Lincoln got out the medal for Broww, Huntsman of Dark World.

Me: Uh oh, and I've got the feeling the next Dark World Curse you got is Broww-themed.

Lincoln: Yep. Now, let's head outside and hunt Carrie down.

We headed outside to confront Carrie Terryington. Then, we saw Fluttershy's cutie mark glowing.

Suddenly, we saw a very beautiful and super sexy girl with long pink and yellow headband, pink eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Life Skylanders and Fluttershy's cutie mark on her right arm she has massive and beautiful gold angel wings, she's dressed in a yellow sleeveless blouse, necklace with pink gem for the pendant, white bridal gloves, yellow and pink fancy skirt with pink bow, pink knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, leaves, magic, plants, animals, phoenixes, and angels on the coattails and on the back is the symbol of The Life Skylanders and Fluttershy's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and with her are the five girls.

Lincoln: (GASPS) Anna Medina, Daydream Kindness Princess of Life.

Anna Medina: That's right, and I got the girls away from here before Chloe's ex-sister tried to go after them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same dark brown hair as Chloe Terryington, red eyes of hatred, and she was in an orange prison jumpsuit: it was Carrie Terryington.

Chloe Terryington: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES!

Chloe Terryington went at Carrie Terryington, and they really began fighting each other, but Chloe Terryington had the upper hand on Carrie, and she was literally beating the shit out of Carrie Terryington and Chloe Terryington and Carrie Terryington were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Chloe Terryington: EAT BOOT, BITCH!

Then, Chloe Terryington kicked Carrie Terryington hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Carrie Terryington was NTH-DEGREE MEGA PISSED OFF!

Then, Lincoln inserted the medal for Broww, Huntsman of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Carrie Terryington, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Carrie Terryington and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Huntsman of Dark World, and I also used the medal for Broww, Huntsman of Dark World to give the curse an extra boost, and it was meant only for Chloe's evil sister.

Chloe Terryington: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Renata's not getting out ever again. (To Anna Medina) And it's so good to see you again, Anna.

Anna Medina: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Anna Medina as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Anna Medina was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Anna Medina: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Anna Medina and he hugged her, and Anna Medina is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anna Medina: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Anna Medina, Daydream Kindness Princess of Life, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Fluttershy combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Maria Nightingale and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Maria trained Lincoln a lot with using the powers of Kindness and Life, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lori with a blazing passion because Lori when she had her Dark Side in her was a heartless unkind ruthless Control Freak witch, and Anna Medina has put her in her place more than once: tying her up and throwing her in a cage like the animal that she was.

Nico: Whoa!

Lincoln: Yep, she hates unkind and cruel villains who show that kind of apathetic behavior and cruelty towards innocent people, and she knows all sorts of magic spells to punish them, and now that you're here, Anna.

Lincoln went up to and hugged Anna Medina in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Anna Medina: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anna Medina with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Anna Medina: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Anna Medina, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Anna Medina's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Anna Medina had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Matsuri Aiba, Miya Akino, Natsuki Kugayama, Rieko Makihara, and Umi Kohinata from Boobies Heart ~She's a Beast in Estrus-!?~

Lincoln: Oh wow, it's Matsuri Aiba, Miya Akino, Natsuki Kugayama, Rieko Makihara, and Umi Kohinata from Boobies Heart ~She's a Beast in Estrus-!?~

Ed Cowart: Looks like you rescued some voluptuous hotties from that rotten heartless bitch.

Zackary Nightingale: Ed Cowart.

Zackary Nightingale swung his Mage's Staff and tried to hit Ed Cowart in the head, but he dodged it, and we laughed.

Lincoln: He warned you, Ed. Are you girls okay?

Matsuri Aiba: Yes, we're okay, thanks to you.

Then, when Matsuri Aiba and the other four girls saw who it was that saved them from Chloe Terryington's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Carrie Terryington, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow

Matsuri Aiba: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Matsuri Aiba: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Matsuri Aiba, Miya Akino, Natsuki Kugayama, Rieko Makihara, and Umi Kohinata with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Chloe Terryington's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, jealousy-crazed, envy-driven, psychopathic, monstrous younger sister, Carrie Terryington.

But, when Lincoln showed what Chloe Terryington did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Huntsman of Dark World which sent Carrie Terryington to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Anna Medina have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Chloe's evil younger sister escaped.

Lincoln: She seriously didn't know when to give up.

Nico: Honestly, I would've wanted you guys to send her to The Black Gates.

Me: But, Lincoln made the right move sending her to The Dark World Prison.

Lincoln: I sure did, and she's in for far worse torment there, and once she dies, she's going to get sent right to The Black Gates, along with the rest of the monstrous jealous sisters of the other Dark World Goth Girls.

---

After we took down Carrie Terryington and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anna Medina saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anna Medina: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream

of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Anna Medina: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Anna Medina: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and then, when Lincoln checked the computer, he saw what it was that triggered the alarm: ten massive armies of Flip's musclebound thugs arrived, and they're barreling towards us in a fit of rage.

Me: YOU GODDAMN MUTANT!

Lincoln: That's it, now they're really going to get it. Let's head out!

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts hitting the ten massive armies of Flip's musclebound thugs, and that really pissed them off.

Ed Cowart: We've already got enough on our plates: dealing with trouble from that deranged asshole, we don't want that mutant adding on more trouble.

Nico: True, but I do enjoy pissing him off badly.

Me: So do the rest of us.

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes, and we headed home and continued our workouts.

Suddenly, we then heard Flip bellowing with rage again!

Nico: Yeah, fuck you too, mutant!

Me: Now, he's really making things worse for himself.

Lincoln: He's already getting himself in even more trouble, and it won't be long before he finally gets his death sentence, and we're already looking forward to it.

Lincoln's Guardian Angels were already sharpening axes and were more than ready to split Flip's head in half.

Selene Arcangela: If he fucks up one more time, we're chopping his three butt-cheeks off and when December comes, he's getting his head chopped off

We got a shower, and then, Lincoln, T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black swim briefs with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant

Ninja Turtles 1987) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Archer Bowkin: Wow, so this is Coral Capers. It sure is beautiful.

Lincoln: It sure is, Archer, and it's perfect for our first date. Shall we?

Lincoln, T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking

Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) and they hugged the girls in their abnormally massive and powerful muscular arms and T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) are in your harem, Linky.

T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987) showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill T-AI, Archer Bowkin, Simulator April O'Neil (Rise of the Teenage Mutant Ninja Turtles), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2012), Simulator April O'Neil (Teenage Mutant Ninja Turtles 2003), and Simulator April O'Neil (Teenage Mutant Ninja Turtles 1987), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder Clyde and the girls in his harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale!

---

Later it was time for number 2 of Super Mario Odyssey.

Nico: We're going to Cap Kingdom Again.

Qin: Awesome.

Laney: Must be because of Goombas still there.

Camie: Yeah.

Whenua: Me and Onua will go.

Nico: Okay.

They went into the simulator and it activated and they were at Cap Kingdom again.

Whenua: Awesome!

Onua: This is gonna be good.

Nico: Any tips Nicole?

Nicole: (On the radio) Well no bosses this time here so it's all goombas from here on out.

Nico: Okay.

Nicole: So just blast them all like you do before.

Nico: All right then.

Whenua: It sure will be cool.

Onua: I hope the 3rd mission here will be different.

Nico: Same here.

?: We'll help too.

Out came 2 figures. 1 was a girl with blue hair and had blue eyes and she was dressed in a blue bikini and had blue angel wings and she had the kanji for Storm in the middle of her forehead and she had a necklace with the Blue 6-Star Dragonball on it. The second was a girl with blue hair and blue eyes and had blue clothes and blue wings and she had a tiara with the symbol of Burst Man on it.

Olivia Oceanus Shenron: Olivia Oceanus Shenron - Embodiment of Oceanus Shenron the 6-Star Dragon of Wind and Water.

Bianca Burst: Bianca Burst - Embodiment of Burst Man.

Onua: Awesome to see you again Bianca!

Whenua: Same here.

Bianca Burst: Been a while Onua and Whenua.

Nico: Awesome! We can catch up later. Lets go get those Goombas.

Whenua: Lets do it!

They were off to get those Goombas!

Nico: Here they come!

They saw a lot of them

Olivia Oceanus Shenron: Here it comes! AIR SHATTERING ENERGY BALLS!

She fired numerous balls of wind energy and blasted them all over the place!

Nico: NICE! I take it you're in a bikini because of the wish that Oceanus Shenron was born from.

Olivia Oceanus Shenron: That's right. A pair of underwear.

Nico: Oh boy.

Olivia Oceanus Shenron: I know.

Nico: (gets out Dr. Cabelleron and Leon's Ridewatches) Time for this chameleon to hunt for some treasure!

Nico activated them and swiped treasure left and right from Goombas.

Whenua and Onua blasted them and so did Bianca burst. They got more moons!

YOU GOT MORE POWER MOONS!

Nico: YEAH!

They all high five!

Nico: How did you meet Whenua and Onua?

Bianca Burst: I met them when they were fighting the Bohrok Kal. It was intense and also brutal fight.

Nico: Wow!

Whenua: Yeah that was a cool battle.

Onua: Yep.

Olivia Oceanus Shenron: That is a fun battle though.

Nico: Yep. Would you two like to join the team?

Bianca Burst: We would be honored.

They left and we cheered for them.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later I was walking back to the living room and then we heard the mascots crying.

Me: Uh oh.

Twilight Sparkle: What's wrong guys?

Me: Yeah.

Poromon: (WAILING UNCONTROLLABLY)

Poliwag: (CRYING) THIS!

We saw a VERY MEAN COMMENT POSTED TO THEM! IT WAS A RACIST COMMENT AND IT WAS FROM A JERK NAMED ETHAN AND HE TOLD THE MASCOTS TO GO KILL THEMSELVES AND THAT THEY ARE STUPID AND REPULSIVE MONSTERS! IT CALLED THEM HORRIBLE NAMES AND RACIST SLURS!

When we were done NICO AND ME WERE SHOCKED AND ENRAGED!

Me: WHY THAT MOTHERFUCKING PIECE OF SHIT TROLL!

Camie: A troll?

Me: Oh it's a slang term. It's an Internet Troll. Someone who's a total jerk and asshole and posts mean comments on the internet and makes people upset.

Nico was shaking his fist.

Me: Nico? Are you okay?

Nico: (ENRAGED) I WILL KILL THAT GUY! I WILL KILL HIM!

Eddy: I SAW WE BURN DOWN HIS HOUSE!

Me: Get me some Molotov Cocktails!

Nico: YEAH!

Nicole: I traced him to an abandoned house.

Nico: Leave this to me.

Nico teleported to his house.

THEN WE HEARD SOUNDS OF FIGHTING!

We went to see and we saw Nico beating up a fat jerk that was as old as Comic Book Guy!

Nico: YOU REPULSIVE APE! NO ONE INSULTS OUR MASCOTS!

Jerk: YOUR MASCOTS CAN GO FUCK THEMSELVES!

Aladar: You ever want to hear a dinosaur roar?!

Jerk: What?

Aladar roared in his face!

ROOOOOOOOAAAAARRR!

Nico punched the jerk all over and went apeshit all over him!

Nico: YOU HEARTLESS ASSHOLE JERK!

Homer: WHY YOU LITTLE! (STRANGLES THE JERK) I'LL TEACH YOU TO BE A JERK TO THE MASCOTS!

Fellbat: Lets save the burning house thing for when we see a meth lab in a farm.

Me: Good idea. In the meantime lets beat up this motherfucking troll!

Nico: Right!

We mangled him up and beat him to a pulp!

POW BLAM SMASH WHOMP BIFF KROW SMACK WHAM!

Maria: Hey! There's another troll with him!

Maria jumped him too and strangled him!

Maria: YOU MOTHERFUCKING PSYCHOTIC SLOB! NO ONE AND I MEAN NO ONE SAYS ALL THAT TO HORSEA!

Jerk 2: YOUR HORSEA IS A BIG DUMB SACK OF CHUM! AND SHE DESERVES TO DIE!

Maria then grabbed his tongue and ripped it right out of his mouth!

SQUELCH!

Nico: YOU THINK THIS IS FUCKING FUNNY YOU JERKFACE?! YOU ARE A DISGUSTING SACK OF FILTH AND YOU DON'T DESERVE TO USE THE INTERNET LIKE THAT! YOU THINK YOU'RE SO MUCH BETTER THAN EVERYONE THAT YOU WANT TO HURT EVERYONE THE WAY YOU DO!? Let me warn you that if you ever bully the mascots again I will find you and I WILL FUCKING EAT YOUR FUCKING LIMBS! DO YOU FUCKING UNDERSTAND ME YOU MOTHERFUCKING PSYCHOTIC FUCKWEED FREAKS!?

May: YEAH!

Sheila: WAIT! I know these two?

Me: You do Sheila?

Sheila: Yep. They are Cameron Travis and Ethan Victor.

Me: Wait you mean the two jerks that got banned for life from the Internet for Cyberbullying?

Sheila: The very same.

We took them back to the estate.

Chromia: Hey guys. We have a surprise for you.

We showed them the jerks.

Me: Okay you two! APOLOGIZE! NOW!

Camie: YEAH!

Cameron Travis: FUCK YOU!

I snapped his leg like a twig and he screamed in pain!

Me: Do it!

Cameron Travis: NEVER!

I broke his fingers!

Me: Don't make me kill you!

Nico: Oh, we don't need them to apologize. We just came to show their sorry states

Manaphy: You guys really roughed them up.

Maria: Yep.

Nico: It's what they get for being internet douchebag trolls.

Deadpool: Yep. (To the viewers) If you are a Troll on the internet you better be ready for the biggest asskicking of your life!

Me: That's right! (To the viewers) If you are a troll! FUCK YOU!

Nico: You tell them!

Eli: Yeah!

Nico: Feel better?

Poromon: Much better!

Me: Good. Sheila, Tom, get these motherfucking douchebags out of here.

Sheila: With pleasure.

They took them away

Slog: Boss, who shines today?

Nico: Lewa and Valient.

Lewa: All right!

Qin: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a group of Cootie-infected kids led by a girl named Shelley Linker, who became infected after eating a chicken nugget that was contaminated with a mutant virus. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I

just had a vision and I saw who it was that we're going to confront today, it's none other than a group of Cootie-infected kids led by a girl named Shelley Linker, who became infected after eating a chicken nugget that was contaminated with a mutant virus.

We gasped.

Me: Oh no, not again!

Nico: That's it, we're going to cure the kids, and then, we're going after the Chicken Nugget company that made those nuggets and bring them down.

Lincoln: They're looking at spending hard time in prison and we're going to put them out of business.

Nico: That is for sure!

The previous group came.

Carmen Dillo: Can me, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, and Box Ghost go with you guys?

Nico: Yes you all can come with us.

Me: We got big trouble.

I told them everything.

Dr. Destiny: You got to be fucking kidding!

Me: I wish we were.

Fuse Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Mega Man X3 Robots next. Toxic Seahorse next.

Me: Poisonous.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Demon, the overarching antagonist of the 1983 animated musical film Rock & Rule, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to The Demon, the overarching antagonist of the 1983 animated musical film Rock & Rule, and he's coming here to destroy us.

We gasped.

Me: Uh oh, that's not good.

Nico: Come to think of it, we've not been to the world of Rock and Rule yet. Looks like RD Sebastian must've sent The Demon after us.

Wendy Saber: Well, that's not going to stop us. We're destroying The Demon after we take care of our big emergency first.

Lincoln: Right, Wendy.

Nico: If you guys start using Wonder Ride Books against The Demon, I hope you guys tear him apart. Alright, gang, let's go, we've got to cure Shelley Linker and the group of Cootie-infected kids.

Lincoln: And go after the the Chicken Nugget company that made those nuggets and bring them down, and once we get through with that, The Demon of Rock and Rule is next.

Wendy Saber: Your story ends here, Demon of Rock and Rule, your reign of terror dies here with you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to cure Shelley Linker and the group of Cootie-infected kids and go after the the Chicken Nugget company that made those nuggets and bring them down, and once we get through with that, Wendy Saber and Lincoln are going to destroy The Demon from Rock and Rule.

We were off to Fort Chicken, Illinois

---

We arrived.

Dirty Bubble: Is this it?

Me: Yep.

We saw Fort Chicken, Illinois. It was deserted and everyone had their homes boarded up and they were hiding.

Me: Like in Nico's rescue they are all in hiding.

Xenia: Yep.

Nico: Boy deja-vu.

Camie: Yeah this is awful.

Lola: Yeah.

Dirty Bubble: So what happened here?

Me: Kids infected with a mutant virus from tainted chicken nuggets.

Dr. Destiny: It's true.

Battletrap: They could be anywhere.

Me: Good thing we got plenty of the antidote.

Nico: Yep.

Me: Look.

We saw a little girl and she was wandering around like a feral animal.

Nico: There's one.

Dirty Bubble: Lets kill her!

Me: Absolutely NO FUCKING WAY! That goes against our code.

She spotted and growled.

Swordsman: Unfortunately, she doesn't feel the same way towards us!

I fired a tranquilizer dart full the antidote and it hit her in the arm and she fell into my arms as she fell and I caught her and then she was back to normal.

Girl: (Groans) (BREAKS DOWN CRYING)

I comforted her.

Lola: Poor girl.

Varie: Better get the medical transport ready for this.

Thunderblast: Let's find where the nuggets are kept and analyze one of them.

Me: The best place for that is in the school.

We flew off to the school and went in.

Nico: Stay close.

We went to the school and then went into the cafeteria.

We looked around.

Me: Lets see. Aha!

I found some uneaten Chicken Nuggets and they had dark green spots on them.

We got to analyzing them.

Lisa Loud: I had a feeling that this was the dirty work of Royal Defenders Sebastian! Look here. The virus is coated with traces of Catalyst C77. Megakat Biochemical Labs reported a shipment of it stolen 3 days ago.

WE GASPED IN HORROR!

Lincoln: So, it was RD Sebastian who did this!

Nico: THAT FUCKING DERANGED PSYCHOTIC SICKO!

Me: I figured that deranged psychotic sicko would be behind this mess! He must've slipped it into the chicken nuggets at the factory when they weren't looking.

Onyx ate some of the nuggets.

Nico: Oh! Dude!

Onyx: Oh, c'mon! It's not like we'll be affected by them.

Lisa Loud: Thank goodness it doesn't. The virus only affects children from ages 6 to 12.

Nico: Well that's a relief.

Lisa Loud: Luckily we have made enough antidote for every child here.

Lincoln: Awesome. But, that deranged psychotic sicko's crossed yet another line. When Halloween comes, I'm gonna tear him to shreds along with every last version of him from the different versions of Earth.

Me: I hope you tear his heart out and eat it.

Lincoln: BLECH! His heart will taste like sludge and tar! I'd rather settle with ripping him apart.

Nico: Good idea.

Me: Thank goodness we're not going to be affected because of our powers.

Nico: True.

Lincoln: Nonetheless we still got to sue the hell out of the factory for this.

Xenia: Yeah.

Stewie saw another kid growling at us and shoved a carrot in the kid's mouth.

Stewie: Try some veggies!

I fired a dart and it hit the kid and cured him. It was a boy.

Me: You okay?

Boy: (Groan)

He was knocked out.

Me: Royal Defenders Sebastian Is really starting to piss me off!

Nico: That psychotic sicko!

Me: No offense Sebastian but I'm getting really sick of these evil versions of you.

Sebastian Mendez: None taken J.D. but yes I feel exactly the same way.

Waffle Woman: We're still sueing them!

Nico: Yeah!

Lincoln: Some of them may be looking at jail tilme too.

Nico: For murder and bioterrorism.

King Dedede: I see more incoming!

5 kids came!

Camie: I got this!

She fired darts and they hit the kids and cured them.

We picked them up and Varie put them in the medical transport.

Nico: All these poor kids. Royal Defenders Sebastian is a TRUE BARBARIAN!

Box Ghost: I think they're coming out of somewhere.

Hinata: Let me see! BYAKUGAN!

She activated her Byakugan and found that they were tunneling through the floor under the front door!

Hinata: They are digging under the front door!

Nico: Uh oh!

7 more kids came and Tsuyu and Sirius fired darts and they hit them and cured them.

Rose the Huntsgirl: I think Box Ghoost means they're coming out of a different place.

Nico: Nonetheless we got to cure all these kids. Lincoln send a telepathic message telling everyone here that their kids are coming home cured.

Lincoln nodded.

Nico: Now we got to head to the roof and cure all these kids.

Rojo: No need to tell me twice!

We teleported to the roof.

Xenia: Lock and load everyone.

Nico: Right!

We loaded up and more.

Charge Man: I can see what Box Ghost is talking about. They're coming out of that building over there!

We saw the building.

Me: Yep there it is.

Nico: Oh boy.

Camie: This will be good.

Me: Lets get over there.

Jet: Lets clear a path!

I fired waves of darts and they hit the kids and cured them.

Nico: ENTRANCE TIME!

We went at the building!

The kids were wandering around and then the spirits of chickens came and swirled around them and then converged and then…

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion went off above them and a phoenix cry was heard and we came out!

Tenten: Take this!

She swung her scroll and fired numerous darts and they hit the kids all over and cured them.

More kids came!

Blizzard Man: You kids need to chill!

He fired waves of ice and froze their feet and we fired more darts and they hit the kids and cured them.

Varie and the medical units were working hard and thaking the kids to the infirmary.

Dr. Destiny: This is one nightmare they need to wake up from!

Eli: Darn tootin John!

We fired more darts and they cured them.

Lola: YEAH!

Xenia: Take that!

Thorn: Now, where are the owners?

Me: The factory comes later. Right now curing the kids are the top priority!

Nico: Yep.

We blasted more darts and cured them.

Varie: Hang on kids!

We then saw the Owner

Owner: Stop right there!

Brain: Or we could take care ofboth problems.

Me: Are you the owner of the chicken nuggets factory?

Brian Laurence: That's right. Brian Laurence owner, president and CEO of the Fort Chicken Poultry and Production company.

Qin: Whoa terrible scar.

Me: Yikes.

Brian Laurence: I told the factory to stop production immediately. But it was already too late. The damage was already done.

Me: I think that's an understatement.

Nico: Some of your employees might have been on board willingly!

Brian Laurence: Yes. That's right. Royal Defenders Sebastian gave them the formula for the virus and paid him a huge sum of money to do this.

Me: What was the reason?

Brian Laurence: He wanted to get you to break your code and become true barbarians like him and kill kids.

WE GASPED!

Me: Like that'll ever happen! He totally underestimated our will power.

Nico: Sure, we've killed some kids. But only when there was no other option!

Me: And that is only for those that have zero remorse and no souls and no conscience.

Xenia: That's right!

Qin: What happened to these kids made them pawns in a terrible plot by one of our enemies.

Me: Luckily we made the antidote for this disease here.

Brian Laurence: I'm glad you did. After you cured all these kids I am willing to accept any punishment you can give me.

Me: We'll deal with that later. Right now curing all these kids is top priority.

Nico: But when this is over, maybe we can get you a job at McDonalds's.

Brian Laurence: I would like that. I actually grew tired of that company anyway.

Nico: Okay.

I fired darts and cured more kids.

Valiant and Lewa charged at them and hit them with darts and cured them.

Camie, Tsuyu, Himiko, Sirius and Ochaco hit the kids with darts and cured them.

Lincoln: Alright, Lisa. NOW!

Lisa fired syringes filled with the antidote into Shelley Linker and the group of Cootie-infected kids and all of them were cured. But, when the memories of what happened came back into their heads, all of them ran to us and hugged us tightly and they cried their hearts out, and that really hit us in our hearts. Now, we were absolutely pissed at the company.

Lincoln: We'll get you all the help you need.

Lincoln beams Shelley Linker and the kids to Gotham Royal York and to Ino's family for help, and he was now pissed off as he grabbed the CEO of the company by the collar.

Lincoln: You and your company have a lot to answer for, and we'll make sure your company never does this to another child ever again. (Fires rainbow energy that turned into handcuffs and ankle cuffs and shackled the CEO and the executives) Take them away, Sheila, and get them to the courthouse.

Sheila: Already on it.

Sheila and Tom Lair loaded the CEO and the executives into police vans and took them away to the courthouse to face trial. Lisa holstered her massive greatsword on her back and powered down, and Lisa's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve green orbs orbiting around her legs, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Nico: Oh man, Lincoln's really pissed now! He's gonna be asking for billions of dollars in damages from them!

Lisa Loud: With the amount he'll be asking for, he's gonna drive the company into bankruptcy and ruin.

Lincoln: There's only one way to hurt a corrupt CEO and the executives of a bad company: suing them and asking for billions of dollars in damage for the pain they've caused. Now, there's one last thing to do and one last loose end to tie up: The Demon, the overarching antagonist of the 1983 animated musical film Rock & Rule.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire blasts that came from nowhere and hit the barrier, but it stood strong and the fire blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of fire and brimstone, come on out, foul demon of Hellfire, or we will force you out.

Then, a large monster came out, and it was none other than The Demon from Rock and Rule.

Nico: That's the Demon from Rock and Rule?! UGLY!

Me: Yep, I'd seen him before and he's really really dangerous.

Wendy Saber: But, this is where his reign of terror ends along with his story.

Suddenly, Wendy Saber's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, elemental forces, books, swords, phoenixes, and angels, she unholstered the Xross Saber and as she approached The Demon from Rock and Rule, she left blue energy, stars, elemental forces, books, swords, phoenixes, and angels with every step.

Wendy Saber: You make me absolutely sick to no end, you monstrous demon. You used Mok Swagger who was basically nothing more than a scumbag and once you were released, you eventually planned to corrupt every living thing, so that you can take over the world. RD Sebastian crossed another line summoning you, and for that, we're ending you once and for all.

Suddenly, Wendy Saber was surrounded by a massive vortex of blue energy with stars and elemental forces surrounding the vortex, there are books, swords, phoenixes, and angels flying around the vortex, and in the vortex is a rainbow phoenix with red eyes glaring at The Demon of Rock and Rule: the red eyes of eternal death.

The Demon (Rock and Rule): (DEMONIC ROAR) YOU! YOU! I WILL KILL YOU ALL!

The Demon from Rock and Rule went after Lincoln and Wendy Saber in a fit of rage, but Lincoln and Wendy Saber clashed with The Demon from Rock and Rule and it was really fierce and they pushed him back. Then, they fired rainbow and blue energy blasts and Cosmos blasts at The Demon from Rock and Rule and Lincoln and Wendy Saber summon angels to attack The Demon from Rock and Rule and he was really scarred by their furious attack. Then, Lincoln and Wendy Saber punched him hard in the face and stomach as he crashed back first into a wall and landed on the ground on his back.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Reads Verse) The Icy Lion of The Frozen North arises from the icy tundra to protect the frozen lands and send the allies of evil to their icy grave!

The ice lion fired a wave of ice which hit The Demon and froze him in his tracks. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Demon's chest, and then, Lincoln began absorbing The Demon from Rock and Rule into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Demon from Rock and Rule, and he banished him to The Black Gates. We cheered wildly for what Wendy Saber and Lincoln did as they holstered their massive greatswords on their backs and powered down and Wendy Saber's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve blue orbs orbiting around her legs, and massive rainbow angel wings are permanent.

Wendy Saber: Burn in Hell forever, you bastard. Thanks for helping me destroy The Demon from Rock and Rule forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Wendy.

Suddenly, Wendy Saber wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Wendy Saber's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Kamen Rider Grand Xross Saber flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and The Wonder Ride Books behind them and we cheered wildly. Then, Lincoln and Wendy Saber sucked in and absorbed the elemental forces and Wonder Ride Books and they came back to us as the display vanished.

Me: That was one awesome battle, you guys!

Lincoln: And when Taylor and the other Kamen Rider Saber Embodiments put their Wonder Ride Books onto my greatsword, it transformed into a Universal Literature Greatsword.

Nico: And The Demon stood no chance when you summoned The Immortal Phoenix and Lion Senki on him.

Me: Using Fire and Ice on him, that was so awesome. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Rebecca Hernandez, Daydream Loyalty Princess of Air.

Selene Arcangela: Awesome, and you guys will love meeting her. Rebecca Hernandez is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Rainbow Dash combined with the powers she has being Lincoln's Guardian Angel and she's an awesome and talented athlete. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Rebecca Hernandez and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Rebecca trained Lincoln a lot with using the powers of Loyalty and Air, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lynn with a blazing passion because Lynn when she had her Dark Side in her was a sore loser and a super-aggressive, belching, farting, superstitious, bad-tempered gorilla, and Rebecca Hernandez has put her in her place more than once: tying her up and throwing her in a cage like the stupid ape that she was.

Me: I remember her all too well. She's literally an awesome and talented athlete with skill and talent.

Luan: But, Lynn despised her and hated her so much, she tried to kill her and Lincoln, but the stink of Lynn's armpits and B.O. easily ratted her out, and they clobbered her into the ground and they tied her up and threw her back into her cage like the stupid ape that she was.

Luna: Which always ended with Lynn pounding on the door of the cell and tried to escape, but when Nicholette gave her the finger again, it made her so mad, she roared like an animal and beat her chest like a gorilla.

Lincoln: Yep, and Lynn got what was coming for those dumb stunts.

Grodd: Is that all of them?

Goliath: It looks like it.

Nico: Yep.

Calamitous: (to Brian Laurence) So, you'll agree to community service.

Brian Laurence: I will.

Skinner: Great!

Ben Ravencroft: Do you want to work at McDonald's or Burger King?

Brian Laurence: Burger King is good.

Me: Okay then.

Nico: Ino is going to be in for a helluva challenge.

Qin: I know.

Nico: Great job today everyone.

Applejack: (To the viewers) Be careful with what you eat.

Qin: Yep. And also don't be a jerk on the internet.

Xenia: Or else.

We later told everyone about what happened to their kids and they agreed to see them at the estate and help them. Also we went back home and enjoyed the rest of the day and went to sleep.

Me: Nothing like heading to the park for some fun and rest and relaxation.

Nico: No kidding there!

Lola: Yeah no kidding. But it is still fun and cool.

Nico: Yeah.

Kate Lloyd: I'm really excited for this too.

Nico: Kate, I want to thank you, Agent 47, and your teams for coming

Kate Lloyd: No problem Nico. Even though I'm always with you guys it's always awesome.

Me: It sure is.

Trina Thing: I'm really excited for this too.

Me: Yeah.

Nico: Trina what do you like to do in your free time?

Trina Thing: Not really sure. I've been trying to figure out how I was able to become who I am and managed to get so many aliens woven into me. It's a mystery.

Me: With over 10,000,000 aliens in you that is a mystery.

Kate Lloyd: Especially with that creature being a terrible monster that haunted my nightmares for a long time.

Nico: Yeah that was awful.

Trina Thing: Kate, MacReady, I'm really sorry about what happened to you guys down in Antarctica. That was really horrible.

MacReady: It sure was. The Thing killed everyone we know.

Laney: And caused dissension among everyone it came into contact with.

Xenia: Yeah.

Nico: At least there were no zombies.

Nicole: Maybe so but that company really caused a lot of damage all because of Royal Defenders Sebastian!

Nico: Yeah.

Lola: No kidding! That was awful!

Xenia: Yeah no kidding!

Lola: Yeah.

Nico: At least there were no zombies.

Nicole: Maybe so but that company really caused a lot of damage all because of Royal Defenders Sebastian!

Nico: Yeah.

Lola: No kidding! That was awful!

Xenia: Yeah no kidding!

Lola: Yeah.

Nico: But the owner surprisingly came quietly.

Me: He sure did. Royal Defenders Sebastian RUINED his entire company.

Xenia: Yeah he essentially murdered that WHOLE company.

Me: Yeah. No kidding. What a heartless monster!

Lily: (YAWNS) But just hold on guys. He will die tomorrow on Halloween.

Me: I know Lily.

Xenia: Yep.

Maria: How's he doing in Burger King?

Me: Much better than his old job.

Xenia: That's good. I can tell he hated being the President and CEO.

Maria: I can tell too. But all those poor kids. They were just starting to heal up and Royal Defenders Sebastian REOPENED all their old wounds and made them worse than ever!

May: I know! That is terrible!

Me: No kidding! Well just hang on guys he only has until tomorrow.

Nico: Yeah.

Eddy: We kept all the nuggets though. It's not like they can affect us.

Me: We'll use those for future use just in case this happens again to synthesize more of the antidote.

Lisa Loud: Good thinking there.

Me: Yep.

SPLASH!

Me: Huh?

I stepped in a stream of water flowing down the street.

Me: Uh oh. Did a pipe spring a leak?

Maria: Wasn't me!

Me: I know it wasn't you Maria. I was referring to pipes that might have burst.

Nico: I don't see anything.

Eli: Wait look!

We saw a bunch of people come and they were soaked to the bone and dripping wet!

Xenia: WHOA! You guys are soaked!

Man: Yeah we were relaxing in the park and then it turned into a LAKE.

Me: A lake!?

Laney: A lake!? How did that happen?

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that Lou Gubrious is crying up a HUGE STORM and flooding the park and overflowing the lake with tears.

We gasped. Suddenly, the rest of the team arrived.

Me: WHAT?!

Nico: Oh, if I find out RD Sebastian busted him out, I'm gonna… !

Nicole: He did bust him out.

Eli: That piece of crap!

Lincoln: Easy, Eli. Besides, it won't be long now. Tomorrow, on Halloween night, that is when he finally meets his ends.

Lori: The sooner the better, and I'm literally looking forward to ending him after what he did in trying to destroy us with those nightmares he conjured.

Lynn: He's gonna regret this.

Me: Yeah!

Camie: Who is Lou Gubrious?

Me: One of the Powerpuff Girls enemies. He is one of the most miserable villains we've ever seen and he is always crying!

I went over his history.

---

Lou Gubrious, also known as Hal Larious, is a minor antagonist from the Cartoon Network original series The Powerpuff Girls, only appearing in the episode "The City of Frownsville".

He was voiced by Dee Bradley Baker.

The Carnival of Happiness came to Townsville and everybody in The City of Townsville was as happy as could be, especially Bubbles, of the Powerpuff Girls. She went to the carnival so she could enter Townsville's 6th annual "Happiest Citizen Contest".

However, not everybody in Townsville was happy, because off the coast of the city, sat a big dark castle, on a rocky island. In that castle, lived a very sad and miserable man named Lou Gubrious, who spent his days crying his eyes out. His tears came out in giant, flowing, uninterrupted streams, enough to fill up the retreats of his mountainous island, and create a myriad of waterfalls, all over the island, which would flow naturally into the ocean around it.

Lou Gubrious complained and whined about how everybody in Townsville was happy, while he was sad. He devised an evil plan to make everybody else in Townsville sad, while also making himself happy. Lou had invented a machine called "The Miseray", which when activated, would take all the misery from himself, and send it out, to the rest of the world, while also taking the happiness of others, and inject it into himself.

When Lou activated the machine, an aura of depressing radiation swept The City of Townsville, and successfully made everybody in the town, start bawling their eyes out, acting in a depressing way, and ruining everybody's life. This included The Powerpuff Girls, Professor Utonium, The Mayor, Mrs. Bellum, and The Talking Dog.

Lou Gubrious walked into Townsville, while everybody around him was crying. For once, Lou Gubrious was not crying. In fact, he was not even sad at all. He was overjoyed and had a bright and beaming smile on his face. Lou introduced himself by his new name, "Hal Larious", and accentuated his happiness, by prancing around Townsville, mocking everybody, who was sad. He went up to Bubbles, who had just won the "happiest citizen" contest, but said that due to recent events, there should be a recount on the winner. He then took the trophy for himself and gloated to Bubbles about how he had lost the contest to her every year, since the contest started, and was joyous to have finally won the contest for once.

The Professor told the Powerpuff Girls that if people keep crying at this rate, Townsville will be flooded with tears in 10 minutes. However, once the Giant Fish Balloon Monster started crying his eyes out, the Professor said that the time would be shortened to 5 minutes, considering how many eyes the Fish Balloon had and how large he was as well. The Powerpuff Girls tried to cheer people up, by going around and telling jokes, hoping that it would make people laugh, and put an end to all the crying, but all their attempts to get as little as one chuckle out of even the most jovial of citizens, proved to be completely fruitless.

Bubbles told a joke to a pigeon, using a banana as a prop, but it did not work. Bubbles peeled the banana and threw the peel away. Hal Larious just so happened to be passing by, while this happened, and while everyone in Townsville was watching, Hal slipped on the banana peel in the most hilarious and comical way possible, which made everyone else laugh their heads off. Hal was both hurt and humiliated, prompting him to start crying again.

Everything went back to normal in Townsville, and everyone (except for Hal) was happy. The formerly hilarious Hal Larious was now back to being the lugubrious Lou Gubrious, but he was not allowed to go back to his island of sadness. Now, Lou Gubrious was working as an unpaid employee at the carnival of happiness. There was a log ride at the carnival and Lou was chained up in shackles at the beginning of the ride. There, he cried nonstop, providing a waterfall, to make the log ride function for free. Lou presumably spent the rest of his days working this involuntary job, and he quoted that it only hurts when he laughs.

---

When I was done everyone that hadn't heard about it!

Camie: He's always crying like that!? Oh poor guy!

Sirius: Geez! I feel sorry for him!

Nico: Yeah this guy is a total sadsack. He just can't stop wallowing in self pity!

Xenia: Poor guy.

Eli; Man no kidding.

Lola: Yeah no kidding. And his Miser-Ray made us stronger and more powerful because of our powers.

Me: The negative energy we absorbed from it made us more powerful. We not only absorb hatred but sadness too.

Earth heard a Pokemon cry.

Earth: Hey look!

We saw a Marill crying.

Me: Oh it's a Marill.

Qin: Oh the poor thing.

Earth: Are you okay?

Marill: (WAILING) The man's crying is MAKING ME SAD!

Nico: Oh poor thing.

Earth: Oh it'll be all right.

Ed: Ed puts his foot against by back at Marril. His big toe has a face painted on it.] "Hello, Marril. Why are you such a sad sack?" [He brings up his other foot. There is a face on its big toe as well.] "'Cuz a big crybaby made her unhappy. Oh, pardon me." [Ed unfurls the rest of his toes, each of which has a face on it, and laughs.] "I should be in show business."

WE LAUGHED!

Eddy: (LAUGHS)

Ed: [sticking his feet up] "Hello, I am Stinky. And I am Clammy." [He laughs.]

WE LAUGHED!

Marill: (LAUGHS) THAT'S FUNNY!

Me: (LAUGHS) Okay that was funny Ed!

Eddy: (LAUGHS) Way to go Lumpy.

Earth: Feel better, Marril?

Marill: I sure am. That was funny!

Me: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it

looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical

strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Lou Gubrious) AHA! Gotcha! I just spotted Lou Gubrious, he's 20 yards away in the park and nearby lake on an island.

Nico: We better stop him at once!

Lincoln: Before he floods the park and overflows the lake. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Lou Gubrious.

We were walking into the park and we spotted Lou Gubrious and he was on an island crying.

Lincoln: There he is.

Me: Let's get him. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I transformed into Wolf Moon 🌙 .

Lincoln: And I've got a surprise in store. UNIVERSE 666 TRIXX, LET'S POUNCE!

Lincoln transformed into a white version of Rena Rouge as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in white fur, his deep sapphire eyes and rainbow iris of his Third Eye turned green with the slit pupils of a fox, his fangs grew longer and his rows of straight teeth turned into fox's teeth, and his nose turned to a fox's and grew a fox's snout, his massive white angel wings remained the same, his eleven massive and long white wolf tails turned into eleven massive and long fox tails and the rainbow tips and rainbow markings remained the same, his large white wolf ears on his head turned into large white fox ears, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same.

Nico: WHOA!

Lincoln: Surprised? In this form, I'm known as Flame Fox.

Eli: Cool.

Lincoln: Now, here's where things get really heated.

Me: Yep.

Camie: So that's him?

Me: Yep.

HE WAS REALLY CRYING HARD!

Camie: Oh poor guy!

Twilight Sparkle: He is really crying hard.

Applejack: Oh the poor guy.

Eddy: Oh this is gonna be too easy!

Lou Gubrious: Listen to them, the citizens of Gotham Royal York, they all sound so, so happy… and I am so… MISERABLE! (SCREAMING WAILING)

(A fresh spate of sobbing strikes him on this last word; lightning flashes from the overhead cloud)

WHAT A BABY!

Nico: Poor guy.

Stella Zhau: Man he is more miserable than he was before.

Me: Well normally we would feel sorry for him. But not this time!

Eddy: Oh he's gonna be even more miserable!

Lincoln summoned eleven fox flames on the tips of his eleven tails and he tossed them at Lou Gubrious which burned him and sent him flying into a tree, and we landed.

Me: I should've known you'd break out, you sack of misery!

Nico: RD Sebastian's already pissed us off more than once, but he'll get what's coming to him.

Nico: How about we snap our fingers?!

Maria: Only as a last resort!

Me: It's worth a shot!

I snapped my fingers and then it split him into 2 of him! One was his happiness and cheerfulness and joy that was covered in darkness. And his crying side was really CRYING!

Nico: Not the outcome I was expecting! But this works!

Maria: One side for the redemption squad and the other for the M.O.E.

Qin: We should have thought of that earlier.

William: Maybe something that can absorb water!

SpongeBob: Leave that to me!

SpongeBob sucked in all the tears and he was bloated!

Nico: Nice one!

Samantha Solar Flare: Time for us to end this!

Suddenly, Cynthia Chum's pink eyes turned neon pink and she was surrounded by a red and pink energy aura with stars, chum, phoenixes, and angels, and as she approached Lou Gubrious, she left red and pink energy, stars, chum, phoenixes, and angels with every step.

Cynthia Chum: I should've known Sebastian's Royal Defenders twin would bust you out to cause a flood and destroy our city, that blood-crazed psychopathic basket case has already pissed us off with plaguing Lincoln and his sisters with nightmares and letting out some of The Royal Defenders' old enemies and getting old enemies of Lincoln's Guardian Angels involved as well. But, you're not much of a threat, but like I said, I'll give you something to really cry about.

Suddenly, Cynthia Chum was surrounded by a massive vortex of red and pink energy with stars and chum flying around the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Lou Gubrious: the red eyes of judgement.

Me: Oh man, she's gonna stuff chum in his mouth!

Nico: This isn't gonna end well.

Lincoln: Nope, it sure isn't.

Then, as the vortex faded, Cynthia Chum emerged, but she was changed forever.

Cynthia Chum grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large red and pink orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her chin-length pink hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a red and pink energy aura with stars, chum, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a bucket of chum with her tiara emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with crimson red gems for eyes and holding the Star, Chum, and Eternity Kanjis in its claws, she also has a phoenix with crimson red gems for eyes and holding the Star, Chum, and

Lincoln fired a rainbow energy blast that hit Lou Gubrious that sent him into a portal that led to Vypra where he'd be kept under strict watch. Everyone cheered wildly as we holstered our weapons and powered down, and Cynthia Chum's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red and pink orbs orbiting around her legs, and massive black and red angel wings are permanent and Samantha Solar Flare's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large black and orange orbs orbiting around her legs, and massive orange angel wings are permanent.

Samantha Solar Flare: That was fun.

Nico: There! Sweet Silence!

Me: Yeah! Geez!

Hal Larious: Man I can't believe that I would become such a sad sack!

Lola: No kidding there! You were really crying hard!

Me: I know!

Nico: Yep. Now, how are we going to clean up the floodwater?

Lincoln: (Changes back) Leave that to me.

Lincoln plunged his tails into the excessive flood of tears and he began absorbing the excess flood and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, the park was nice and dry.

Lincoln: There we go, the park is now dry, and since RD Sebastian just struck Lily last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Lily: I know. (YAWNS) Since you guys mentioned that I might as well tell you guys what happened.

Nico: What happened?

Natilee: Well it's this.

She showed a sketch of it and it was Lily going to see a movie for The Harvester and The Thing together and when she saw it, it scared her so bad THAT THE MONSTERS IN THAT MOVIE CAME TO LIFE AND KILLED HER AND MUTILATED AND RIPPED HER TO SHREDS AND KILLED EVERYONE!

WE GASPED IN SHOCK AND HORROR!

Kate Lloyd: Oh man! That's awful!

MacReady: That is crazy.

Nico: HOLY SHIT!

Qin: No kidding!

Me: That is awful!

Camie: Yeah.

Lily: (BREAKS DOWN CRYING) THAT WAS HORRIBLE!

Camie: No kidding.

Laney: Poor lily.

Nico: It wasn't real!

Me: I agree. I think Lily was thinking about the movies that scared the shit out of us the most combined into one and how it affects us.

Nico: Hmm. You're right on that.

Lily: (Sniffles) Yeah you're right.

Nico: Nice job Marill!

Marill: Thanks Nico. Got any cheese?

Me: I do. (SPINS MAGISWORD BRACELET)

CHEESE MAGISWORD!

I gave her 5 huge cheese wheels.

Me: Marill is the Aqua Mouse Pokemon. What did you expect.

Poromon: Want some beer as well?

Marill: No thanks. I drink Brandy.

Me: Ooh likes it potent and luxurious.

Camie: Yeah.

Earth: (LAUGHS) Nice.

Poliwag did the puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough. Brandy is good enough.

Poromon: Yeah.

Poliwag: Okay then.

Poromon: I got a better idea. I'll sing the ABCs while drunk!

Camie: That was awesome.

Poliwag: I should try that sometime!

Poromon: Yeah!

Lola: Yep.

Trina Thing: That was funny still.

Varie: Yep.

Nico: Good think the tears didn't flood the city.

Me: No kidding.

Qin: Geez! I hope Vypre can put up with his crying.

Varie: Yeah.

Nico: I'm sure Vypra can find some way to mute him.

Lola: Yeah.

Xenia: No kidding.

Eli: That guy cries too much.

Lincoln: My rescue won't have that much crying.

Camie: Thank goodness.

Laney: Yeah.

Varie: No kidding.

Poromon: After the rescues, me and the others are going on patrol.

Me: Okay.

Trina Thing: And I'll go with them just in case.

Lola: Good idea.

Varie: Yeah.

Nico: Be careful, okay?

Poromon: Okay.

Camie: Good.

Laney: Yeah.

Poliwag: What's the worst that can happen?

Me: Please don't ask that question.

Poliwag: Sorry.

Maria: If you see anything bad, call us.

Horsea: We will.

Manaphy: You got it!

Nico: NOw time for the fun part.

Eli: I sense the Anothers minus Agent 47 are 3 people.

Qin: Whoa!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Oh right mandatory question. Is the Another Agent 47 friendly or hostile?

Rosalina Rose: Oh friendly and she is a really powerful one.

Me: Interesting.

Maria: Time for backup. (TURNS DIAL) TREASURE HUNTER FORCE!

She summoned Dr. Cabelleron, Ashton Philips, Evil Long John Silver (Treasure Planet), Pirate Ship Heartless, Neon Noodle and Icy!

Qin: Yeah!

Nico: And Valiant? You and Lewa did good yesterday.

Valiant: Thanks Nico.

Me: That just leaves Matau and Blu left to shine.

Xenia: It sure does.

Matau: Yep.

Nico: Don't take it personally. But you girls really sounded dramatic back there.

Lilliana Lily Valley: When it comes to flowers we love them like our own children.

Rosalina Rose: Yeah they are special.

Dahlia Daisy: They sure are.

Me: Have you all ever thought about considering in going into Broadway acting?

Lilliana Lily Valley: That was our first thought.

Rosalina Rose: Yeah but we're happy with flowers.

Nico: You three and Poison Ivy will get along just fine.

Me: Same with Ino. Her family owns a flower shop.

Ino: It's true.

Me: All the nature users will be perfect for you.

Rosalina Rose: Thanks.

Xenia: You're welcome.

Zecora: A most great achievement that is for all to see, and flowers are a symbol of love to be.

Me: That is true.

Zecora's cutie mark then started glowing.

Me: Zecora's cutie mark is glowing!

Nico: We know what that means.

Then out came Another AGENT 47!

Camie: WHOA!

Me: This one must be a dangerous shot too.

Another Agent 47: (In a girls voice) (African Accent) But it will be fun for us all.

She reverted back and was a girl with black hair and blue eyes and had black clothes and she had black angel wings and had a tiara with the symbol of Zecora's cutie mark on it and the same symbol on her skirt and had a powerful spear in her hands.

Naimutiae Zecora: Naimutiae Zecora - Embodiment, Gene-slammer and Legacy of Zecora.

Me: Wow! Awesome to meet you.

Naimutiae Zecora: Indeed and also I'm an amazing healer, shaman and warrior assassin.

Agent 47: That is interesting.

Zecora: An honor to meet the girl that was gene-slammed with me, as well as the way you have come for all to see.

Me: It sure is.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Naimutiae Zecora: No he didn't. I stabbed him in his leg with my spear and warned him that a Phoenix is coming for him to destroy him.

Me: That Phoenix was us. We killed him and banished him to the Black Gates.

Nico: Yep.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln fired a wave of light and did so.

Me: Awesome.

Nico: (GETS OUT AGENT 47'S RIDEWATCH) Lets see if I can't get a headshot!

May: (GETS OUT ARACULA'S RIDEWATCH) This will bone you up!

Maria: (GETS OUT GHOST DOPANT'S RIDEWATCH) I'll scare the shit out of you!

Trina Thing: (GETS OUT COOLER BANKI'S RIDEWATCH) And blow you away!

They used the powers of Agent 47, Cooler Banki, Aracula, Shadow Dopant, Ghost Dopant, Universe 666 Brother Blood and blasted him

down.

Then Terminator 1984, Lightning Man, Peace Master (Adventure Time), Cinnamon Teal (Ducktales), Universe 666 Pastmaster and Nobodies came.

Nico: Great team Terminator!

Terminator 1984: Of course. It'll be good.

Me: Yep.

?: I'll say!

Toxic Seahorse came!

Me: Toxic Seahorse! Whoa!

Nico: Yeah!

Toxic Seahorse: (In a girls voice) Yep.

Nico: Colette Seahorse? Whoa!

Colette Seahorse: Yep. I got this!

She fired a wave of poison and blasted down Another Agent 47 and I caught the Ridewatch and purified it.

Me: Yeah!

Horsea: It's nice to meet a fellow seahorse.

Colette Seahorse: Same here. And sorry to say it but I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Colette Seahorse: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and reverted back and was a girl with purple hair and purple eyes and had purple angel wings and had a symbol of a skull and crossbones in with a seahorse in front of it.

Colette Seahorse: (GROANS) That hurt. (Sees herself) EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

They gave her an awesome purple outfit.

Colette Seahorse: Wow! This is amazing.

May: And I didn't get hit!

Colette Seahorse: No you sure didn't!

Trina Thing: Do you have a favorite memory of Nico?

Colette Seahorse: I sure do. When me and Nico were in chemistry class and we made LETHAL SUPER LAXATIVES. We gave a burger spiked with it to a dangerous kid and it made him get explosive diarrhea and he literally exploded.

Me: WHOA! That is cool!

Nico: Yep.

Nico and Colette hugged.

Nico: I've missed you.

Colette Seahorse: Same here.

We then went home.

Lincoln: Whoa, we're here in the world of the 1983 animated musical film Rock & Rule, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to help Omar Quaalude, Angel, and his band destroy Mok Swagger, and we're going to raise Hell on him.

Me: You and Wendy destroyed The Demon yesterday, and now, it's Mok's turn. You sending him to The Black Gates?

Lincoln: No, we're sending him to The River of Fire. But, before that, we'll show him what happens when he dares to mess with the powers of Hell for his own selfishness.

Kate Lloyd: So, we're taking a break from going after the Dark World Goth Girls' jealous younger sisters.

Lincoln: Not exactly, Kate. We also got word from Bertha's parents that her monstrous, envy-driven, jealous sister, Bethany Sellington, is here, and she wants revenge on Bertha.

Bertha Sellington: And she's thrown in her lot with Mok to get revenge on me, the bitch.

Qin: And she's like the other siblings of the other Dark World Goth Girls: really horrible, mega jealousy-crazed, envy-driven, psychopathic, and monstrous.

Bertha Sellington: You don't know the half of it. I never got along well with Bethany, she always hated me ever since the day she was born, and as we were growing up, she always tried to make me look like really horrible people in front of everyone, but I always foiled her at every turn. But, despite all the repeated warning from Mom and Dad, she didn't stop, in fact, her anger, jealousy, and hatred for me escalated even more and she'd escalated her violence towards me into trying to kill me many times in the past. But, I always foiled her stupid murder plots as well and I kicked her ass hard as well.

Lincoln: Yep, and years ago, we foiled her biggest murder plot: she tried to kill Bertha again along with me by hiring local criminals to do it. We killed them and after I found Bethany's location through feeding on the criminals' blood, we called the cops, headed down to her location, and kicked the stuffing out of her, and because of this latest plan of her, Bethany went way too far and she wound up getting sent to prison, and she swore to get revenge on Bertha for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Bertha.

Nicholette Torrington: And unlike The Dark World Goth Girls, they have no sort of organization or any skills, and they rely on brute force and intimidation tactics, they're just a bunch of brutes.

Lincoln got out the medal for Beiige, Vanguard of Dark World.

Me: Uh oh, and I've got the feeling the next Dark World Curse you got is Beiige-themed.

Lincoln: Yep. Now, let's go meet with Omar Quaalude, Angel, and his band, so we can take care of Mok Swagger and take down Bethany Sellington.

We headed down into the city, and met with Omar Quaalude, Angel, and his band.

Omar Quaalude: So, you're the guys who took down The Demon, eh? We caught the battle yesterday on the news, you guys really know how to kick ass.

Nico: Yep.

Angel (Rock and Rule): Oh, and we saw a girl who looked like (Points to Bertha Sellington) you, but she was vile and monstrous and she was with Mok.

We gasped.

Bertha Sellington: That's my monstrous, envy-driven, jealous, evil younger sister, Bethany. What Mom and Dad told us is correct, she did throw in her lot with Mok.

We headed out to confront Mok Swagger and deal with Bethany Sellington.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same dark blue hair as Bertha Sellington, red eyes of hatred, and she was in an orange prison jumpsuit: it was Bethany Sellington.

Bertha Sellington: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES!

Bertha Sellington went at Bethany Sellington, and they really began fighting each other, but Bertha Sellington had the upper hand on Bethany, and she was literally beating the shit out of Bethany Sellington and Bertha Sellington and Bethany Sellington were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Bertha Sellington: EAT BOOT, BITCH!

Then, Bertha Sellington kicked Bethany Sellington hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Bethany Sellington was NTH-DEGREE MEGA PISSED OFF!

Lincoln: I've had it up to hear with you, Bethany!

Lincoln inserted the medal for Beiige, Vanguard of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Bethany Sellington, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Bethany Sellington and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Vanguard of Dark World, and I also used the medal for Beiige, Vanguard of Dark World to give the curse an extra boost, and it was meant only for Bertha's evil sister.

Bertha Sellington: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Bethany's not getting out ever again. Now, let's go hunt down Mok Swagger.

Suddenly, we saw a very beautiful and super sexy girl with long rainbow hair and pink headband, dark purple eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Air Skylanders and Rainbow Dash's cutie mark on her right arm she has massive and beautiful rainbow angel wings, she's dressed in a light blue sleeveless blouse, necklace with blue gem for the pendant, white bridal gloves, light blue and green fancy skirt with green bow, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, winds, magic, Pegasi, phoenixes, and angels on the coattails and on the back is the symbol of The Air Skylanders and Rainbow Dash's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and with her are the four girls.

Lincoln: (GASPS) Rebecca Hernandez, Daydream Loyalty Princess of Air.

Rebecca Hernandez: That's right, and I got the girls away from Mok Swagger who's now pissed off you guys destroyed The Demon yesterday.

Me: Figures.

?: YOU WILL ALL PAY FOR RUINING MY DREAMS OF IMMORTAL GLORY!

We saw Mok Swagger heading for us, and he was pissed.

Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln and Omar Quaalude fired two powerful red-hot red energy blast that incinerated Mok Swagger and sent him to The River of Fire. We cheered as we holstered our weapons and powered down.

Lincoln: And good riddance for good, Mok Swagger. (To Rebecca Hernandez) And it's so good to see you again, Rebecca.

Rebecca Hernandez: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Rebecca Hernandez as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Rebecca Hernandez was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Rebecca Hernandez: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Rebecca Hernandez and he hugged her, and Rebecca Hernandez is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rebecca Hernandez: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Rebecca Hernandez, Daydream Loyalty Princess of Air, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Rainbow Dash combined with the powers she has being Lincoln's Guardian Angel and she's an awesome and talented athlete. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Rebecca Hernandez and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Rebecca trained Lincoln a lot with using the powers of Loyalty and Air, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lynn with a blazing passion because Lynn when she had her Dark Side in her was a sore loser and a super-aggressive, belching, farting, superstitious, bad-tempered gorilla, and Rebecca Hernandez has put her in her place more than once: tying her up and throwing her in a cage like the stupid ape that she was.

Nico: Man, she's not only the Daydream Princess of Loyalty and The Air Skylanders, but she's also a talented and tough athlete.

Lincoln: Yep, she's exactly what Lynn with her Dark Side in her wasn't: a good sportsman and good athlete who knows how to gracefully take a loss, and she's more than once put Lynn in her place, and now that you're here, Rebecca.

Lincoln went up to and hugged Rebecca Hernandez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rebecca Hernandez: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rebecca Hernandez with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rebecca Hernandez: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rebecca Hernandez, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Rebecca Hernandez's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Rebecca Hernandez had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Yurina Takahashi, Mai Fujikura, Reika Kirigaya, and Yuka Suou from Mini Pai Claimer.

Lincoln: Oh wow, it's Yurina Takahashi, Mai Fujikura, Reika Kirigaya, and Yuka Suou from Mini Pai Claimer.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Yurina Takahashi: Yes, we're okay, thanks to you.

Then, when Yurina Takahashi and the other three girls saw who it was that saved them from Mok Swagger and Bertha Sellington's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Bethany Sellington, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving

Yurina Takahashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yurina Takahashi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yurina Takahashi, Mai Fujikura, Reika Kirigaya, and Yuka Suou with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villains we went after were Mok Swagger and Bertha Sellington's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Bethany Sellington.

But, when Lincoln showed what Bertha Sellington did in beating her up badly and Lincoln using The Curse of The Vanguard of Dark

World which sent Bethany Sellington to the Dark World Prison, and all of us piling on and giving Mok Swagger a vicious beating and Lincoln and Omar Quaalude firing red energy blasts that destroyed him and sent him to The River of Fire, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Rebecca Hernandez have a lot of catching up to do, now that she's back in town.

Maria: So, not only did you guys destroy Mok Swagger, but you also dealt with Bertha's evil younger sister.

Lincoln: Yep. and Bethany seriously didn't know when to give up.

Nico: Honestly, I would've wanted you guys to send her to The Black Gates.

Me: But, Lincoln made the right move sending her to The Dark World Prison.

Lincoln: I sure did, and she's in for far worse torment there, and once she dies, she's going to get sent right to The Black Gates, along with the rest of the monstrous jealous sisters of the other Dark World Goth Girls.

We also welcomed Omar Quaalude, Angel, and his band to the team.

---

After we destroyed Mok Swagger and took down Bethany Sellington and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rebecca Hernandez saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rebecca Hernandez: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Rebecca, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rebecca Hernandez: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as

well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rebecca Hernandez: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and then, when Lincoln checked the computer, he saw what it was that triggered the alarm, and Kira Gutierrez and her sisters were pissed off. The one who triggered the alarm was a girl with the same hair as Kira Gutierrez, but she was dressed in tattered clothes and she has red eyes full of hatred.

Kira Gutierrez: You've got to be kidding me! What the Hell is she doing here?!

Nico: You know her?

Lincoln: Wish we hadn't, that girl who triggered the alarm was Katie Gutierrez, The Gutierrez Sisters' cousin, but she's not like Kira and her sisters. Katie was a jealous, envy-crazed, psychotic sicko who enjoyed tormenting and torturing everyone around her, and she hated that her cousins are together with me, and she knew that if they get married to me, she'd lose her punching bags and servants and she despised me from the very beginning.

Me: Yeah, she was a major sicko.

Hayley Gutierrez: She always treated us like punching bags beating us up like crazy and ordering us around like servants. Mom and Dad tried to stop her, but Aunt Maria threatened them saying that if they took action, she and Uncle Marcus will kill them. But, Katie's reign of terror ended when we tied her up and gave the evidence of her crimes to the school and Katie wound up getting expelled from school and was forced to live on the streets, and as for her parents, they wound up getting sentenced to life in prison.

Joan Gutierrez: And needless to say, we cut ties with those two for good along with Katie, but, not a week into their sentence, Marcus and Maria were found dead in their cells, and it was found out they had a lot of enemies since they were well-known criminals and sadists, and the inmates saw it as an opportunity to seek revenge on them.

Qin: And now, that piece of gutter trash is here and wants revenge! That bitch!

Lincoln: I've had it up to hear with her. Kira, Hayley, Natalie, Joan, Naomi, Luna, Gina, Reggie, Janet, Celeste, Tammy, Violet, Rachel, let's deliver unto your rotten ex-cousin her divine punishment.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts hitting Katie Gutierrez, and she became major pissed off and super enraged when she saw Lincoln and the Gutierrez Sisters along with us.

Naomi Gutierrez: You've got some nerve coming here, Katie. I would've thought you'd died after the seven years we'd gotten you expelled from school and left living on the streets along with sending our despicable aunt and uncle to prison.

Katie Gutierrez: SHUT THE FUCK UP, SLAVES! YOU COST ME EVERYTHING, MY REPUTATION, MY PLACE IN SOCIETY, MY MONEY, AND MY PARENTS! I WILL KILL EVERY LAST ONE OF YOU AND TURN THIS ENTIRE PLACE INTO A GRAVEYARD!

Lincoln fired a rainbow lightning blast that pierced Katie Gutierrez in the chest and her heart, and she was killed in a split second and was sent to The Black Gates, and we headed home and continued our workouts.

Kira Gutierrez: That's it for that rotten bitch, if Mom and Dad found out, they would've had a heart attack.

Natalie Gutierrez: Yeah, it would've hurt them badly.

Lincoln: But, what Katie did crossed far too many lines, normally, she would've been sent to Xaikora for the rest of her life, but she was a psychopathic sicko who didn't deserve to be in society ever.

Nico: And she had to be put down for good, she really was a monster like you all said.

We got a shower, and then, Lincoln, Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester are heading to Yoshi's Tropical Island.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black swim briefs with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Pele (SMITE): Wow, so this is Yoshi's Tropical Island. It sure is beautiful.

Lincoln: It sure is, Lady Pele, and it's perfect for our first date. Shall we?

Lincoln, Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester and they hugged the girls in their abnormally massive and powerful muscular arms and Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Yoshi's Tropical Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester are in your harem, Linky.

Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Pele (SMITE), Yemoja (SMITE), Maman Brigitte (SMITE), Batten Rouge, Prim Rouge, and Esther Winchester, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder Clyde and the girls in his harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later the mascots and Trina Thing were walking around the city on patrol.

Horsea: Everything's peaceful so far.

Trina Thing: It sure is.

Poromon: Yep.

They got to a small open field. Then they saw a creepy looking house.

Manaphy: Whoa that house gives me the creeps.

Poliwag: Lets see what that's about.

They crept up to the house and looked into the window and saw a laboratory. But then they saw a bunch of people in there and they laughed malevolently and were EATING SOMEONE ALIVE! HE SCREAMED IN PAIN! AS THEY BUTCHERED HIM!

They saw skulls and bones all over and dismembered limbs!

They gasped in fright!

Poromon: We need to see what this lab is making before we tell everyone else!

Trina Thing: I already know. This is a meth lab and also those are cannibals. The skulls, bones and chemicals and smell of poison are a dead giveaway.

Poromon: Oh boy.

Trina got on the phone.

---

We were watching TV when suddenly I got a call.

Me: Hello?

Trina Thing: (On the phone) J.D. we got trouble.

She told us everything.

Me: WHAT?! Oh my god! We'll be right over!

I told everyone everything.

Trina Thing and the mascots came back to us.

Olivia Oceanus Shenron: Back already?

Lincoln: But we're supposed to come to you guys so-

Poromon: First, we need Sheila to ID the names of these cannibals!

Sheila: Gladly. They are the Volcanbender Family. They are a family of hillbillies that make meth and are bloodthirsty cannibals. We have been after them for years. They are cannibal girls. Sallia

Volcanbender and her daughters Gloria, Valentine, Mai, Eleanor, Renee, Tina, Lava, Vicky, Phyllis, Camille, Sadie, Fiona, Crystal, Wendy and Lana Volcanbender were believed to be responsible for the disappearances of over 500 people.

Nico: Oh man!

Poromon: I'll send them a threatening message on the phone on our way there!

Nico: Poromon no! That will send them on the run. We got to take them down by surprise.

Me: Right.

Sheila: I'll have the whole force head over there.

Poromon got out his phone and called Sallia Volcanbender.

Nico: And he's calling them anyway.

Me: Poromon you dingus!

Sallia Volcanbender: You must be Poromon.

Poromon: Sallia Volcanbender, fuck. Fuck you, fuck you, fuck you!

Sallia Volcanbender: Poromon… it's business.

Poromon: You think eating people and making drugs is legal?!

Sallia Volcanbender: It's business, fella. You wanna discuss it, we're at the farm. Gloria, Valentine, Mai, Eleanor, Renee, Tina, Lava, Vicky, Phyllis, Camille, Sadie, Fiona, Crystal, Wendy and Lana Volcanbender - all of us.

Poromon: Start writing those names on your tombstones, 'cause we're on the way to your lab, and we're going to see how much of a family meth business you got when we're done! (hangs up)

Oceanus Shenron: (to Lincoln) I'd like to see you top that!

Lincoln: That would be awesome.

Nico: Yep. But that was a good one.

Xenia: Yep.

Nico: Lets go guys!

Poromon: All! Of! You! Are! Going! To! Die!

We were off to face them.

---

Sallia Volcanbender: I just spoke to that puny Poromon. He's coming. Get down to the meth lab to protect it.

Eleanor: Alright.

Sallia Volcanbender: I hope they don't get through these idiots, but… we know they're idiots. Come on, let's roll.

While the other Volcanbender siblings go to protect the ranch's meth lab, Sallia, Gloria and Valenrine leave in their car.

Nico: Okay. So 3 of them got away. We can still take down the others.

Poromon: Oh, how many siblings you've got, you inbred freaks?! I don't know how we're gonna do it, but we'll kill the lot of you, and we'll torch your cookhouse!

Poromon got out a sniper rifle and killed Mai and Tina with one shot.

Long Haul: Damn! Two kills in one shot!

Me: Nice shot.

Qin: Yeah.

I pulled out my sniper rifle and fired and it killed Sadie, Fiona, Crystal and Wendy in one shot.

Me: Bullseye.

Nico: NOw we can barge in there!

Went in and smashed through the door!

Me: Okay you douchebag fuckups! You're all going down!

Poromon: To hell! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit the Volcanbenders and then sparks ignited the house floor!

Maria: There's only 7 left here!

?: I got them!

Then SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

A girl with orange hair and purple clothes and blue eyes and purple wings and claws on her hands came and she had a tiara with the symbol of Slash Man on her head. She killed the rest of them in an instant!

Sierra Slash: Sierra Slash, Embodiment of Slash Man!

Matau: Wow! Sierra!

Lewa: Great to see you again!

Sierra Slash: Same here Lewa and Matau. Been a while.

Me: Lets get out of here!

We got outside.

Poromon found a can of gasoline.

Poromon: What do we have here?

Poromon dumped it. It went for the fire.

Poromon: RUN!

We ran fast and the entire house EXPLODED IN A MASSIVE

FIERY EXPLOSION!

KRABBBBBBOOOOOOOOOOOOOOOOMMMMMMM!

The entire house was a massive fireball.

Nico: I'm very proud of you Poromon.

Me: Me too.

Sierra Slash: Same here.

Qin: Well at least that's one dangerous family that is gone for good.

Me: 3 members got away but we'll find them soon.

G1 Firestar: Hod did you meet Lewa and Matau?

Sierra Slash: When they were battling the Bohrok Kal. Same story as how some of the Toa were doing it.

Nico: Nice.

Lewa: Awesome! She put up an amazing fight with them.

Xenia: Cool.

Me: Would you like to join the team?

Sierra Slash: I would be honored.

---

Later we came back to the estate.

Top Man: Nico, who's left to shine?

Nico: I just said. Matau and Blu.

Me: Yep they are the only ones left on the list.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Angelique Bouchard from the 2012 movie version of Dark Shadows, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Angelique Bouchard from the 2012 movie version of Dark Shadows, and she's causing havoc.

We gasped.

Me: Oh no, not that good-for-nothing witch, she's the whole reason why The Collins Family has to deal with this dark curse, and why Barnabas Collins became a vampire over two centuries ago.

Nico: We're heading down there now, and we're gonna make that witch pay for what she's done, she isn't getting out of this alive!

Lincoln: No, she isn't.

Nico: Darn tootin! We'll watch the movie first and then head out.

Eli: Yeah!

Camie: Who is Angelique?

Me: Here name is Angelique Bouchard. She is the main villain of the movie Dark Shadows and she is a witch that cursed Barnabas Collins to be a vampire.

I went over her history.

Angelique Bouchard is the main antagonist of Tim Burton's horror comedy film Dark Shadows. She is a witch who is obsessed with vampire Barnabas Collins.

She was portrayed by Eva Green, who also played Artemisia in 300: Rise of an Empire, Ava Lord in Sin City: A Dame To Kill For, Vesper Lynd in Casino Royale, Miss Gribben in Cracks and Eve Connors in White Bird in a Blizzard.

In a single brief childhood scene set in Liverpool, England, 1760, Angelique's early interest in Barnabas is established. The young Angelique, around ten years of age, is portrayed by actress Raffey Cassidy. She is depicted with her mother, a servant, departing on a sailing ship from the Liverpool docks for "the New World", along with the Collins family. The childhood scene also helps establish Angelique's class-based resentment of the Collins clan's privileges, for she is cautioned by her mother that she must accept her place, servitude, in the social structure of the time and not even gaze freely upon her "betters", including Barnabas.

As she develops into an attractive, dark-haired young woman, Angelique seems to follow in her mother's footsteps as a servant to the Collins family in their New World mansion, Collinwood. However, she develops skills in witchcraft and, whether through natural or magical charms, arouses the amorous interest of the Collins heir, Barnabas. Though he clearly experiences carnal pleasure with her, when Angelique asks him to affirm love for her, Barnabas candidly rejects the notion. Instead, he falls in love with a young woman closer to his own social standing, Josette duPres.

Relegated by the prevailing attitudes of the era to scrubbing the Collins floors while the man she had hoped would love her openly romances another of her "betters", Angelique sees Barnabas and Josette tenderly embracing. Driven by romantic and class jealousy, she begins to use the dark empowerment that witchcraft has provided her to wreak revenge upon Barnabas and the Collins family, and to improve her own fortunes.

Her first act of retaliation is a magical spell that kills Joshua and Naomi Collins, who are Barnabas Collins' parents and the founders of the American Collins lineage. In the film's first depicted supernatural act, Angelique crushes a small figurine of a seahorse, using her fingers to crumble it into pieces, as she intones, "Make the high and mighty low / Arrogant creatures, down you go!" This phrasing makes clear that Angelique is driven not only by anger at Barnabas' refusal to love her, but also by resentment of her status as a servant in the household of the far more privileged Collinses. And as she concludes this incantation, a large piece of decorative rooftop statuary, shaped like a seahorse, totters and plummets to the ground, crushing Joshua and Naomi as they take an evening stroll below.

Angelique then commits the two pivotal acts of vengeance that drive the subsequent action of the film. First, she recites a second incantation: "If he doth another choose / To lend his heart and eye / Then magic shall the slighted use / That all he loves shall die!" This recitation brings about the death of Josette, who, bound by the spell, is compelled to leap from Widows' Hill. Then, as Josette's fate is sealed and the despairing Barnabas attempts to follow her in death, Angelique places the curse of vampirism upon Barnabas so that his suffering cannot end. (While playing a similar role in the plot to events of the original daytime serial, the film depiction has the sequence reversed, with Josette magically induced to kill herself before Barnabas' vampire curse is evident; in the original series, Josette flees from Barnabas and hurls herself from the cliff in horror upon discovering that Barnabas has become a fanged bloodsucker as a result of Angelique's curse.)

According to the later recounting of "legends" by Elizabeth Collins Stoddard, Barnabas tried to persuade the people of Collinsport that Angelique has placed him under a curse, but they found him deranged. However, the film shows the actual events in 1776, when Angelique herself leads the townspeople in a torch-carrying mob to Collinwood, points out Barnabas, declaring "There's the monster!" and facilitates his imprisonment in a buried coffin for almost two centuries, until 1972 when the film's principal events are set. The townspeople appear to harbor no suspicion of Angelique's being a practitioner of black magic or of her responsibility for Barnabas' transformation into a killer.

Over the next 196 ensuing years, the Collins family fortunes decline. (Apparently there were heirs other than Barnabas, for both Collinwood and the family fishing business endure, though both decline into near-ruin.) Angelique, adopting a series of guises through the decades to conceal her true age, establishes a prosperous rival to the Collins fishing business that she calls Angel Bay Seafood and becomes a well-known and at least superficially highly regarded pillar of the community of Collinsport. As the film reaches the events of 1972, Angelique is shown to have changed her naturally dark hair color to blonde and now goes by the name "Angie" Bouchard. She (in different guises over the past centuries) has been responsible for the decline of the Collins family and its fortunes. When she learns of Barnabas' escape from his prison, she confronts him and mocks him as being too out-of-date to do anything to stop her.

She sets up a meeting with Barnabas in her office and tries to convince him to sell the Collins fishery to her. She tries to win him back by seduction, for if he doesn't, she will kill and take away everything he loves. She succeeds, which results in a torrid act of supernatural lovemaking between them. However, because he loves Victoria, Barnabas tells her that he cannot succumb to her charms no more and asks her to forgive him. Lovelorn once again, Angelique then clutches Barnabas' hand and tells him that if she cannot have him, she'll destroy him. Unharmed by this, Barnabas still leaves. The following night, she went uninvited to the Collins party in a sparkly red dress looking for Barnabas, and not only learns about Barnabas' feelings for Victoria but become very angry when she witnesses Barnabas and Victoria kissing.

The next night after Barnabas killed Dr. Hoffman for using his blood, Barnabas meets with Angie again and demands she end his curse. She gives him one last offer, she in turn demands that Barnabas become hers for all eternity. When Barnabas refuses, she uses her powers to chain him inside the same casket she had previously locked him in and has the casket transported to the Collins family crypt, she put a pair of her red panties in the coffin, saying that he will think a little more about them. She them blows up the Collins family rebuilt canning factory via spell and then publicly accuse Barnabas not only of the arson of the cannery but also of several murders, including the workers, the hippies, and Dr. Hoffman.

Not knowing that Barnabas has escaped, Angelique leads the police and an angry mob to Collinwood to have Elizabeth arrested as an accessory to murder. She's shocked to learn that Barnabas has escaped and offer to be arrested, he then shows them what monsters "they" are and bites Angelique, causing her skin to crack and outs Angelique as the one responsible.

Barnabas and Angelique battle inside the mansion, using spells to kill Barnabas. Barnabas then grabs Angelique by her neck and throws her up into Carolyn's room, who's revealed to be a werewolf. Elizabeth and Willie join in the fight on Barnabas' side, but the three are overcome by Angelique's magic. Carolyn attacks Angelique, but Angelique fights back and knocks Carolyn unconscious, as she reveal that she sent a werewolf to bite her when she was a baby. They continued the fight until one of the statues holds Barnabas. Angelique then sets Collinwood on fire. When it looks like Angelique won, David appears and tell her to leave him alone, saying that she will kill him first. She confronts him and with a boastfully taunt, asks what will he do. At that point he summons the ghost of his mother, which she has killed. The ghost charged her with a single powerful strike and haunting scream that throws her into the chandelier. Both of them crashed into the floor, where she is broken up.

During these final scenes, Angelique's face has begun to crack and collapse in a manner resembling that of a porcelain doll or eggshell, and as Barnabas speaks with her in her (apparent) dying moments, she is revealed to be virtually hollow inside. Barnabas then admits that there was a time a when he may have loved her, that he would've want to spend eternity with her. As the last ditch to ask Barnabas to love her and proof against his assertion that she has no heart, Angelique breaks her chest plate and pulls out her actual heart, literally offering it to Barnabas. However, Barnabas rejects Angelique's offer, knowing that her heart is incapable of loving and that she only wants to have him for herself, saying that's her curse. Her throbbing heart literally broke as it crumbles to pieces, and she finally succumbs to her death.

In the end, Angelique died in vain, as Victoria, whom was under her spell immediately saved by Barnabas by turning her into a vampire, once again, thwarting Angelique's proclaimed intention that if she cannot have Barnabas, no one else will

When I was done everyone was shocked!

Qin: That heartless bitch!

Xenia: Yeah is a true jealous bitch!

Me: No kidding!

Nico: Yeah!

Maria: I'll play the movie.

The previous group came.

Snake: Can me, Silver Samurai, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Ben Ravencroft go with you dudes?

Nico: You sure can. First we're going to watch the 2012 movie Dark Shadows.

Mole Man: Wow! That's Amora's favorite show! She loves watching that show and movie.

Me: Yep and also believe it or not that movie is based on the soap opera from the 1960's. It scared my mother back when she was a little girl.

LaGrange: Did it really?

Me: Yep.

Nico: Wow.

We got to watching the movie.

* * *

In 1760, young Barnabas Collins and his wealthy family set sail from Liverpool to the New World, where they establish the town of Collinsport in Maine and construct Collinwood Mansion, their grand estate. Fifteen years later, Barnabas spurns the advances of his servant, Angelique, who is secretly a witch. In response, she murders his parents using magic and curses Barnabas so that "all he loves will die".

Barnabas becomes obsessed with dark magic to prove his parents were murdered. Under Angelique's spell, his fiancée Josette jumps to her death from a cliff called "Widow's Hill". He throws himself after her, but survives, further cursed by Angelique to eternal suffering as a vampire. Angelique turns the town against Barnabas and gets him buried alive.

In 1972, almost 200 years later, Maggie Evans, who bears an uncanny resemblance to Josette, travels to Collinwood to fill the position of governess. She assumes the alias Victoria Winters and meets the dysfunctional current residents of Collinwood: Collins matriarch Elizabeth and her teenage daughter Carolyn; Elizabeth's brother Roger and his young son David, who believes he is being visited by his late-mother's ghost; and a live-in alcoholic psychiatrist, Dr. Julia Hoffman. That night, Victoria is visited by the ghost of Josette.

A construction crew building a McDonald's unwittingly frees Barnabas from his tomb. He apologetically feeds on their blood and then makes his way to Collinwood, perplexed by the modern-day technology and fashion he encounters.

At Collinwood, Barnabas hypnotizes the caretaker, Willie, into his service and reveals to Elizabeth that the legends of the family curse and her long-lost ancestor are true. He asks to rejoin the family and shows Elizabeth the manor's secret passages and hidden treasure. Though wary, she introduces him to the family as a distant relative from England.

While adjusting to modern life and falling for Victoria, Barnabas uses his powers of persuasion and the family treasure to restore both the Collins Canning Company and Collinwood to their former glory. Dr. Hoffman learns of his true nature and offers to try to turn him mortal again. They start by removing his blood and giving him transfusions of human blood.

Angelique, having survived through the centuries and now the owner of the dominant Angel Bay Seafood, is still in love with Barnabas. To protect Victoria, he gives in to Angelique's lust and they have sex in her office, but, afterwards, a remorseful Barnabas again rejects Angelique.

Barnabas hosts a "happening" at Collinwood for the entire town, with Alice Cooper as entertainment. He finds Victoria alone, who reveals she has seen the ghost of Josette her entire life; her parents committed her to an asylum as a result, but she eventually escaped and Josette directed her to Collinwood. She returns Barnabas' affections and they kiss, to Angelique's dismay.

More eager than ever to be human, Barnabas goes to Dr. Hoffman's office, where he discovers her transfusing his blood into herself to try to stop her aging. He drains all the blood from her body, and he and Willie dump her at sea, telling everyone she went away on business.

Barnabas confronts the greedy Roger and offers him a choice: to become a better father to David, or to leave Collinwood with enough money to live out his life elsewhere; Roger chooses the latter. Heartbroken, David is nearly struck by a falling disco ball, but Barnabas saves him with supernatural speed and catches fire in the daylight, revealing himself as a vampire. David, Carolyn, and Victoria are shocked.

Desperate, Barnabas meets with Angelique, who goads him into confessing to his murders and demands he join her as her paramour. He refuses, so she again traps him in a coffin. Angelique destroys the Collins' cannery and, with a recording of Barnabas' confession, rallies the town against the family.

David frees Barnabas, who confronts Angelique at Collinwood. They battle, and the townspeople see that she is a witch. Elizabeth and Carolyn, who reveals herself to be a werewolf, join the fight, and Angelique enchants the house to turn against the Collins family. She admits she was responsible for the werewolf that bit Carolyn as an infant, and for the deaths of David's mother and Barnabas' parents. The ghost of David's mother appears and incapacitates Angelique, and the family escape the burning manor. Angelique offers Barnabas her heart, which crumbles as she dies.

Barnabas races to Widow's Hill and finds Victoria, who says there is only one way for them to be together. When he refuses to turn her into a vampire, she steps off the cliff. He leaps after her, biting her neck on the way down. On the rocks, he holds her in his arms. Now a vampire, she awakens as Josette. As they kiss, a voiceover from Barnabas declares that his curse is now lifted.

Though Barnabas thinks he is finally safe, Dr. Hoffman, bound and on the sea floor, opens her eyes.

The Goths of Darkness loved it because it reminded them of Vampires of Melancholia and it was awesome. When the movie was done we cheered.

Brittney: This is always a great movie!

Lucy Loud: I loved this movie.

Me: Perfect for the day before Halloween.

Lola: Yeah!

Amora came.

Me: Amora.

Amora: Sorry I saw you guys watching Dark Shadows and I just couldn't resist watching. And that is my all time favorite show. I watched all 1,225 episodes from that show many times. Including the 2012 movie.

Brittney: You have awesome tastes Amora.

Nico: She sure does.

Amora: May I go with too? It's my turn in the battles.

Nico: Sure.

Bai Tza: Hey Boss which gene-slammer do you think you'll meet next?

Nico: Blizzard Buffalo.

Me: Ooh! Cold!

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Red Rangers who were brought back from the dead by RD Sebastian who has officially lost his sanity, and he's sent them out to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Red Rangers who were brought back from the dead by RD Sebastian who has officially lost his sanity, and he's sent them out to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: He did what?!

RD Me: Why, that miserable, heartless, godforsaken bastard!

Ed Cowart: There is absolutely no line he's willing to cross! Now, we're really pissed off!

Tracey Burrows: He's already crossed one line too many. Leave the Universe 666 Red Rangers to me and Lincoln, guys.

Lincoln: Hold on, Tracey, we're not doing this alone.

Troy Burrows: He's right, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading to Collinsport, Maine, and we're going to kill Angelique Bouchard.

Lincoln: That witch has lived for far too long, this is where she dies, and once we get through with her, Universe 666 Red Rangers, you're next.

Tracey Burrows: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Collinsport, Maine and kill Angelique Bouchard, and once we get through with that witch, Lincoln and Tracey Burrows along with the Red Rangers are going to destroy The Universe 666 Red Rangers brought back by RD Sebastian who has officially lost his sanity.

We were off to Collinwood, Rhode Island.

We arrived in Collinwood, Rhode Island.

Me: We're here.

Qin: Wow!

Brittney: Collinwood, Rhode Island.

Lucy Loud: It's amazing seeing this place.

Xenia: Yeah.

LaGrange: Amora's back in the HQ to get the members for today's battles.

Me: Understood.

Nico: Got it.

We walked around and it was amazing.

Brittney: Boy this place is overflowing with darkness.

Lucy Loud: My kind of town.

(NIGHTS IN WHITE SATIN BY THE MOODY BLUES PLAYS)

We arrived at the Collins Estate.

Nico: We're here.

Me: The Collins Estate

Qin: This place gives me the creeps.

Slobber Trap: Any Heroes here?

Brittney: They would be here in the Collins Estate. Barnabas and Maggie. Maggie Evans.

Nico: Yep.

We saw that the estate looks towards the crater where Quahog once was.

Me: Good view of the Quahog Crater from here.

Nico: Yep.

We went into the mansion.

Me: Hello?

Nico: Whoa this is creepy.

Camie: Scary too.

Varie: Yeah

Natasha Hernandez: My kind of place too for a vampire like me.

Nico: I know.

Goliath: Anyone home?

Then a figure came and it was Barnabas Collins.

Me: Barnabas Collins.

Barnabas Collins: Team Loud Phoenix Storm welcome to the home of Barnabas Collins.

Dirge: We're honored to be here.

Barnabas Collins: Then you know that Angelique is back.

Me: Yes we do and we are here to destroy her once and for all.

Xenia: Yep.

Me: We have a secret weapon in store for her.

Nico: What is it?

Me: Lyra bring out the Holy Hand Grenade of Antioch!

Lyra Loud: Bring it out!

Then Princess Celestia's priests chanted and carried a box and in it was a grenade! But not just ANY Grenade! This was the Holy Hand Grenade of Antioch!

Calamitous: I had a hand in making this as well.

Me: You sure did.

Camie: Yeah!

Lola: From the movie Monty Python and the Holy Grail.

Xenia: I loved that movie.

Nico: Me too.

Barnabas Collins: How will that destroy Angelique?

Me: Infused with Holy Water and the prayers and power of the Hernandez Sisters.

Fiona Hernandez: We channeled our power into it and made it more powerful.

Me: She is not going to know what hit her.

Camie: Nice.

Natasha Hernandez: She cursed you out of sheer jealousy Barnabas. This was pure jealousy and hatred.

Blitzwing: But it's only good for one use.

Me: That's all we need. Witches hate everything good.

Nico: Yep.

Natasha Hernandez: Barnabas, I know how it feels to be a vampire.

She showed her fangs herself.

Barnabas Collins: You're a vampire yourself?

Natasha Hernandez: Yes but I wasn't cursed to be one. I was made one because I was dying of a fatal blood disease and Blade the Daywalker saved my life. But it had an unexpected side effect. I was made into a vampire that can walk in the sunlight. I have immunities to silver, garlic, holy water and all that. And I have the endless thirst for blood.

Barnabas Collins: What about your sisters?

Ben Ravencroft: They have different backstories.

Fiona Hernandez: We are Nico's church buddies and we are the Gene-slammers of the 3 Sacred Beast Cards. I am for Uria, Lord of Searing Flames.

Maria Hernandez: I am for Hamon, Lord of Striking Thunder.

Nicole Hernandez: And I'm for Raviel, Lord of Phantasms.

Fiona Hernandez: We are the gene-slammers of the Evil Counterparts of the legendary 3 Egyptian God Cards.

Nico: It's true.

Fiona Hernandez: Uria is based on Uriah an elite soldier in the army of David, king of Israel and Judah, and the husband of Bathsheba, the daughter of Eliam. This was in the Book of Samuel.

Maria Hernandez: Hamon is based on the court official and villain whose plan to destroy the Jews of Persia was thwarted by Esther. The story is told in the Book of Esther.

Nicole Hernandez: And Raviel is based on Raziel was sent to Earth to teach Adam, and due to the elevated soul of Abraham, Raziel returned to teach Abraham all the spiritual knowledge and spiritual laws. Raziel was sent to Earth to teach Adam and Abraham the ways of Nature.

Barnabas Collins: That is interesting.

Me: Very interesting and amazing. That explains what they are based on in the Bible.

Nico: Yeah.

Magma Man: I need to be careful not to detonate this grenade with my magma

Me: Brittney is going to detonate it.

Nico: Good idea.

Shannon: And I'll face her too. I am a witch myself.

She revealed her mark on her right arm.

Shannon: My ancestors the Sanderson Sisters were the most feared witches in all of Salem back in 1693 and I inherited all their dark power and I'm also a wiccan too. I'm what you call a Twilight Hybrid.

Ben Ravencroft: It's true.

Nico: No way are we going to let Angelique get away with everything she did.

Skinner: Where was she last seen?

Maggie Evans came.

Maggie Evans: In the center of town.

Me: Maggie Evans.

Maggie Evans: I'm glad you all came. Angelique must be stopped at all costs.

Me: You can count on us.

Hook: Me and Ratchet will provide medical attention.

Me: Good idea.

Xenia: Yeah.

Eli: I sense her. She is coming.

Brittney: Her magic may be strong but ours is STRONGER.

She chanted some incantations and made the house, Barnabas and Maggie impervious to Angelique's magic and we're already impervious to magic.

RD Lisa Loud: Shall we get going?

Nico: We shall.

Qin: Yep.

I gave Barnabas an umbrella to protect him the sunlight.

Nico: There.

We were off to face her.

Atomic Skull: I'll definitely be able to get a shot off her.

Nico: Yep.

Eli: There!

We saw a girl with blond hair in a red dress.

It was ANGELIQUE BOUCHARD!

Grodd: She doesn't see us yet.

Nico: No but she will. Entrance time!

We went at her!

Angelique Bouchard smirked.

But then the spirits of demons from hell came and they swirled around her and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard and we came out and Rarity blasted her with a magic beam and blasted her all over!

Me: You murderous psychotic bitch!

Sissi Delmas: You're busted!

Nico: More like dead meat!

Angelique Bouchard: IF I can't have Barnabas then NO ONE WILL!

Me: We'll see about that!

Camie: Yeah!

POW!

Camie punched her square in the face and gave her a nasty black eye!

Camie: More where that came from you monster!

Angelique: MY FACE! MY BEAUTIFUL FACE!

Me: You've had this coming for over 300 years you heartless monster!

Mole Man: Moloids, attack!

He summoned Moloids!

Nico: Your jealous heart makes you a true demonic force from hell!

Xenia: And it will only kill you in the end!

Bone Chompy growled at her!

Angelique: YOU WILL DIE WITH ME!

She fired a magic blast and I fired an energy blast and the blasts collided and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Brittney, Lucy Loud and the Goths blasted her all over with dark magic! And they stripped her of her ETERNAL YOUTH! And it revealed her TRUE FORM! She was a TRULY UGLY WITCH!

Nico: Now THAT'S more like it!

Varie showed a mirror and she saw her without her youth and screamed!

Angelique: WHAT THE HELL HAVE YOU ALL DONE TO ME!?

Me: Stripped you of your beauty! Now the world knows what kind of monster you REALLY are! A heartless evil witch!

Qin: YEAH!

Me: And another thing, your magic doesn't work on us. We're impervious to magic.

Shannon: That's right! In the name of my ancestors the Sanderson Sisters and the people of Salem, you are hereby sentenced to death!

Lola: LETS BURN THIS WITCH!

Silver Samurai: Anyone have a shadow sword?

Brittney formed a Shadow Sword.

Brittney: Like this?

She jumped and slashed Angeliques hands off!

Nico: YEAH!

Matau and Blu charged at her and bashed her all over and blew her all over.

Qin: How do you like your face! Frozen or Deep-Fried!

She fired a wave of fire and ice and blasted her all over.

Xenia: YEAH!

Nico splashed holy water at her and it hit her and burned her all over!

Qin: Take that!

Xenia: More where that came from!

Poromon got on a slingshot and fired and he bashed her all over her head with beer bottles.

Manaphy blasted her with energy.

Horsea squirted Ink into Angelique's eyes.

Poliwag slapped her all over with his tail!

Nico: YEAH!

Then Pyro, Hydro Man, Hsi Wu, Grumblemon, Electrocutioner, Key, INSTIGATOR, Amora, Living Laser, and Trap Jaw came.

Nico: Pyro, Hydro Man, Hsi Wu, Grumblemon, Electrocutioner, Key, INSTIGATOR, Amora, Living Laser, and Trap Jaw.

Amora: Sorry we're late. Let me say something to her first.

Amora went over to Angelique.

Angelique: (GASP) Amora!? You're alive!?

Amora: I'm flattered that you remember me Angelique. But I didn't come here to catch up!

Me: You know Angelique?

Amora: Me and Angelique went to sorcery school eons ago. We hated each other.

Me: Geez!

Amora: And I've always been better than her in everything.

Angelique: As soon as I'm done with these fools, you're next!

Amora: (smirks) Oh, you won't get the chance.

Pyro: But we MAY let her get some shots on you.

Hydro Man: Assuming there's anything of you left!

Me: Yeah!

Hsi Wu: (to Nico) We heard you fought Lou Gubrious.

Nico: We sure did and man was he crying hard!

Grumblemon: (to Earth) I hope you take care of that Marill.

Earth: I will.

Then the WHEEL OF MISFORTUNE from episode 27 of Mighty Morphin Season 1 came!

---

Wheel of Misfortune was originally an antique spinning wheel that belonged to Kimberly's grandmother. It was put under a spell by Rita and turned into the Wheel of Misfortune. This "monster" is notable for being the first "monster" in the franchise to have been created from an object and not having been either made by Finster or summoned by magic.

Rita created this monster from the spinning wheel of Kimberly's grandmother. This monster was sent to battle with the Zords after Tommy, who had been tied to a tree as part of Rita Repulsa's latest scheme at the time, broke free and joined the other five Rangers. It managed to put up a solid fight, even giving the Megazord trouble. It was ultimately destroyed when the Megazord combined with the Dragonzord and Titanus to form the Ultrazord in a last-ditch effort for victory, before being restored back into a regular spinning wheel.

---

WE DUCKED! AND IT FLEW OVER US!

Qin: WHOA!

It flew at me and I blocked it with my sword and sparks flew all over as it was cutting and sparking!

Me: (GRUNTS) It's like blocking a buzzsaw!

Wheel of Misfortune: Actually, I CAN speak now.

Me: WHOA! That's cool!

William: Vypra must've helped that happen.

Me: Yep.

Pumpkin Rapper appeared too!

Me: WOW! Pumpkin Rapper. Perfect for Halloween.

Pumpkin Rapper: Yep it sure is.

Nico: Awesome!

Wheel of Misfortune: Also, Amora, I didn't know you had history with queen bitch here!

Amora: You never asked about that.

Me: We were surprised ourselves.

Pumpkin Rapper: Almost Halloween! So awesome.

Me: Yep.

Xenia: Yeah!

Lily: You absolutely make me sick to no end, Angelique. Your hatred and desire to destroy the entire Collins family because of getting snubbed by Barnabas 200 years ago has destroyed you completely, you're nothing more than a monster befitting the likes of you because of what you did cursing him to be a vampire. Now, I'm going to destroy you once and for all, you witch!

Nico: HOLY GREAT BALLS OF FIRE!

Lincoln, The Loud Siblings, and The Loud Parents: INCREDIBLE!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO LILY! THEN, AS SOON AS THE VORTEX FADED, LILY EMERGED FOREVER CHANGED!

We were really amazed by Lily's Super Angel-Mermaid-Sea Creature-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Carlitos saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Angelique Bouchard saw it, she went mad. But, before she could use her dark magic, Lily fired a massive barrage of rainbow energy, stars, glowing water, ocean waves, mermaids, sea creatures, phoenixes, and angels which hit Angelique Bouchard and drenched her hard, and this really really pissed her off in a huge way.

Lincoln: It's over, Angelique Bouchard.

Lincoln fired a massive red energy beam from his massive greatsword and it hit Angelique Bouchard and he sucked out and drained her dry of all her magical powers.

Brittney: Time for some pain from this.

She popped the pin.

Brittney: 1… 2… 3!

She threw it and then it landed in Angelique's arms.

Angelique: What the?

HALLELUJAH!

And then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and blew her into a million pieces in a massive fiery explosion and incinerated her!

Me: WHOA! That was powerful!

Lincoln banished her to The Black Gates. Lily holstered her massive greatsword on her back and powered down, and Lily's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve lavender orbs orbiting around her legs, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Lily: And that about does it for Angelique Bouchard.

Nico: Yep, her two-century hatred against The Collins family ends here and now.

Lincoln: She deserved it. Now, there's one last thing to do and one last loose end to tie up: The Universe 666 Red Rangers brought back by RD Sebastian who has officially lost his sanity.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and red energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and red energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood

from anywhere, come on out now, Universe 666 Red Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Red Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Red Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Tracey Burrows: That he has, and for that, he gets to watch as we destroy the last instruments of his revenge.

Suddenly, Tracey Burrows' blue eyes turned neon blue and she was surrounded by a red energy aura with stars, red fire, red flames, phoenixes, and angels, she unholstered the Fire Smasher and as she approached The Universe 666 Red Rangers, she left red energy, stars, red fire, red flames, phoenixes, and angels with every step.

Tracey Burrows: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who needs to be put down. But, before we do so, I'm putting every last one of you down for good, you'll pay for disgracing the legacy of the Red Rangers.

Suddenly, Tracey Burrows was surrounded by a massive vortex of red energy, stars, red fire, and red flames surrounding the vortex, there are phoenixes, angels, and the Red Rangers of 47 plus years flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at The Universe 666 Red Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to RD Sebastian that death's coming for him tomorrow, along with warning Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Tracey Burrows emerged, but she was changed forever.

Tracey Burrows grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large red orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a red energy aura with stars, red fire, red flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a red lightning bolt with the Red Cosmic Fury Ranger emblazoned on her forehead with red iris, she has on Red Ranger earrings with red gems for eyes and holding the Star, Red Fire, and Eternity Kanjis in their hands, she also has a Red Ranger with red gems for eyes and holding the Star, Red Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her red angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Tracey Burrows has transformed into SUPER ANGEL-RED POWER RANGERS EMBODIMENT-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA CRIMSON RED INFERNO FIRESTORM RED POWER RANGERS EMBODIMENT PHOENIX GOD ANGEL OF DIVINE COSMIC

ETERNAL CRIMSON RED INFERNO FIRESTORM RED POWER RANGERS EMBODIMENT PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL CRIMSON RED INFERNO FIRESTORM RED POWER RANGERS EMBODIMENT PHOENIX GOD ANGEL LOVE!

We were amazed by Tracey Burrows' Super Angel-Red Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Red Rangers saw it, they went mad with rage and ran at her and kill her, but Tracey Burrows fired a massive barrage of red energy, stars, red fire, red flames, phoenixes, and angels which hit The Universe 666 Red Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Troy: Incredible!

Selene Arcangela: Incredible is right, Troy, Tracey's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Red Rangers and make them pay!

Tracey Burrows: (Divine Echoing Godly Voice of The Crimson Red Inferno Firestorm Red Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Crimson Red Inferno Firestorm Red Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix

Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Tracey Burrows.

The Red Rangers also transformed and joined Lincoln and Tracey Burrows as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I already knew RD Sebastian has crossed too many lines with The Royal Defenders, but this, now he's gone way too far, and he'll pay when the time comes. Now, your end has come, Universe 666 Red Rangers!

Tracey Burrows, Lincoln, and The Red Rangers went after The Universe 666 Red Rangers, and they fired extremely powerful blasts of rainbow energy, red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Red Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Tracey Burrows attacked them with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Tracey Burrows also did the same by firing red energy slashes from her massive greatsword, and he and Tracey Burrows attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Red Rangers badly.

The Red Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Demon's chest, and then, Lincoln began absorbing The Universe 666 Red Rangers into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Red Rangers, and he banished them to The Black Gates. We cheered wildly for what Tracey Burrows and Lincoln did as they holstered their massive greatswords on their backs and powered down and Tracey Burrows' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large crimson red orbs orbiting around her legs, and massive crimson red angel wings are permanent.

Tracey Burrows: Burn in Hell forever, you bastard. Thanks for helping me destroy The Universe 666 Red Rangers forever, Lincoln, you too, Troy.

Lincoln: (Smiles Warmly) You're welcome, Tracey.

Suddenly, Tracey Burrows wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tracey Burrows' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and the Red Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and red flames raging behind them and we cheered wildly. Then, Lincoln and Tracey Burrows sucked in and absorbed the elemental forces and red flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Red Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Red Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Reina Brenton, Daydream Forgiveness Princess of Fire.

Selene Arcangela: Awesome, and you guys will love meeting her. Reina Brenton is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sunset Shimmer combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Reina Brenton and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Reina trained Lincoln a lot with using the powers of Fire and Forgiveness, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a blazing passion because Luan when she had her Dark Side in her was an unrepentant and deranged monster, and Reina Brenton has put her in her place more than once: tying her up and throwing her in a padded cell like the basket case that she was.

Me: I remember her all too well. She has the same powers as Sunset Shimmer and can forgive those who were forced into crime.

Lincoln: Yep, but she never forgave Luan because her Dark Side was too strong mainly because of the Dark Side of Chase Young, but Reina has put her in her place more than once: tying her up and throwing her in a padded cell like the basket case that she was.

Nico: Yikes.

Electrocutioner: Damn! It really works!

Key: It sure does.

Me: Wow! That was awesome! Not bad for a one time use.

INSTIGATOR: We HAVE to make more of that.

Living Laser: Well, let's get ready for Halloween.

Trap Jaw: Hope you got your costumes ready

Me: Oh we will.

Camie: Awesome.

Barnabas: Thank you all for helping us.

Maggie Evans: That was awesome.

Me: It sure was and you're welcome.

Nico: Great job everyone.

Brittney: (To the viewers) Boy this was a dark and awesome adventure.

Me: Yep.

We went back home and got some sleep.

Qin: Boy this forest REALLY gives me the creeps.

Xenia: Me too.

Himiko: It sure is scary.

Lola: I know.

Varie: Yeah.

Elyon: I think it's awesome for Halloween.

Camie: Yeah.

Nico: Elyon, I want to thank you, Terminator, and your teams for coming.

Elyon: No problem Nico. It's going to be awesome.

Lincoln: (YAWNS) It sure is.

Laney: Yeah. Man bro you look tired.

Xenia: Oh boy.

Lincoln: I'll tell you all later.

Nico: Paradox, you really have been a good help to Ben and the others over the years.

Professor Paradox: Indeed Nicolas. Helping Ben and friends have always been so fun and joyous for me.

Me: It sure has and you helped us big time in the Fragments search and that was really cool.

Camie: It sure was.

Girl Jordan: That was so fun and cool.

Xenia: It sure was awesome.

Professor Paradox: Indeed it was.

Nico: I remember when you first met Ben and the rest. I think it had something to do with your assistant Hugo.

Professor Paradox: That is right Nicolas. It was to help him.

Ben: That was awesome doing that.

Xenia: Wow! That is so cool!

Camie: Yeah.

Me: Yeah. Man yesterday was really awesome.

Brittney: It sure was. We destroyed Angelique and it was cool using the Holy Grenade.

Nico: That was so cool.

Lola: It sure was!

Nico: I didn't know Amora had history with her.

Me: Yeah no kidding. They both went to sorcery school together and hated each other since day one.

Lola: Yeah that was crazy!

Brittney: No kidding. Something must've really went down between them.

Professor Paradox: Indeed. That was a really bad time for them.

Me: Yeah.

Nico: We'll need to make more Holy Grenades.

Fiona Hernandez: That was awesome to see one of them in action like that.

Lola: It sure was.

Camie: Yeah!

Me: It was the first time ever we did that.

Nico: Where dod you get the idea for one of those J.D.?

Me: Oh I played the game Worms and it had one. Also I saw it on a clip for Monty Python and the Holy Grail and thought it would be awesome.

Xenia: That is cool.

Nicole: Monty Python is one of my favorite movies since I was a little girl.

Eddy: I'll ask Sockhead if he can make more of those.

Xenia: Good idea.

Qin: Yeah.

Lola: But at least Barnabas and his family are rid of that murderous monster.

Xenia: Yeah.

Qin: It was cool seeing one in action though.

We continued walking and the forest was REALLY creepy as hell.

Nico: This is really creepy.

Lola: It sure is.

Lucy Loud: I like it.

Brittney: Me too.

Lola: It sure is scary.

Nico: Do we go into the castle?

Me: Yeah we should.

Lynn: Yeah.

Me: Nice costumes guys.

Xenia: I'll say!

Lori: Thanks.

Lori was dressed up like a Princess of Wind and she looked amazing.

Luna was dressed up like a Vampire Mermaid

Lynn was dressed up like a MAD SLASHER LUMBERJACK!

Linka Loud was dressed up like a female version of Electro

Aqua was dressed up as a Werewolf.

Courtney was dressed as a Dark Princess

Lightning was dressed as a Baseball Player

Sora was dressed as a skeleton

Kairi was a vampire

Lucy Heartfilia was dressed as an angel

Jack Skellington heard a Pokemon cry.

Jack Skellington: Hey fellas look here.

We saw a Brambleghast.

Me: A Brambleghast.

Qin: Awesome for you Jack.

And it was hurt.

Me: Poor thing hurt himself.

Brambleghast: Yeah but I'll be okay.

We got to healing it.

Nico: Just in time for Halloween.

Me: Yep.

Brambleghast: Thanks and Halloween is my favorite time.

Me: Ours too.

Lola: Yep.

Nico: Yeah.

Qin: Yep.

Nico: Want to come with us?

Brambleghast: Sure.

We were walking. Then an Innkeeper came.

Innkeeper: [grabbing onto Squidward] Please, I beg you, [points to Nosferatu's castle] do not go to the castle! The master is a vampire! He means to suck your blood! [sobs on ground]

Squidward: What are you talking about?

Innkeeper: Nosferatu! [lightning crashes]

Squidward: Mm-hmm.

SpongeBob: [laughs]

Squidward: Right. [walks past innkeeper] I'm sorry. I don't have any spare change.

Innkeeper: [stopping in front of them] Don't go to the castle!

Nico: Sir you are interfering with Team Loud Phoenix Storm business. So we're going to have to ask you to step aside.

Eddy: Unless you're hidiing something.

Nico: Eddy stand down.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive

physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Nosferatu) AHA! Gotcha! I just spotted Nosferatu, he's inside his castle, and I also sensed Pete and Kate, they're in danger!

Nico: We better stop him at once!

Lincoln: Before he tries to turn them into vampires. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Nosferatu.

We were flying in the air and we were flying to the castle of Nosferatu

Lincoln: What a creepy castle. Lets get ready.

Me: Let's get him. KIBAL, LET'S HOWL!

I transformed into Wolf Moon.

Lincoln: Yeah. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into Fire Moon.

Suddenly, the moon's light shined down on Lincoln, and then, we saw his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and grew a brown wolf snout, his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Me: That's still as awesome as ever!

Lincoln: I know, and the light of the full moon shined down on me, and I feel infinitely stronger than ever.

Me: Same here. Let's get that undead bloodsucker.

We arrived at the castle and I knocked on the door.

The door opened and we went in and it was a creepy castle.

Me: Man. Creepy.

Anna Anyanova: Uh oh, now it's about to get really ugly. We knew vampires and werewolves have a really nasty history going back to The Middle Ages, and they've been blood enemies for over a thousand years.

Halinor Halloween: They're gonna tear him apart but not before I get that chance.

Kate Pete: Thanks again guys!

Me: Anytime.

Halinor Halloween: I should've known that you'd show up, Nosferatu, and judging by the smell of blood in the air, there's no doubt Royal Defenders Sebastian had a hand in this. You have done more than enough damage for one day, and now, you're about to face the true meaning of fear.

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for a little snack!

Lincoln bared his fangs, and he sank his fangs into Nosferatu's neck and he literally drained him dry of every last drop of blood, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Halinor Halloween's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large black and orange orbs orbiting around her legs, and massive orange angel wings are permanent.

Halinor Halloween: Now, that was so awesome!

Lincoln: That's the end of Nosferatu for good.

Suddenly, I got jumped on by Halinor Halloween, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

I recovered.

Nico: That was one awesome battle.

Lincoln: We took down Nosferatu for good and destroyed, and since RD Sebastian just struck me last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Me: No kidding.

Me: And Blu? You and Matau did good yesterday.

Nico: And Blu? You and Matau did good yesterday.

Blu: Thanks Nico.

Me: That was fun!

Nico: YEAH! And J.D. is everything you said about Hikaru true?

Me: Every single word of it. I helped him kill Lugiel before and banished him to another dimension.

Nico: WHOA!

Eli: Wow! That is cool!

Poromon: Want some beer? It's Halloween themed?

Brambleghast: Hey sure!

He took it and drank it and it was good!

They both got drunk.

Poliwag: Next time it'll be my turn!

Nico: Yes it will be.

Xenia: Yeah!

Nico: That was still fun though.

I snapped my fingers and they were back to normal.

Nico: Where's that other guy?

Me: Oh that was the Innkeeper. He was not involved in this.

Nico: Oh. Okay then.

Eddy: Should we tell him the coast is clear?

Nico: Hmmm. Nah.

Lola: But that was fun though.

Xenia: Yep.

Me: It sure was.

Nico: We used all the things that Vampires hate.

Me: Yep. Silver, Garlic, Holy Water and Sunlight.

Nico: Yep.

Lola: Yeah that was funny.

Xenia: Yep.

Nico: I carried garlic just for this.

Qin: Yep. You sure did.

Nico: Well Pardon My Anatomy!

Poromon: EWW!

Nico: Sorry.

Qin: That was funny though

Nico: Wanna talk about your nightmare, Lincoln?

Lincoln: Oh right.

Me: We forgot to ask that. It's sort of a Sub-Mandatory Question.

Nico: Sub-Mandatory?

Me: Optional and a question we only ask when needed.

Nico: Oh.

Lola: Yeah.

Lincoln: Okay.

Natilee: I can actually show it to you.

She showed a sketch of it and it was where THE ENTIRETY OF

THE LOUD HOUSE WAS OSTRACIZING HIM FOR THE BAD LUCK FIASCO AND THEN LINCOLN SNAPPED AND WENT HARVESTER AND HE KILLED HIS FAMILY AND DISMEMBERED THEM ALIVE AND SLASHED THEM INTO A MILLION PIECES AND KILLED EVERYONE IN THE CITY AND FLOODED IT IN BLOOD AND BURNED THE WHOLE CITY TO THE GROUND WHILE LAUGHING LIKE A FUCKED UP LUNATIC!

WE GASPED IN UTTER SHOCK AND HORROR!

Me: OH MAN!

Nico: That is awful!

Maria: Good thing the Bad Luck Fiasco never happened.

Me: Yeah. Lincoln must've been thinking about all the terrible things that he went through over the years.

Lincoln: You're right on that. That was horrible.

Lincoln had tears stream down his face.

Lola: It's okay Linky it'll be fine.

Ronnie Anne: Yeah Lame-o at least your guardian angels and J.D. have been there for you and helped you figure it out what lead your family to become like that.

Nico: This is the last time that… THING pulls this!

Me: Don't worry Nico we're going to make sure it is. Besides the curse that Lincoln and Brittney put on him will kill him later tonight along with all of us.

Nico: Good fucking riddance.

Maria: It doesn't matter if he's made contingencies.

Me: Yep.

Ed was bashing his face into the ground.

THWACK THWACK THWACK THWACK!

Ed: I'm a woodpecker!

Me: Come on Pesto lighten up.

Pesto: OH I'LL GIVE YOU SOMETHING LIGHTEN UP ABOUT!

He got zapped by my lightning field.

Nico: WHOA!

Me: Nice try Pesto.

Ed hugged Luan.

Eddy: Hey! Lumpy, Luan's MY girlfriend!

Luan: Eddy come on you know how Ed is with Chickens.

Ed: Yeah! Sorry Luan.

Luan: No worries.

Nico: Just don't hug her tightly.

Luan: He's not.

Ed: Yeah.

Pesto: I'LL GIVE YOU SOMETHING TO LAUGH ABOUT! I'LL MAKE GRAVY OUT OF YOUR BEAK BONE YOU BIG SACK OF GARBANZO BEANS! TAKE THAT! YOU SACK OF HAMS!

Bobby laughed hysterically!

Eli stopped them.

Nico: Wasn't Nosferatu seen during the Hash Slinging Slasher fiasco?

Me: Yes he was but that was the one that SpongeBob knows. This was the one from the monsters of Are You Afraid of The Dark?

Nico: Oh! Big difference there.

SpongeBob: Yep.

Maria: All he did was turn lights off.

Lily: Actually he flickered the lights on and off by jiggling the lightswitch.

Maria: Oh right.

Xenia: Yeah still funny.

Horsea hopped into Maria's arms.

Horsea: Still funny though.

Me: Yeah.

Laney: Now it's time for the Anothers.

Eli: (Concentrates) Whoa! We got Another Terminator 1984, Lightning Man, Peace Master (Adventure Time), Cinnamon Teal (Ducktales), Universe 666 Pastmaster and Nobodies!

Me: Whoa!

Lola: Awesome!

Minuette: This will be so fun!

Twinkleshine: It sure will.

Minuette, Twinkleshine, Lemon Hearts, Moondancer and Lyra Heartstrings cutie marks all were glowing.

Twilight Sparkle: Whoa girls your cutie marks are glowing!

Nico: Yeah. Anyone else?

Eli: Lets see. (CONCENTRATES) Whoa! Webstor, Roman, Carly, Devack, Misty, Kalin, Greiger and Rex.

Me: Wow! The Dark Signers. That is cool.

Carla Nazca: That is cool.

Me: It's Halloween so it's fitting for the Goths of Darkness to be up for that.

Nico: Who's up?

Me: Elyon Brown, Professor Paradox, Peppermint Butler, Cinnamon Bun (Adventure Time), Lizzie Hearts and Selene Scala Ad Caelum along with Lucy Loud, Brittney, Bertrand, Haiku, Dante, Persephone, Morpheus and Boris.

Nico: Nice.

Qin: Fitting too.

Lola: It sure is.

Eli: And the Anothers minus Terminator 1984 are 5 people.

Nico: Wow!

Lola: Yep.

Nico: There they are!

We saw Another Lightning Man, Peace Master (Adventure Time), Cinnamon Teal (Ducktales), Universe 666 Pastmaster and Nobodies along with Webstor and the Dark Signers.

Nico: Awesome!

Lola: This will be cool!

Another Cinnamon Teal: It sure will.

They merged and split into 5 figures and reverted back and they were 5 girls.

They had the same looks and clothes like Minuette, Twinkleshine, Lemon Hearts, Moondancer and Lyra.

Mindy Minuette: Mindy Minuette.

Trina Twinkleshine: Trina Twinkleshine.

Lina Lemon Hearts: Lina Lemon Hearts.

Mira Moondancer: Mira Moondancer.

Lira Lyra Heartstrings: And Lira Lyra Heartstrings.

Me: Wow! Awesome to meet you girls and you are also the Embodiments, Gene-slammers and Legacies of Minuette, Twinkleshine, Lemon Hearts, Moondancer and Lyra Heartstrings.

Mindy Minuette: Yep. That's right.

Twilight Sparkle: That is amazing! It's awesome that you girls are the legacies of my friends from Canterlot.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: Yeah! Oh mandatory question. Is the Another Terminator 1984 friendly or hostile?

Mindy Minuette: Friendly and she has an amazing power and talent.

Me: Wow.

Nico: And now, we wait.

Me: Yep.

Lola: Yeah

Nico: I've never forget fighting the Terminator Mascots.

Me: Me neither and analyzing them with my data eyes was really awesome.

Camie: That was cool.

Lola: Yep.

LOUD FART!

Nico ripped one.

Nico: Oops. Sorry.

Qin: No worries.

Lola: It's scary that there were Terminator Versions of Cute things.

Nico: No kidding.

Nurse Redheart: That is for sure.

Then her cutie mark started to glow.

Me: Nurse Redheart your cutie mark is glowing. Wow.

Nico: That means only one thing.

Me: I know. Wait look!

We saw ANOTHER TERMINATOR 1984!

Me: Wow!

Xenia: Another Terminator 1984!

Terminator 1984: This is gonna be interesting.

Another Terminator 1984: (In a girls voice) It sure will be interesting.

She reverted back and was a girl with pink hair and blue eyes and had a Nurse outfit on and pink angel wings and she had a tiara with Nurse Redheart's cutie mark on it and the same symbol on her shirt and she had her tail too and she had a DEADLY SHOT NEEDLE Sword!

Nurse Nina Redheart: Nurse Nina Redheart - Embodiment, Gene-slammer and Legacy of Nurse Redheart at your service.

Me: Wow! Awesome to meet you.

Nurse Redheart: Same here and it's an honor to meet you too.

Nurse Nina Redheart: Yeah it sure is.

Me: Whoa!

My data eyes turned on and it showed that she was a full fledge cyborg and she had all the same powers as numerous Terminator Models from SKYNET as well as the robotics designs from Dr. Gero. And she has a living human heart for a power source.

Me: Wow! You're a Cyborg and you were made using Dr. Gero and SKYNET's Terminator designs. How did that happen?

Nurse Nina Redheart: I was in a terrible accident and a scientist saved my life by making me that way.

Nico: That's incredible.

Lola: Yeah it sure is!

Terminator 1984: You are just like me.

Nurse Nina Redheart: In a way yes.

Me: Whoever that scientist was they did a great job.

Nurse Nina Redheart: They sure did.

Me: You weren't programmed for anything so that's good.

Nurse Nina Redheart: That's right.

Nico: That is one good thing that we can utilize from Dr. Gero and SKYNET's designs.

Qin: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: Also Swartz didn't make you this way did he?

Nurse Nina Redheart: No he didn't. It was someone else. Also no Swartz didn't promise me anything. He just had me heal one of his timejackers and sent me on my way.

Sakura Knudson: I remember seeing that. It was Ora that got hurt.

Me: Oh man.

Nico: That must've been a brutal battle for her.

Sougo: It was. We roughed her up after she turned one of my friends into Another Kiva.

Me: Geez!

Zocks and Kaito: ZENKAIJU GEAR!

Zocks and Kaito donned their Zenkaiju armor.

Lincoln: Lets separate you first.

Lincoln did so.

Me: Hope that didn't damage you in any way?

Nurse Nina Redheart: No thankfully.

Me: Good.

Lola: Lets get him!

Nico: (gets out Terminator 1984's Ridewatch) Hasta La Vista Baby!

May: (gets out Peace Master's ridewatch) Peace is cool!

Maria: (Gets out Universe 666 Pastmaster's ridewatch) The Past is the Way to the future!

Professor Paradox: (Gets out Lightning Man's Ridewatch) Lightning shall rain!

They used the powers of Terminator 1984, Lightning Man, Peace Master (Adventure Time), Cinnamon Teal (Ducktales), Universe 666 Pastmaster and Nobodies and blasted the Another all over!

Then Cathulhu, Cult of the Cat, Demon Cat, Catzilla, Darkinator and Mammothman came!

Me: Whoa! So Cathulhu is going to be the archenemy of?

Cathulhu: Catwoman. The one you guys know.

Me: Nice!

Nico: Awesome team!

Cathulhu: Thanks! It's cool!

Batman: The Cult of the Cat! That's interesting.

Finn: Demon Cat Too!? Whoa!

Me: And Catzilla! Garfield's monster persona.

Xenia: Yikes!

Nico: Wow!

Catwoman: Me and Stewie were discussing the next ones to get a team should be former villains

Nico: Good call there.

Stewie: Thanks.

?: This will be awesome!

Blizzard Buffalo then came!

Me: Whoa! Blizzard Buffalo!

Qin: Awesome!

Blizzard Buffalo: (In a girls voice) Long time no see Nico.

Nico: Cheyenne Buffalo!? Whoa!

Cheyenne Buffalo: Yep. I got this!

She rammed and smashed down the Another. He got back up and she fired an ice blast that froze him solid.

Me: Now my turn.

I pulled out my gun and aimed it at the Another.

Me: (Imitating Arnold Schwarzenegger) Hasta la vista baby.

BANG!

I fired and it shattered the Another into a million pieces!

I went over and grabbed the ridewatch and purified it.

Nico: You're terminated fucker.

Me: Yep.

Nico: Nice line delivery!

Me: Thanks.

Cheyenne Buffalo: That was awesome!

Horsea: It sure was!

Me: And no molten steel to bring him back.

Qin: Nope. But he was a 101 model.

Nico: Yeah that was a T-1000.

Nicole: Yeah.

Maria: Not an advanced one.

Me: Nope.

Cheyenne Buffalo: Yeah. But that was cool. Oh and I'm naked just so you know.

Me: Uh oh.

I put on my blind man glasses.

Me: Too bad my glasses aren't Terminator shades. Those are always cool.

Lola: They sure are.

The boys cover their eyes.

Me: It's going to hurt.

Cheyenne Buffalo: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and fired a wave of ice and we dodged it. Then she reverted back and was a girl with black hair and had blue eyes and blue angel wings and had picture of a White Buffalo in front of a snowflake in the middle of her forehead.

Cheyenne Buffalo: (GROANS) That hurt. (Sees herself) GAH! I need some clothes!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her awesome blue clothes.

Cheyenne Buffalo: Wow! I look cool!

Me: You sure do. Wow! That's a white buffalo on your forehead. Native American Cultures see the White Buffalo as a sacred animal.

Anasazi Meadow Littlefield: That's right. Very sacred to me and my tribe.

Me: Yeah.

Cheyenne Buffalo: That's right. Very sacred to many.

May: I didn't get hit!

Me: Nope thank goodness.

Nico: Yeah.

Professor Paradox: Do you have any good memories of Nicolas?

Cheyenne Buffalo: I sure do. When me and Nico were over in Wyoming and we found amazing ancient Indian Artwork that was part of my people.

Me: Wow! What tribe are you part of?

Cheyenne Buffalo: Shoshone and it's really amazing.

Me: Wow! Those are the very Indians that helped Lewis and Clark on the Louisiana Purchase.

Cheyenne Buffalo: That's right.

Nico: Yep.

Nico and Cheyenne hugged.

Nico: I've missed you.

Cheyenne Buffalo: Same here.

We went back home.

IT'S GOING TO BE ONE NASTY CATFIGHT!

Lincoln: Looks like my rescue's taking place here in Gotham Royal York specifically Lynn's Table, and I know what we're going to do here, not only am I going to rescue the nine girls, but we're here for a little Halloween humiliation on The Jerks, but after that, we're going after Griselda Huffington's jealousy-crazed, envy-driven, psychopathic, monstrous younger sister, Greta Huffington, has now broken out of prison and she wants revenge on Griselda for throwing her in prison and "ruining her life" even though it was her fault as she tried many times to kill Griselda, but Griselda foiled her plans and she'd gotten her ass kicked hard and the cops were called and she got sent to prison. IT'S GOING TO BE ONE NASTY CATFIGHT!

Me: I'm going to enjoy letting loose on those jerks once again.

Nico: They're in for one serious humiliation, especially on Halloween.

Eli: This should be good.

We also called the rest of the team here for this.

Elyon: And we also called the rest of the team here, there's no way they're missing out on this.

The jerks were grumbling and Flip and Icky Vicky were already getting mega pissed off big time. Suddenly, waves of darkness burst in and they took on the forms of laughing pumpkins, demons rising from Hell, witches flying on brooms, vampires flying in the sky, werewolves prowling on the ground, zombies rising from the grave, ghosts rising from their tombs, and the other monsters of Halloween rising up and they attacked the jerks with fury. Then, a big Jack-O-Lantern appeared, and then, its top opened and bats flew out as the sound of demonic laughter was heard, and then, the display vanished and we appeared, and that really pissed the jerks off.

Flip: (ENRAGED BELLOWING)

Lincoln: Ah, shaddup!

Lincoln threw a massive pumpkin at Flip's head and more gold, jewels, gems, and currencies exploded out of that mutant.

Me: Alright, jerks, prepare for Hell!

We proceeded to unleash pure Hell on the jerks as we fired energy beams, elemental forces, and all sorts of humiliating pranks on the jerks, and they got hard and tons of gold, jewels, gems, and other currencies exploded out of them like crazy.

Luan: Wow, that's a lot of gold and currencies.

Luna: The bank's going to get quite the donation from us.

Me: You said it.

Icky Vicky: I'LL KILL YOU! (ENRAGED ROAR)

Lori stuffed a grenade down her throat, and then… !

KABOOM!

It exploded and more gold, jewels, gems, and currencies came out of her.

Lori: Keep it up, and we'll do much worse, ugly!

Nico: And that new look Lori gave you suits your ugliness well.

We left the place and Icky Vicky roared and bellowed like a demon out of Hell.

Lincoln: That was fun, now let's go after Greta Huffington.

Griselda Huffington: She will pay dearly for this.

We left Lynn's Table and went to go hunt down Greta Huffington and make her pay.

Suddenly, we saw a very beautiful and super sexy girl with long red hair with yellow streaks and yellow headband, green eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Fire Skylanders and Sunset Shimmer's cutie mark on her right arm she has massive and beautiful red angel wings, she's dressed in a red sleeveless blouse, necklace with red gem for the pendant, white bridal gloves, red and blue fancy skirt with blue bow, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, fire, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Fire Skylanders and Sunset Shimmer's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and with her are the nine girls.

Lincoln: (GASPS) Reina Brenton, Daydream Forgiveness Princess of Fire.

Reina Brenton: That's right, and I got the girls away from Griselda's jealous, envy-driven, monstrous sister, Greta, before she could murder them.

?: YOU FUCKING BITCH! I'M GOING TO KILL YOU FOR THROWING ME IN PRISON AND RUINING MY LIFE!

We then saw our target: a girl with the same green hair as Griselda Huffington, red eyes of hatred, and she was in an orange prison jumpsuit: it was Greta Huffington.

Griselda Huffington: THAT'S IT, YOU FUCKING BITCH! I'M GONNA TEAR YOU TO FUCKING PIECES!

Griselda Huffington went at Greta Huffington, and they really began fighting each other, but Griselda Huffington had the upper hand on Greta, and she was literally beating the shit out of Bethany Sellington and Griselda Huffington and Greta Huffington were consumed in a fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! BANG!

BLARGA FLARGA!

Me: OH SHIT! THIS IS BECOMING ONE NASTY CAT FIGHT!

Griselda Huffington: EAT BOOT, BITCH!

Then, Griselda Huffington kicked Greta Huffington hard out of the fight cloud and sent her flying straight into a tree, she got back up, but now, Greta Huffington was NTH-DEGREE MEGA PISSED OFF!

Then, Lincoln inserted the medal for Gren, Tactician of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Greta Huffington, Now, the future is a cold nightmare!

Nico and me and most of us had Shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired blasts of Eternal Darkness and Frozen Hellfire which hit Greta Huffington and she wound up getting thrown in a portal that led to Dark World and thrown into a prison cell: she became the first of the prisoners of The Dark World Prison and the portal closed. We cheered as we holstered our weapons and powered down.

Nico: (Shudders) W-what was that?!

Lincoln: That was my one of my Dark World-themed curses that I'd created: I call it The Curse of The Tactician of Dark World, and I also used the medal for Gren, Tactician of Dark World to give the curse an extra boost, and it was meant only for Griselda's evil sister.

Griselda Huffington: We saw it for ourselves, and it was really scary and mega dark.

Lincoln: Either way, Greta's not getting out ever again. (To Reina Brenton) And it's so good to see you again, Reina.

Reina Brenton: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Reina Brenton as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Maria Nightingale was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Reina Brenton: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Reina Brenton and he hugged her, and Reina Brenton is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Reina Brenton: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Reina Brenton, Daydream Forgiveness Princess of Fire, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sunset Shimmer combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Reina Brenton and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Reina trained Lincoln a lot with using the powers of Fire and Forgiveness, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a blazing passion because Luan when she had her Dark Side in her was an unrepentant and deranged monster, and Reina Brenton has put her in her place more than once: tying her up and throwing her in a padded cell like the basket case that she was.

Nico: Whoa!

Lincoln: Yep, she hates unforgiving and unrepentant villains who show that kind of behavior and cruelty towards innocent people and don't repent for any of their crimes, and she knows how to punish them, and now that you're here, Reina.

Lincoln went up to and hugged Reina Brenton in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Reina Brenton: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Reina Brenton with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Reina Brenton: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Reina Brenton, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Reina Brenton's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Relena Sharimara had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Sakura Shino, Hinata Nanami, Yumari Harukaze, Yukina Hiiragi, Nonomi Tomose, Asuka Kinomoto, Mato Nagakura, Lulu, and Nagisa Aizawa from Oppai Baka -Oppai Igai wa Mitomenai!.

Lincoln: Oh wow, it's Sakura Shino, Hinata Nanami, Yumari Harukaze, Yukina Hiiragi, Nonomi Tomose, Asuka Kinomoto, Mato Nagakura, Lulu, and Nagisa Aizawa from Oppai Baka -Oppai Igai wa Mitomenai!.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sakura Shino: Yes, we're okay, thanks to you.

Sakura Shino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sakura Shino: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Shino, Hinata Nanami, Yumari

Harukaze, Yukina Hiiragi, Nonomi Tomose, Asuka Kinomoto, Mato Nagakura, Lulu, and Nagisa Aizawa with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Griselda Huffington's jealousy-crazed, envy-driven, psychopathic, and monstrous younger sister, Greta Huffington.

But, when Lincoln showed what Griselda Huffington did in beating her up badly, and all of us piling on and giving her the beatdown of her life, and Lincoln using The Curse of The Tactician of Dark World which sent Greta Huffington to the Dark World Prison, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Reina Brenton have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Griselda's evil younger sister escaped.

Lincoln: She seriously didn't know when to give up.

Nico: Honestly, I would've wanted you guys to send her to The Black Gates.

Me: But, Lincoln made the right move sending her to The Dark World Prison.

Lincoln: I sure did, and she's in for far worse torment there, and once she dies, she's going to get sent right to The Black Gates, along with the rest of the monstrous jealous sisters of the other Dark World Goth Girls.

* * *

After we took down Greta Huffington and sent her to The Dark World Prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Reina Brenton saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Reina Brenton: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Reina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Reina Brenton: That's incredible, and we'd already known just how

strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Reina Brenton: I knew it was only a matter of time before he told everyone that story.

Suddenly, we saw a portal open and it was from Barrow, Alaska, and we saw Eben Oleson and the rest of the citizens of Barrow come through and once all of them were through, the portal closed.

Me: Eben, and everyone from Barrow?

Nico: What are they…?! (Realizes something) Wait, isn't tomorrow…?

Lincoln: Yeah, tomorrow's November 1st, which means once the sun sets, Barrow, Alaska will be plunged into its month-long darkness.

Alexis Oleson: Which means, Eben and everyone decided to evacuate early and come here to Gotham Royal York where they will be safe from the vampires.

Sophia Kitka: And we were the ones who opened that portal and got everyone from Barrow here, we all knew the day was fast approaching.

Nico: It's a good thing you all did.

Lincoln: Yep. Okay, now when we face Marlow Roderick and the vampires tomorrow, there's one thing you should know: they can't easily be killed with a stake to the heart, the only way to truly kill them is to cut their head off.

Me: And sunlight won't work either, right?

Alexis Oleson: Right. Even getting burned alive by the sun won't work, they can come back if they still have their head by pouring blood into their mouths.

Nico: Yeesh, so they aren't like the vampires we've had to deal with in the past.

Lincoln: They aren't. But, come tomorrow, we'll exact sixteen years of payback on those vampires for what they did in destroying Barrow in 2007.

Me: We're gonna need tons of firepower for the fight against those vampires tomorrow.

Nico: Along with making preparations for the epic battle against Rita Repulsa and Lord Zedd.

Sebastian Mendez: When Lincoln transforms against my Royal Defenders twin, I know the other evil versions of myself are waiting for the chance to come here after he gets killed. But, I've got a feeling that when Lincoln transforms, those evil versions of myself are going to get killed in a huge way.

Me: I've got that feeling for myself.

We got a shower, and then, Lincoln, Sally Utensilheart, Leaf, Luminous Dazzle, Onyx, Paisley Bluebell, Lulu, Sal Out, Winnie, Summer, Firestar/Novastar, Simulator Kristine Sanchez, Hakugen Rikuson, Shikei Roshuku, Shiyu Shokatsukin, Bunken Gakushin, Shikou Soujin, Bachou Mouki, Kanpei, and Ato are heading to Shoal Atoll.

Luminous Dazzle: Wow, so this is Shoal Atoll. It sure is beautiful.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sally Utensilheart, Leaf, Luminous Dazzle, Onyx, Paisley Bluebell, Lulu, Sal Out, Winnie, Summer, Firestar/Novastar, Simulator Kristine Sanchez, Hakugen Rikuson, Shikei Roshuku, Shiyu Shokatsukin, Bunken Gakushin, Shikou Soujin, Bachou Mouki, Kanpei, and Ato and they hugged the girls in their abnormally massive and powerful muscular arms and Sally Utensilheart, Leaf, Luminous Dazzle, Onyx, Paisley Bluebell, Lulu, Sal Out, Winnie, Summer, Firestar/Novastar, Simulator Kristine Sanchez, Hakugen Rikuson, Shikei Roshuku, Shiyu Shokatsukin, Bunken Gakushin, Shikou Soujin, Bachou Mouki, Kanpei, and Ato placed their hands on the massive pecs of Lincoln and his clones.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shoal Atoll, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, nineteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sally Utensilheart, Leaf, Luminous Dazzle, Onyx, Paisley Bluebell, Lulu, Sal Out, Winnie, Summer, Firestar/Novastar, Simulator Kristine Sanchez, Hakugen Rikuson, Shikei Roshuku, Shiyu Shokatsukin, Bunken Gakushin, Shikou Soujin, Bachou Mouki, Kanpei, and Ato with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Sally Utensilheart, Leaf, Luminous Dazzle, Onyx, Paisley Bluebell, Lulu, Sal Out, Winnie, Summer, Firestar/ Novastar, Simulator Kristine Sanchez, Hakugen Rikuson, Shikei Roshuku, Shiyu Shokatsukin, Bunken Gakushin, Shikou Soujin, Bachou Mouki, Kanpei, and Ato, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder Clyde and the girls in his harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico was walking around the estate.

He was humming.

Then he turned a corner and then…

THE MASCOTS CAME ROARING AS A TERRIFYING AND UGLY

He was dressed as G1 Galvatron.

Nico: Wow! G1 Galvatron.

Me: That is cool Optimus.

Optimus: Thanks. I used this.

He pulled off a disk on his arm.

Nico: A Holographic Disguise Disk. Very clever.

Lola: Yeah.

Nico: Don't we have a dodgeball game later?

Me: We sure do! I wanted to show off some of our costumes we made.

Nico: They are awesome. The Embodiment will meet us there probably.

Me: Yep. Lets go.

We were off.

Nico: We'll see more costumes later.

Me: Yep.

---

At the gym we were having fun.

Girl Jordan: (SCREAMS)

WHAM!

She got socked in the face by a dodgeball courtesy of Vypra!

OUCH!

I was jumping off the wall as Dark Spicer threw balls at me and I fired fireball dodgeballs at him and smashed him all over!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than RD Sebastian, and he'd also brought The Candy Goblin to life, and they're causing havoc in Great Lakes City. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than RD Sebastian, and he'd also brought The Candy Goblin to life, and they're causing havoc in Great Lakes City.

We gasped.

Nico: So, the psychotic sicko's finally shown up.

Me: Now, he's finally going to get his head chopped off.

Lincoln: Yeah, and now, he's gone too far with bringing that Candy Goblin to life. Come on, let's head there at once and get Ronnie Anne's family to safety.

Ronnie Anne: Now, he's really gone too far. We got to help Mom, Dad, Abuela, Abuelo, and the others and fast.

Nico: You're right, we can't waste any time.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Pink Rangers who were brought back from the dead by RD Sebastian who has officially lost his sanity, and he's sent them out to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Pink Rangers who were brought back from the dead by RD Sebastian who has officially lost his sanity, and he's sent them out to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: He did what?!

RD Me: Why, that miserable, heartless, godforsaken bastard!

Ed Cowart: There is absolutely no line he's willing to cross! Now, we're really pissed off!

Emily Goodall: He's already crossed one line too many. Leave the Universe 666 Pink Rangers to me and Lincoln, guys.

Lincoln: Hold on, Emily, we're not doing this alone.

Emma Goodall: He's right, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading to Great Lakes City to destroy The Candy Goblin and kill RD Sebastian.

Lincoln: The time has finally come, after all the nightmares he's given me and my sisters and all of the trouble he's caused us, now we're going to destroy that monster and The Candy Goblin, and once we get through with them, Universe 666 Pink Rangers, you're next.

Emily Goodall: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Great Lakes City and destroy The Candy Goblin and finally kill RD Sebastian, and once we get through with that candy goblin and that deranged psychotic sicko, Lincoln and Emily Goodall along with the Pink Rangers are going to destroy The Universe 666 Pink Rangers brought back by RD Sebastian who has officially lost his sanity.

We were off to Great Lakes City.

---

We arrived at the Casagrandes Apartment Building.

Me: Here we are.

Carl Casagrande: Thank goodness you guys came! The Candy Goblin is here.

Nico: The Candy Goblin? What can anyone tell me about him?

Me: Sounds like an urban legend.

Brittney: Lets see.

She pulled out her book on Supernatural Creatures.

Brittney: Here it is! The Candy Goblin, a Supernatural Creature that comes every Halloween. If anyone takes more than one piece of candy, he will drag the people that took it to Hell!

WE GASPED!

Nico: That's harsh.

Brittney: Gets worse. He will chase you to the ends of the Earth and will not stop till he does to get his candy back.

Qin: Yikes!

Lola: Oh boy.

Ronnie Anne: I found out a while back that it was Sergio and

Sancho that played a trick on us.

Syd Chang: Those stupid birds.

Me: Man what a couple of party poopers.

Syd Chang was dressed like a Luchadore Wrestler!

Lola was a Princess (Obviously)

Leni was Marie Antoinette

Nico: It might be the real one this time.

Me: Yeah you're right.

Emma Goodall: Yeah you're right. I think it might be.

Gia Moran: I do too.

The Rangers from all the teams were dressed in their Rangers Forms which counts as Halloween Costumes.

Superman and the Justice League and the Marvel Heroes all were in their costumes. Superhero Costumes.

Me: Yeah. Oh Nico I think the Rangers outfits and the Justice League and Marvel Heroes costumes count.

Nico: Yeah you're right.

Ingrid: What we need is a way to lure him out.

Ingrid was dressed as a homicide detective.

Me: I agree. Wait. To attract a candy goblin you need a lot of candy. (SPINS MAGISWORD BRACELET)

CANDY MAGISWORD!

Nico: Nice!

I made a huge pile of candy with it.

Maria: We can also go trick-or-treating to attract him.

Me: Good idea. Lets start with the Mercado.

We went to the Mercado.

Ed: Trick or Treat and Smell my feet. Give me something good to eat.

Eddy: Shut up Ed.

Bobby: Hola Amigos! Happy Halloween.

Me: You too Bobby.

Bobby: Awesome costume J.D.

Me: Thanks. King Inferno is who I am. I am a Male version of Solar Flare.

Bobby: Wow! Hot.

Me: Yep.

Bobby: All your costumes are awesome guys.

Poromon: Thanks Bobby.

Keiko: We all think they are awesome.

Yusuke: You got that right.

Yusuke was dressed like Goku and Keiko was Chi Chi.

Poliwag: Can I have some Snickers?

Bobby: Sure guys.

He gave us lots of candy bars.

Me: Thanks Bobby. How have things been with your grandma and grandpa?

Bobby: Doing great! Sergio is still causing problems. But we keep him under lock and restraint.

We saw him in a HANNIBAL LECTER straitjacket and mask.

Nico: Good!

Me: Sucks to be him.

We later went to numerous houses. We even went to Becky's house.

All of us: Trick or Treat!

Mrs. Blickensderfer: Oh my what amazing costumes!

Me: Thanks Mrs. Blickensderfer. Are you doing okay now that Becky the Terrible is locked up?

Mrs. Blickensderfer: Oh yes we sure are.

Horsea: Can we have some candy?

Mrs. Blickensderfer: Sure.

She gave us all full sized candy bars and they were awesome.

We got lots of them.

We later went from one house to another.

Me: Wow! We got LOADS of candy bars.

Nico: We sure did.

Lola: Yeah!

Me: Mr. Lynn how do you feel not being afraid of Halloween anymore?

Lynn Sr.: It feels awesome J.D. And I am so glad all that is behind me.

Me: We are too.

May: We have enough bait.

Me: Yep.

Camie: Mr. Lynn was terrified of Halloween?

Me: Oh right I don't think you heard about this. Years ago he got scared by a wacko serial killer that I busted that supposedly killed his father. It traumatized him and scared him bad and he was scared of Halloween since.

Nico: Yeah. But we helped him conquer his fear.

Kit: Remind me why Sergio hasn't been kicked off the team?

Me: He was doing terrible pranks and parties behind our backs.

Kit: Oh.

Nico: All we can do now is wait.

Qin: Yep.

Eli was watching out for him.

Eli: (Senses something) Here he comes!

Me: That didn't take long.

We saw a shadowy figure and it was THE CANDY GOBLIN!

Nico: There he is!

Me: Time for a Halloween themed Entrance.

Lola: Yeah.

We went at him.

The goblin was picking up candy and then the spirits of pumpkins and ghosts came and they swirled around him and then they converged and then ghosts exploded out as This is Halloween played!

Boys and girls of every age

Wouldn't you like to see something strange?

Come with us and you will see

This, our town of Halloween

This is Halloween, this is Halloween

Pumpkins scream in the dead of night

This is Halloween, everybody make a scene

Trick or treat 'til the neighbors gonna die of fright

It's our town, everybody scream

In this town of Halloween

I am the one hiding under your bed

Teeth ground sharp and eyes glowing red

I am the one hiding under your stairs

Fingers like snakes and spiders in my hair

This is Halloween, this is Halloween

Halloween, Halloween

Halloween, Halloween

In this town we call home

Everyone hail to the pumpkin song

In this town, don't we love it now?

Everybody's waiting for the next surprise

'Round that corner, man hiding in the trash can

Something's waiting now to pounce and how you'll scream

This is Halloween, red and black, slimy green

Aren't you scared? Well, that's just fine

Say it once, say it twice

Take a chance and roll the dice

Ride with the moon in the dead of night

Everybody scream, everybody scream

In our town of Halloween

I am the clown with the tear-away face

Here in a flash and gone without a trace

I am the who when you call, "Who's there?"

I am the wind blowing through your hair

I am the shadow on the moon at night

Filling your dreams to the brim with fright

This is Halloween, this is Halloween

Halloween, Halloween

'Alloween, 'alloween

'Alloween, 'alloween

Tender lumplings everywhere

Life's no fun without a good scare

That's our job, but we're not mean

In our town of Halloween

In this town, don't we love it now?

Everybody is waiting for the next surprise

Skeleton Jack might catch you in the back

And scream like a banshee

Make you jump out of your skin

This is Halloween, everybody scream

Won't you please make way for a very special guy

Our man Jack is king of the Pumpkin Patch

Everyone hail to the Pumpkin King now

This is Halloween, this is Halloween

'Alloween, 'alloween

'Alloween, 'alloween

In this town we call home

Everyone hail to the pumpkin song

They swirled around and blasted him all over and then we appeared!

Me: Now that is an awesome halloween Entrance!

Nico: Happy Halloween Motherfucker!

Vypra: And I got these for you.

Vypra gave us blasters called the Destroyers of The Candy Goblin and RD Sebastian, these are a collection of blasters that'll really put the hurt on those monsters.

Nico: Thanks Vypra!

RD Sebastian then came out!

Lincoln kicked RD Sebastian into the air and he raised and pointed his massive greatsword up into the air, and we saw a massive Spirit Bomb forming on the tip of his massive greatsword, and then, it was suddenly getting more massive by the second and we saw massive colored energy balls orbiting around the massive Spirit Bomb.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RD Sebastian, what you see before you is the energy of all those who'd suffered at your bloodthirsty hands. Now, you will feel their pain and rage and you will be dragged straight to Hell where you belong!

Loud Sisters, Parents, and us: LINCOLN! NOW!

Lincoln let out a bellowing mighty roar and he swung his massive greatsword down and the massive Spirit Bomb came down on RD Sebastian and he was overwhelmed and it was sent into space, and he tried to push it back, but the energy was too pure and powerful and he was overwhelmed and he was engulfed in the Spirit Bomb.

RD Sebastian: NO! NO! NO! DAMN YOU ALL, LINCOLN LOUD! DAMN YOU ALL, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! CURSE YOU! DAMN YOU ALL TO HELL!

(ENRAGED SCREAM)

The Spirit Bomb exploded and RD Sebastian was completely obliterated and his spirit along with the spirits of the other evil versions of Sebastian and The Candy Goblin were sent to and erased from existence by The Black Gates forever. We all really cheered wildly as Lincoln holstered his massive greatsword on his back and powered down, and Lincoln's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve planets orbiting around his legs and ten smaller planets orbiting around his waist, Third Eye, eleven massive and long white wolf tails and rabbit's tail, larger white wolf ears on top of his head, and massive white angel wings are permanent.

Lincoln: Whew, now that's I call an awesome rush!

Me: No kidding. But, I was absolutely stunned by what we just saw.

Nico: Me too. (Looks at Lincoln's harem) Uh, Lincoln, I'd brace yourself if I were you, your brand-new ascension and body transformation has really turned on your harem even more.

Suddenly, Lincoln was pounced on by his harem and they kissed him all over the place, and when his harem ceased their kissing, Lincoln had an atomic red blush on his face, his massive and muscular body and eight-pack abs and back were covered in lipstick marks, he had steam whistling out of his ears, and his pupils turned into hearts.

Lincoln: (In Heaven) That… was… so… awesome!

Me: Lincoln, that was so awesome! You really tore RD Sebastian apart!

Nico: You sure did, that was so awesome!

Lincoln: He deserved it. Now, there's one last thing to do and one last loose end to tie up: The Universe 666 Pink Rangers brought back by RD Sebastian who has officially lost his sanity.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the

Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and red energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and red energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Pink Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Pink Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Red Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Emily Goodall: That he has, and for that, he gets to watch as we destroy the instruments of his revenge.

Suddenly, Emily Goodall's blue eyes turned neon blue and she was surrounded by a pink energy aura with stars, pink fire, pink flames, phoenixes, and angels, she unholstered the Power Bow, and as she approached The Universe 666 Pink Rangers, she left pink energy, stars, pink fire, pink flames, phoenixes, and angels with every step.

Emily Goodall: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Pink Rangers.

Suddenly, Emily Goodall was surrounded by a massive vortex of pink energy, stars, pink fire, and pink flames surrounding the vortex, there are phoenixes, angels, and the Red Rangers of 47 plus years flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at The Universe 666 Pink Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to RD Sebastian that death's coming for him tomorrow, along with warning Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Emily Goodall emerged, but she was changed forever.

Emily Goodall grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large pink orbs orbiting around her legs, she has the body of a goddess, she has pink highlights in the bangs of her long pink hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a pink energy aura with stars, pink fire, pink flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a pink lightning bolt with the Pink Cosmic Fury Ranger emblazoned on her forehead with pink iris, she has on Pink Ranger earrings with pink gems for eyes and holding the Star, Pink Fire, and Eternity Kanjis in their hands, she also has a Pink Ranger with pink gems for eyes and holding the Star, Pink Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her pink angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Emily Goodall has on a sleeveless pink top, pink skirt, white bridal gloves and pink lightning bolt with The Cosmic Fury Pink Ranger on it on her right arm, pink knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, pink fire, pink flames, phoenixes, and angels on the coattails, and on the back is a pink lightning bolt with all of The Pink Rangers from 47 years surrounding it and surrounded by stars and pink fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a pink gem with neon glowing pink lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Emma Goodall felt a sharp pain on her back, and then, her massive pink angel wings with pink tips on the large pink feathers grew much bigger for her new body and she also now has eleven massive and long pink wolf tails with pink tips and pink markings, Emily Goodall has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Emily Goodall's Power Bow, massive gold greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, stars, pink fire, pink flames, phoenixes, and angels, and when it emerged, it was transformed into Emily Goodall's Cosmic Eternal Pink Inferno Firestorm Pink Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Pink Inferno Firestorm Pink Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded pink gems and pink lightning bolt with the Pink Cosmic Fury Ranger and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with pink gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with pink gems for eyes and red gem in its mouth for the pommel, Emily Goodall has on her brand-new large gold Bracers of The Champions of The Universe with large pink gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Cosmic Fury Pink Ranger's head with pink gem for the visor for the belt buckle and gold versions of the other Pink Rangers' heads with pink gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Emily Goodall's Super Angel-Pink Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Pink Rangers saw it, they went mad with rage and ran at her and kill her, but Emily Goodall fired a massive barrage of pink energy, stars, pink fire, pink flames, phoenixes, and angels which hit The Universe 666 Pink Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Emma: Incredible!

Selene Arcangela: Incredible is right, Emma, Emily's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Pink Rangers and make them pay!

Emily Goodall: (Divine Echoing Godly Voice of The Pink Inferno Firestorm Pink Rangers Embodiment Phoenix God Angel and Divine

Cosmic Eternal Pink Inferno Firestorm Pink Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and Immortal Heroism and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel of Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Justice and Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Emily Goodall.

The Pink Rangers also transformed and joined Lincoln and Emily Goodall as well.

Emily Goodall, Lincoln, and The Pink Rangers went after The Universe 666 Pink Rangers, and they fired extremely powerful blasts of rainbow energy, pink energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Pink Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Emily Goodall attacked them with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Emily Goodall also did the same by firing pink energy slashes from her massive greatsword, and he and Emily Goodall attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Pink Rangers badly.

The Pink Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Pink Rangers' chests, and then, Lincoln began absorbing The Universe 666 Pink Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Pink Rangers, and he banished them to The Black Gates. We cheered wildly for what Emily Goodall and Lincoln did as they holstered their massive greatswords on their backs and powered down and Emily Goodall's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large pink orbs orbiting around her legs, and massive pink angel wings are permanent.

Emily Goodall: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Pink Rangers forever, Lincoln, you too, Emma.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily Goodall wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Goodall's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Pink Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and pink flames raging behind them and we cheered wildly. Then, Lincoln and Emily Goodall sucked in and absorbed the elemental forces and pink flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Pink Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Pink Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Sarah Grettleton, Daydream Generosity Princess of Water.

Selene Arcangela: Awesome, and you guys will really love meeting her. Sarah Grettleton is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Rarity combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Sarah Grettleton and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Sarah trained Lincoln a lot with using the powers of Water, Gems, and Generosity, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Chandler with a blazing passion because Chandler when he had his Dark Side in his was a greedy asshole and jerk, and Sarah Grettleton has put him in his place more than once: which means throwing him in jail like the criminal he was.

Me: I remember her all too well. She has the same powers as Rarity and is a very generous person and fashionista.

Lincoln: Yep, but she never forgave Chandler because of what he did due to his Dark Side and it was too strong mainly because of the Dark Side of Chase Young, but Sarah has put him in his place more than once which includes throwing him in prison.

Nico: Yikes. Well, we need to get ready for tomorrow.

Lincoln: Yeah. Tomorrow, it's off to Barrow, Alaska, and sixteen years of retribution are about to be unleashed on Marlow Roderick and the vampires for what they did to the town in 2007.

Qin: Yep.

Nico: Hey it was a team effort.

Me: Yes it was.

Lola: Yeah.

Nico: Now we've seen the last of Royal Defenders Sebastion.

Ruby Rose: Best! HALLOWEEN! EVER!

We cheered wildly!

Xenia: YEAH!

Me: At least we didn't stay up till sunrise like last year.

I looked at my watch.

Me: Whoa! 11:30 PM. I'm bushed.

Jack O Lantern: Fun's not over yet. Let's end the day with us showing you the MOE Haunted House

Me: Oh right! Forgot about that.

Nico: Lets head over there.

We teleported over there.

We saw the haunted house and it was awesome!

Me: WHOA! What a haunted house.

Nico: This is a nice Haunted House.

Jack O Lantern: Wait till you see the inside.

We went in.

We were then greeted by a huge scarecrow with crows flying out of his mouth, we run off in fear down another hall into a giant mutant with eyes all over and holding a scythe, the mutant swings at us but we run off, we stop in a dark room to catch our breath, when suddenly.

Zombies: "Braaaiiinnns."

[The lights come on revealing us to be surrounded by zombies, some of us scream and run again, through the rest of house.]

We saw NUMEROUS MONSTERS AND NIGHTMARES OF GRUESOME KINDS!

WE WERE SCREAMING LEFT AND RIGHT!

Poromon: This is so scary and fun at the same time!

Nico: YEAH!

We went through the Haunted House and it was FULL of horrors!

Skeletons, ghosts, monsters, vampires, werewolves, mummies, and more!

Some of us were being scared out of our witz!

It was awesome!

Later we came out and it was awesome!

WE CHEERED!

Me: THAT WAS AWESOME!

Camie: AWESOME!

Lola: YEAH!

Me: Awesome haunted house guys!

Jack O Lantern: Glad you all liked it.

Poromon: Now to eat the rest of the candy we got.

Poliwag: Not without me!

Nico: Now now we have much more than that. But this was fun! Happy Halloween everyone!

WE ALL CHEERED!

We later went home and went to sleep.

Lincoln helped Sarah Grettleton and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Sarah trained Lincoln a lot with using the powers of Water, Gems, and Generosity, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Chandler with a blazing passion because Chandler when he had his Dark Side in his was a greedy asshole and jerk, and Sarah Grettleton has put him in his place more than once: which means throwing him in jail like the criminal he was.

Next chapter is for Flight of the Navigator from 1986 and that is going to be interesting.

See you next time.

# NAVIGATING THE FUTURE

This chapter is based on the movie Flight of the Navigator

---

In the early morning hours at 1:30 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Mendocino. But, they were no ordinary three figures, they were Tiger Blazer, son of Lincoln's future wife, Toralei Stripe. Cori Loud and Violet Loud, daughters of Lincoln's future wife, Animated Slipstream. Lincoln woke up from the dream, but he wasn't the only one, Toralei Stripe, Animated Slipstream, Dr. Ciel Ratchet, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Animated Slipstream: And not only that, it also means that we found out where our kids is at.

Toralei Stripe: Any ideas where exactly?

Me: They're at Mendocino.

Nico: The coastal community in northern California? Oh, god no!

Lincoln: I know, Nico. Come on, we'd better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Toralei Stripe, Animated Slipstream (who has a human disguise), Dr. Ciel Ratchet, Me, and Nico were heading to Mendocino. Then, Lincoln saw a tall, lean, and muscular 14-years-old Anthropomorphic Tiger who has red fur with black stripes, white muzzle, paws, and underbelly, green eyes with red pupils, sharp tiger teeth with two giant fangs almost like a saber tooth tiger, five-fingered hands with sharp claws, and a bulkier tail on the rear. He wears a black leather jacket with a flaming tiger on the back, white shirt with Fire Tiger, black pants with red stripes, and black boots with metal claws on the toes. He wields a black and red stripe saber with a launcher weapon structured into the blade and a blast shield model like a blazing flame shield called the Saber Launcher and Riot Shield. A 12-years-old tomboyish girl who has tan skin, waist-length long ginger hair with white lightning bolt shaped streak, teal eyes with a single extremely long black eyelash on each eye. She has black ear piercings a black choker, and black nail polish. She wears a black t-shirt with a white lightning bolt and a Decepticon symbol on the front, a green and black jacket, black jeans with white belt, and a pair a black and white checkered slip-on vans. She also has two black spiked bracelets on each wrists. And a slender 11-years-old young girl who has fair skin, rosy cheeks, long straight black hair with purple highlights and has a purple headband, purple eyes, and freckles on her cheeks. She wears a lilac mini-dress, a purple coat, black leggings, and purple ballet flats. Lincoln saw who they are, they were Tiger Blazer, Cori Loud, and Violet Loud.

Lincoln: Excuse me, are you Tiger Blazer, Cori and Violet?

Tiger Blazer: (Russian Accent) Indeed we are.

Cori Loud: Any of you a doctor? Because Violet has a sprained ankle.

Black Alpha: (to Dr. Ciel Ratchet) Ratchet, This young girl needs repairs.

Dr. Ciel Ratchet: On it. (Convert her hand into a Healing Laser) Now, Violet, be still. (She began healing Violet's ankle) I'll get you fixed in no time.

Cori Loud: Ooh! Say, you are great at this.

Dr. Ciel Ratchet: (to Cori Loud) Yes, that's very observant, Cori. As you can see, I'm a trained medic. (to Violet Loud) OK! That ankle will be good as new in a few weeks.

Violet Loud: S-So I'm not gonna help you guys?

Dr. Ciel Ratchet: No, Violet, you got your whole life ahead of you.

Violet Loud: Really?

Dr. Ciel Ratchet: Go out there and grab it by the horns!

Violet Loud: Thank you, Dr. Ciel Ratchet!

Dr. Ciel Ratchet: Break a leg! Sweet kid.

Tiger Blazer: (Russian Accent) So, with that taking care of, what brings you all here?

Lincoln: Glad you ask. I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know too well.

Then, Toralei Stripe and Animated Slipstream (A lithe and curvy 17-years-old young woman who has fair skin, black hair in a ponytail, and hazel-colored eyes. She wears a pair of glasses, a blue jacket, a teal sleeveless shirt, a purple pencil mini skirt with decepticon logo on it, teal leg warmers, and black high heels.) came out, and when Tiger Blazer, Cori Loud, and Violet Loud saw them, they was stunned. and when Lincoln see Animated Slipstream's human disguise, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Tiger Blazer: (Russian Accent) Мать? (Mother?)

Toralei Stripe: I'm here, my little Hunter.

Tiger Blazer, Cori Loud, and Violet Loud, ran up to Toralei Stripe, and Animated Slipstream, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, and Dr. Ciel Ratchet.

Lincoln: And there's something you two should know, Toralei, Slipstream, your mothers are many of my many future wives.

Tiger Blazer, Cori Loud and Violet Loud: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Tiger Blazer, Cori Loud and Violet Loud with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Animated Slipstream: And thanks for helping me find a human disguise, Linky. I look like a real young woman.

Lincoln: (Smiles Warmly) You're welcome, Slipstream.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Animated Slipstream and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Animated Slipstream still had a red blush on her face with steam coming out of her ears.

Animated Slipstream: (In Heaven) Whoa! What… a… kisser.

Toralei Stripe: (Chuckles in a good goofy mood) That's our Linky.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Tiger Blazer, Cori Loud, and Violet Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Toralei Stripe, and Animated Slipstream, and with their kids, and Tiger Blazer, Cori Loud, and Violet Loud now has a loving, strong, brave, and caring father in their life.

Whitw Tiger snarled.

Maria: Oh excuse me.

Lola: No worries.

May Burped.

LOUD BURP!

May: Oops. Pardon me.

Xenia: No worries.

Me: This is great, an awesome relaxation here in the park.

Nico: You said it, and we finally got rid of RD Sebastian forever, along with all evil versions of him forever.

Lincoln: You said it. (Deep sapphire eyes glow) Uh oh, looks like our relaxation time has been cut short, we've got ourselves a huge emergency, and we're not going to like this crisis in the slightest: Halinora, are you familiar with someone by the name of Katherine of Syracuse?

Halinora Hell gasped in shock.

Halinora Hell: Katherine of Syracuse?! Oh shit, I thought I was rid of her for good!

Nico: You know her?

Halinora Hell: I wish I hadn't. Katherine of Syracuse is nothing but a rotten heartless Class S bitch, and she's PURE EVIL TO THE CORE! She tried to ruin my reputation long ago and kill J.D., but she badly underestimated me because I used my dark powers and recorded all of the evidence of her misdeeds and mad schemes, and when we presented it to everyone, they all went red with anger and rage towards her, and as for Katherine, she went absolutely ballistic and she revealed her true colors and admitted everything, and she said when she becomes the Queen, she was going to kill us. But, I told her that wasn't going to happen ever, but right before I told my guards to seize her and drag her to Hell, Sebastian who had descended into madness and given in to his Dark Side showed up and murdered them, and then, he tried to kill Katherine to slake his thirst for blood once again, but I fired a black energy blast and it pierced him right in his black heart and I sent Katherine through a portal that led to the deserts of Syracuse.

We gasped.

Me: Yeah, I remembered that, and Sebastian didn't stay dead for long, we saw him get back up as a result of him giving into The Curse of Devil's Point and his wounds regenerated and he threatened The Princess of Hell saying all of Hell and its legions will suffer his wrath and all will descend into anarchy and destruction as he scurried back to The Netherworld.

Nico: Just how many dark things had he done to piss me and my friends off along with you, your friends, Lincoln, and his Guardian Angels before he was freed from that bloodthirsty animal?!

Suddenly, the rest of the team arrived.

Luna: We haven't begun to scratch that surface, dude.

Lincoln: And it's not just Katherine of Syracuse who's returned, but we also got word that a clone of Dark Chandler has also been sighted, and he's out for revenge on me and he is NTH DEGREE SCREWED UP, and he vowed that he is not going to stop until he kills me and my family and burns all of the city to the ground.

We gasped in horror, but as for Lincoln's Guardian Angels, NOW, THEY WERE NTH DEGREE PISSED OFF AND WERE SO GOING TO GO APESHIT ALL OVER HIM!

Anna Anyanova: WHY… ! THAT… ! MISERABLE LITTLE! SHITSTAIN!

Eman Reynolds: I'M GONNA TEAR THAT LITTLE SHIT INTO A MILLION PIECES!

Lincoln: We'll do that later. First, we got to get rid of Katherine of Syracuse, someone as evil as her deserves to die.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive

physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Katherine of Syracuse and the clone of Dark Chandler) AHA! Gotcha! I just spotted Katherine of Syracuse and the clone of Dark Chandler, they're 20 yards away, and they're coming right at us.

Nico: Let's get them and fuck them up!

Lincoln: Okay, now you're starting to sound like that vampire asshole, Quinn. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red

tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Katherine of Syracuse and the clone of Dark Chandler.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

Persephone heard a Pokemon cry.

Persephone: Look.

We saw a Stakataka!

Me: Whoa a Stakataka!

Nico: Wow!

Me: And it heard its leg.

Stakataka: Yeah I did.

We got to healing him.

Nico: You okay?

Stakataka: Yeah I'll be fine.

Xenia: Good.

Camie: Yeah.

Nico: Wanna go with us?

Stakataka: Sure.

Xenia: Cool.

Nico: All right lets keep our eyes peeled.

We were flying in the air and we landed and started looking for Katherine of Syracuse and the clone of Dark Chandler.

Lincoln: Okay, now we got to be careful: the clone of Dark Chandler in his NTH DEGREE SCREWED UP is now completely dangerous and completely insane.

Halinora Hell: Same with Katherine.

?: (ENRAGED FEMALE VOICE) HALINORA! KNUDSON! I'M GONNA KILL YOU!

?: (ENRAGED MALE VOICE) LOUD! I'M GONNA KILL YOU AND YOUR FAMILY AND BURN THIS SHIT CITY TO THE GROUND!

Halinora Hell: Great, I knew there was no mistaking that ugly chalkboard screech from anywhere.

Lincoln: Along with that big mouth and the smell of sewage from anywhere.

We then saw two figures in the distance: one of them was the clone of Dark Chandler and the other was a girl with black messy hair, red eyes full of total hatred, and tattered clothes, it was Katherine of Syracuse. They tried to attack Halinora Hell and Lincoln, but Lincoln formed a massive and indestructible diamond barrier surrounding all of us with a single thought, that of course set the two gnats off and they tried to break it by smashing it with their fists, but all it did was break their fists and left them all bloodied.

Katherine of Syracuse: GET THE FUCK OUT OF THERE SO I CAN KILL YOU BOTH!

Dark Chandler Clone: AND THEN, I'LL KILL YOU, LARRY AND EVERYONE YOU LOVE AND BURN THIS SHITHOLE TO THE GROUND!

Lincoln: Shut up, you pathetic little worms.

Lincoln fired two diamond balls at Katherine of Syracuse and the Dark Chandler clone which hit them in their mouths and sent them flying into a wall of diamond Lincoln formed, and then, Lincoln took the battle to Glaren.

Me: Whoa. Lincoln, how did you…?!

Lincoln: Just one single thought, and we found ourselves here on Glaren.

Nico: And you formed the diamond barrier with a single thought as well, your powers really evolved by margins when you transformed against that asshole, RD Sebastian, yesterday.

Dark Chandler Clone: I'LL FUCKING KILL YOU, YOU WIMPY WEAKLING!

Lincoln: Wimpy? Heh, look who's talking, Noodle Arms.

We laughed. Then, Lincoln marched towards the Dark Chandler clone who nearly pissed and crapped his pants seeing Lincoln towering over him like a really massive mountain.

Lincoln: Plus, I'm four times your height and with tons of muscle to back it up.

Lincoln proceeded to grab the Dark Chandler clone by the collar and punched him with his left fist and he put his head on his right arm and flexed his right arm as his giant bicep rose and punched him hard in the jaw, and that of course got the girls in his harem blushing like crazy and swooning over him.

Girl Jordan: (BLUSHING HARD) He's so much hotter and even more handsome and manlier than ever!

Lily the Mermaid: (BLUSHING HARD) He's infinite-times the man that worthless clone never will be.

Nico waves his hand at Girl Jordan's eyes and the eyes of Lincoln's harem and Guardian Angels.

Nico: Wow, they really really are swooning even harder over Lincoln.

Me: He's become a macho ladies' man and family man in just seven years, and ladies were driven to him like crazy.

Lori: Even we were amazed by that.

Luna: You girls can have your fun with your beefcake husband later.

That snapped Lincoln's harem and Guardian Angels out of it.

Anna Anyanova: (Embarrassed) Sorry, Luna.

Halinora Hell: She's right, now, it's time for us to have some fun, and I'm going to enjoy tearing you to shreds, Katherine, you bitch.

Stakataka charged at them and bashed them down.

Stakataka blasted them both.

Me: You make me sick Chandler! You're nothing but a sewage filled bully!

Girl Jordan: And I've been wanting to do this to you since you impersonated me!

She went over and PUNCHED HIM SQUARE IN THE FACE!

KRABLAM!

She knocked hom down!

The Dark Chandler clone got up and it seemed like he was about to do a villainous breakdown.

Dark Chandler: LOUD, LOUD, LOUD! The first thorn in my side was-

Said villainous breakdown was interrupted by Poromon's phone ringing.

Poromon: (smirks at Dark Chandler) Excuse me, kiddo. Daddy has to take this call. Why don't you wait for me, ok? Thanks!

Dark Chandler got even madder and foamed at the mouth at this but Poromon paid him no mind. He looked at who was calling and smirked.

Poromon: (picks up) Ah, Sister Volcanbender.

Sallia Volcanbender: Fuck you, man!

Poromon: Whoa, whoa! You guys were the ones making meth and eating people.

Sallia Volcanbender: You burned the farm! Killed my family!

Poromon: You had too much family members. They needed culling!

Sallia Volcanbender: You're fucking dead!

Poromon: Aren't we all? We live and we did, that's our curse. Hey, you want to expedite the situation, come fucking find me. Gotham Royal York. Anytime. Anywhere!

Sallia Volcanbender: I'll be there, man! I don't know when, but I'll be there!

Poromon: Good! Ask for the bird! (hangs up)

Nico: Sallia Volcanbender?

Poromon: Yep,

Xenia: Looks like she wants payback.

Poromon: Now, where were we? Oh yes! (Throws beer bottle)

It hit him square on the head!

SMASH!

Rei Miyamoto bashed Dark Chandler in the face with a baseball bat!

KRASMASH!

Nico: Take that!

Poromon: Oh, and you wanna see something scary?! (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!? YOU LOOK AT IT!

He showed the trailer to him!

Dark Chandler screamed in fright!

Poliwag: YOU LOOK AT IT!

DARK CHANDLER SCREAMED MORE!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Mevya: LOOK AT IT!

Jirachi: LOOK AT IT!

Tentacool: LOOK AT IT!

Patrick: LOOK AT IT!

Patrick and the Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

DARK CHANDLER SCREAMED IN FRIGHT!

Mevya: Wait. Patrick, why did you join in?

Patrick: Well I did start it because of SpongeBob's sundae.

Lily: He's right. It's true.

Xenia: That is funny.

HOrsea: Well, it's just that it's usually for us mascots only.

Patrick: Oh. Sorry.

Nico: But that was funny.

Laney: Take this!

KRABLAM!

She punched Dark Chandler in his face.

Camie kicked him in the face.

Manaphy got out a BB gun and fired and blasted him in his face.

POP POP POP POP!

Xenia: Nice shooting!

Me: Wait where did Manaphy get a BB gun?

May: (Sternly) Manaphy? Care to explain?

Manaphy: I bought it at the sporting goods store!

May: Really?

Manaphy: Yeah!

Nico: Nothing wrong with that.

Me: True. Just be careful with it.

Manaphy: I will.

Lola: Yeah.

Horsea got out a roman candle and lit the fuse and blasted Dark Chandler all over.

Me: What the!? Horsea where did you get that roman candle?

Maria: (Sternly) Horsea?

Horsea: Leftover fireworks in the garage.

Me: Oh right I forgot we had a box of fireworks in the garage.

Nico: Any other unexpected things you guys wanna show off?!

Poliwag: Just this!

He fired a beam of energy into the sky. But then…

LOUD LARGE JUNK CRASH!

NUMEROUS PAINT CANS AND OLD SUITS OF ARMOR AND JUNK CRASHED ONTO DARK CHANDLER!

Me: JEEZ!

Laney: What a mess!

Lisa: That appears to be my Junk Materializer ray gun!

Me: Wow!

Lisa Loud: Amazing! It works!

Me: It sure does.

Poromon: This.

He pulled out a whistle and blew it.

Me: I think that whistle is busted.

White Tiger roared!

Then the Gang of Cats appeared out of nowhere and they came and mauled Dark Chandler all over!

Syd Chang: No wonder that whistle didn't work right! It was an Ultrasonic Cat Whistle!

Nico: Wow!

Syd Chang: I found that whistle and gave it to Poromon.

Camie: Awesome.

Nico: Nice toys!

Xenia: Take that! YEAH!

Lola: Yeah!

Camie: Those were fun!

Manaphy fired the BB gun again and blasted him all over!

Qin: YEAH!

Kouta: Take this!

He pulled out an Orange Blaster and fired Oranges and they hit Dark Chandler and blasted him all over in fiery explosions!

KRABBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMM!

Nico: Take that!

Horsea lit her Roman Candle and blasted Dark Chandler all over the the place.

Xenia: OH YEAH!

Me: Take that!

Laney: Maybe I should use this!

She pulled out a Coconut Rifle!

Laney fired waves of coconuts and they hit Dark Chandler and bashed him all over!

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! That guy got hit in the head with 12 Coconuts!

Xenia: YEAH! He sure did and that was funny

Poliwag fired the Junk Materializer and numerous anvils appeared and then…

BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

Seven huge ANVILS smashed Dark Chandler flat into a pancake!

Camie: Nice one!

Qin: Funny!

Poromon blew the whistle again.

White Tiger roared and slashed Dark Chandler all over with his claws.

Xenia: Take that you jerk!

Nico: The whistle makes White Tiger take action?

Me: Well he is a cat what did you expect?

Nico: Oh.

Eddy fired his blaster and blasted Dark Chandler all over!

Nico: YEAH!

Qin: Watch this.

Qin went over to Dark Chandler.

Dark Chandler: You are a macho bitch!

Qin: What do you mean by that?

Dark Chandler: I said you're macho that's all.

Qin: Are you saying that I'm one of the Village People here to disco for you!? Is that what you're saying!?

Dark Chandler: No I'm not saying that!

Qin: You're saying that I am macho?

Dark Chandler: Yeah. Yeah that's what I'm saying.

Qin: DAT'S IT! I'LL SHOW YOU MACHO AND TEAR YOU TO PIECES!

She jumped him and bashed him all over in a brutal fight cloud!

The Goodfeathers laughed hysterically!

Ed: Macho?

Lola: Yeah you're tough!

Nico: Yeah!

Chris Taylor: DAMN RIGHT MY GIRL IS TOUGH!

Xenia: YEAH SHE IS!

She was mercilessly smashing and pulverizing Dark Chandler.

Xenia: YEAH!

Lola: YEAH RIP HER APART!

Suddenly, Halinora Hell's red eyes turned neon red and she was surrounded by a black and orange energy aura with stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels, and as she approached Katherine of Syracuse, she left black and orange energy, stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels with every step.

Halinora Hell: I've had it up to hear with you to last an eternity, Katherine. You have always been nothing more than pure evil to the core, and I knew better than to trust you, you've gotten in the way for far too long, and now, this is where your madness ends and this is where you die.

Suddenly, Halinora Hell was surrounded by a massive vortex of black and orange energy with stars, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, devils, phoenixes, and angels flying around the vortex, and in the vortex is a blood red phoenix with red eyes glaring at Katherine of Syracuse: the red eyes of eternal death and eternal damnation.

Nico: HOLY SHIT!

Me: Now, you're about to see the true power of the Princess of Hell unleashed!

Lincoln: Hell's wrath is about to fall on that pure evil monster brat.

Then, as the vortex faded, Halinora Hell emerged, but she was changed forever.

Halinora Hell grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve orange and black orbs orbiting around her legs, she has the body of a goddess, she has black highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon red eyes and a black and orange energy aura with stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a demon and devil with her tiara emblazoned on her forehead and Third Eye with purple iris, she has on devil earrings with orange gems for eyes and holding the Star, Hellfire, and Eternity Kanjis in its hands, she also has a devil with orange gems for eyes and holding the Star, Hellfire, and Eternity Kanjis in its hands for the second pendant on the bottom of her red evil-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and violet gems on the gold flame links, and she also has on her white and gold accented Elemental Phoenix Choker Necklace of Eternal Love. Halinora Hell has on a black sleeveless blouse, black sleeveless vest, long ankle-length fancy black skirt with the Hell Dopant symbol on it, black stockings, black sneakers, and long sleeveless white trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels on the coattails, and on the back is the symbol of the Hell Dopant surrounded by stars and hellfire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding orange gem with neon glowing orange lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in.

Suddenly, Halinora Hell felt a sharp pain on her back, and then, massive orange angel wings with black tips on the large orange feathers grew and sprouted out of her back over her black demon wings which also grew much bigger for her new body and she also now has eleven massive and long orange wolf tails with black tips and black markings, Halinora Hell has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Halinora Hell's infernal scythe, massive golden greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and orange energy, stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels, and when it emerged, it was transformed into Halinora Hell's Cosmic Eternal Infernal Hellfire Firestorm Demonic Princess of Hell Hell Dopant Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Infernal Hellfire Firestorm Demonic Princess of Hell Hell Dopant Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the Hell Dopant symbol etched on the 7'9" massive, wide, double-edged black blade, large black devil heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large black devil heads with red gems for eyes and on the bottom of the large black devil heads is a large black devil head with red gems for eyes and orange gem in its mouth for the pommel, Halinora Hell has on her large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold devil head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji with stars and infernal flames in between the kanji below the Hell Dopant symbol that said, "Halinora Hell, Embodiment of The Hell Dopant, Legendary Princess of Hell, Master of The Powers of Hell, Infernal Fire, and Forms of Dark Magic, Black Magic, and Satanic Magic, True Immortal and Powerful Warrior of The Universe, Loving Future Wife of James Dean Knudson, Despiser and Destroyer of Katherine of Syracuse, Archenemy of Meat, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of Hell, Infernal Hellfire, Forms of Dark Magic, Black Magic, Satanic Magic, Demons, Devils, Phoenixes, and Angels"

We were really amazed by Halinora Hell's Super Angel-Hell Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Katherine of Syracuse saw it, she went fucking insane and tried to rush at her to kill her, but Halinora Hell fired a massive barrage of black and orange energy, stars, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels which hit that monster bitch as she crashed into a wall, she got back up, but now, she was absolutely pissed off.

Halinora Hell: (Divine Echoing Godly Voice of The Infernal Hellfire Demonic Hell Princess Hell Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Infernal Hellfire Demonic Hell Princess Hell Dopant Embodiment Phoenix God Angel Love) And now, your pain and suffering has just begun, Katherine.

Sheila Thatcher: (Australian Accent) So has yours, sewage breath!

Lincoln's Guardian Angels: WE'RE GONNA TEAR YOU TO FUCKING SHREDS FOR WHAT YOU DID TO LINCOLN IN THE PAST, YOU SHITHEAD ASSHOLE!

Suddenly, Sheila Thatcher's blue eyes turned neon blue and she was surrounded by a black and red energy aura with stars, nebulae, fire, earth, water, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto, phoenixes, and angels, she unholstered her massive Sheila Thatcher's Multi-Elemental Legendary Planets Greatsword of Multi-Elemental Legendary Planet Justice from her back, and as she approached the clone of Dark Chandler, she left black and red energy, stars, nebulae, fire, earth, water, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, phoenixes, and Pluto, and angels with every step.

Sheila Thatcher: (Australian Accent) Even if you're just a clone of the real Dark Chandler who bit the dust last year, you're still just as evil, screwed-up, and dangerous as he was, and there was no mistaking the smell of the sewage you always leave behind in your wake. I've had it with you always showing your ugly face, and now, I'm gonna tear you apart once more, and this time, you better stay dead and gone forever.

Suddenly, Sheila Thatcher was surrounded by a massive vortex of black and red energy with stars, nebulae, fire, earth, water, light, and darkness surrounding the vortex, there's The Sun in the center with Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto orbiting around it with phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with reflecting stars and nebulae on it and the Armenian Symbol of The Solar System on its chest and with red eyes glaring at the Dark Chandler clone: the red eyes of eternal death.

Dark Chandler Clone: (SUPER AFRAID NOW) WHAT THE FLYING FUCK?!

T-Bone: He's lost his nerve.

Lincoln: That happens whenever one of my Guardian Angels who despises Chandler is gonna go after him, he loses his "confidence" and shows his true nature as the spineless coward he was due to his Dark Side.

Nico: And with what you did marching towards him and towering over him, he pissed and crapped his pants.

Me: His Guardian Angels did a whole lot worse than that to Chandler in the past.

Nico: I've got to hear more about that one day.

Then, as the vortex faded, Sheila Thatcher emerged, but she was changed forever.

Sheila Thatcher grew from 7'5" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large planets orbiting around her legs, she has the body of a goddess, she has black highlights in the bangs of her red hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a black and red energy aura with stars, fire, water, earth, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, phoenixes, and angels surrounding her and immense rainbow protective aura with all the elements swirling around her, she has the Armenian Symbol of The Solar System and phoenix and angel emblazoned in the middle of her forehead with Third Eye with blue iris, she has on angel earrings with blue gems for eyes and holding the Fire, Water, Earth, Wind, Light, Dark, Planet, and Eternity Kanjis in her hands, she also has an angel with blue gems for eyes and holding the Fire, Water, Earth, Wind, Light, Dark, Planet, and Eternity Kanjis in her hands for the second pendant along with the gold Thunderbird pendant on the bottom of her red angel-shaped Element of Harmony for her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she has on her white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck. Lincoln, Sheila Thatcher, Halinora Hell, and I went after Katherine of Syracuse and the Dark Chandler clone, and we fired extremely powerful blasts of rainbow energy, red and black energy, black and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Katherine of Syracuse and the Dark Chandler clone, and they exploded with incredible power as they hit them.

Then, we attacked them with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Sheila Thatcher, Halinora Hell, and I attacked them hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Katherine of Syracuse and the Dark Chandler clone even more madder and insane with rage.

Katherine of Syracuse and Dark Chandler Clone: (NTH DEGREE FUCKED UP SCREAM) WE'LL KILL YOU!

Katherine of Syracuse and the Dark Chandler clone ran at us forever consumed by rage, but then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit them and slashed at them with his dark greatsword, Then, Lincoln, Halinora Hell, Sheila Thatcher, and I fired powerful blasts of darkness, elemental forces, and planets at Katherine of Syracuse and the Dark Chandler clone, and Lincoln summoned wolf spirits and they brutally mauled and attacked Katherine of Syracuse and the Dark Chandler clone and they got badly hurt. Then, Halinora Hell slashed off Katherine of Syracuse's arms, legs, and head, and Lincoln's Guardian Angels went apeshit as they viciously pulverized the Dark Chandler clone and broke his arms and legs, and Lincoln slashed off his head, and he banished Katherine of Syracuse and the Dark Chandler clone to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Halinora Hell's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large black and orange orbs orbiting around her legs, and massive orange angel wings are permanent, and Sheila Thatcher's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large planets orbiting around her legs, and massive five sets of black angel wings with the symbols of The Planets and The Sun in them are permanent.

Halinora Hell: Now, that was so awesome!

Lincoln: That's the end of both the Dark Chandler clone and Katherine of Syracuse for good.

Suddenly, I got jumped on by Halinora Hell, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Suddenly, Sheila Thatcher wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sheila Thatcher's face, they kissed passionately as she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and The Legendary Planets Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto over them, and we cheered wildly. Then, Lincoln and Sheila Thatcher absorbed the elemental forces and they came back to us as the display vanished.

Nico: That was one awesome battle.

Lincoln: We destroyed Katherine of Syracuse and the Dark Chandler clone forever, those two deserved it.

Halinora Hell: You said it, those shitheads!

Lincoln: Now, to take care of the Anothers, and then, we gear up and I already sent a message to Vypra and the rest of The Masters of Evil to meet us in Barrow, Alaska.

Alexis Oleson: Finally, the time has arrived to get rid of Marlow Roderick and get revenge for what happened in Barrow sixteen years ago.

Me: Yeah.

Lincoln: (glares at Poromon) Nice, Poromon! That phone call interrupted Dark Chandler's villainous breakdown and we couldn't get stronger. Way to go!

Me: Lincoln we've got MANY MORE opportunities for that in the future.

Xenia: Yeah.

Qin: Besides, we made sure that Dark Chandler and Katherine of Syracuse paid for their crimes.

Xenia: Yeah that's right.

Camie: But it was awesome.

Stakataka: It sure was. Got any beer?

Poromon: I got some!

Stakataka: Awesome!

Poliwag and Stakataka drank the beer.

They got drunk.

Horsea: Sing the ABC's!

Poliwag and Stakataka: (Singing Drunk and Slurred) ABCDKQW EWLODABBD WETAFETOGHMELWE JWREWOGOA! NOW WE KNOW OUR ABC'S NEXT TIME YOU WILL PUKE WITH ME!

Horsea: Yay, Poliwag!

I snapped my fingers and they were back to normal.

Nico: That was funny though!

Ed: [bursting out of the ground] "I say tomato!" Eddy: "Yeah? Well I say you're an idiot!" [Eddy squeezes the ground, sending Ed skyward.]

Edd: "Gentlemen, please!"

Ed: [flipping] "Alley-oop!" [He starts coming down, heading for the ground]

He crashed into the ground!

SMASH!

Ed's head was flatter than a pancake!

Nico: Nice job by the way.

Stakataka: Thanks Nico. It was fun.

Xenia: Yep.

Lori: I'm liteally more concerned about that phone call.

Me: Me too. The Volcanbender family is still at large. But we're going to be ready for them.

Qin: Yep.

Nico: There's only 3 of them left.

Xenia: Yep. And soon they will all be destroyed.

Camie: Yep.

Lola: It will be good.

Poromon: I got my shotgun for this.

Qin: Awesome.

Xenia: And my arrows ready.

Camie: Yeah!

Nico: We may need to take a helicopter.

Xenia: Good idea.

Me: Awesome.

Lola: Patrol from the air.

Sheila: We can use the Police chopper from the force.

Me: Awesome. It'll be cool to use that one.

Poromon: We'll try shooting them down first.

Nico: Good idea.

Qin: That will be fun.

Camie: Yep.

LOUD FART!

Nico farted in Poromon's face!

Nico: Oops.

Poromon: NICO!

Nico: Sorry.

Ed: (LAUGHS) Nico sure got you good Poromon!

Eddy: (LAUGHS) So funny!

Harold then came.

Harold: NICO'S A FARTER! NICO'S A FARTER!

Pan: Oh grow up Harold!

Pan and Valese fired waves of purple and green energy and the bllasts hit the ground and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Grow up Harold!

Poliwag: What did you eat?!

Nico: Beans!

Harold: (Dazed and Stupid) Night mommy.

Poromon patted Nico on the belly.

Nico: Ahh thanks Poromon

Harold got up.

Harold: (SCREAMS) THAT HURT! I'M GOING TO KILL YOU J.D. THE DEAD!

Me: Come and try it LARDFACE!

He went over and then…

I punched him square in the face and sent him flying and then he crashed right into a Septic Truck and he was drenced head to toe in raw sludge and sewage and then he fell into an open manhole cover and into the sewer!

SPLASH!

Nico: WHOA!

Me: Nice!

Lana: AWESOME! (Disappointed) Lucky!

Nico: (LAUGHS)

Qin: Man Harold sure doesn't know when to grow up.

Me: Yeah no kidding. That felt good though.

Varie: He sure is going to smell horrible.

Me: Hope he likes being stinky forever.

Poromon: Feel better, Nico?

Nico: I think so.

SUPER LOUD FART!

Nico farted really loud and long and man was it RANK!

Nico was relieved.

Nico: Ahhhh! Now that's better!

Poromon; Thank goodness.

Maria: This'll be the only time I use the cannon today.

She revealed her chemical burn scar on her back.

Vivian Vapor Trail: OOOH! Ouch! How did you get that?

Vapor Trail: Steamin Demon hit me and burned me with a Brimstone Touch. Nasty burn on my back.

Vivian Vapor Trail: Ouch!

Me: Oh man! What did that!?

Vivian Vapor Trail: A bear slashed me.

Qin: Yikes!

Nico: Oh man! Ouch!

Laney: That must've really hurt!

Zocks: (gets out Timeranger gear) Because we can grant it instead.

Kaito got a V-Lancer and Zocks got a Chrono Saber.

Vivian Vapor Trail: No he didn't. After he put the ridewatch in me I turned into water and went out through the drainpipes when he wasn't looking.

Me: Yeah it was a while back.

Vivian Vapor Trail: Oh man. That is awful.

Me: Yeah.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her from Another Cathulhu.

Nico: (Gets out Cathulhu's ridewatch) It might not be the actual Cthulhu, but it's still strong!

May: (Gets out Demon Cat's ridewatch) Time for this cat to pounce!

Maria: (Gets out Darkinator's ridewatch) You're not afraid of the dark are you?

White Tiger: (Gets out Cult of the Cat's ridewatch) (SNARLS)

They used the powers of Cathulhu, Cult of the Cat, Demon Cat, Catzilla, Darkinator and Mammothman and blasted the Another.

Me: YEAH!

Pain: I still got my shoes!

Nico: (Imitating Hades) I've got 24 hours to get rid of this Bozo! Or the entire scheme I've been setting up for 18 yaers goes up in smoke (Flares up fire) And you… (Gets REALLY PISSED) Are wearing HIS MERCHANDISE!

Nico: Vivian Volt!? Whoa!

Vivian Volt: Yep. I got this.

She fired a wave of lightning and blasted the Another and I caught the Ridewatch and purified it.

Me: YEAH!

Nico: (LAUGHS) Yeah!

Me: Yep.

Vivian Volt: I never get tired of those lines that Hades did.

Me: Me neither.

I put on my blind man glasses.

Vivian Volt: And yes I am naked.

Nico: Uh oh.

The boys covered their eyes.

Me: It's going to hurt.

Vivian Volt: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and then she fired a blast of lightning and it hit May!

May: [gets shocked by lightning then screams. Continues screaming then gets burned to ashes] Aah!

She was reduced to a pile of ashes.

May: Ouch.

Vivian reverted back and was a girl with blue hair and blue eyes and had purple angel wings and had a lightning cloud with an Electric Catfish in front of it.

Vivian Volt: (Groans) That hurt bad. (GASP) OH MY GOD! I'm sorry May!

May: I'm okay!

Maria swept May into a dustpan and poured her out and put her back together.

May: Thanks Maria.

Vivian Volt: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her an awesome purple outfit and had an awesome lightning sword in her hands.

Vivian Volt: Wow! I look awesome.

Nico: You sure do.

Lola: Yeah!

White Tiger snarled.

Fluttershy: He wants to know if you have any favorite memories of Nico.

Vivian Volt: I sure do. My favorite is when me and Nico were in science class and then we saw a girl picking on one of the nerds and I used my powers to make her a braindead monkey.

Nico: Yep.

Me: Nice!

Nico and Vivian hugged.

Nico: I've missed you.

Vivian Volt: Same here Nico.

We went back home.

Vypra: I was surprised everyone in the town evacuated yesterday and came here.

Lincoln: I soon found out Alexa and the others had planned this, and they were the ones who opened the portal and evacuated everyone from Barrow because of what's going to happen.

Catwoman: Either way, that was some smart planning ahead. Now, we can trash those creeps.

Lincoln: Once the sun finally sets on Barrow, then, we can trash them, Selina. Plus, we saw the ship heading this way, once it sets, then, they'll head out.

Just as Lincoln said, we saw the sun finally set on Barrow, and we heard the screeches in the air.

Alexa Oleson: They're here.

Alexa Oleson: It doesn't matter, Sarah. Those vampires are going to regret coming here once again.

Suddenly, we heard another loud screech, and we saw them: Marlow Roderick and the vampires of 30 Days of Night, heading right for us.

Then, Lincoln and the Neo-Spacian Gene-Slammers cut off the heads of Zurial, Arvin, Iris, and the rest of Marlow's coven, and then, Lincoln and Alexa Oleson cut off Marlow's head and sent them to The Black Gates and burned their bodies. We cheered as we holstered our weapons and powered down.

Lincoln: This is for all those ninety-eight people who died in your rampage, Marlow, now you and your coven can burn in The Black Gates forever. (To Sarah Grettleton) And it's so good to see you again, Sarah.

Sarah Grettleton: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Sarah Grettleton as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Sarah Grettleton was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Sarah Grettleton: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Sarah Grettleton and he hugged her, and Sarah Grettleton is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sarah Grettleton: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Sarah Grettleton, Daydream Generosity Princess of Water, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Rarity combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Sarah Grettleton and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Sarah trained Lincoln a lot with using the powers of Water, Gems, and Generosity, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Chandler with a blazing passion because Chandler when he had his Dark Side in his was a greedy asshole and jerk, and Sarah Grettleton has put him in his place more than once: which means throwing him in jail like the criminal he was.

Nico: So, she despises greedy jerks and assholes like Chandler.

Lincoln: Yeah, it's not just Chandler, but Flip also received the end of her fury as well for the obvious reasons, and you know the rest, it was ugly. And now that you're here, Sarah.

Lincoln went up to and hugged Sarah Grettleton in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sarah Grettleton: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sarah Grettleton with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sarah Grettleton: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sarah Grettleton, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Sarah Grettleton's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Sarah Grettleton had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Akira Mizuno, Fusako Yamamoto, Mingji Lin, Mitsuko Mori, Momoko Tanaka, Nami Tenrai, Xianji Lin, and Yuji Chen from Titty Ninja Revolution ~Train the Girls~.

Nicole: Oh boy. Lincoln, the nine girls you rescued are Akira Mizuno, Fusako Yamamoto, Mingji Lin, Mitsuko Mori, Momoko Tanaka, Nami Tenrai, Xianji Lin, and Yuji Chen from Titty Ninja Revolution ~Train the Girls~. You just rescued eight voluptuous ninjas from those evil hungry monsters.

Lincoln: Sarah luckily got them away from those monsters before they could attack them. Are you girls okay?

Akira Mizuno: Yes, we're okay, thanks to you.

Then, when Akira Mizuno and the other seven girls saw who it was that saved them from Marlow Roderick and the vampires from 30 Days of Night, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Akira Mizuno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akira Mizuno: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akira Mizuno, Fusako Yamamoto, Mingji

Lin, Mitsuko Mori, Momoko Tanaka, Nami Tenrai, Xianji Lin, and Yuji Chen with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we got warmed up. Lincoln and Sarah Grettleton have a lot of catching up to do, now that she's back in town.

Maria: Man, that was one fearsome battle, but we got rid of the vampires and got payback for what happened sixteen years ago in Barrow, Alaska in 2007.

Lincoln: We sure did, and Alexa and the others told Eben and the others of what we did.

Nico: Alexa and the others are finally glad that they achieved payback for what happened in Barrow in 2007, but the memories of those days aren't easy to get rid of.

Me: No, they were badly affected by it, and they swore they wouldn't let anyone else suffer that kind of fate like them.

Lincoln: That's why Alexa Oleson formed The Barrow Anti-Vampire Defense Coalition: to prevent another tragedy like Barrow from happening again.

---

After we destroyed Marlow Roderick and his coven in Barrow, Alaska, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sarah Grettleton saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells,

squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sarah Grettleton: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sarah, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sarah Grettleton: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Sarah Grettleton: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: the ones who triggered the alarms were The Moon, The Magician, The World, The Wheel of Fate, and The Emperor, the creations of Dr. Curien, Caleb Goldman, and Thornheart.

Nicole: (GASPS) The Moon, The Magician, The World, The Wheel of Fate, and The Emperor, the creations of Dr. Curien, Caleb Goldman, and Thornheart.

Lincoln: This wasn't a contingency plan of RD Sebastian, there's only one person responsible for this: Caleb Goldman along with the other member of their organization, Thornheart. Let's take care of these monsters.

We flew out of The World Tree Estate, and Lincoln fired rainbow energy blasts that hit The Magician, The Emperor, and The Wheel of Fate in their weak points and stunned The World and The Moon by hitting their weak points. Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's Stingers and four of them opened up into large suckers and he latched them onto the heads of The Magician, The Emperor, The Wheel of Fate, and The World and he sucked them into his body and absorbed them as he and all of us assimilated all of their Cryokinesis, Pyrokinesis, and Hydrokinesis, powers, strengths, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Then, as the suckers morphed back into stingers, Lincoln flew at The Moon and he fired a bolt of lightning into The Moon's head and knocked him down, and he stabbed the Cell Stingers into The Moon's back, and he began absorbing The Moon into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Moon, and he banished The Moon, The Magician, The Emperor, The Wheel of Fate, and The World to The Black Gates. Then, we returned home to continue our workouts.

Silver the Hedgehog: I can't believe Goldman came back and that he and Thornheart were the ones who sent their masterpieces after us.

Lincoln: Don't worry, Silver. Tomorrow, on my rescue, we'll get rid of Goldman and Thornheart and they'll be joining Curien in The Black Gates forever.

Nico: Those three messed with nature because of their hatred for mankind, and they need to pay a severe price for their crimes with their own blood.

Me: That's for sure.

We got a shower, and then, Lincoln, Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie are heading to Deep Dark Galaxy.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black swim briefs with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim briefs, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Itazura: Wow, so this is Deep Dark Galaxy. It sure is beautiful.

Lincoln: It sure is, Itazura, and it's perfect for our first date. Shall we?

Lincoln, Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Deep

Dark Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie are in your harem, Linky.

Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Tara Markov A.K.A. Terra, Simulator Karui, Simulator Kurotsuchi, Glareana, Tanduran, Itazura, Kiyori, Lillix, The Weather Lady, and Taffy Lassie, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder Clyde and the girls in his harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for number 3 of Super Mario Odyssey.

Nico: This is the Final Round for Cap Kingdom.

Me: Awesome!

Vakama: Me and Tahu will go with.

Xenia: Awesome!

Nico: Okay then. Lets head in then.

They went into the Simulator and it activated and they were at CAP KINGDOM FOR THE THIRD AND FINAL TIME!

Nico: Here we are guys.

Tahu: This is gonna be fun brothers.

Kopaka: We'll join too.

Kopaka and Nuju came too.

Nuju: This is gonna be awesome.

Nico: Yep.

Nuju: It sure will be.

Nico: Any tips Nicole?

Nicole: (on the radio) Well for round three you guys are going after a bunch of Fireball Koopas. So this will be fun.

Nico: Yep it sure will.

Vakama: Good thing me and Tahu came after all.

Kopaka: Yeah that is for sure. And our ice will put out the fireballs.

Nuju: Yep.

Nico: Lets get going.

?: Not without us.

Out came 2 figures. One was a girl with orange hair and red eyes and orange clothes and dragon wings, and had a phoenix staff and had a necklace with the blue 4-Star Dragonball.

The second girl had purple hair and blue eyes and yellow clothes and had yellow angel wings and had a tiara with the symbol of Turbo Man on it.

Neri Nuova Shenron: I am Neri Nuova Shenron - Embodiment of the 4-Star Dragon, the Dragon of Fire.

Tara Turbo: And I'm Tara Turbo, Embodiment of Turbo Man.

Nico: Awesome to meet you girls.

Tahu: And you too Tara my brother!

Vakama: Same here.

Tara Turbo: Same here Tahu and Vakama. Its been a while.

Nico: Don't you mean sister?

Tara Turbo: He does but I've known how he has been doing that. We can catch up later.

Nico: Lets get them.

They were off and fired waves of energy and blasted the Fireball Koopas all over.

Nico: (gets out Agent 47, Terminator, and Cathulu's Ridewatches) Time for this cat to terminate and assassinate!

Nico activated them and fired energy blasts and blew them away.

Nira fired a wave of fire and blasted the Koopas all over.

Tara fired Fireballs and blasted them all over.

Tara: See how fast I can go!

ZOOM!

She ran fast and bashed them all over.

Kopaka and Nuju blasted them with ice.

They were frozen.

Nico smashed them into pieces.

The Koopas were destroyed.

They cheered wildly and high five.

Nico: Now where's our reward?

More Power Moons came and they got 31 moons.

Nico: YEAH!

Tara Turbo: Awesome!

Nico: How did you meet Tahu and Vakama?

Tara Turbo: I'm sure you heard this story, but I helped the Toa battle the Bohrok Kal and it was awesome.

Nico: Wow! That is awesome.

Neri Nuova Shenron: It sure was.

Nico: Would you two like to join the team?

Neri Nuova Shenron: We would be honored.

They left and we cheered wildly for them

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on

their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later we saw the mascots were making something.

Sora Sour Sweet: Dare I ask what you guys are making?

Poromon: An herb garden.

Me: Ooh cool.

Qin: Yeah.

Poromon: Parsley, Sage, Rosemary, Thyme, Basil, Oregano and more.

Nyarla Nightmare Moon: Can I try some?

Poromon: Sure. But I don't know what kind of foods to make them with.

Camie: That's okay.

Lola: Yeah.

Submarauder: Why don't we help you?

Poromon: Sure!

We got to helping them make spaghetti and more and it was awesome and also made great spaghetti sauce too.

Nico: (Eating) Mmm!

Me: (SLURPS) Delicious!

Moonracer: You guys did a good job.

Poromon: Thanks!

Manaphy: It was awesome!

Qin: It sure is.

Merrick: These really are nice herbs.

Poromon: Thanks. Glad you liked them.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Dr. Louis Faraday, the villain from Flight of The Navigator from 1986, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Dr. Louis Faraday, the villain from Flight of The Navigator from 1986, and he's causing havoc.

We gasped.

Me: That fucking mad scientist who endangers, imprisons, and does experiments on children?! That fucker!

Nico: That piece of shit's not getting out of this! He's in for Hell!

Lincoln: I sent a message to NASA about Dr. Faraday and sent them evidence of his crimes, and they told us to capture him and bring him in, and they said something about suing him for his crimes and they're going to be getting some compensation from him.

Me: Nice work, Lincoln.

Nico: Sending a message to NASA about Faraday along with evidence of his crimes, this just made his punishment much easier. Alright, gang, let's head out at once and capture that son of a bitch.

Me: You got it.

Nico: First we'll watch the movie for Flight of the Navigator and get the rundown on him.

Lola: Good idea.

The previous group came.

Amora: Can me, Pyro, Hydro Man, Hsi Wu, Grumblemon, Electrocutioner, Key, INSTIGATOR, Living Laser, and Trap Jaw go with you guys?

Nico: Yes you can.

Qin: Awesome. We're going to watch Flight of the Navigator first.

Lola: I'll make the popcorn.

She went and did so and we got to watching the movie.

On July 4, 1978, in Fort Lauderdale, Florida, 12-year-old David Freeman walks through the woods to pick up his 8-year-old brother, Jeff, from a friend's house, when he falls into a ravine and is knocked unconscious. When he comes to, eight years have passed, and it is now 1986. He has not aged, and his appearance exactly matches his missing child poster. He is reunited with his aged parents and the now 16-year-old Jeff.

Meanwhile, an alien spaceship crashes through power lines and is captured by NASA. Hospital tests on David's brainwaves reveal images of it. Dr. Louis Faraday, who has been studying it, persuades David to come to a NASA research facility for just 48 hours, promising him they can help learn what happened to him. Dr. Faraday discovers that his mind is full of alien technical manuals and star charts far exceeding NASA's research, and that he was taken to the planet Phaelon, 560 light years away, in just 2.2 hours (about 2,105,990.4 x c). Having travelled faster than light, he has experienced time dilation, explaining how eight years have passed on Earth, but not for him. Dr. Faraday decides to keep him there to finish his investigation, breaking his 48-hour promise.

Following a telepathic communication from the spaceship, David secretly boards it and meets its robotic commander, who introduces itself as a Trimaxion Drone Ship. David decides to call it "Max", while Max calls him the "Navigator". They escape from the facility and Max tells David that his mission is to travel the galaxy collecting biological specimens for analysis on Phaelon before returning them to their homes. Phaelon's scientists discovered that humans only use 10% of their brains, and as an experiment, filled the remainder of David's with miscellaneous information. Max returned him to Earth, but not to his own time, having determined a trip back in time would be dangerous for a human. When Max crashed the spaceship, the computer's data were erased. So, he needs the information in David's brain to return home.

While Max prepares for a mind transfer, David meets other alien specimens on board and bonds with a puckmaren, a tiny bat-like creature that is the last of his kind after a comet destroyed his planet. During the mind transfer, Max contracts human emotions and behaves eccentrically. David and his bickering trigger UFO reports in Tokyo and the United States. Meanwhile, NASA intern Carolyn McAdams, who befriended David, tells his family about his escape in the spaceship, so Dr. Faraday has them confined to their house, and Carolyn is sent back to the facility.

When the spaceship stops at a gas station, David calls Jeff, who sets off fireworks on the roof to locate their new house. David and Max arrive there, but NASA agents have tracked the spaceship. Fearing that he will be institutionalized and treated like a guinea pig for the rest of his life if he remains in 1986, David orders Max to return him to 1978, accepting the risk of vaporization. He awakes in the ravine, walks home, and finds everything as he left it. During the Fourth of July celebration, Jeff sees that the puckmaren has stowed away in David's backpack. David tells him to keep it a secret, while Max flies home across the fireworks-lit sky, calling, "See you later, navigator!"

---

When it was done we were in awe and it was awesome!

We cheered wildly!

Lola: So fun!

Amora: I'll say!

Airi: Nico, which Gene Slammer do you think you'll meet next?

Nico: Crush Crawfish next.

Qin: Whoa! Cool!

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Yellow Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Yellow Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Gina Moran: Leave the Universe 666 Yellow Rangers to me and Lincoln, guys.

Lincoln: Hold on, Gina, we're not doing this alone.

Gia Moran: He's right, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out take down Dr. Louis Faraday.

Lincoln: That madman's looking at spending the rest of his miserable life in prison, and once we get through with that piece of crap, Universe 666 Yellow Rangers, you're next.

Gina Moran: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Dr. Louis Faraday, and once we get through with that piece of crap, Lincoln and Gina Moran along with the Yellow Rangers are going to destroy The Universe 666 Yellow Rangers.

We were off.

---

We arrived at NASA

Pyro: Here we are!

Nico: Yep. NASA again.

Me: Qin: So awesome.

Lola: Love coming here.

Lusamine: Please tell me there are people here.

Nico: Yep look.

We saw David Freeman.

Me: There he is.

We went over.

Me: David Freeman?

David Freeman saw us.

David Freeman: Team Loud Phoenix Storm! What an honor. I'm so glad you're here. Dr. Fara…

Me: We know. Faraday is back and this time we're going to send him to prison.

Hsi Wu: You heard the news, didn't you?

David Freeman: Yeah.

Me: This time we're sending him to prison.

Qin: Yep.

Ludwig Koopa: You're a really gifted kid, David.

David Freeman: Thanks. That means a lot.

Electrocutioner: Remind me how you're gifted again?

David Freeman: I am a navigator and I travel all over the universe and help alien people get back home.

Me: That is cool. We've been all over the universe ourselves and only covered a small fraction of everything out there.

Xenia: Yeah it's awesome.

Major Dr. Ghastly: What's one alien race you've encountered?

David Freeman: Tamaraneans.

Starfire: Oh wow that is my people.

Goldfire: It sure is!

Blackfire: That is so cool.

Me: We've been to Tamaran a few times and it's cool.

David Freeman: It sure is.

Living Laser: Hmm. Have you encountered any alien species Ben can turn into?

David Freeman: Actually yes. The fire one, ghost one, the star aliens, green crystal aliens and those moth ones.

Me; You mean the Pyronites, Ectonurites, Celestialsapiens, Petrosapiens and Necrofriggians.

Shanan: Those are Heatblast, Ghostfreak, Alien X, Diamondhead and Big Chill's species.

David Freeman: Yeah!

Skullgrin: You know Alien X is powerful right?

David Freeman: I didn't sorry.

Me: Oh no worries.

Carla Wong III: Well the power of the Celestialsapiens is omnipotent. They can do anything.

Me: They are said to be the very beings that made the very entirety of the universe itself.

Trap Jaw: In short, they could blind and we would be gone.

Me: Yeah their power is that strong.

David Freeman: Wow!

Xenia: I know.

David Freeman: That is amazing. How many kinds of aliens are there?

Me: COUNTLESS kinds. We don't know HOW many are out there.

Chomp Chest: Anyone hungry? Because I am!

Me: I am. Luckily I got just the thing.

I formed a tree and brought out foods from the ISS.

Me: Astronaut food. You should see what they have on the ISS.

Nico: Wow.

We had Freeze Dried Shrimp cocktail.

Nico: (Eating) Mmm! That's good.

Me: Freeze Dried Shrimp Cocktail is what they have on the International Space Station.

Nico: Interesting.

INSTIGATOR: You should see the herbs the mascots made.

Me: Yeah they grew oregano, parsley, sage, rosemary, thyme and basil and more.

Xenia: Yep.

Lola: That was cool.

Poromon: Thanks.

David Freeman: That is cool. (Eating) Mmm! Believe it or not guys this food is what I had to eat sometimes in space.

Me: Welcome to the world of Astronauts.

Camie: How come they can't eat cakes in space?

Me: Because it will crumble apart and get into sensitive equipment worth billions of dollars.

Camie: Oh I get it.

Eartha: Which would be bad?

Me: Yep.

Eartha: Okay I think I get it.

Me: You know how much money NASA has put into the International Space Station like that?

Lola: How much?

Me: $2 to $4 billion per year in the last few years for maintenence and operations and research and transportation.

All of us: WOW!

Lola: That is a lot of money.

Me: It sure is.

Key: Tell us more about Faraday.

David Freeman: Sure.

He went over his history.

---

Louis Faraday works as the lead scientist of NASA, as of 1986. He is partners with NASA intern Carolyn McAdams (Sarah Jessica Parker).

After protagonist David Freeman discovered he was 1986, but did not age (after waking up from a fall and coma in 1978), Dr. Louis Faraday finds David, and takes him into the NASA lab, for experimentation. Faraday hooks David up to a machine that reads thoughts, and discovers strange patterns in David's thoughts.

The trimaxian drone from the planet Phaelon crashes into some electrical pylons. Dr. Louis Faraday, having been notified by the police about the incident, heads over the to scene, and has the drone transfered to and stored in one of NASA's hangers, where Faraday tries (unsuccessfully) to get inside and have a look. Faraday receives a printout with a picture of the drone, and sees that it matches the drone in David's thought patterns. Upon seeing this, Faraday successfuly persuades David into spending no more than 48 hours (2 days) at the NASA base. The following day, Faraday and David are meeting with David's mom, via phone, and the latter reiterates the agreement: David must be out of the NASA base in 48 hours. Faraday confirms the agreement.

David is taken to an area of the lab, where he hooked up to a computer, and made to answer multiple questions, about what happened, the night he fell in the hole in 1978. David's brain reveals abnormal alien statistics and star charts, that point Faraday to an extraterrestrial planet called Phaelon, which is 560 light years away from Earth. It is revealed that David was taken to Phaelon, but since he was traveling above the speed of light, it only took him 4.4 hours, while 8 years progressed on Earth. Therefore, he never aged. Especially after the computer shows things that David never said, the latter decides that it is too much, so he breaks free from the equipment, and tries to escape the base.

Faraday decides that 48 hours is too little time to gather data about Phaelon, so he extends David's time at the lab to a week. Therefore, Faraday stops at nothing to bring David back. He witnesses the trimaxian drone fly off, and discovers that David is in it. Faraday looks at the radar, to track the drone's location, and stops and nothing to find it, and bring it back (with David in it) to the lab. First, he sends helicopters to catch the drone, but that fails. Next, Faraday discovers that Carolyn notified David's parents, about David's escape from the base. Upon this discovery, Faraday has Carolyn and David's parents under house arrest, while NASA continues tracking down David.

When David, after a long journey with the trimaxium drone, heads home, Faraday and NASA head to the Freeman residence, and wait for David to arrive. David, upon seeing Faraday and NASA, decides to travel back to 1978, and does so, much to the disdain of Faraday, who wants to continue using David as an information source about Phaelon.

---

When he was done we were shocked!

Xenia: Oh man!

Me: what a monster.

Camie: Yeah!

Lola: Yeah!

Me: We're gladly going to send him to prison.

Snake Man: We should go find him now.

Me: Yeah.

Nico: Right. Shanan do you know Phaelon?

Shanan: As a matter of fact yes I do. It's said to be a planet that is home to a powerful advanced civilization that has technology and powerful resources billions of years ahead of us.

Me: Wow!

Nico: Amazing.

David Freeman: That's right. That's why Faraday wants to use me. For information on Phaelon.

Me: Well he can't have that info.

Nico: Lets go find him!

We went to face him.

Nico: See ya never, you madman!

Me: I hope you rot in prison and go to Hell!

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and yellow energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and yellow energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Yellow Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Yellow Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Yellow Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Gina Moran: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Gina Moran's blue eyes turned neon blue and she was surrounded by a yellow energy aura with stars, yellow fire, yellow flames, phoenixes, and angels, she unholstered the The Golden Eagle Sword, and as she approached The Universe 666 Yellow Rangers, she left yellow energy, stars, yellow fire, yellow flames, phoenixes, and angels with every step.

Gina Moran: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Yellow Rangers.

Suddenly, Gina Moran was surrounded by a massive vortex of yellow energy, stars, yellow fire, and yellow flames surrounding the vortex, there are phoenixes, angels, and the Red Rangers of 47 plus years flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at The Universe 666 Yellow Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Gina Moran emerged, but she was changed forever.

Gina Moran grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large yellow orbs orbiting around her legs, she has the body of a goddess, she has gold highlights in the bangs of her long yellow hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a yellow energy aura with stars, yellow fire, yellow flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a yellow lightning bolt with the Yellow Cosmic Fury Ranger emblazoned on her forehead with yellow iris, she has on Yellow Ranger earrings with yellow gems for eyes and holding the Star, Yellow Fire, and Eternity Kanjis in their hands, she also has a Yellow Ranger with yellow gems for eyes and holding the Star, Yellow Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her yellow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were amazed by Gina Moran's Super Angel-Yellow Power Rangers Embodiment-God-Phoenix-Harmony United Friendship

Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Yellow Rangers saw it, they went mad with rage and ran at her and kill her, but Gina Moran fired a massive barrage of yellow energy, stars, yellow fire, yellow flames, phoenixes, and angels which hit The Universe 666 Yellow Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Gia Moran: Incredible!

Selene Arcangela: Incredible is right, Gia, Gina's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Yellow Rangers and make them pay!

Gina Moran: (Divine Echoing Godly Voice of The Yellow Inferno Firestorm Yellow Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Yellow Inferno Firestorm Yellow Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and Immortal Heroism and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel of Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Justice and Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Gina Moran.

The Yellow Rangers also transformed and joined Lincoln and Gina Moran as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RD Sebastian has already paid for his crimes, and now, it's your turn, your end has come, Universe 666 Yellow Rangers!

Gina Moran, Lincoln, and The Yellow Rangers went after The Universe 666 Yellow Rangers, and they fired extremely powerful blasts of rainbow energy, yellow energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow

Then, Lincoln and Gina Moran attacked them with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Gina Moran also did the same by firing yellow energy slashes from her massive greatsword, and he and Gina Moran attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Yellow Rangers badly.

The Yellow Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love,

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Yellow Rangers' chests, and then, Lincoln began absorbing The Universe 666 Yellow Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Yellow Rangers, and he banished them to The Black Gates. We cheered wildly for what Gina Moran and Lincoln did as they holstered their massive greatswords on their backs and powered down and Gina Moran's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large yellow orbs orbiting around her legs, and massive yellow angel wings are permanent.

Gina Moran: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Yellow Rangers forever, Lincoln, you too, Gia.

Lincoln: (Smiles Warmly) You're welcome, Gia.

Suddenly, Gina Moran wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Yellow Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and yellow flames raging behind them and we cheered wildly. Then, Lincoln and Gina Moran sucked in and absorbed the elemental forces and yellow flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Yellow Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Yellow Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Catherine Fontaine, Daydream Friendship Princess of Magic

Selene Arcangela: Awesome, and you guys will really love meeting her. Catherine Fontaine is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Twilight Sparkle combined with the powers she has being Lincoln's Guardian Angel, and she's more than just a member, she's the leader of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Catherine Fontaine and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Catherine trained Lincoln a lot with using the powers of Magic and Friendship, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates all of Lincoln's enemies with a blazing passion because they were just as dangerous as The Doomsday 23 and The Midnight Knights of Royal Woods, and Catherine Fontaine has put them in their place more than once: which means getting them in trouble with The Loud Parents and Good Siblings and the cops, and in the cases of Chandler, Flip, Scoots, Hawk, Hank, Killjoy Huggins, Lewis Travolta, and the rest of his enemies: throwing them in jail like the criminals they were.

Me: I remember her all too well. She has the same powers as Twilight Sparkle and is a very powerful magic user and magician.

Lincoln: Yep, but she never forgave Lori, Lynn, Lola, Lisa, Luan, and Chandler because of what they did due to their Dark Sides and they were too strong mainly because of the Dark Side of Chase Young, and Flip, Scoots, Hawk, Hank, Killjoy Huggins, Lewis Travolta, and the rest of my enemies were flat out criminals and jerks, but Catherine has put them in his place more than once which means getting them in trouble with The Loud Parents and Good Siblings and the cops, and in the cases of Chandler, Flip, Scoots, Hawk, Hank, Killjoy Huggins, Lewis Travolta, and the rest of my enemies: throwing them in jail like the criminals they were.

Nico: Yikes.

Dumbbelltron: Phaelon is safe

Titanium Man: And Faraday won't be going after David again.

Trumbipular: No, he won't.

Kyd Wykkyd: Another job well done.

Magneto: We should celebrate at NASA again.

Me: Good idea.

Nico: Yep. Great job today everyone.

Nicole: (To the viewers) Never mess with the power of space or else.

Nico: Yep.

We enjoyed NASA and later went back home and enjoyed the rest of the day and went to sleep.

Valerie Gray: No problem Nico. This is gonna be awesome.

Stinkbomb: Boy it sure is! I'm looking forward to this.

Slappy Squirrel: All of us are and it will be as fun as Henny Youngman doing the Poconos.

Qin: Yeah no kidding.

Pesto: Yeah that is funny.

Me: Yeah.

Nico: Stinkbomb how did you get that name?

Stinkbomb: Oh it's something that was with me ever since I chased Slappy.

Slappy Squirrel: He chased me into a cave and was on the wrong end of a huge family of skunks.

All of us: EW!

Me: Man that must've REALLY Smelled horrible!

Stinkbomb: Oh it did!

Eli: Have they tried bathing you in tomato juice?

Pesto: I don't have any idea. You have any idea Bobby.

Bobby: Nah not a bit.

Me: It'll come to you eventually.

Squit: Yeah you're still a hopeful bird Pesto.

Pesto: What's that supposed to mean?

Squit: I said you're hopeful. You know, it means it will come to you in due time.

Pesto: Are you saying that I'm a rabbit, one that hop up and down and eats carrots and here to amuse you!? IS THAT WHAT YOU'RE SAYING!?

Me: It'll be alright. Did someone hurt you real bad?

Girl: No.

Me: Did some jerk crush your dreams? Because if it is, then when I find him I'm going to kill him.

Girl: (Sniffles) No it's not.

Me: Hmm. Haruto does this ring any bells to you?

Haruto: No. She isn't showing signs of Despair.

Me: Well this looks like despair in my point of view.

Nico: Hmm.

Brittney: I don't sense any Phantoms nearby.

Me: Wait a second. Nico do you know?

Nico: Yes I do. It's a clone of Despair Bear!

WE GASPED!

Me: I knew it!

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're not going to like this crisis in the slightest: J.D., are you familiar with someone by the name of Oliver Talbol?

Me: OLIVER TALBOL! (GROWLING LIKE A SAVAGE WOLF)

Nico: Uh oh, I can tell I'm not gonna like this.

Me: You aren't, Nico. Oliver Talbol is one of my enemies that I faced years ago and one of the worst assholes ever, he's a REALLY POWERHUNGRY mage. His goal is to steal all my power to destroy the entire universe!

We gasped.

Eli: THAT FUCKING SHITHEAD!

Lincoln: He really is crazy, but he doesn't know that your power and ours can't be stolen.

Me: Yeah, he doesn't and my power and everyone else's power far exceeds that shithead's power and magic.

Lincoln: And we're also completely immune and impervious to magic, and it gets worse: he made a clone of Despair Bear to cause havoc. But, I also planned out how we're gonna kill him: you and I are gonna strip him of his powers and drain him dry of his life force, J.D.

Me: Ooh, I like that idea, Lincoln!

Suddenly, Lincoln messaged everyone else and the rest of the team arrived.

Luna: We heard everything from Linc, dude, and we're ready for that jerk.

Mathias Ravenclaw: Same here. I've had it up to hear with that powerhungry mage.

Sam heard a Pokemon cry.

Sam S.L.: Hey guys look!

We saw an Entei!

Me: Whoa an Entei!

Nico: Hot.

Me: Awesome.

Entei: I was hunting the clone of Despair Bear when I got hurt.

Me: Ouch.

We got to healing him.

Nico: That's number 2 of the 3 Legendary Wolves.

Qin: Yeah.

Nico: You're not the first Talking Entei we've seen.

Entei: Really?

Molly Hale: Yeah my Entei can talk too.

Me: Long story on that but it was really awesome.

Entei: I see.

We healed him.

Nico: There we go.

Entei: Thank you.

Sam S.L.: Do you want to come with us?

Entei: I would like that.

Xenia: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings

orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Oliver Tabol and the Despair Bear clone) AHA! Gotcha, you fucking shithead! I just spotted Oliver Tabol and the Despair Bear clone, they're 20 yards away, and Oliver Tabol is still out to steal your power and destroy the universe.

Me: Fucking asshole, let's get him!

Lincoln: He's not getting out of this alive. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Oliver Tabol and the Despair Bear clone.

We were flying in the air and we landed and we saw people in total despair.

Lincoln: The Despair Bear clone's been here. Let's cure these people.

Lincoln went up to one person and put his hand on his head and sucked out the negative energy and cured him, and we also did the same to the others.

Me: Nice work, everyone.

Zoe Lee came.

Nico: Zoe!

Zoe Lee: Guys! I found Despair Bear! He's in the hotel!

Me: You sure?

Zoe Lee: Yes!

Nico: Lets go then!

Me: WAIT! It could be a trap!

Eli: Bro's right! I sense something fishy.

Nonetheless, we went into a room while Zoe stayed outside.

Nico: Okay, where's Despair Bear?

Zoe suddenly grinned evilly. Nico then noticed she had green eyes before she activated a force field, trapping us except me and Stewie in the room.

Stewie: What the Hell are you doing?!

Zoe: Making sure no one stops me from getting even with you!

Stewie: Wait. Despair Bear?!

We saw DESPAIR BEAR ON HER BACK!

Me: Let her go you OVERSTUFFED CLOTH SACK!

Despair Bear: NEVER!

I punched the force field and shattered it and then everyone got out!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

I then grabbed Despair Bear and pulled it off her!

I threw him and smashed him into a wall!

Despair Bear went over to Brian and controlled him.

Despair Bear/Brian: (smirks evilly) You wouldn't shoot your best friend, would you, Stewie?

Stewie's hand on his blaster trembled as he got flashbacks of Brian dying from being run over by that car.

I teleported and grabbed Despair Bear and pulled him off.

Me: Lincoln now!

Lincoln snapped his fingers and we tied him to a rack!

Brian: What happened?

Zoe Lee: I've got the worst headache!

Despair Bear got off the rack and controlled Cammy Bolton.

Despair Bear/Cammy: (smirks) Sweet! I'm controlling the strongest of the Genderbent Street Sharks!

Nico: Oh, fuckadoodles.

Cammy: (GRUNTS) NOT GONNA HAPPEN!

She grabbed him and pulled him off!

Cammy: NO ONE CONTROLS ME!

She threw him and smashed him into the wall!

Me: I'm going to rip him to shreds!

Qin: DOGPILE!

We then dogpiled on Despair Bear.

Nico: Did we get him?!

Joan Bolton then got off the dogpile and punched Nico, revealing that she was being controlled by Despair Bear.

Joan Bolton: NICE TRY!

She grabbed him and pulled him off and Pinned him to the floor.

Nico: NO ONE PUNCHES ME!

Joan got out of the way.

Xenia fired arrows and pinned Despair Bear to the floor!

Nico: (ECHOING) THUNDER STOMP!

Nico used Pajiramon's powers and smashed Despair Bear WITH DEVASTATING FORCE!

---

We dogpiled on Despair Bear again. But this time, he controlled Bebe Bolton and made her punch Nico.

But she stopped herself and grabbed him and pulled him off.

Nico then ripped off Despair Bear's arms and legs!

RIP!

HE SCREAMED!

Me: Not fun without arms and legs huh!?

Despair Bear regrew them right before we dogpiled on him again.

Nico: This is getting ridiculous!

Chloe Bolton suddenly kicked Nico to the ground, revealing that Despair Bear was controlling her this time.

Despair Bear/Chloe Bolton: Ridculous for you. Kinda fun for me!

Chloe broke free and smashed him down.

Xenia: Take that!

Entei charged at him and fired a wave of fire and burned him all over.

Entei: You will not control anyone anymore!

Eli got out the Magic Sword of the Wizard of Hogwartz!

Eli: RAVENCLAW STYLE: BLUE FLAMES OF THE BLUE RAVEN!

Eli fired waves of blue fire and blasted him all over the place.

Despair Bear: WHY YOU!

He then jumped and controlled BILLY!

Me: Oh boy.

He made Billy pulverize and smash May into pulp!

SMASH WHAM BIFF WHAM WHOMP KROW POW!

He really mutilated her all over and bashed and pulverized her!

May was brutally mangled up and looked like she lost a fight to a crazed superhero!

May looked like how Jimmy mauled Double D times 100,000!

Nico grabbed Despair Bear and threw him!

Stewie fired his blaster.

Stewie: YOU LIKE THAT!? HOW DO YOU FUCKIng LIKE IT!?

Stewie blasted Despair Bear all over.

He got out a poopy diaper and threw it and it hit Despair Bear and exploded!

?: YOU FUCKING ASSHOLE! I WILL HAVE YOUR POWER!

Nico: FUCK YOU, SHIT HEAD ASSHOLE!

We then saw our 2nd target: and it was a male with black hair and dressed in black robes and he has a black staff in his hand, it was Oliver Tabol, the really REALLY POWERHUNGRY MAGE!

Me: Oliver Tabol, I should've known you'd show your ugly face here again. You just don't even know when to quit, do you?

Oliver Tabol: SHUT THE FUCK UP! I will never quit, Knudson! I will steal your power and I will destroy the entire universe! (LAUGHING LIKE AN INFINITE TIMES NTH DEGREE FUCKED-UP MADMAN!)

Nico: YOU'RE FUCKING INSANE!

Me: And one thing you should know: my power and the powers of Team Loud Phoenix Storm can't be stolen, you're just a goddamn thief!

Oliver Tabol: SHUT UP! I WILL TAKE YOUR POWER!

Mathias Ravenclaw fired a blue blast of energy which hit Oliver Tabol's staff and destroyed it for good.

Oliver Tabol: NO! MY STAFF!

Galatea Ghidorah: There's a lot more where that came from, asshat!

I punched Oliver in the face and kicked him and blasted him all over!

i teleported and punched him down.

Suddenly, Galatea Ghidorah's pink eyes turned neon pink and she was surrounded by a golden yellow energy aura with stars, gravity lightning, dragons, phoenixes, and angels, and as she approached Oliver Tabol and the Despair Bear clone, she left golden yellow energy, stars, gravity lightning, dragons, phoenixes, and angels with every step.

Galatea Ghidorah: You're such a goddamn sicko as always, Oliver Tabol. Your insane lust for power has driven you completely into fucking madness, and your desire to steal J.D.'s power and destroy the universe has made you even more fucked up in the head than ever. You're a mad dog and for that, I'm putting you down forever.

Suddenly, Galatea Ghidorah was surrounded by a massive vortex of golden yellow energy with stars and gravity lightning surrounding the vortex, there are dragons, phoenixes, angels, and the incarnations of King Ghidorah from 1964 and onwards flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at the Despair Bear clone and Oliver Tabol: the red eyes of eternal death.

Nico: HOLY SHIT!

Me: Now, you're gonna get it, asshole!

Lincoln: Your insane lust for power ends here, you scumbag!

Then, as the vortex faded, Galatea Ghidorah emerged, but she was changed forever.

Galatea Ghidorah grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve golden yellow planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her short chin-length golden yellow hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon pink eyes and a golden yellow energy aura with stars, gravity lightning, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it and Ghidorah's horns grew bigger, she has King Ghidorah with her tiara emblazoned on her forehead and Third Eye with golden yellow iris, she has on dragon earrings with golden yellow gems for eyes and holding the Star, Gravity, Thunder, and Eternity Kanjis in its claws, she also has King Ghidorah with golden yellow gems for eyes and holding the Star, Gravity, Thunder, and Eternity Kanjis in its claws for the second pendant on the bottom of her gold dragon-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold flame links, and she also has on her white and gold accented Elemental Phoenix Choker Necklace of Eternal Love. We were really amazed by Galatea Ghidorah's Super Angel-

Ghidorah Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Oliver Tabol saw it, he fucking went mad.

Oliver Tabol: GET RID OF HER!

The Despair Bear clone went at Galatea Ghidorah, but before it could, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the Despair Bear's chest, and then, Lincoln began absorbing the Despair Bear clone into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of the Despair Bear clone, and he banished him to The Black Gates, and that pissed Oliver Tabol off, and Galatea Ghidorah fired a massive barrage of golden yellow energy, stars, gravity lightning, dragons, phoenixes, and angels which hit Oliver Tabol and sent him flying into a diamond wall Lincoln made and crashed into it, Oliver Tabol got back up, and now, he was beyond fucking pissed off!

Galatea Ghidorah: (Divine Echoing Godly Voice of The Gravity Lightning King Ghidorah Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Gravity Lightning King Ghidorah Dopant Embodiment Phoenix God Angel Love) There's a lot more where that came from, you shit for brains!

Nico: Yeah! There's our 2nd target!

Xenia: Yep.

Minerva Mink: And now that you've lost the Despair Bear clone and your staff, it'll be much easier for us to rip you apart.

Suddenly, Minerva Mink's eyes turned neon blue, and she was surrounded by a red, white, and yellow energy aura with stars, fire, water, ice, minks, phoenixes, and angels, she unholstered her massive Minerva Mink's Tri-Elemental Angelic Broadsword of Tri-Elemental Justice from her back, and as she approached Oliver Tabol, she left red, white, and yellow energy, stars, fire, water, ice, minks, phoenixes, and angels with every step.

Minerva Mink: You're just as horrible and completely evil as J.D. said, and I despise trash like you, I hope you're ready to face the consequences for your misdeeds, and no one, and I mean, no one's gonna say a word about you at your funeral.

Suddenly, Minerva Mink was surrounded by a massive vortex of red, white, and yellow energy with stars, fire, water, and ice surrounding it, there are minks, phoenixes, and angels running and flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at Oliver Tabol: the red eyes of eternal death. We were amazed by Minerva Mink's Super Angel-Mink-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding and he let out a really loud wolf whistle. But, when Oliver Tabol saw it, he fucking went mad and ran at her to kill her, but then, blasts of green, gold, silver, orange, gray, purple, and white energy came flying at him and they hit him and sent him flying into another wall of diamond Lincoln made.

Nico: What was that?

?: You're not laying one hand on any of our man's future wives, you powerhungry asshole!

Suddenly, we saw seven girls arrive here, they were wearing green, gold, silver, orange, gray, purple, and white clothes and they had the weapons of the Green, Gold, Silver, Orange, Gray, Purple, and White Power Rangers.

Lincoln: (GASPS) Tamara Oliver, Embodiment of The Green Power

Tracey Burrows: Aw yeah, the last seven Embodiments of the Power Rangers have arrived.

Tamara Oliver: We'll talk later, right now, let's get this asshole!

Nico: Now, you're talking.

But after everything we heard about you from J.D., now I really despise you even more.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not getting out of this alive, Oliver. This time, I'm putting you down for good, and we're gonna make absolutely sure you never return again, you crazed, powerhungry mongrel!

Lincoln, Galatea Ghidorah, Minerva Mink, Tamara Oliver, Katie Manx, Maria Baliton, Laura Weston, Selene Hargan, Rena James, Maria Phillip, and I went after Oliver Tabol, and we fired extremely powerful blasts of rainbow energy, golden yellow energy, red, white, and yellow energy, green, gold, silver, orange, gray, purple, and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Oliver Tabol, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Galatea Ghidorah, Minerva Mink, Tamara Oliver, Katie Manx, Maria Baliton, Laura Weston, Selene Hargan, Rena James, Maria Phillip, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Oliver Tabol even more madder and even more insane with rage.

Oliver Tabol: (SUPER NTH-DEGREE FUCKED-UP ENRAGED SCREAM) YOU! YOU! I WILL KILL YOU! ALL OF YOU!

Valerie: Go get em!

Me: With pleasure!

Xenia: YEAH!

Oliver Tabol ran at us completely consumed by rage, but then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit them and slashed at them with his dark greatsword, Then, Lincoln, Galatea Ghidorah, Minerva Mink, and I fired powerful blasts of energy, elemental forces, and planets at Oliver Tabol, and Lincoln summoned wolf spirits and they brutally mauled and attacked him and he got badly hurt. Then, Lincoln and I ran at Oliver Tabol and I slammed my left hand into Oliver Tabol's chest and Lincoln slammed his left hand into Oliver Tabol's back, and then, we began sucking out and absorbing all of his powers and magic and we made them our own, and then, we also began sucking out and draining Oliver Tabol of his life force as he screamed with pain. Then, as soon as Lincoln and I were done, Oliver Tabol was left as a dried up corpse drained of his powers and magic along with his life force.

Then, an energy card formed in my hands with Oliver Tabol's soul imprisoned and sealed inside.

Oliver Tabol: YOU THINK YOU'VE WON?! YOU THINK THIS IS ALL OVER?! I'LL COME BACK AGAIN, AND I WILL STEAL YOUR POWER, KNUDSON, AND DESTROY THE UNIVERSE! ALL WILL PERISH AT MY HAND!

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love,

Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done here, Oliver, forever.

Suddenly, the Judgement Kanji formed on Oliver Tabol's forehead and he was found guilty for all of his crimes and he screamed in pure rage and hatred as he was dragged to The Black Gates by the spirits of his victims and he was erased from existence forever. Everyone cheered wildly as we holstered our weapons and powered down, and Galatea Ghidorah's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large golden yellow planets orbiting around her legs, and massive golden yellow angel wings and larger Ghidorah wings are permanent, and Minerva Mink's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, longer blonde tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red, white, and yellow planets orbiting around her legs, and massive blonde angel wings are permanent.

Galatea Ghidorah: Now, that was so awesome!

Me: And now, I'm finally rid of that extremely powerhungry monster forever.

Suddenly, I got jumped on by Galatea Ghidorah, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Suddenly, Minerva Mink wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Minerva Mink's face, they kissed passionately as she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Mink flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, and we cheered wildly. Then, Lincoln and Minerva Mink absorbed the elemental forces and they came back to us as the display vanished.

Nico: That was one awesome battle.

Lincoln: We destroyed the Despair Bear clone and we got rid of J.D.'s most dangerous enemy, Oliver Tabol, for good.

Me: I thought I was finally done with him, but I was wrong. So, Lincoln, are you going to introduce us to the seven girls who showed up?

Selene Emperyous: Leave that to us. The first girl is Tamara Oliver, Embodiment of The Green Power Rangers, she's Lincoln's Guardian Angel from Angel Grove, and she has 47+ years of Green Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all the Red Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met Lincoln when they were ten years old. One day, Tamara Oliver was walking home from school when she heard a loud scream coming from The Loud House, she ran there at once to see Lincoln running in fright and with severe bruises and knife wounds on him, and she soon found out who it was that did the dirty deed: Lori, Lynn, Lola, Lisa, and Luan who were on another bloody rampage again. They ran at her with the knives they used to hurt Lincoln and they were going to kill them both, but Tamara Oliver used her massive arsenal of skills and techniques and she overpowered and knocked those five harpies out, and she threw them to their parents who grounded them for eighteen weeks and the siblings threw them in a metal container to keep them away from Lincoln and the rest of them as well. She cleaned up Lincoln's physical wounds and hugged him and he hugged her as he cried, it really wounded her to see Lincoln go through that kind of torment and pain. She then told him about her, and when he found out she's The Embodiment of all the Green Power Rangers, he fainted from stunning amazement. Plus, he and only he alone found out she's the sister of Tommy Oliver, and that she'd also met the previous Green Power Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards Lincoln, and she swore if they were to do this sort of thing to Lincoln once again, she would have them sent to prison and a mental asylum for the rest of their lives.

We gasped in shock and awe.

Nico: WHOA! Now, we've met all the Embodiments of The Power

Rangers on Lincoln's side.

Lincoln: Yep, and it's so good to see you again, girls.

Tamara Oliver: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Minerva Mink: Oh, we also got a surprise for you, J.D. She should be arriving… right… now!

Suddenly, I felt something hug my waist and I also felt two hands perched on my pecs: it was a soft gentle touch and my face and body turned atomic red.

?: (Seductive voice) Well, hello there, tall, muscular, hunky, handsome, and… (Rubs her hands on my pecs) manly.

I almost had a strong nosebleed hearing that seductive voice, and when I looked down at my torso, I saw a seductive, smoking, red hot, drop dead gorgeous mink just like Minerva Mink, but she has long firetruck red hair and a long firetruck red hair tail, and she's dressed in the same red dress as Minerva Mink.

Minerva Mink: Ah, I see that our little "surprise" is already here.

Me: (Trying to keep my cool and not faint) You… you know her?

Minerva Mink: Yes, this is my twin sister, Tracey Mink, she's just like me in every way, but we have a difference in the color of our hair and tails. I told her of how I'm now the future wife of Lincoln, and we decided to set her up with you, and when she saw your photo of you in your speedo and posing like a bodybuilder, she fell in love at first sight with you.

Lincoln: And it looks like Tracey's already taking a liking to you.

Nico: J.D.'s trying to keep his cool and not faint!

Suddenly, my eyes turned deep red, and I wrapped my arms around her waist and her chest pressed against my pecs and her stomach pressed against my eight-pack abs which sent a blush to Tracey Mink's face, and then, I leaned down to Tracey's face and kissed her on the lips which made her blush on her face deepen even more, but she returned it as she still kept her hands on my pecs as I deepened the kiss and everyone cheered. When I separated, Tracey Mink had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Tracey Mink: What a Man!

Then, I suddenly moved Tracey's right sleeve down, and I leaned his head down the right side of her neck, and I slowly bit her and fed on her blood, and everyone saw my rainbow energy aura with elemental forces and mythological animals flare up as I gained a massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more, and my massive rainbow angel wings with aurora and red tips spread out and glowed along with my large gold halo and four orbiting gold rings on each corner of the halo behind my head and eleven massive and long rainbow wolf tails with red tips and red markings. I slowly unlatched my fangs from her neck as her neck healed and the puncture marks sealed up, and I also kissed where I bit her.

Tracey Mink: Oh, I'm gonna enjoy having some fun with you tonight, big boy.

Me: Can't wait.

Valerie: I'm so proud of you Minerva.

Me: Me too Galatea.

Galatea Ghidorah: Aww it was nothing.

Minerva Mink: That was cool.

Entei: It sure was.

Nico: Nice job Entei!

Entei: Thanks Nico. It was awesome and fun.

Sam S.L.: It sure was cool!

Lola: Yeah!

Poromon got out a beer bottle.

Entei: Poromon no thanks. I don't drink beer.

Poromon: Oh. Okay then.

Entei: And Poliwag that puppy eye trick won't work on me.

Poliwag: At least the last 2 liked beer!

Qin: True.

Xenia: Yep.

Aligned Sideswipe: It was like Minitron all over again!

May: (Groans in pain)

Nico: Oh man May!

May: (Dazed) Someone get the number of that idiot that mangled me up

Manaphy hugged her.

Lana: BILLY YOU STUPID IDIOT!

Lana and Mandy pulverized and brutally smashed him all over in a brutal fight cloud.

Billy: HELP HELP SOMEBODY HELP ME!

SMASH!

Billy: OW! MY SPLEEN!

Billy was REALLY GETTING FEROCIOUSLY MANGLED UP!

Eli grabbed them.

Nico: EASY! It was the clone, not Billy.

Lana: Oh right.

Nico: And we already took care of said clone.

Qin: Yeah.

Me: Good riddance.

Stewie: I did most of the work.

Me: You sure did. But that was awesome Stewie.

Stewie: Thanks.

Lola: That was cool.

Nico: It was awesome.

Stewie: Rupert's much better.

Ted: Same with me.

Me: You got that right.

Nico: Yeah.

Stewie: Sorry we landed in your pool Chloe.

Chloe: Oh no worries.

Me: At least they didn't crash into the concrete.

Chloe: True.

Qin: That would not feel good.

Camie: Yeah no kidding.

Rei Miyamoto: That is for sure there.

Miku Yuuki: Yeah that would feel horrible.

Stewie: I probably would survive that!

Me: Yes that's right.

Camie: Yeah.

Marinette: That was one of the smallest Akumas ever fought

Me: I know. Just Stewie's size.

Lola: And Most of us too.

Camie: Yeah!

Nico: (to the Bolton Sisters0 You girls okay?

Joan Bolton: Yeah we're okay.

Bebe Bolton: We're okay.

Cammy Bolton: It'll take more than a bear to stop us.

Chloe Bolton: You mean a teddy bear?

Cammy Bolton: Yeah.

Xenia: That was still awesome though

Nico: Good thing he didn't make you girls shark out.

Cammy: Yeah because our shark forms inside us made sure that he wouldn't.

Camie: Awesome.

Xenia: Cool!

Lola: Yep.

Qin: Good thing too.

Stewie: When he controlled Brian, I had flashbacks of when he got run over.

Me: I saw your thoughts on that Stewie. That was awful!

Nico: Yeah!

Xenia: No kidding.

Nico: Wouldn't it be fun if Rupert was alive?

Stewie: I would love that.

Me: Yeah.

Nico: Maybe one of these days.

Me: Yeah. We'll worry about that later.

Nico: Maybe when we get home.

Me: Yeah we could do that.

Stewie: I would like to see that!

Nico: Oh right.

Me: By the way is the Another Stinkbomb friendly or hostile?

Arlinda Aria Blaze: Friendly and she smells horrible.

Nico: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Me: Another Stinkbomb!

Nico: Oh man! That one reeks!

Another Stinkbomb: (In a girls voice) I know! It smells awful!

Me: (GASP) That voice!

She reverted back and was a girl with green hair and had green eyes and green clothes and had a miner helmet on and had crystal angel wings and had a tiara with the symbol of the Mine Dopant on it and the same symbol on her overalls and had hot dog sword!

Me: Tine Mine! Whoa!

Tina Mine: Awesome to see you again J.D.

Me: Same here. Tina is a Sulfur Miner hence why she stinks.

Nico: WHEW MAN THAT IS STINKY!

Tina Mine: I know.

Me: Well what did you expect? Sulfur smells like rotten eggs.

Nico: True.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Tina Mine: No he didn't and it's obvious why.

Me: IN a hurry because of the sulfur stink.

Tina Mine: Yep.

Sakura Knudson: That explains the rotten egg stench smelled back then.

Lola: Yuck!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: Yeah!

Xenia: Yeah lets get him!

Nico: (Gets out Stinkbomb's ridewatch) I can be stinking too!

May: (Gets out Chicken Boo's ridewatch) You wear a disguise to look like human guys but you're not a man you're a chicken boo.

May activated that one and fired waves of eggs.

May: And this too! (ACTIVATES PAIN AND PANIC'S RIDEWATCH)

Maria: (Gets out Fates Ridewatch) I can see the past, present and future!

Pesto: This mouse doesn't give us no respect! (GETS OUT WINSLOW'S RIDEWATCH)

They used the powers of Stinkbomb, Winslow, Chicken Boo 2020, Pain & Panic, Fates, Waggs and blasted the Another all over!

Then Imperious, Naked Krabs, Stinger, Sandboy, Disgruntled Postman and Crystal Dragon (Miraculous) came.

Nico: Awesome team Imperious!

Imperious: Thanks Nico. It sure is awesome.

Qin: Yeah!

Crush Crawfish: (In a girls voice) This is gonna be fun.

Nico: Carrie Creole Crawfish!? Whoa!

Me: The Awesome Creole Chef!? Wow!

Carrie Creole Crawfish: Yep. That's right. I got this.

She fired waves of energy and blasted the Another and I caught the Ridewatch and purified it.

Nico: Take that!

Carrie Creole Crawfish: Yeah! Oh and I'm naked just so you know.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Carrie Creole Crawfish: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and then she reverted back and was a girl with red hair, red eyes, red angel wings and had a chili pepper with a crawfish in front of it in the middle of her forehead.

Carrie Creole Crawfish: (GROAN) That hurt. Whoa man what happened to May?

Me: Don't fucking ask.

Carrie Creole Crawfish: (Sees herself) WHOA! I need some clothes!

Rarity: Don't worry darling. We can fix this.

The fashion brigade gave her new orange awesome new clothes.

Carrie Creole Crawfish: Wow! I look awesome!

Maria: You sure do.

May: Yeah.

Sora: Let me heal you May.

May got healed by Sora.

May: Ahh thanks Sora.

Sora: No problem.

Squit: Do you have any favorite memories of Nico?

Carrie Creole Crawfish: When I made an entire school an awesome creole buffet and they were so stuffed that they looked like Thanksgiving turkeys and it was awesome.

Me: Boy your food is something Shaggy, Homer and all of us would love.

Carrie Creole Crawfish: (LAUGHS) Yeah and I even make my own hotsauces.

Me: Ooh!

Carrie Creole Crawfish: Yeah.

Nico: Awesome.

Nico and Carrie hugged.

Nico: I've missed you.

Carrie Creole Crawfish: Me too Nico.

We later went back home.

Lincoln: This is it, we're here in the Manor Depths.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair with pink streaks and pink headband, purple eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Magic Skylanders and Twilight Sparkle's cutie mark on her right arm she has massive and beautiful purple angel wings, she's dressed in a pink sleeveless blouse, necklace with purple gem for the pendant, white bridal gloves, green and pink fancy skirt with green bow, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, elemental forces, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Magic Skylanders and Twilight Sparkle's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and with her are the eight girls.

Lincoln: (GASPS) Catherine Fontaine, Daydream Friendship Princess of Magic.

Catherine Fontaine: That's right, and I got the girls away from Goldman and Thornheart before they could unleash any creatures on them.

We then made our way inside the church, and there we saw Caleb Goldman and Thornheart.

Then, Lincoln fired rainbow energy blades that sliced and pierced Goldman and Thornheart and destroyed them and sent them to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: You've done more than enough damage to humanity, Goldman and Thornheart, now go join Curien in The Black Gates forever. (To Catherine Fontaine) And it's so good to see you again, Catherine.

Catherine Fontaine: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Catherine Fontaine as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Catherine Fontaine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Catherine Fontaine: Sorry about that, but it's so good to see you again, Lincoln.
